To every such separate general meeting the provisions of these Articles relating to general meetings shall apply but so that the necessary quorum at any such meeting other than an adjourned meeting shall be two persons holding or representing by proxy shares of the class in question and, at an adjourned meeting, one person holding shares of the class in question or his proxy. Any Shareholder of the class in question present in person or by proxy may demand a poll.

- (f) in the case where an asset or a liability of the Company cannot be considered as being attributable to a particular Fund, the Directors shall have the discretion, subject to the approval of the Auditors, to determine the basis upon which such asset or liability shall be allocated between the Funds and the Directors shall have power at any time and from time to time subject to the approval of the Auditors to vary such basis, provided that the approval of the Auditors shall not be required in any case where the asset or liability is allocated between all Funds pro rata to their Net Asset Value.

9. Trusts Not Recognised

Except as required by law, no person shall be recognised by the Company as holding any shares upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or (except only as by these Articles or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder. This shall not preclude the Company from requiring a Member or a transferee of shares to furnish the Company with information as to the beneficial ownership of any share when such information is reasonably required by the Company.

PARTICIPATING SHARES

10. Issue of Participating Shares

- (a) Subject as hereinafter provided, the Company, on receipt by its authorised agents of the following:
 - (i) an application for Participating Shares in such form and sent by such means as the Directors may from time to time determine; and

- (b) The transfer of consideration for the issue of Participating Shares shall be made in such currency, within such usual time limits, effected at such place and manner and to such person on behalf of the Company as the Directors may from time to time determine.
- (c) If payment in full in cleared funds in respect of a subscription has not been received by the Relevant Time, the Company may (and in the event of non-clearance shall) cancel the allotment of Participating Shares made in respect of such application. In such event and notwithstanding cancellation of the application, the Directors may charge the applicant for any expense incurred by it or the Company for any loss to any Fund arising out of such non-receipt or non-clearance. In addition, the Company shall have the right to sell or redeem all or part of the applicant's holding of the Shares in the Fund or any other Fund in order to meet such charges.
- (d) The issue or allotment of Participating Shares pursuant to this Article shall be made in accordance with the timing provisions set out in the Prospectus. If the application is received after the Relevant Time, it may be treated as an application for Participating Shares on the Dealing Day following such receipt.
- (e) The Company may (at the option of the Directors) satisfy any application for the allotment of Participating Shares of any class by procuring the transfer to the applicant of fully-paid Participating Shares of the relevant class and the effective date of such transfer shall be the relevant Dealing Day. In any such case, references in these Articles to allotting Participating Shares shall where appropriate be taken as references to procuring the transfer of Participating Shares.
- (f) For the purposes of these Articles:
 - (i) Participating Shares of the class concerned which have been allotted but not issued on a Dealing Day shall be deemed to be in issue on receipt of payment therefor and Participating Shares of the class concerned whose allotment has been cancelled and the relevant application monies have not been returned to the applicant on or prior to a Dealing Day shall be deemed to cease to be in issue at the close of business on the day of such cancellation; and
 - (ii) Participating Shares of the class concerned which have been repurchased on a Dealing Day in accordance with Article 20 shall be deemed to have ceased to be in issue at the close of business on the Dealing Day on which they are repurchased.
- (g) Where an amount received for Participating Shares applied for is not an exact multiple of their Subscription Price, a fraction of a Participating Share may be allotted to the applicant who shall be registered as the holder of such a fraction, provided however that such fraction of a Participating Share as set out in the Prospectus from time to time shall not be issued and amounts received representing less than such fraction of a Participating Share as set out in the Prospectus from time to time will not be returned to the applicant but will be retained by the Company in order to defray administration costs.

In addition to the foregoing, the Directors may determine not to return any amount received for Participating Shares which is less than a whole unit of denomination specified by them of any particular currency.

