- (2) The Company may (at the option of the Directors) satisfy any application for the allotment of Participating Shares by procuring the transfer to the applicant of fully-paid Participating Shares at a price per share equivalent to the relevant Subscription Price per share as determined hereunder. In any such case, references in these Articles to allotting Participating Shares shall where appropriate be taken as references to procuring the transfer of Participating Shares.
 - (3) The terms on which and the price per Participating Share at which the first allotment of Participating Shares of any class (other than to the subscribers of the Memorandum of Association) shall be effected and the time of such issue shall be determined by the Directors.
 - (4) Any subsequent allotment of Participating Shares of any Fund shall be made on any Dealing Day at the Subscription Price per Participating Share of the relevant Fund being a sum not less than the Redemption Price per

Participating Share of the relevant Fund on the same Dealing Day and not more than a sum calculated by:-

- (a) ascertaining the Net Asset Value of the Fund to which the Participating Shares, or if relevant, that portion of the Fund to which Participating Shares of a particular Class are attributable in either case (the “**Appropriate Fund**”);
 - (b) adding thereto such sum as the Directors may consider represents the appropriate provision for Duties and Charges which would be incurred if all the assets of the Appropriate Fund were being purchased or acquired at the Valuation Point;
 - (c) dividing the aggregate of the amount calculated under (a) and (b) above by the number of Participating Shares of the relevant class then in issue;
 - (d) adding thereto a subscription charge of an amount which shall be determined by the Directors but which shall not exceed 5% of the relevant Subscription Price (without taking into account such subscription charge); and
 - (e) rounding the resulting amount (which may be upwards) by not more than one per cent.
- (5) Any subscription charge made pursuant to paragraph (4)(d) of this Article shall be allowable by the Company to or for the benefit of the Manager or such of its agents as the Manager may direct and the Directors may differentiate between any applicants and between Funds of Participating Shares and Classes of Participating Shares within that class as to the amount of such subscription charge within the permitted limit.
- (6) If the Directors and the Depositary shall be satisfied that the terms of any exchange shall not be such as are likely to result in any material prejudice to existing Shareholders, the Directors may in their absolute discretion allot Participating Shares on terms providing for settlement to be made by the vesting in the Depositary on behalf of the Company of any securities, bonds or other assets of whatsoever nature and wheresoever situate that may be acquired by the Company in conformity with the Principal Regulations and the investment objective and investment policy and any investment restrictions of each Fund as determined from time to time by the Directors, and in connection therewith the following provisions shall apply:
- (a) for the avoidance of doubt, in determining the number of Participating Shares to be issued in exchange for the vesting in the Depositary on behalf of the Company of securities, bonds or other assets, the Subscription Price for such Participating Shares shall be determined in accordance with paragraph 4 of this Article. For the avoidance of doubt, the number of Participating Shares issued shall not exceed the number that would have been issued for the cash equivalent;

- (b) the number of Participating Shares to be allotted shall be not more than that number which would have fallen to be allotted for settlement in cash against the payment of a sum equal to the value at the Valuation Point in respect of the relevant Dealing Day of the securities, bonds or other assets, as the case may be, to be vested in the Depositary on behalf of the Company as determined by the Directors in accordance with paragraph (d) below;
 - (c) the Directors may provide that the whole or any part of the Duties and Charges arising in connection with the vesting of the securities, bonds or other assets in the Depositary on behalf of the Company shall be paid by the Company or by the person to whom the Participating Shares are to be allotted or partly by the Company and partly by such person;
 - (d) the value of the securities, bonds or other assets to be vested in the Depositary on behalf of the Company shall be determined by the Directors on the same basis as that provided for in Article 21 hereof; and
 - (e) the Directors may require that the person to whom the Participating Shares are to be allotted shall warrant to the Company that the securities, bonds or other assets, as the case may be, to be vested in the Depositary on behalf of the Company are the absolute beneficial property of that person and are not the subject of any assignment, charge, lien, encumbrance, equity, licence, user or other agreement, right or claim whatsoever and all of the same are valid, subsisting and not subject to revocation or cancellation. The Directors may further require that person to deliver to the Depositary or as the Depositary may direct all those securities, bonds or other assets title to which is capable of transfer by delivery and otherwise to execute such documents and take such other steps (or procure the necessary parties to do so) as shall be required by the Directors for vesting the securities, bonds or other assets in the Depositary on behalf of the Company. Such securities, bonds or other assets so accepted must be consistent with the investment objective and policy of the relevant Fund.
- (7) The following provisions shall apply in connection with the issue of Participating Shares pursuant to paragraphs (4) - (6) of this Article:
- (a) no Participating Shares shall be allotted on a Dealing Day (except those for which applications had been previously received and accepted by the Company) during any periods when the issue or the redemption of Participating Shares is suspended pursuant to Article 22 hereof. Unless withdrawn prior to the expiry of the period of suspension referred to in the preceding sentence, applications will be considered on the Dealing Day immediately following the day on which such suspension is lifted. Any such withdrawal shall be made in writing and shall not be effective until it has actually been received by the Company (or its authorised agent);

- (b) the Directors may issue Participating Shares on terms that the person to whom they are issued shall bear any Duties and Charges which may be incurred outside Ireland;
- (c) where any subscription moneys are not an exact multiple of the Subscription Price per Participating Share of the class applied for a fraction of a Participating Share may be issued at the discretion of the Directors;
- (d) the Directors shall have power to impose such restrictions as they may think necessary for the purpose of ensuring that save as permitted by any relevant foreign law no Participating Shares in the Company are acquired or held by any person in breach of the laws or requirements or any country or governmental authority; and
- (e) for the purposes hereof Participating Shares which have been allotted shall be deemed to come into issue at the Close of Business on the relevant Dealing Day in respect of such allotment.

REALISATION OF PARTICIPATING SHARES

16. (1) Subject to the provisions of the Acts and the Principal Regulations and as otherwise hereinafter provided and except as otherwise agreed by the Directors and the Manager, the Company, on receipt by it (or one of its authorised agents) at any time up to the Dealing Deadline of:

- (i) a request in such form as the Directors may from time to time determine (hereinafter in this Article called a **“Realisation Request”**) for the redemption of all or any portion of the Participating Shares of a class held by a Shareholder (hereinafter in this Article called the **“Applicant”**); and
- (ii) such evidence as to title to the Participating Shares to be redeemed as the Directors may have made available to the Applicant upon his acquisition of the relevant Participating Shares to be redeemed;

shall redeem such Participating Shares on the next following Dealing Day at the Redemption Price for each such Participating Share calculated on such Dealing Day in accordance with Article 17 hereof or procure the redemption thereof at not less than the Redemption Price for each such share as aforesaid provided that:-

- (a) Where a Realisation Request is received after the Dealing Deadline the Manager may treat such request as having been received on the next Business Day and the Redemption Price shall be determined accordingly as herein provided.
- (b) At the request of the Applicant the Directors may but shall not be bound to redeem such Participating Shares on the next Dealing Day following the Business Day on which the Realisation Request was received.

- (c)
 - (i) Subject as provided in sub-paragraph (d) hereof, in the event that evidence as to title is not received by the Dealing Deadline the Directors may proceed to redeem or procure the redemption of the Participating Shares comprised in the Realisation Request on the next following Dealing Day, but settlement of the aggregate of the Redemption Price for all such Participating Shares (hereinafter in this Article called the **“Proceeds”**) shall not be made until such time as the evidence as aforesaid is received by the Company or one of its authorised agents.
 - (ii) If settlement is postponed pursuant to sub-paragraph (i) above the Proceeds will be deposited by the Company in a bank for payment to the Applicant against surrender of the Written Confirmation of Entry or other evidence as to title representing the Participating Shares previously held by such person or the furnishing of such other evidence as to title as the Directors may require.
 - (iii) Upon the deposit of the Proceeds in a bank, pursuant to sub-paragraph (ii) above the Applicant shall have no further interest in any of the Participating Shares comprised in the Realisation Request or any claim against the Company in respect thereof except the right to receive the Proceeds so deposited (without interest) upon surrender of the Written Confirmation of Entry or other evidence as to title.
 - (d) The Directors may at their option dispense with the production of any Written Confirmation of Entry or other evidence as to title which shall have become defaced lost or destroyed upon compliance by the Applicant with the like requirements to those applying in the case of an application by him for replacement of a defaced lost or destroyed Written Confirmation of Entry or other evidence as to title under Article 32.
- (2) Subject as hereinafter provided, the Applicant shall not without the consent of the Company be entitled to withdraw his Realisation Request once given or his Written Confirmation of Entry or other evidence as to title.
- (3) If on any Dealing Day the issue, conversion and redemption of Participating Shares are suspended pursuant to Article 22 hereof the right of the Applicant to have such Participating Shares redeemed pursuant to paragraph (1) of this Article 16 on that Dealing Day shall be similarly suspended and on any Dealing Day on which the Applicant's right to have them redeemed is so suspended he may withdraw his Realisation Request and his Written Confirmation of Entry or other evidence as to title. Any such withdrawal under the provisions of this Article shall be made in writing and shall not be effective until it has actually been received by the Company (or its authorised agent). If no such withdrawal is made, the day on which the redemption of such Participating Shares shall be effected shall be the Dealing Day immediately following the day on which such suspension is lifted.

- (4) (a) The redemption of Participating Shares shall be made on terms that (subject to any requisite official consents first having been obtained) the Company or its authorised agent shall effect settlement of the Proceeds:
- (i) in the currency in which the relevant class of Participating Shares is designated unless the Directors otherwise determine in any particular case or generally in relation to Participating Shares of any class;
 - (ii) within ten Business Days of the relevant Dealing Day on which the redemption took place; and
 - (iii) in accordance with any payment instructions given by the Applicant to the Company or its authorised agent at the time of submitting the Realisation Request provided that the Directors are satisfied that there is no practical or legal impediment to the implementation of such instructions. If the Directors are not so satisfied or no payment instructions have been given as aforesaid, settlement shall be effected (subject to any requisite official consents first having been obtained) either by cheque or in such other manner as the Directors may deem appropriate.
- (b) The Company shall not be liable for any loss or damage suffered or incurred by any Applicant or any other person as a result of or arising out of late settlement howsoever such loss or damage may arise.
- (5) Unless a lower number of Participating Shares is specified in the Realisation Request, the Realisation Request will be taken to apply to all the Participating Shares held by the Applicant or represented by the appropriate Written Confirmation of Entry.
- (6) On the redemption of part only of the Participating Shares referred to in any Written Confirmation of Entry the Directors shall procure the issue of a further Written Confirmation of Entry in respect of such Participating Shares or such other evidence as to title as the Applicant may agree with the Directors to be sent to the Applicant.
- (7) (a) Subject to the provisions of this paragraph but notwithstanding any provision of these Articles the Manager (or where relevant, the Company) shall not be bound to redeem or procure the redemption of more than 10% of the total number of Participating Shares of the Fund then outstanding on any single Dealing Day or 10% of the Net Asset Value of the Fund.
- (b) If the Company shall receive requests for redemption on any Dealing Day of a number of Participating Shares of a class greater than that provided for in paragraph (7)(a) of this Article, the Manager (or where relevant, the Company) may refuse to redeem any Participating Shares in excess of 10% of the total number of Participating Shares in the applicable Fund or such higher percentage

that the Manager (or where relevant, the Company) may determine. The Company shall carry forward for redemption on the next Dealing Day the balance of each request on a pro rata basis and so on to each succeeding Dealing Day until each request has been complied with in full.