The rights, entitlement and benefits of a Shareholder under the Articles are granted to a registered holder of a fraction of a Participating Share in proportion to the fraction of the Participating Share held by him and, except where the context otherwise requires or is otherwise provided herein, reference in the Articles to "Share" shall include a fraction of a Participating Share. Notwithstanding anything contained in the Articles the registered holder of a fraction of a Participating Share may not exercise any voting rights in respect of such fraction of a Participating Share.

 - (i) no Participating Shares shall be issued until the applicant has satisfied all the requirements of the Directors and Manager as to the application, including, but not limited to, requirements on the applicant's creditworthiness and, in the case of an applicant who is not an existing Shareholder, until the applicant concerned shall have completed and delivered to the Manager an application form as required under these Articles;
 - (ii) the Investments to be transferred to the Company shall be valued by applying the rules relating to valuation of Investments contained in Article 17;
 - (iii) the nature of the Investments transferred into the relevant Fund are such as would qualify as Investments of such Fund in accordance with the investment objectives, policies and restrictions of such Fund;
 - (iv) the Depositary is satisfied that the terms of any such transfer would not be such as would be likely to result in any material prejudice to existing Shareholders of the relevant Fund; and
 - (v) the number of Participating Shares to be issued shall not exceed the number that would be issued for the cash equivalent on the basis that the amount of such cash was an amount equal to the value of the Investments to be so vested in the Depositary as determined by the Manager on the relevant Dealing Day. Such sum may be (i) increased by such amount as the Directors may consider represents an appropriate provision for Duties and Charges incurred by the relevant Fund in the transfer of Investments or (ii) decreased by such amount as the Directors may consider represents an appropriate provision for Duties and Charges which would have been incurred by the relevant Fund as a result of the direct acquisition of the Investments to be transferred and (iii) increased by such fee as may be charged by the Fund in respect of the subscription for Participating Shares by way of transfer of Investments and as disclosed in the Prospectus.

- (d) If the Subscription Price of a Participating Share includes an amount which reflects the Accrued Income of the relevant Fund, then such amount shall, as from the time at which the said Subscription Price is recognised as an asset of the Company for the purposes of these Articles, be treated as income of that Fund.
- (e) In the event that an applicant fails to deliver one or more of the specified Investments referred to in paragraph (c) by the Relevant Time, the Company may require the applicant to pay to it a sum equal to the closing value of such Investments on the relevant Dealing Day plus any Duties and Charges associated with the purchase by the Company of those Investments plus the fee referred to at paragraph (c)(v) above. In the event that the actual cost to the Company of acquiring the Investments (including Duties and Charges) exceeds the aggregate of the value of such Investments on the relevant Dealing Day plus any Duties and Charges associated with the purchase by the Company of those Investments plus the fee referred to at paragraph (c)(v) above, the applicant shall reimburse the Company the difference on demand. The Manager will have the right to sell or redeem all or part of the applicant's holding of Shares in the Fund (or any other Fund) of the Company in order to meet some or all of these charges.
- (f) In relation to any Participating Shares which are listed on a stock exchange, in order to ensure that the exchange traded value of the Shares is not significantly higher than their Net Asset Value, when the closing market price of a class of Shares in a Fund on the relevant stock exchange is higher than 105% (or such lower percentage as the Directors may determine) of the Net Asset Value of that class for a minimum of ten consecutive business days, the Manager will, notwithstanding the provisions of paragraph (b) issue Shares for cash provided that the minimum cash subscription per investor under such circumstances shall not be less than that set out in the relevant Prospectus.

 - (ii) such minimum amount of investment in classes of Participating Shares as the Directors may from time to time determine where an application is made for Participating Shares of two or more classes;

provided that the aggregate amount in value of the Participating Shares to which an application relates shall not be less than any minimum holding as determined by the Directors from time to time; or
- (b) the applicant is already a Shareholder and the amount in value of the Participating Shares to which the application relates equals or exceeds the Minimum Additional Investment Amount or such other amount as the Directors may determine.

13. **Charges**

The Directors may, in their absolute discretion require any person to whom or on behalf of whom any Participating Shares are to be allotted, redeemed or converted to pay a fee at a rate to be determined by the Directors by reference to the aggregate amount subscribed, redeemed or converted (as the case may be), any such fee not to exceed in respect of each Participating Share to be allotted or converted an amount equal to 5% and in respect of each Participating Share to be redeemed 3% per Participating Share of the Net Asset Value for such Participating Share. The Directors may, on any Dealing Day, differentiate between applicants as to the amount of the fee to be levied on each Participating Share (subject to the maximum aforesaid).

This maximum redemption fee shall not be increased without prior Shareholder approval on the basis of a simple majority of votes cast in a general meeting or a resolution in writing of all Shareholders of the relevant class. In the event of an increase in the redemption fee, a reasonable notification period shall be provided prior to the implementation of the increase.

14. Suspension of Issue

No Participating Shares of any particular class shall be allotted or issued during any period when the determination of the Net Asset Value of that class of Participating Share is suspended pursuant to these Articles except those for which applications have been previously received and accepted by the Company or its authorised agent.

15. Restrictions on Shareholders/Qualified Persons

- (a) No person may offer to sell any Participating Shares to any person who would not be a Qualified Holder.
- (b) Subject and in addition to the foregoing provision, the Directors shall have power (but shall not be under any duty) to impose such restrictions as they may think necessary for the purpose of ensuring that no Participating Shares of any class are acquired or held directly or beneficially by any person or persons who by holding such Participating Shares may give rise to a breach of any applicable law or requirement in any jurisdiction or may, either alone or together with holdings or other Participating Shareholders, in the sale and conclusive opinion of the Directors:
 - (i) prejudice the tax status or residence of the Company or its Participating Shareholders;
 - (ii) cause the Company or its Participating Shareholders to suffer any pecuniary, fiscal or regulatory disadvantage; or
 - (iii) cause the Company to be required to comply with any registration or filing requirements in any jurisdiction with which it would not otherwise be required to comply.
- (c)
 - (i) No person other than a Qualified Holder shall be entitled to be registered or remain registered as a Shareholder and the Directors may upon an application for any class of Participating Shares or (subject as herein provided) on a transfer of any class of Participating Shares or at any other time and from time to time require such evidence to be furnished to them in this connection as they shall in their discretion deem sufficient and in default of such evidence being furnished to the satisfaction of the Directors the Directors may require the redemption or transfer of such shares pursuant to these Articles.
 - (ii) A Shareholder who shall cease to be a Qualified Holder shall promptly either give to the Company a redemption notice in respect of such shares or shall promptly transfer such shares to a Qualified Holder.
 - (iii) If the Directors shall in their absolute discretion consider that any Shareholder is not a Qualified Holder (or at any time while a Shareholder has not been a Qualified Holder) the Directors may require the redemption or transfer of such Participating Shares in accordance with Article 22 hereof.

 - (iii) adding the Net Asset Value for the particular class of Participating Share as at the previous Valuation Point and the net total subscriptions or redemptions, as appropriate, at that time;

Currency share classes may be leveraged as a result of these transactions in accordance with the Central Bank's requirements.

Any part of a redemption or conversion request to which effect is not given by reason of the exercise of this power by the Manager shall be treated as if a request had been made in respect of the next Dealing Day and each succeeding Dealing Day (in relation to which the Manager shall have the same power) until the original requests have been satisfied in full.
- (h) Where, in any case involving a redemption of less than the entire of an Shareholder's holding of Participating Shares, any amount representing the redemption monies for such

Shares is not an exact multiple of their Redemption Price a fraction of a Participating Share may be registered in the name of the Shareholder who shall be registered as the holder of such a fraction provided however that a fraction of not less than such fraction of a Participating Share as set out in the Prospectus from time to time shall not be registered and amounts representing less than such fraction of a Participating Share as set out in the Prospectus from time to time will not be returned to the Shareholder but will be retained by the Company in order to defray administration costs.