- (c) Any requests for redemption which have been carried forward from an earlier Dealing Day pursuant to paragraph (7)(b) of this Article shall (subject to the foregoing limits) be complied with pro rata to later requests (accordingly, the redemption requests carried forward shall be treated as if they were received on each subsequent Dealing Day until all Participating Shares to which the original request related, have been redeemed).
- (8) The Redemption Price may be satisfied by the Company paying cash or, provided that the Directors or the Manager are satisfied that the terms of any exchange shall not be such as are likely to result in any material prejudice to any remaining Shareholders and with the agreement of the relevant Shareholder, making a redemption in specie, on such terms and conditions as the Directors and the Manager may specify, to such Shareholder of Investments equalling the aggregate Redemption Price (or together with such cash payment when aggregated with the value of the Investments being distributed as are equal to such Redemption Price).
- (9) Where redemption of Participating Shares is to be satisfied by a redemption in specie of Investments held by the Company, the Depositary shall transfer such Investments as the Manager or its authorised agents shall direct to the Shareholder as soon as practicable after the relevant Dealing Day. All costs and risks of such redemption shall be borne by such Shareholders. For the avoidance of doubt, the number of Participating Shares distributed must not exceed the number that would have been distributed for the cash equivalent. Asset allocation in respect of such redemption in specie is subject to the approval of the Depositary.
- (10) Notwithstanding paragraphs (8) and (9) above, where the redeeming Shareholder requests redemption of a number of Participating Shares that represents 5% or more of the Net Asset Value of the Company, the Manager (or where relevant, the Company) may, in its discretion, without the consent of the redeeming Shareholder, determine to provide redemption in specie subject to such redemption being provided for in the constitutional documents and (i) in that event, the Company shall, if requested to do so, sell the assets on behalf of the Shareholder after the redemption has been effected and (ii) all costs and risks of such redemption or distribution shall be borne by such Shareholder.
- (10) Shares redeemed shall be deemed to cease to be in issue at the Close of Business on the relevant Dealing Day in respect of the redemption and such redeemed Shares shall be cancelled.

REDEMPTION PRICE

17. (1) The redemption of Participating Shares of any Fund shall be made at the Redemption Price per Participating Share of that Fund calculated by the Directors and being not more than the Subscription Price for a Participating Share of the same Fund calculated by reference to the same Dealing Day pursuant to Article 15 hereof and not less than a sum calculated in the following manner:
- (a) ascertaining the Net Asset Value of the Fund to which the Participating Shares or, if relevant, that portion of the Fund to which Participating Shares of a particular Class are attributable in either case (the “**Appropriate Fund**”);
 - (b) deducting therefrom such sum as the Directors may consider represents the appropriate allowance for Duties and Charges which would be incurred if all the assets of the Appropriate Fund were being realised at the Valuation Point;
 - (c) dividing the aggregate of the amount calculated under (a) and (b) above by the number of Participating Shares of the relevant class then in issue;
 - (d) making such adjustment as the Directors consider appropriate if in order to meet requests for redemption it is necessary to realise assets of the appropriate Fund immediately or to borrow money;
 - (e) rounding the resulting amount (which may be downwards) by not more than one per cent;
 - (f) deducting therefrom a redemption charge which shall be determined by the Directors but which shall not exceed 3% of the relevant Redemption Price (without taking into account such redemption charge). The Company shall not increase the maximum charge relating to redemption of Participating Shares without the prior approval of Shareholders given on the basis of a simple majority of votes cast in a general meeting or with the prior written approval of all Shareholders of the Company. In the event of an increase in the redemption charge, a reasonable notification period must be provided by the Company to enable Shareholders redeem their Participating Shares prior to the implementation of the increase.
- (2) Upon the redemption of a Participating Share being effected pursuant to these Articles the Shareholder shall cease to be entitled to any rights in respect thereof and accordingly his name shall be removed from the Register with respect thereto and the Participating Share shall be cancelled and the amount of the Company’s issued share capital shall be reduced accordingly. The Participating Share shall be available for re-issue and until re-issue shall form part of the unissued share capital of the Company.
- (3) Any redemption charge made pursuant to paragraph (1)(f) of this Article shall be allowable by the Company to or for the benefit of the Manager or such of its agents as the Manager may direct and the Directors may differentiate

between any Shareholders and between classes of Participating Shares as to the amount of such redemption charge within the permitted limit.

- (4) The Directors shall have the power upon 30 days' notice to Shareholders of a Fund to terminate that Fund on any Dealing Day (i) if the Net Asset Value of the Fund falls to a level that, in the absolute discretion of the Directors, makes the Fund cease to be economically viable or (ii) for any other reason that the Directors determine, in their absolute discretion, is in the best interests of the Shareholders of a particular Fund as a whole. The Directors are also entitled to terminate any Fund with the sanction of a special resolution of the holders of the Shares relating to that Fund.
- (5) In the event of any redemption as set out in paragraph (4) of this Article taking place, the provisions of Article 16(1)(b) and Article 15(4) shall apply as if such redemption had been made at the request of the holders of the Participating Shares in question.
- (6) With the sanction of a special resolution of the holders of any class of Participating Shares the Directors may, by not less than four nor more than six weeks' notice (expiring on a Dealing Day) to all holders of Participating Shares of that class, redeem at the Redemption Price on such Dealing Day, all (but not some) of the Participating Shares of that class.
- (7) If all the Participating Shares of any class are to be redeemed pursuant to Article 17(6) the Directors may, with the sanction of a special resolution of the holders of Participating Shares of that Fund, divide amongst the said holders in specie all or any part of the Assets of the relevant Fund. For the avoidance of doubt, if the Special Resolution above is passed, each said holder is entitled to elect on winding-up, whether or not he wishes to receive a distribution in specie or a cash distribution. In the absence of a holder of Participating Shares electing to receive a distribution in specie, such holder shall receive a cash distribution payment.
- (8) If any Participating Shares of any Fund are to be redeemed as aforesaid and the whole or any part of the business or property of the Company attributable to the relevant Fund or any of the Assets of that Fund are proposed to be transferred or sold to another company or another Fund (hereinafter called the **"Transferee"**) the Directors may, with the sanction of a Special Resolution of the holders of Participating Shares of that Fund conferring either a general authority on the Directors or an authority in respect of any particular arrangement receive in compensation or part compensation for the transfer or sale shares, units, policies or other like interest or property in or of the Transferee for distribution among the said holders, or may enter into any other arrangement whereby the said holders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee. For the purpose of the foregoing "company" shall include a unit trust scheme.

QUALIFIED HOLDERS

18. (1) If it shall come to the notice of the Directors that any Participating Shares are owned directly or beneficially by any person:

- (a) in breach of any law or requirement of any country or governmental authority;
- (b) who belongs to or is comprised in any class of persons from time to time for the purposes of this Article determined by the Directors and the Depositary; or
- (c) such that the status, standing or tax residence of the Company is or may be prejudiced or the Company may suffer any pecuniary disadvantage which it would not otherwise have suffered,

then the Company may give notice to such person requiring him to transfer such Participating Shares to a person who is qualified or entitled to own the same or give a request in writing for the redemption of such Participating Shares in accordance with Article 16(1). If any person upon whom such a notice is served pursuant to this paragraph does not within thirty days after service of such notice transfer his Participating Shares or give an irrevocable request in writing to redeem his Participating Shares or establish to the satisfaction of the Company (whose judgment shall be final and binding) that he is qualified, entitled and permitted to own the Participating Shares, he shall be deemed upon the expiration of thirty days to have given a request in writing for the redemption of all his Participating Shares pursuant to Article 16(1) whereupon he shall be bound forthwith to deliver to the Company (or its duly authorised agent) the Written Confirmation of Entry in respect of such Participating Shares or such other evidence as to title as the Directors may require.

- (2) A person who becomes aware that he is holding or owning Participating Shares within any of the categories referred to in paragraph (1) above shall forthwith unless he has already received a notice pursuant to paragraph (1) above either transfer all his Participating Shares to a person qualified or permitted to own the same or give a request in writing for the redemption of all his Participating Shares pursuant to Article 16(1).
- (3) The proceeds of any redemption effected pursuant to this Article will be deposited by the Company in a bank for payment to any such person against surrender of the Written Confirmation of Entry representing the Participating Shares previously held by such person or the furnishing of such other evidence as to title as the Directors may require. Upon the deposit of such proceeds of redemption as aforesaid, such person shall have no further interest in such Participating Shares or any claim against the Company in respect thereof except the right to receive the proceeds of redemption so deposited (without interest) upon surrender of the said Written Confirmation of Entry or other evidence as to title.
- (4) The exercise by the Company of the power conferred by this Article shall not be questioned or invalidated in any case on the ground that there was insufficient evidence of ownership of Participating Shares by any person or

that the true ownership of any Participating Shares was otherwise than appeared to the Company at the relevant date provided the said powers shall have been exercised in good faith.