 - (v) the amount or number of Participating Shares to be redeemed is not less than the Minimum Redemption Amount; and
 - (vi) the value of Investments transferred shall not exceed the sum which would otherwise have been payable on a cash redemption. Such sum may be (i) decreased by such amount as the Directors may consider represents an appropriate provision for Duties and Charges incurred by the relevant Fund in the transfer of the Investments or (ii) increased by such amount as the Directors may consider represents an appropriate provision for Duties and Charges which would have been incurred by the relevant Fund in the direct disposal of the Investments to be transferred and (iii) decreased by such fee as may be charged by the Fund in respect of the redemption of Participating Shares by way of transfer of Investments and as disclosed in the Prospectus. The shortfall (if any) between the value of the Investments transferred on a redemption by way of the transfer of Investments and the redemption proceeds which would have been payable on a cash redemption shall be satisfied in cash. Any decline in the value of the Investments to be transferred in settlement of a redemption between the relevant Dealing Day and the day on which Investments are delivered to the redeeming Shareholders shall be borne by the redeeming Shareholders.
- (j) Where a redeeming Shareholder who has subscribed for Participating Shares in cash subsequently submits a redemption request, the Company may pay such redemption by way of the transfer of Investments provided that the consent of the redeeming Shareholder is obtained and the asset allocation for the redemption by way of the transfer of Investments is approved by the Depositary.  - (ii) expenses and disbursements incurred by the Depositary in the performance of its functions as authorised by the Depositary Agreement (or any letters as aforesaid)

In such circumstances, the Directors shall endeavour to find a new depositary to act as depositary to the Company and provided that such new depositary is acceptable to the Company and to the Central Bank, the Directors shall by a new Depositary Agreement appoint such new depositary to be the depositary in place of the removed Depositary.
- (e) Subject to paragraphs (c) and (d) the Depositary shall not cease to be depositary of the Company unless and until the authorisation of the Company has been revoked by the Central Bank at which time a general meeting will be convened at which an Ordinary Resolution to wind up the Company will be considered.

DIVIDENDS AND RESERVES

102. Declaration of Dividends

Subject to the provisions of the Act, the Company may by Ordinary Resolution declare such dividends on the Participating Shares or on any class of Participating Shares as appear to the Directors to be justified by the profits of the Company or the relevant Fund and no dividend shall exceed the amount recommended by the Directors.

103. Interim Dividends

Subject to the provisions of the Act, the Directors may from time to time if they think fit declare and pay such interim dividends on Participating Shares of any class as appear to the Directors to be justified by the profits of the relevant Fund and the Company may pay Redemption Dividends in respect of Shares which have been accepted for redemption.

104. Source of Dividends

No dividend shall be payable except out of such funds as may be lawfully distributed as dividends in accordance with the Act. Dividends may be paid out of a Fund's net income (i.e. income from dividends, interest or otherwise less the Fund's accrued expenses for the accounting period), total income net of expenses, realised and unrealised gains on the disposal/revaluation of Investments and other assets less realised and unrealised losses of the relevant Fund and / or realised gains net of realised and unrealised losses and/or capital of the relevant Fund as set out in the Prospectus.

105. Receipts

If several persons are registered as joint holders of any Participating Share, any one of them may give effectual receipts for any dividend or other moneys payable on or in respect of the Participating Shares.

106. Dividends in Specie

A general meeting declaring a dividend may direct, upon the recommendation of the Directors, that the Directors shall satisfy any dividend or capital sum payable to Shareholders of any Class in whole or in part by distributing to them in specie any of the assets of the relevant Fund, and in particular any Investments to which the relevant Fund is entitled.

107. Ranking of Dividends

If any Participating Share is issued on terms providing that it shall rank for dividend as and from or after a particular date, or to a particular extent, such Participating Share shall rank for dividend accordingly.