- (5) The Directors may at any time and from time to time call upon any holder of Participating Shares by notice in writing to provide the Directors with such information and evidence as they shall require upon any matter connected with or in relation to such holder of Participating Shares in order to satisfy themselves that Participating Shares are not owned directly or beneficially by any person:
- (a) in breach of any law or requirement of any country or governmental authority;
 - (b) who belongs to or is comprised in any class of persons from time to time for the purposes of this Article determined by the Directors; or
 - (c) such that the status, standing or tax residence of the Company is or may be prejudiced or the Company may suffer any pecuniary disadvantage which it would not otherwise have suffered as a result of that person continuing to own Participating Shares.
- (6) If such information and evidence is not so provided within a reasonable time (not being more than five days after service of the notice requiring the same) the Directors shall forthwith serve such holder of Participating Shares with a further notice calling upon him, within seven days after service of such further notice, to transfer his Participating Shares or to request the redemption of such Participating Shares in accordance with Article 16(1) and, failing action by him within such seven days to implement that notice, he shall be deemed to have given a request in writing for the redemption of all his Participating Shares in accordance with Article 16(1), whereupon he shall be bound forthwith to deliver to the Company or one of its duly authorised agents the Written Confirmation of Entry for his Participating Shares or such other evidence as to title as the Directors may require and until such time as the Written Confirmation of Entry or such other evidence as to title as the Directors may require as aforesaid is received by the Company or one of its duly authorised agents the proceeds of any such redemption shall be deposited by the Company in a bank in accordance with Article 18(3) hereof.
- (7) If the Company becomes liable to account for tax in any jurisdiction in the event that a holder or beneficial owner of a Participating Share were to receive a distribution in respect of his/her Participating Shares or to dispose (or be deemed to have disposed) of his/her Participating Shares in any way (a **“Chargeable Event”**), the Directors or their agent shall be entitled to deduct from the payment arising on a Chargeable Event an amount equal to the appropriate tax and/or where applicable, to appropriate, cancel or compulsorily redeem such number of Participating Shares held by the holder or such beneficial owner of the Participating Shares as are required to meet the amount of tax. The relevant holder of Participating Shares shall indemnify and keep the Company indemnified against loss arising to the Company by reason of the Company becoming liable to account for tax in any jurisdiction

on the happening of a Chargeable Event if no such deduction, appropriation, cancellation or compulsory redemption has been made.

CONVERSIONS

19. Subject as herein provided a holder of Participating Shares of any Fund (hereinafter in this Article called the **“Original Fund”**) shall have the right to convert all or any portion of such Participating Shares comprised in one or more Written Confirmations of Entry into Participating Shares of another class (hereinafter in this Article called the **“New Fund”**) either existing or agreed by the Directors to be brought into existence on terms hereinafter appearing:-

- (1) The right of conversion is exercisable by the said holder (hereinafter in this Article called the **“Applicant”**) giving to the Company (or one of its authorised agents) a notice (hereinafter in this Article called a **“Conversion Notice”**) in such form as the Directors may from time to time determine.
- (2) Subject to the receipt by the Company (or one of its authorised agents) of a Conversion Notice at any time up to the Dealing Deadline (or such other time as the Directors may determine either generally or in relation to a particular class or in any specific case) the conversion of the Participating Shares comprised in the Conversion Notice shall be effected on the next following Dealing Day.
- (3) The Applicant shall not without the consent of the Company be entitled to withdraw a Conversion Notice given in accordance with this Article except in any circumstances in which if it were a Redemption Request he would be entitled to withdraw it in accordance with Article 16(3) hereof and any such withdrawal shall only be effective if made in compliance with the same requirements as to writing and actual receipt as are imposed by the said Article 16(3).
- (4) Conversion of the Participating Shares comprised in the Conversion Notice shall be effected on the relevant Dealing Day by the redemption of the Participating Shares of the Original Fund and the allotment and issue of Participating Shares of the New Fund in proportion to (or as nearly as possible in proportion to) the holding of the Participating Shares of the Original Fund and where conversion is effected in accordance with this Article the number of Participating Shares of the New Fund to be allotted and issued shall be determined in accordance with the following provisions of this Article provided that the right of conversion shall be conditional upon the Company having sufficient available unissued share capital to enable the conversion to be implemented in the manner determined by the Directors as aforesaid.
- (5) The number of Participating Shares of the New Fund to be allotted and issued on conversion shall be determined by the Directors as nearly as possible in accordance with the following formula:

$$NSH = \frac{OSH \times RP}{SP}$$

where

NSH is the number of Participating Shares of the New Fund;

OSH is the number of Participating Shares of the Original Fund specified in the Conversion Notice;

RP is the Redemption Price of a Participating Share of the Original Fund calculated in accordance with Article 17(1) hereof by reference to the relevant Dealing Day;

SP is the Subscription Price of a Participating Share of the New Fund calculated in accordance with Article 15 hereof by reference to the relevant Dealing Day.

- (6) Fractions of Participating Shares of the New Fund may not be allotted on conversion and any monies which would provide an entitlement to only a fraction of a Participating Share of the New Fund shall be returned to the Applicant.
- (7) On the relevant Business Day the Manager shall debit the Fund attributable to Participating Shares of the Original Fund with an amount equal to $OSH \times RP$ and shall credit the Fund attributable to Participating Shares of the New Fund with the appropriate amount in the currency in which the New Fund is designated.
- (8) No Written Confirmation of Entry in respect of Participating Shares of the New Fund allotted on conversion shall be issued until the Company (or its authorised agent) has received the Written Confirmation of Entry representing the relevant number of Participating Shares of the Original Fund so converted with the Conversion Notice on the reverse thereof duly completed and signed or shall have received such other evidence as to title as the Directors may require together with a Conversion Notice in a form acceptable to the Directors.
- (9) Where a Shareholder converts from the Original Fund to the New Fund and the Participating Shares in the New Fund are designated as Shares of different Classes in accordance with Article 12 (6), Participating Shares in the New Fund will be issued as Shares of the relevant Class, as applicable (whether or not the Participating Shares in the Original Fund were designated as Shares of different Classes in accordance with Article 12 (6)). Where the Participating Shares of the Original Fund are designated as Shares of different Classes in accordance with Article 12 (6), and the Shareholder converts to a New Fund (the Participating Shares of which are not designated as Shares of different Classes in accordance with Article 12 (6)) the Participating Shares will be issued of the single Class in the New Fund. Shareholders may not convert from one Class to another within the same Fund.
- (10) No charge shall be levied by the Company upon the Shareholder for any conversion of all or part of such Shareholder's holding of Participating Shares of the Original Fund into Participating Shares of another Fund.

CLASSES OF PARTICIPATING SHARES

20. (1) Each Participating Share shall be issued as a member of a particular Fund. Each Fund shall be designated in such currency as the Directors may determine.

The Directors shall also have the authority, subject to the approval of the Central Bank to change the name of any Fund at any time during the life of that Fund and shall promptly, following the resolution of the Directors to make such change, notify the Shareholders in that Fund of such change of name.

- (2) The Directors shall obtain the prior approval of the Central Bank before establishing any additional Fund.
- (3) The Directors shall establish and maintain separate Funds for each class of Participating Shares and shall have power by resolution of the Board of Directors to adopt for any Fund such investment restrictions as they shall in their discretion deem necessary or appropriate.
- (4) The Directors shall establish and maintain separate records and accounts in respect of each Fund.
- (5) The following provisions shall apply to each Fund:
- (a) the proceeds from the allotment and issue of each Fund of Participating Shares shall be applied in the books of the Company to the Fund established for Participating Shares of that class and the assets less the liabilities and income less expenditure attributable thereto shall be applied to such Fund;
 - (b) where any asset is derived from another asset (whether cash or otherwise) such derivative asset shall be applied in the books of the Company to the same Fund as the asset from which it was derived and on each revaluation of an asset the increase or decrease in value shall be applied to or deducted from the relevant Fund;
 - (c) the Directors shall have discretion subject to the approval of the Depositary, to determine the bases upon which any asset or liability which they do not consider attributable to a particular Fund (which in the case of a liability, without limitation, may include all operating expenses of the Company such as audit fees, legal fees, registration fees, the costs of publication and distribution of prospectuses and the costs of calculation and publication of share prices) shall be allocated between Funds (including conditions as to subsequent re-allocations if circumstances so require) and shall have power at any time and from time to time to vary such bases provided that the approval of the Depositary shall not be required in any case where such an asset or liability is allocated between all Funds pro rata according to the Net Asset Value of each at the time when such allocation was made; and

- (d) save as otherwise provided herein the assets, liabilities and income of each Fund shall be applied solely in the currency or currencies or to the type or class of investments specified by the Directors for each particular Fund and the assets so held in or for each Fund shall be applied solely in respect of Participating Shares of the class to which such Fund relates.
 - (e) subject to the approval of the Depositary, the Directors may transfer any assets to and from Funds if, as a result of a creditor proceeding against certain of the assets of the Company or otherwise a liability would be borne in a different manner from that in which it would have been borne under paragraph (c) above or in any similar circumstances.
- (6) The Net Asset Value of each Fund shall be determined separately on each Business Day and the Subscription and Redemption Prices of Participating Shares of each class shall be calculated as hereinbefore provided based on the Net Asset Value of the Fund to which such Participating Shares are attributable.
 - (7) The assets of each Fund shall belong exclusively to such Fund to which they are attributable. Such assets shall be segregated in the books and records of the Company from the assets of all other Funds and shall not be allocated, nor shall they be pooled with the assets of any other Fund, to discharge directly or indirectly the liabilities of or any claim against any other such Fund and shall not be available for any such purpose.

VALUATIONS OF FUNDS

- 21. (1) The Net Asset Values for each Fund (or attributable to each Class within that Fund) shall be determined separately by reference to the Fund appertaining to that Class of Shares and to each such determination the following provisions shall apply.
- (2) In respect of each Dealing Day the Net Asset Value of each Fund (and any Class within such Fund) shall be determined and shall be equal to the value as at the Valuation Point in respect of that Dealing Day of all the assets, less all the liabilities, of that Fund. Any increase or decrease in the Net Asset Value of each Fund is attributed to the different Classes of Participating Shares within each Fund based on their respective pro rata closing Net Asset Values. The Net Asset Value attributable to each Class of Share of a Fund is divided by the number of Shares of such Class in issue to give the Net Asset Value attributable to each Share of such Class in that Fund.
- (3) The assets of a Fund shall be deemed to include:-
 - (a) all cash in hand or on deposit, or on call including any interest accrued thereon;
 - (b) all bills, demand notes, promissory notes and accounts receivables;

- (c) all bonds, certificates of deposit, shares, stock, units in collective investment schemes, debentures, debentures stock, subscription rights, warrants, options and other investments and securities owned and contracted for, (other than rights and securities issued by the Company);
 - (d) all stock and cash dividends and cash distributions which the Directors consider will be received by the Company in respect of the Fund but which have not yet been received by it but have been declared payable to stockholders of record on a date before the day as of which the assets are being valued;
 - (e) all interest accrued on any interest-bearing securities forming part of the Fund; and
 - (f) all prepaid expenses relating to that Fund and a proportion of any prepaid expenses relating to the Company generally, such prepaid expenses to be valued and defined from time to time by the Directors.
- (4) Subject to the Acts any expense or liability of the Company may be amortised over such period as the Directors (with the approval of the Auditors) may determine (and the Directors may at any time and from time to time determine with the approval of the Auditors to lengthen or shorten any such period), and the unamortised amount thereof at any time shall also be deemed to be an asset of the Company.
- (5) Assets shall be valued as follows:-
- (a) cash shall be valued at face value (plus accrued interest to the relevant Valuation Point) unless, in the opinion of the Manager (or where relevant, the Directors), any adjustment is necessary in order to reflect the fair value thereof;
 - (b) save as otherwise herein provided, bonds and listed securities quoted or dealt in on a Recognised Market shall be valued at the Valuation Point in each case being one of the closing bid, the last bid, the last traded price, the closing mid-market price, the latest mid-market price or the official closing price published by an exchange as may be deemed appropriate by the Manager and set out in the Prospectus or Leaflet for the Company, on the Recognised Market on which these securities are traded or admitted for trading. If such securities are dealt in on more than one Recognised Market, the relevant Recognised Market will be, in the sole opinion of the Manager, the main Recognised Market on which such securities in question are listed, quoted or dealt in or the Recognised Market which the Manager determines provides the fairest criteria in a value of the relevant security. If, in the sole opinion of the Manager (or where relevant, the Directors), the dealing price (which will be one of the closing bid, the last bid, the last traded price, the closing mid-market price, the latest mid-market price or the official closing price published by an exchange as may be deemed appropriate by the Manager and set out in the

Prospectus or Leaflet for the Company) for the securities, calculated as at the Valuation Point is unavailable or not representative of the value of the securities, or in the context of unlisted securities or securities that are not quoted or dealt in on a Recognised Market, the value will be the probable realisation value, estimated with care and in good faith by the Manager or such competent person(s) as may be appointed by the Manager (or where relevant, the Directors) and approved for the purpose by the Depositary.

- (c) forward foreign exchange contracts will be valued in accordance with paragraph (f) below, or, alternatively by reference to freely available market quotations. If such freely available market quotations are used, there is no requirement to have such prices independently verified or reconciled to the counterparty valuation on a monthly basis. As foreign exchange hedging may be utilised for the benefit of a particular class of Shares within a Fund, its costs and related liabilities and/or benefits will be reflected in the Net Asset Value per class for Shares of such class;
- (d) exchange traded futures and options contracts (including index futures) shall be valued at the settlement price as determined by the market in question. If such market price is not available, the value shall be the probable realisation value estimated with care and in good faith by the Manager (or where relevant, the Directors) or such other competent person approved for the purpose by the Depositary;
- (e) derivative instruments dealt in on a market shall be calculated at the settlement price as determined by the market in question, provided that where it is not the practice of the relevant market to quote a settlement price or if such settlement price is not available for any reason, such value shall be the probable realisation value estimated with care and in good faith by the Manager (or where relevant, the Directors) or a competent person approved for the purpose by the Depositary;
- (f) where derivative instruments are not dealt in on a market, their value shall be the daily quotation from the counterparty and which will be verified on a weekly basis by a party independent of the counterparty and approved for the purpose by the Depositary. In accordance with the requirements of the Central Bank, such contracts may also be valued using an alternative valuation, such value determined using an alternative valuation methodology which will be provided by the Manager (or where relevant, the Directors) or a competent person appointed by the Manager (or where relevant, the Directors) and approved by the Depositary. Where such contracts will be valued using an alternative valuation:
 - (i) the alternative valuation will be produced on a daily basis;

- (ii) the Company will follow international best practice and adhere to the principles on valuation of OTC instruments established by bodies such as IOSCO and AIMA;
 - (iii) the alternative valuation is that provided by a competent person appointed by the Manager (or where relevant, the Directors) and approved for the purpose by the Depositary, or a valuation by any other means provided that the value is approved by the Depositary. The rationale/methodologies used should be clearly documented; and
 - (iv) the alternative valuation must be reconciled to the counterparty valuation on at least a monthly basis. Where significant differences arise these must be promptly investigated and explained.
- (g) at any time when prices are not available in respect of assets listed, quoted or dealt in on a Recognised Market in each case on the Recognised Market on which these assets are traded or admitted for trading (being the Recognised Market which is the sole or in the opinion of the Manager the principal Recognised Market on which the investment in question is listed, quoted or dealt in), the value of the assets will be the probable realisation value estimated with care and in good faith by such competent person as may be appointed by the Manager (or where relevant, the Directors) and approved for the purpose by the Depositary;
- (h) any investments or assets not listed, quoted or dealt in on a Recognised Market shall be valued at the probable realisation value as estimated with care and in good faith by such competent persons as may be appointed by the Manager (or where relevant, the Directors) and approved for the purpose by the Depositary;
- (i) securities listed or traded on a Recognised Market but acquired or traded at a premium or at a discount outside or off the relevant market may be valued, taking into account the level of premium or discount at the date of the valuation with the approval of a competent person (approved for the purpose by the Depositary). The competent person (having been approved for the purpose by the Depositary) shall ensure that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security;
- (j) the value of units or shares or other similar participation in any collective investment scheme shall be valued at the latest bid price or, if unavailable, the last available net asset value as published by the collective investment scheme;
- (k) notwithstanding the foregoing the Manager (or where relevant, the Directors) may permit some other method of valuation to be used for any particular asset if they consider that such valuation better reflects

the fair value of that asset, such other method to be approved for such purpose by the Depositary;

- (1) the value of an asset may be adjusted by the Manager (or where relevant, the Directors) where such an adjustment is considered necessary to reflect the fair value in the context of currency, marketability, dealing costs and/or such other considerations which are deemed relevant.
- (6) Currencies or values in currencies other than in the currency of designation of a particular Fund shall be converted into the currency of designation of such Fund at the rate which the Manager (or where relevant, the Directors), after consulting with, or in accordance with a method approved by, the Depositary, deems appropriate in the circumstances.
- (7) For the purpose of valuing the Company's assets as aforesaid the Manager may rely upon the opinions of any person(s) who appear to them to be competent to value assets by reason of any appropriate professional qualification or of experience of any relevant market.
- (8) The liabilities of a Fund shall be deemed to include all liabilities (including charges incurred on the acquisition and realisation of investments and such operating expenses referred to in Article 20(5)(c) of the Articles of Association that the Manager (or where relevant, the Directors) considers to be attributable to a particular Fund, and such amount as the Manager (or where relevant, the Directors) determines to provide in respect of contingent liabilities) of whatsoever kind and nature except liabilities represented by Shares in the Company. In determining the amount of such liabilities the Manager may calculate any liabilities on an estimated figure for yearly or other periods in advance and accrue the same in equal proportions over any such period. Where the Company has created different Classes of Shares within a Fund and have determined that each Class will incur different levels of fees (the details of which shall be set out in a Leaflet to this Prospectus), the Net Asset Value per Class shall be adjusted in order to reflect such different levels of fees payable in respect of each Class.
- (9) Where Classes of Participating Shares denominated in different currencies are created within a Fund and currency hedging transactions are entered into in order to hedge any relevant currency exposure, such transactions will be clearly attributable to the relevant class of Participating Shares and any costs and gains/losses of the hedging transactions will accrue solely to that Class of Shares. While it is not intended, over-hedged or under-hedged positions may arise due to factors outside the control of the Company. If such circumstances do arise, the Company will keep positions under review to ensure that the leverage in respect of the relevant Fund does not exceed the limits set out in the relevant Leaflet for the Fund. Furthermore, the Company will ensure that materially over-hedged or under-hedged positions will not be carried forward month to month. This strategy may substantially limit Shareholders of a Class of Participating Shares from benefiting if the currency in which that Class of

Shares is denominated falls against the base currency of the relevant Fund and/or the currency in which the assets of the Fund are denominated.

- (10) The Net Asset Value of each Fund calculated pursuant to the Articles of Association, may be certified by the Manager or by any other person authorised to give such certificate by the Manager and any such certificate shall be binding and conclusive as to the Net Asset Value of such Fund in the absence of manifest error.

SUSPENSION OF ISSUES AND REALISATIONS

22. (1) The Directors may at any time declare a temporary suspension of issues, redemptions and conversions of Participating Shares or of any one or more classes of Participating Shares:
- (a) any period when any of the principal markets or stock exchanges on which a substantial part of the investments of the relevant Fund are quoted is closed otherwise than for ordinary holidays;
 - (b) during any period when dealings on any such Recognised Market are restricted or suspended;
 - (c) any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Directors, disposal or valuation of a substantial part of the investments of the relevant Fund is not reasonably practicable without this being seriously detrimental to the interests of the Shareholders in the relevant Fund or if in the opinion of the Directors the Net Asset Value of the relevant Fund cannot be fairly calculated;
 - (d) any breakdown in the means of communication normally employed in determining the value of the investments of the relevant Fund or when for any reason the current prices on any market of a substantial part of the investments of the relevant Fund cannot be promptly and accurately ascertained; and
 - (e) during any period during which the Depositary is unable to repatriate funds required for making payments due on redemption of Participating Shares or during which the realisation of Investments or other assets or the transfer of funds involved in such realisation cannot, in the opinion of the Directors, be effected at normal prices or normal rates of exchange.
- (2) Any suspension shall take effect on the day on which the declaration is made and thereafter there shall be no issues, redemptions or conversions of Participating Shares of the class or classes concerned until the Directors shall declare the suspension to be at an end. The Directors shall during the period of any suspension review the reasons for the suspension and declare the suspension at an end as soon as they and the Depositary consider that the

reasons or conditions giving rise to the suspension have ceased to exist and no other reasons or conditions on foot of which a suspension might be declared shall exist. Where possible, the Directors shall take all reasonable steps to bring any period of suspension to an end as soon as possible.

- (3) Any suspension shall be consistent with such official rules and regulations (if any) relating to the subject matter thereof as shall have been promulgated by any authority having jurisdiction over the Company and as shall be in effect at the time.
- (4) To the extent not inconsistent with such official rules and regulations, the determination of the Directors pursuant to Article 22(2) shall be conclusive.
- (5) Forthwith after the commencement of any suspension the Directors shall immediately and in any event within the same Business Day notify in writing the Central Bank, the Irish Stock Exchange (for each class of Shares admitted to the Official List of the Irish Stock Exchange) and the competent authorities in the Member States in which the Company markets its Participating Shares that such a suspension has been made. As soon as may be practicable after the commencement of any suspension, the Directors shall if possible cause a notice to be placed in such publication(s) as the Company has caused Subscription Prices and Redemption Prices to be published in during the preceding six months stating that such suspension has been made, and at the end of any period of suspension the Directors shall cause another notice to be placed in such publication(s) stating that the period of suspension has ended.
- (6) Nothing herein shall prevent the Company, if the Directors (acting on the advice of the Manager) think fit, from agreeing, during the period of suspension, to issue or redeem or convert Participating Shares at a price to be calculated by reference to the first Dealing Day after the suspension has been declared to be at an end.
- (7) Issues, redemptions and conversions of Participating Shares which have been subject to a suspension shall take place after such suspension has been declared to be at an end at a price to be calculated by reference to the first Dealing Day after the suspension has been declared to be at an end.

CALLS ON SUBSCRIBER SHARES

23. (1) The Directors may from time to time make calls upon any registered holder of Subscriber Shares in respect of any moneys unpaid on the Subscriber Shares provided that (except as otherwise fixed by the conditions of application or allotment) no call on any Share shall be payable at less than fourteen days from the date fixed for the payment of the last preceding call, and each such registered holder shall (subject to being given at least fourteen days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his Subscriber Shares. A call may be payable by instalments. A call may be revoked or postponed as the Directors may determine. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.

- (2) The Directors may, if they think fit, receive from any registered holder of Subscriber Shares willing to advance the same all or any part of the money uncalled and unpaid upon the Subscriber Shares held by him beyond the sums actually called up thereon as a payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the Subscriber Shares in respect of which it is advanced, and upon the money so received, or so much thereof as from time to time exceeds the amount of the calls then made upon the Shares in respect of which it has been received.

MODIFICATION OF RIGHTS

24. Whenever the capital of the Company is divided into different classes of Participating Shares the special rights attached to any class may (unless otherwise provided by the terms of issue of the Participating Shares of that class) be varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding up, with the consent in writing of the holders of three-fourths of the issued Participating Shares of the class, or with the sanction of a resolution passed at a separate meeting of the holders of the Participating Shares of the class by a majority of three-fourths of the votes cast at such a meeting, but not otherwise. To every such separate meeting all the provisions of the Acts and these Articles relating to the general meetings of the Company or to the proceedings thereat shall, *mutatis mutandis*, apply except that:
- (a) the necessary quorum shall be two persons (except where there are less than two Participating Shareholders in any class, when the quorum shall be one person) at least holding or representing by proxy one-third in nominal amount of the issued Participating Shares of the class (but so that if at any adjourned meeting of such Shareholders a quorum as above defined is not present, those Shareholders who are present shall be a quorum);
 - (b) every Shareholder of the class shall on a poll have one vote for each Participating Share of the class held by him; and
 - (c) any Member of the class present in person or by proxy may demand a poll.
25. The rights attached to the Participating Shares shall be deemed to be varied by (i) the creation or issue of any new class of Participating Shares, (ii) any variation of the rights attached to Participating Shares of any other class and (iii) by the creation or issue of Participating Shares in the same Fund ranking *pari passu* with them as respects rights to dividend or in a winding up or reduction of capital.
26. Subject to Article 25 the special rights conferred upon the holders of any Participating Shares or class of Participating Shares issued with preferred, deferred or other special rights shall (unless otherwise expressly provided by the conditions of issue of such Participating Shares) not be deemed to be varied by the creation or issue of further Participating Shares ranking in any respect *pari passu* therewith.

WRITTEN CONFIRMATION OF ENTRY IN THE REGISTER

27. Every person whose name is entered as a Member in the Register shall be entitled without payment to a Written Confirmation of Entry which will constitute written

confirmation from the Company as to his entry in the Register in respect of all his Participating Shares of each class. It is not the intention of the Directors to issue share certificates.

28. Where a Member has transferred or redeemed part of the Participating Shares comprised in his holding he shall be entitled to a further Written Confirmation of Entry for the balance without charge.
29. Every Written Confirmation of Entry shall be issued within six weeks after allotment or the lodgement with the Company of the transfer of the Participating Shares, unless the conditions of issue of such Participating Shares otherwise provide, and shall specify the number and class and distinguishing number (if any) of the Participating Shares to which it relates and shall bear the signature of a director or other duly authorised representative of the Company (which may appoint the Manager for this purpose) and the signature of a director or other duly authorised representative of the Depositary. The Directors may from time to time by resolution determine that such signatures or any of them need not be manual but may be affixed by some mechanical means or be printed or reproduced in any other manner notwithstanding any other provisions of these Articles.
30. If at any time all the issued Participating Shares in the Company (or all the issued Participating Shares therein of a particular class) rank *pari passu* for all purposes none of these Participating Shares need thereafter have a distinguishing number so long as they rank *pari passu* for all purposes with all Participating Shares of the same class for the time being issued.
31. The Company shall not be bound to register more than four persons as the joint holders of any Participating Share or Participating Shares and in the case of a Participating Share held jointly by several persons, the Company shall not be bound to issue more than one Written Confirmation of Entry therefor, and delivery of a Written Confirmation of Entry for a Participating Share to one of several joint holders shall be sufficient delivery to all.
32. If a Written Confirmation of Entry be defaced, lost or destroyed, it may be renewed on such terms (if any) as to evidence and indemnity as the Directors think fit. In case of loss or destruction, the Member to whom such renewed Written Confirmation of Entry is given shall also bear and pay to the Company all expenses incidental to the investigation by the Company of the evidence of such loss or destruction.

TRANSFER OF SHARES

33. All transfers of Participating Shares shall be effected by transfer in writing in any usual or common form or in any other form approved by the Directors but need not be under seal.
34. The instrument of transfer of a Share shall be signed by or on behalf of the transferor. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.
35. The Directors may, in their absolute discretion and without assigning any reason, decline to register any transfer of a Share unless:

- (a) the instrument of transfer is deposited at the Office or such other place as the Directors may reasonably require, accompanied by the Written Confirmation of Entry in respect of the Participating Share to which it relates, and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and the right of transferee to be registered; and
 - (b) the instrument of transfer relates to Shares of one class only.
- 36. The Directors may also decline to register any transfer:-
 - (a) that would be in breach of the law; or
 - (b) where the transferee would fall within one of the categories mentioned in Article 18 hereof; or
 - (c) of Shares on which the Company has a lien.
- 37. If the Directors decline to register a transfer of any Participating Share they shall, within one month after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.
- 38. The Directors may at any time direct that any Subscriber Shares not held by Metzler Ireland Limited for the time being or its nominees shall be compulsorily repurchased from the holder thereof at the price stated in paragraph (b) hereof in the following manner:
 - (a) The Directors shall serve a notice (hereinafter called a **“Repurchase Notice”**) upon the person appearing in the Register as the holder of the Subscriber Shares to be repurchased (the **“Vendor”**) specifying the Subscriber Shares to be repurchased as aforesaid, the price to be paid for such Shares, the person in whose favour such holder must execute a transfer of such Shares and the place at which the repurchase price in respect of such Shares is payable. Any Repurchase Notice may be served upon the Vendor by mailing the same in a pre-paid registered envelope addressed to the Vendor at his address shown in the Register. The Vendor shall thereupon forthwith be obliged to deliver to the Company within 10 days from the date of the Repurchase Notice a duly executed transfer of the shares specified in the Repurchase Notice in favour of the person specified in the Repurchase Notice.
 - (b) The price payable for each Subscriber Share transferred pursuant to this Article shall be €1 less the amount remaining to be paid up thereon.
 - (c) In the event of the Vendor failing to carry out the sale of any Subscriber Shares which he shall have become bound to transfer as aforesaid, the Directors may authorise some person to execute a transfer of such Share(s) in accordance with the direction of the Directors and may give good receipt for the repurchase price of such Share, and may register the transferee or transferees as holder or holders thereof and thereupon the transferee or transferees shall become indefeasibly entitled thereto.

39. The Company may, on giving notice by advertisement in a newspaper circulating in the district in which the Office is situated close the Register for any time or times not exceeding in the whole 30 Business Days in each year.
40. All instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall (except in any case of fraud) be returned to the person depositing the same.

TRANSMISSION OF SHARES

41. In case of the death of a Shareholder, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the Company as having title to his interest in the Share, but nothing in this Article shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
42. Any guardian of an infant Shareholder and any curator or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death or bankruptcy of a Shareholder shall upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Participating Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall in either case have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant Shareholder or by the deceased or bankrupt Shareholder before the death or bankruptcy or by the Shareholder under legal disability before such disability.
43. A person becoming entitled under Article 41 to a Participating Share in consequence of the death or bankruptcy of a Shareholder shall have the right to receive and may give a discharge for all dividends and other monies payable or other advantages due on or in respect of the Participating Share.

VARIATION OF SHARE CAPITAL

44. The Company may from time to time by Ordinary Resolution increase its capital by such number of Shares as the resolution shall prescribe.
45. In addition to any rights of the Company specifically conferred by these Articles to reduce its share capital the Company may by Special Resolution from time to time reduce its share capital in any way, and in particular, without prejudice to the generality of the foregoing power may with or without extinguishing or reducing liability on any of its Shares:-
- (i) cancel any paid-up share capital which is lost or which is not represented by available assets; or
 - (ii) pay off any paid-up share capital which is in excess of the requirements of the Company.
46. The Company may by Ordinary Resolution from time to time alter (without reducing it) its share capital by:

- (i) consolidating and dividing all or any of its share capital into a smaller number of Shares than its existing Shares;
 - (ii) sub-dividing its Shares, or any of them, into a larger number of Shares than that fixed by its Constitution; or
 - (iii) cancelling any Shares which, at the date of the passing of the Ordinary Resolution in that behalf have not been taken, or agreed to be taken, by any person, and diminish the amount of its share capital by the amount of the Shares so cancelled.
47. All new Shares shall be subject to the provisions of these Articles with reference to transfer, transmission and otherwise.

GENERAL MEETINGS

48. The Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year. Not more than fifteen months shall elapse between the date of one annual general meeting of the Company and that of the next PROVIDED THAT so long as the Company holds its first annual general meeting within eighteen months of its incorporation it need not hold it in the year of its incorporation or in the following year. Subsequent annual general meetings shall be held once in each year.
49. All general meetings (other than annual general meetings) shall be called extraordinary general meetings.
50. The Directors may call an extraordinary general meeting whenever they think fit and extraordinary general meetings shall be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as provided by the Acts.

NOTICES OF GENERAL MEETINGS

51. Subject to the provisions of the Acts allowing a general to be called by short notice an annual general meeting and an extraordinary general meeting called for the passing of a special resolution shall be called by not less than twenty-one days' notice in writing, and all other extraordinary general meetings of the Company shall be called by not less than fourteen days' notice in writing. The notice shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given, and shall specify the place, the day and hour of meeting, and in case of special business the general nature of such business. The notice shall be given in the manner authorised by these Articles to such persons as are under these Articles entitled to receive such notices from the Company. A notice calling an annual general meeting shall specify the meeting as such and the notice convening a meeting to pass a special resolution shall specify the intention to propose the resolution as such.
52. A general meeting shall, notwithstanding that it is called by shorter notice than that specified in Article 51, be deemed to have been duly called if it is so agreed by the auditors and all the Members entitled to attend and vote thereat.
53. (1) Notices of meetings will be posted to Members of the particular class, who will not be required to lodge their certificates or may be sent by Electronic Means to

such Electronic Address as may have been provided to the Company by that Member. In every notice calling a meeting of the Company, or of any class of Members of the Company, there shall appear with reasonable prominence a statement that a Member entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote instead of him and that a proxy need not also be a Member.

(2) Where, by any provision contained in the Acts, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the Company have resolved to submit it) unless notice of the intention to move it has been delivered to the Company not less than twenty-eight days (or such similar period as the Acts permit) before the meeting at which it is moved, and the Company shall give to the Members notice of any such resolution as required in accordance with the provisions of the Acts.

54. The accidental omission to give notice to or the non-receipt of notice by any person entitled to receive notice shall not invalidate the proceedings at any general meeting.

PROCEEDINGS AT GENERAL MEETINGS

55. All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting with the exception of the consideration of the Company's statutory financial statements and other documents required by law to be annexed to the statutory financial statements and the reports of the Directors and the report of the Auditors on these statements and the review of the Members of the Company's affairs, to declare dividends, the election of Directors and Auditors in the place of those retiring, and subject to Sections 380 and 382 to 385 of the Act, the appointment or re-appointment of the Auditors and the fixing of the remuneration of the Directors and of the Auditors.
56. No resolution shall be passed at any general meeting as a special resolution of the Company to alter the provisions contained in the Constitution except with the prior written approval of the Central Bank.
57. Subject to the provisions of Article 58 in respect of adjourned meetings, for all purposes the quorum for a general meeting shall be not less than two Members present in person or by proxy and entitled to vote.
58. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened on the requisition of or by Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine and if at such adjourned meeting a quorum is not present within fifteen minutes from the time appointed for holding the meeting, the Members present shall be a quorum.
59. The Chairman (if any) or, if absent, the Deputy Chairman (if any) of the Board of Directors, or, failing him, some other Director nominated by the Directors shall preside as Chairman at every general meeting of the Company, but if at any meeting neither the Chairman nor the Deputy Chairman nor such other Director be present within five minutes after the time appointed for holding the meeting, or if neither of them be willing to act as Chairman, the Directors present shall choose some Director

present to be Chairman or if no Directors be present, or if all the Directors present decline to take the chair, the Members present (in person or by proxy) shall choose some Member present to be Chairman.

60. The Chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more seven clear days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
61. At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless before or upon the declaration of the result of the show of hands a poll is demanded by the Chairman or by at least three Members having the right to vote at the meeting or by a Member or Members representing not less than one tenth of the total voting rights of all the Members having the right to vote at the meeting.
62. Unless a poll is so demanded a declaration by the Chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
63. The instrument appointing a proxy to vote at a Meeting shall be deemed also to confer authority to demand or join in demanding a poll, and for the purposes of the last preceding Article a demand by a person as proxy for a Member shall be the same as a demand by the Member.
64. If a poll is duly demanded, it shall be taken in such manner and at such place as the Chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The Chairman may, in the event of a poll, appoint a scrutineer and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
63. In the case of an equality of votes, whether on a show of hands or on a poll, the Chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
64. A poll demanded on the election of a Chairman and a poll demanded on a question of adjournment shall be taken forthwith.
65. A poll demanded on any other question shall be taken at such time and place as the Chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.

66. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded. A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.

VOTES OF MEMBERS

67. No Member shall, unless the Directors otherwise determine, be entitled to vote at any general meeting, either personally or by proxy, or to exercise any privileges as a Member unless all calls or other sums presently payable by him in respect of Shares in the Company of which he is the holder or one of the joint holders have been paid.
68. Each of the Subscriber and Participating Shares entitles the holder to attend and vote at any general meeting **PROVIDED THAT** the holder of a Subscriber Share shall not be entitled to exercise any voting rights in respect of any Subscriber Share at any time that Participating Shares are held by more than one Member.

Any resolution passed by the Members, which but for any breach by a Member of this Article would not have been passed, shall be deemed never to have been passed and to be null and void.
69. In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.

A Director who is in any way, whether directly or indirectly, interested in such a contract or arrangement or proposed contract or arrangement with the Company shall declare the nature of his interest at the meeting of the Directors at which the question of entering into a contract or arrangement is first taken into consideration, if his interest then exists, or in any other case at the first meeting of the Directors after he becomes so interested. A general notice given by a Director to the effect that he is a Member of a specified company, society or firm and is to be regarded as interested in all transactions with such company, society or firm shall be a sufficient declaration of interest under this Article, and after such general notice it shall not be necessary to give any special notice relating to any subsequent transaction with such company or firm, provided that either the notice is given at a meeting of the Directors or the Director giving the notice takes reasonable steps to secure that it is brought up and read at the next meeting of the Directors after it is given.
- (c) Subject to paragraph (b) above, a Director may vote in respect of any contract, appointment or arrangement in which he is interested and he shall be counted in the quorum present at the meeting.

- 93. Any Director may act by himself or through his firm or corporate entity in a professional capacity for the Company, and he or his firm or corporate entity shall be entitled to remuneration for professional services as if he were not a Director.
- 94. Any Director may continue to be or become a director, managing director, manager or other officer or Member of any company promoted by the Company or in which the Company may be interested, and no such Director shall be accountable for any remuneration or other benefits received by him as a director, managing director, manager, or other officer or Member of any such other company. The Directors may exercise the voting power conferred by the shares in any other company held or owned by the Company or exercisable by them as directors of such other company, in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, managers or other officers of such company, or voting or providing for the payment of remuneration to directors, managing directors, managers or other officers of such company).

POWERS OF DIRECTORS

- 95. (1) The business of the Company shall be managed by the Directors, who may exercise all such powers of the Company as are not by the Acts or by these Articles required to be exercised by the Company in general meeting including the powers of the Company to borrow money, to mortgage or charge its undertaking, property and assets or any part thereof and to issue debentures, debenture stock or other securities, whether outright or as security for debts, subject nevertheless to these Articles, to the provisions of the Acts, and to such regulations, being not inconsistent with these Articles or provisos, as may be prescribed by the Company in general meeting, but no regulations made by the Company in general meeting shall invalidate any prior act of the Directors which would have been valid if such regulations had not been made. The general powers given by this Article shall not be limited or restricted by any special authority or power given to the Directors by any other Article.
- (2) The Directors shall at all times procure that the investment policy of the Company (and of any Fund in respect of which they may have adopted any investment restrictions pursuant to Article 20(3)) is conducted and implemented in accordance with Part 8 of the Principal Regulations, provided that

- (3) The transferable securities in which the Directors may invest the Funds of the Company must be dealt in or quoted on a Recognised Market.
- (4) (a) Without prejudice to the limits specified in Regulation 74, the limit in Regulation 70(1)(a) is raised to 20% for investments in shares and/or debt securities issued by the same body where the investment policy of the Fund is to replicate an index (the details of which shall be set out in the applicable Leaflet for that Fund). The index must be recognised by the Central Bank on the basis that it is (i) sufficiently diversified; (ii) represents an adequate benchmark for the market to which it refers; and (iii) is published in an appropriate manner.
 - (b) The Central Bank may raise the limit in Regulation 70(1)(a) to a maximum of 35% where that proves to be justified by exceptional market conditions in particular in regulated markets where certain transferable securities or money market instruments are highly

dominant. The investment up to this limit is only permitted for a single issuer.

- (5) The Company may, subject to a special resolution of the Shareholders of the Company, be amalgamated or merged with another collective investment scheme (or sub-fund thereof) (the “**Transferee**”) on such terms, and subject to such conditions, as the Directors may consider appropriate. For the avoidance of doubt, such scheme of amalgamation or merger may include the merger of a sub-fund of the Company with another sub-fund of the Company. In connection with any such scheme of amalgamation or merger referred to above which the Company may enter into with a Transferee, the assets of the Company may be passed to a non-Irish trustee or depositary which has been appointed as a trustee or depositary to the Transferee to coincide with the time that the scheme of amalgamation or merger becomes effective.

The Directors may from time to time and at any time by power of attorney under the Seal, appoint any company, firm or person or any fluctuating body of persons whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the Company for such purposes and with such powers authorities and discretions (not exceeding those vested in or exercisable by the Directors under these Articles) and for such period and subject to such conditions as they may think fit, and any such power of attorney may contain such provisions for the protection and convenience of persons dealing with any such attorneys as the Directors may think fit, and may also authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions vested in him. Notwithstanding the generality of the foregoing, the Directors may appoint an attorney for the purpose of exercising their power to allot relevant securities as more particularly described in Article 14 hereof.
97. All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments, and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors shall from time to time by resolution determine.

The Company shall not make any decision to enter into a MAM Agreement in which the Termination For Cause Events are not provided for. Any amendment to an existing MAM Agreement with the purpose of introducing the Termination For Cause Events set out above shall not require the unanimous approval of the Directors (for the avoidance of doubt, amendments to the termination for cause clauses in a MAM Agreement that are not identical to the Termination For Cause Events set out above shall require the unanimous approval of the Directors).

- 100. The continuing Directors or a sole continuing Director may act notwithstanding any vacancies in their number, but if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with these Articles, the continuing Directors or Director may act for the purpose of filling up vacancies in their number, or of summoning general meetings of the Company, but not for any other purpose. If there be no Directors or Director able or willing to act, then any two Members may summon a general meeting for the purpose of appointing Directors.

101. The Directors may from time to time elect and remove a chairman and, if they think fit, a Deputy Chairman and determine the period for which they respectively are to hold office. The Chairman or, failing him, the Deputy Chairman shall preside at all meetings of the Directors, but if there be no Chairman or Deputy Chairman, or if at any meeting the Chairman or Deputy Chairman be not present within five minutes after the time appointed for holding the same, the Directors present may choose one of their number to be Chairman of the meeting.
102. A resolution in writing signed by all the Directors for the time being entitled to receive a notice of a meeting of the Directors shall be as valid and effectual as a resolution passed at a meeting of the Directors duly convened and held and may consist of several documents in the like form each signed by one or more of the Directors.

107. The Directors shall cause minutes to be made of:-
 - (a) all appointments of officers made by the Directors;
 - (b) the names of the Directors present at each meeting of the Directors and of any committee of Directors; and
 - (c) all resolutions and proceedings of all meetings of the Company and of the Directors and of committees of Directors.

Any such minute, if purporting to be signed by the Chairman of the meeting at which the proceedings took place, or by the Chairman of the next succeeding meeting, shall, until the contrary be proved, be conclusive evidence of their proceedings.

108. A register of Directors' share holdings shall be kept at the Office and shall be open to the inspection in accordance with the requirements of the Acts. The said register shall

also be produced at least one quarter hour before the appointed time for the commencement of each annual general meeting and shall remain open and accessible during the continuance of the meeting to any person attending the meeting.

109. Any Director may participate in a meeting of the Directors by means of telephone or other similar means of communication whereby all persons participating in the meeting can hear each other speak; and participation in a meeting in this manner shall constitute presence in person of such meeting and each participant shall be entitled to vote or be counted in a quorum accordingly. Any such meeting shall be deemed to take place where the majority of the participating directors are located or, if there is no such group, where the Chairman of the meeting is present and, if neither applies, in such location as the meeting decides.

BORROWING AND OTHER POWERS

110. Subject as hereinafter provided the Directors may exercise all the powers of the Company to borrow money (including the power to borrow for the purpose of redeeming Shares) and charge, to issue debentures, debenture stock or other securities, whether outright or as collateral security for any debt liability or obligation of the Company or of any third party, provided that no borrowings shall be made save in accordance with paragraph 103 of the Principal Regulations and the limits laid down by the Central Bank.

- (2) Every Managing Director shall be liable to be dismissed or removed from his position as Managing Director by the Directors and another person appointed in his place. The Directors may, however, enter into an agreement with any person who is or is about to become a Managing Director with regard to the length and terms of his employment but so that the remedy of any such person for any breach of such agreement shall be in damages only and he shall have no right or claim to continue in such office contrary to the will of the Directors or of the Company in general meeting.
112. A Managing Director shall not, while he continues to hold that office, be liable to retire by rotation (if the Articles should so provide in the case of Directors generally) and he shall not be taken into account in determining the rotation in which the other Directors shall retire (except for the purpose of fixing the number to retire in each year), but he shall be subject to the same provisions as to removal and disqualification as the other Directors and if he ceases to hold the office of Director from any cause he shall ipso facto cease to be a Managing Director.

113. The Directors may from time to time entrust to and confer upon the Managing Director or Managing Directors all or any of the powers of the Directors (not including the power to borrow money or issue debentures) that they may think fit. But the exercise of all powers by the Managing Director or Managing Directors shall be subject to all such regulations and restrictions as the Directors may from time to time make and impose and the said powers may at any time be withdrawn, revoked or varied.

SECRETARY

114. Subject to the provisions of the Acts, the Secretary shall be appointed by the Directors for such term, at such remuneration and upon such conditions as they think fit and any secretary so appointed may be removed by them, but without prejudice to any claim for damages for breach of any contract of service between him and the Company. If thought fit, two or more persons may be appointed joint secretaries. Anything required or authorised to be done by or to the Secretary, may if the office is vacant or there is for any other reason no Secretary capable of acting, be done by or to any Assistant or Deputy Secretary or if there is no Assistant or Deputy Secretary capable of acting by or to any officer of the Company authorised generally or specifically in that behalf by the Directors PROVIDED THAT any provisions of these Articles requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary.

THE SEAL

115. The Directors shall provide a common seal for the Company and shall have power from time to time to destroy the same and to substitute a new seal in lieu thereof. The Directors shall provide for the safe custody of the seal and the seal shall never be used except by the authority of a resolution of the Directors or of a committee of the Directors authorised by the Directors in that behalf. The Directors may from time to time as they see fit or (subject to the provisions of these Articles relating to share certificates) determine the person and the number of such persons in whose presence the seal shall be used, and until otherwise so determined the seal shall be affixed in the presence of two Directors or one Director and the Secretary, or some other person duly authorised by the Directors.
116. The Directors may exercise the powers conferred on the Company by the Acts with regard to having an official seal solely for sealing documents creating or evidencing securities of the Company.
117. The Company may exercise the powers conferred by Section 41 of the Act with regard to having an official seal for use abroad, and such powers shall be vested in the Directors.

DIVIDENDS

118. (1) The Company in general meeting may declare dividends on the Participating Shares of each class but no dividend shall exceed the amount recommended by the Directors in respect of each class of Participating Shares respectively. The Directors may differentiate between the different classes of Participating

Shares, as to the amount (if any) of any dividend recommended in respect of each class. The Directors may from time to time if they think fit pay such interim dividends on Participating Shares of any class as appear to the Directors to be justified, and may specify a fixed date or dates of payment of dividend for a particular class or classes of Participating Shares.

- (2) The dividend for any particular class of Shares in a Fund shall be payable out of profits of that Fund available for distribution relating to those classes designated as distribution share classes. Profits, for these purposes, may be comprised of net income (income less expenditure) and net realised and unrealised gains (realised and unrealised gains less realised and unrealised losses) attributable to such share classes. However, the Directors may elect to pay dividends out of net income only and shall not take net gains into account when determining any dividend that might be declared. Income for these purposes shall include, without limitation, interest income and dividend income and any other amounts treated as income in accordance with the accounting policies of the Company laid down from time to time. Where the Directors determine that a dividend is payable, it will be payable in respect of those classes of Shares within a Fund that have been designated as distributing Share Classes.
- (3) The Directors may, with the sanction of a resolution in general meeting of the holders of Participating Shares of any class, distribute in kind among the Shareholders of that class by way of dividend or otherwise any of the assets of the relevant Fund provided that no distribution shall be made which would amount to a reduction of capital except in a manner allowed by law.
- (4) All Participating Shares shall unless otherwise determined by the Directors or by the terms of issue thereof rank for dividend as from the beginning of the accounting period in which they are issued.
- (5) Any resolution of the General Meeting declaring a dividend on the Participating Shares of any class may specify that the same shall be payable to the persons registered as the holders of Participating Shares of the class concerned at the Close of Business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed (or, as the case may be, that prescribed for payment of a fixed dividend), and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of Participating Shares of the relevant class.
- (6) The Company may transmit any dividend or other amount payable in respect of any Participating Share by electronic transfer or by cheque or warrant sent by ordinary post to the registered address of the holder, or, in the case of joint holders, of one of them to such person and address as the holder or joint holders may direct, and shall not be responsible for any loss arising in respect of such transmission.
- (7) No dividend or other amount payable to any Shareholder shall bear interest against the Company. All unclaimed dividend and other amounts payable as

aforesaid may be invested or otherwise made use of for the benefit of the Company until claimed. Payment by the Company of any unclaimed dividend or other amount payable in respect of a Participating Share into a separate account shall not constitute the Company a trustee in respect thereof. Any dividend unclaimed after six years from the date when it first became payable shall be forfeited automatically, without the necessity for any declaration or other action by the Company.

EQUALISATION

119. All fees accrued by the Funds are subject to a daily equalisation computation. Equalisation is a process which ensures that during the fiscal year of the Fund the earnings per Share are not diluted by any new share creations nor are they always increased by redemptions. This is achieved by allocating a portion of subscription/reinvestment proceeds corresponding to the net earnings per Share already gained by the Fund to a so-called net earnings equalisation account and in the case of redemptions the redemption proceeds comprise both the redeemer's portion of the total net earnings gained by the Fund and the redeemer's portion of the capital of the Fund.

FINANCIAL STATEMENTS

120. The Directors in accordance with the provisions of the Act and the Principal Regulations shall cause to be kept adequate accounting records, whether in the form of documents, electronic form or otherwise.
121. The accounting records shall be kept at the Office, or at such other place as the Directors think fit, and shall always be open at all reasonable times to inspection by the Directors. No Member (other than a Director) shall have any right of inspecting any accounting record or document of the Company except as conferred by the Acts or authorised by the Directors or by the Company in general meeting.
122. The Directors shall from time to time in accordance with the provisions of the Acts and the Principal Regulations, cause to be prepared and to be laid before the Company in general meeting in respect of the Company as a whole statutory financial statements of the Company and reports as are specified in the Acts made up to the Accounting Date in each year or such other date as the Directors may from time to time decide. Such documents shall include all information required to be specified therein by the Principal Regulations.
123. A copy of every accounting record, financial statements of the Company and reports which are required by law to be laid before the Company in general meeting, together with the Auditor's and Depositary's report or summary financial statements prepared in accordance with section 1119 of the Act thereon shall not less than 21 days previous to the annual general meeting be served on every person entitled under the provisions of the Acts to receive them, provided however that where the Directors elect to send summary financial statements to the Members, any Member may request that he be sent a copy of the statutory financial statements of the Company. Such documents shall include all information required to be specified therein by the Principal Regulations.

124. The Company shall prepare an un-audited half yearly report for the first six months of each financial year. Such report shall be in a form approved by the Central Bank and shall contain the information required under the Act.
125. Copies of the half yearly report shall be sent to the Shareholders not later than two months from the end of the period to which it relates.
126. The Company shall provide the Designated Authority with all reports and information to which it is entitled under the Act.

CAPITALISATION OF PROFITS

127. The Company in general meeting may upon the recommendation of the Directors resolve that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts (including capital reserve) or to the credit of the profit and loss account or which is otherwise available for distribution and not required for payment of dividends on any Shares with a preferential right to dividend amongst the Members who would have been entitled thereto if distributed by way of dividend and in the same proportion on condition that the same be not paid in cash but be applied either in or towards paying up in full unissued Shares of the Company to be allotted and distributed credited as fully paid up to and amongst such Members in the proportion aforesaid, or partly in the one way and partly in the other, and the Directors shall give effect to such resolution.
128. Whenever such a resolution as aforesaid shall have been passed, the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid Shares or debentures, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provision as they shall think fit for the case of Shares or debentures becoming distributable in fractions (and in particular, without prejudice to the generality of the foregoing, to sell the Shares or debentures represented by such fractions and distribute the net proceeds of such sale amongst the Members otherwise entitled to such fractions in due proportions) and also to authorise any person to enter on behalf of all the Members concerned into an agreement with the Company providing for the allotment to them respectively credited as fully paid up of any further Shares or debentures to which they may become entitled on such capitalisation or, as the case may require, for the payment up by the application thereto of their respective proportions of the profits resolved to be capitalised of the amounts remaining unpaid on their existing Shares and any agreement made under such authority shall be effective and binding on all such Members.

AUDIT

129. Auditors shall be appointed and their duties regulated in accordance with the Acts and paragraph 134 of the Principal Regulations.

133. Any notice or document delivered or sent by post to or left at the registered address of any Shareholder in pursuance of these Articles shall notwithstanding that such Shareholder be then dead or bankrupt, and whether or not the Company has notice of his death or bankruptcy, be deemed to have been duly served in respect of any Participating Share registered in the name of such Shareholder as sole or joint holder, unless his name shall at the time of the service of the notice of document, have been removed from the Register as the holder of the Share, and such service shall for all purposes be deemed a sufficient service of such notice or document on all persons interested (whether jointly with or as claiming through or under him) in the Participating Share.

134. Where a notice, document or other information is given, served or delivered in electronic form whether as an electronic communication or otherwise, it shall be treated as having been given, served or delivered:

136. Any Member present, in person or by proxy, at any meeting of the Company shall for all purposes be deemed to have received due notice of such meeting and, where requisite, of the purposes for which such meeting was convened.
137. Such notice may be given by advertisement and a notice so given shall be published in at least one leading international newspaper and one daily newspaper in Dublin and shall be deemed to have been served at noon on the day on which the advertisement appears.
- (b) Any notice or document delivered or sent by post to or left at the registered address of any Member in pursuance of these Articles shall notwithstanding that such Member be then dead or bankrupt, and whether or not the Company has notice of his death or bankruptcy, be deemed to have been duly served in respect of any Share registered in the name of such Member as sole or joint holder, unless his name shall at the time of the service of the notice or document, have been removed from the Register as the holder of the Share, and such service shall for all purposes be deemed a sufficient service of such notice or document on all persons interested (whether jointly with or as claiming through or under him in the Share).

WINDING UP

140. (1) If the Company shall be wound up the liquidator shall apply the assets of the Company in such manner and order as he thinks fit in satisfaction of creditors' claims. The liquidator shall in relation to the assets available for distribution among the Members make in the books of the Company such transfers thereof to and from Funds as may be necessary in order that the effective burden of such creditors' claims may be shared between the holders of Shares of different Funds in such proportions as the liquidator in his absolute discretion

may think equitable provided always that in doing so, the liquidator shall comply with, and be bound by, the segregated liability provision contained in the Act and Article 20 hereof.

- (2) The assets available for distribution among the Members shall then be applied in the following priority:
 - (i) First, in the payment to the holders of the Participating Shares of each Fund of a sum in the currency in which that Fund is designated (or in any other currency selected by the liquidator) as nearly as possible equal (at a rate of exchange determined by the liquidator) to the Net Asset Value of the Participating Shares of such Fund held by such holders respectively as at the date of commencement to wind up provided that there are sufficient assets available in the relevant Fund to enable such payments to be made. In the event that, as regards any Fund, there are insufficient assets available in the relevant Fund to enable such payment to be made recourse shall be had:
 - a) first, the assets of the Company not comprised within any of the Funds; and
 - b) secondly, to the assets remaining in the Funds for the other classes of Participating Shares (after payment to the holders of the Participating Shares of the classes to which they relate of the amounts to which they are respectively entitled under this paragraph (i)) pro rata to the total value of such assets remaining within each such Fund.
 - (ii) Secondly, in the payment to the holders of the Subscriber Shares of sums up to the nominal amount paid thereon out of the assets of the Company not comprised within any of the Funds remaining after any recourse thereto under paragraph (2)(i) above. In the event that there are insufficient assets as aforesaid to enable such payment in full to be made, no recourse shall be had to the assets comprised within any of the Funds.
 - (iii) Thirdly, in the payment to the holders of each class of Participating Shares of any balance then remaining in the relevant Fund, such payment being made in proportion to the number of Shares of that Fund held.
 - (iv) Fourthly, in the payment to the holders of the Participating Shares of any balance then remaining and not comprised within any of the Funds, such payment being made in proportion to the number of Participating Shares held.
- (3) If the Company shall be wound up (whether the liquidation is voluntary, under supervision or by the court) the liquidator may, with the authority of a Special Resolution and any other sanction required by the Acts, divide among the Members in specie the whole or any part of the assets of the Company, and whether or not the assets shall consist of property of a single kind and may for

such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the Members. The liquidator may, with the like authority, vest any part of the assets in trustees on such trusts for the benefit of Members as the liquidator, with the like authority, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no Member shall be compelled to accept any assets in respect of which there is any liability. For the avoidance of doubt, if the Special Resolution above is passed, each Member is entitled to elect on winding-up whether or not he wishes to receive a distribution in specie or a cash distribution made in accordance with the provisions of Article 140(2). However, in the absence of a Member electing to receive a distribution in specie on winding-up, such Member shall receive a cash distribution payment in accordance with the provisions of Article 140(2). Where the Company agrees to sell the assets, if requested by a Shareholder, the cost of such sale can be charged to the redeeming Shareholder.

INDEMNITY

141. (1) Subject to the provisions of and insofar as may be permitted by the Companies Acts and the Act, every Director, Secretary and other officer or servant of the Company shall be indemnified by the Company against, and it shall be the duty of the Directors out of the funds of the Company to pay all costs, losses and expenses which any such officer or servant may incur or become liable to by reason of any contract entered into, or act or thing done by him as such officer or servant or in any way in discharge of his duties, including travelling expenses, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the Company and have priority as between the Members over all other claims.
- (2) The Depositary and the Manager shall be entitled to such indemnity from the Company under such terms and subject to such conditions and exceptions and with such entitlement to have recourse to the assets of the Company with a view to meeting and discharging the cost thereof as shall be provided under the Depositary Agreement and the Management Agreement.

RESERVES

142. The Directors may before declaring any dividends set aside out of the profits of the Company and carry to the credit of any reserve account such sums as they think proper, which shall, at the discretion of the Directors, be applicable for any purpose to which the profits or reserves may be properly applied and pending such application may at the like discretion either be employed in the business of the Company or be invested in such Investments as the Directors may from time to time think fit. The Directors may also carry forward to the accounts of the succeeding year or years any balance of profits which they shall think fit neither to divide nor to place to reserve.

DEALINGS BY THE MANAGER ETC.

143. Any person being the Manager, the Administrator, the Depositary and any associate of the Manager, the Administrator or the Depositary may:

- (a) become the owner of Participating Shares in the Company and hold, dispose or otherwise deal with Participating Shares as if that person were not such a person; or
- (b) deal in property of any description on that person's individual account notwithstanding the fact that property of that description is included in the property of the Company; or
- (c) act as agent or principal in the sale or purchase of property to or from the Depositary for the account of the Company without that person's having to account to any other such person, to the Members or to any of them for any profits or benefits made by or derived from or in connection with any such transaction provided that such transactions are carried out as if effected on normal commercial terms negotiated at arms length, are in the best interests of the Shareholders; and
 - (i) a certified valuation of such transaction by a person approved by the Depositary as independent and competent has been obtained; or
 - (ii) such transaction has been executed on best terms on an organised investment exchange under its rules; or
 - (iii) where (i) and (ii) are not practical, such transaction has been executed on terms which the Depositary is satisfied conform with the principle that such transactions be carried out as if effected on normal commercial terms negotiated at arms length.

RESTRICTION ON MODIFICATIONS TO ARTICLES

144. No modification shall be made to the Constitution of the Company which would result in the Company ceasing to be authorised under the Acts.

DESTRUCTION OF DOCUMENTS

145. The Company shall be entitled to destroy all instruments of transfer of Shares which have been registered at any time after the expiration of six years from the date of registration thereof and all dividend mandates and notifications of change of address at any time after the expiration of two years from the date of recording thereof and all share certificates which have been cancelled at any time after the expiration of one year from the date of cancellation thereof and it shall conclusively be presumed in favour of the Company that every entry in the Register purporting to have been made on the basis of an instrument of transfer or other documents so destroyed was a valid and effective instrument duly and properly registered and every share certificate so destroyed was a valid and effective certificate duly and properly cancelled and every other document hereinbefore mentioned in accordance with the recorded particulars thereof in the books or records of the Company PROVIDED ALWAYS that:
- (a) The provisions aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;

- (b) Nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Article; and
- (c) References herein to the destruction of any document include references to the disposal thereof in any manner.

TOTAL REPURCHASE

146. The Company may, by not less than four, nor more than twelve weeks' notice to all Members, repurchase at the Net Asset Value per Participating Share on such Dealing Day, all (but not some) of the Participating Shares in issue for any class of Participating Share or all classes of Participating Shares on such date in the following instances:-

- (i) if the Company or any Fund is no longer an authorised UCITS;
- (ii) if any law is passed which renders it illegal or, in the reasonable opinion of the Directors it is impracticable or inadvisable, to continue the Company or any Fund; and
- (iii) if within a period of 120 days from the date on which the Depositary notifies the Company of its desire to retire in accordance with the terms of the Depositary Agreement, or from the date on which the appointment of the Depositary is terminated by the Company in accordance with the terms of the Depositary Agreement, or from the date on which the Depositary ceases to be qualified under Article 8 hereof, no new Depositary shall have been appointed;

provided that such repurchase does not result in the issued share capital being reduced to below the minimum amount permitted under the Acts.

CONVERSION TO ICAV

147. In accordance with the requirements of the Central Bank and applicable law, the Company is permitted to apply to the Central Bank to be registered as an ICAV by way of continuation or otherwise. The Company and its delegate(s) shall do all such acts and things as may be necessary to give effect to the conversion to ICAV in accordance with applicable law, the requirements of the Central Bank and the Constitution.

OVERRIDING PROVISIONS

148. The Company's business will be conducted in accordance with the Acts. In the event of there being any conflict between the provisions of these Articles and the Acts, the Acts shall prevail. The approval of the Central Bank shall be required to any amendment to these Articles.

WE, the several persons whose names, and addresses are subscribed, wish to be formed into a Company in pursuance of this Memorandum of Association, and we agree the number of shares in the capital of the Company set opposite our respective names.