108. Payment of Dividends

- (a) Any dividend in respect of any Participating Share may be paid by telegraphic transfer (less expenses) or cheque to the bank account indicated on the Shareholder's most recent form for application for Participating Shares or other written instructions to the Company or its authorised agents. If no such instructions have been given, dividends will be sent by cheque, by post (at the Shareholder's risk) to the relevant Shareholder's address as set out in the Register and, in the case of joint holders, the joint holder whose name stands first in the Register. Every such cheque shall be made payable to the order of the person to whom it is sent and payment of the cheque shall be a good discharge to the Company. Any joint holder or other person jointly entitled to a Participating Share as aforesaid may give receipts for any dividend or other moneys payable in respect of the Participating Share.
- (b) A dividend or other amount payable in respect of a Participating Share in uncertificated form may also be paid by means of the Relevant System in accordance with the arrangements in place with the Relevant System.

109. Dividends not to bear Interest

No dividend or other moneys payable in respect of a Participating Share shall bear interest against the Company unless otherwise provided by the rights attached to the Participating Share.

110. Payment to Holders on a Particular Date

Any resolution declaring a dividend on Participating Shares of any class, whether a resolution of the Company in general meeting or a resolution of the Directors, may specify that the same may be payable to the Shareholders at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se of transferors and transferees of any such Participating Shares in respect of such dividend. The provisions of this Article shall apply, mutatis mutandis, to capitalisations to be effected in pursuance of these Articles.

111. Unclaimed Dividends

If the Directors so resolve, any dividend which has remained unclaimed for twelve years from the date of its declaration shall be forfeited and cease to remain owing by the Company and become the property of the relevant Fund. The payment by the Directors of any unclaimed

dividend or other moneys payable on or in respect of a Participating Share into a separate account shall not constitute the Company a trustee in respect thereof.

112. Currency of Payment and Foreign Exchange Transactions

Where payments in respect of subscription or redemption of Participating Shares or dividend payments are tendered or requested in a major currency other than the base currency of the relevant Fund, any necessary foreign exchange transactions will be arranged by the Administrator for the account of, and at the risk and expense of, the applicant in accordance with the terms of the Prospectus.

113. Reserves

Before recommending any dividend, whether preferential or otherwise, the Directors may carry to reserve out of the profits of the Company such sums as they think proper. All sums standing to reserve may be applied from time to time in the discretion of the Directors for any purpose to which the profits of the Company may be properly applied and at the like discretion may be either employed in the business of the Company or invested in such Investments as the Directors may lawfully determine. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they may lawfully determine. Any sum which the Directors may carry to reserve out of the unrealised profits of the Company shall not be mixed with any reserve to which profits available for distribution have been carried. The Directors may also carry forward, without placing the same to reserve, any profits which they may think it prudent not to divide.

CAPITALISATION OF PROFITS OR RESERVES

114. Distributable Profits and Reserves

The Company in general meeting may resolve, upon the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts (including capital reserves) or to the credit of the profit and loss account or which is otherwise available for distribution and not required for payment of dividend on any shares with a preferential right to dividend amongst the Members who would have been entitled thereto if distributed by way of dividend and in the same proportion on condition that the same be not paid in cash but be applied either in or towards paying up in full unissued shares of the Company to be allotted and distributed credited as fully paid up to and amongst such Members in the proportion aforesaid, or partly in one way and partly in the other, and the Directors shall give effect to such resolution.

115. Non-Distributable Profits and Reserves

Without prejudice to any powers conferred on the Directors as aforesaid, the Company in general meeting may resolve, on the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or to the credit of the profit and loss account which is not available for distribution by applying such sum in paying up in full unissued shares to be allotted as fully paid bonus shares to those Members of the Company who would have been entitled to that sum if it were distributable and had been distributed by way of dividend (and in the same proportions) and the Directors shall give effect to such resolution.

116. Implementation of Capitalisation Issues

Whenever such a resolution is passed in pursuance of either of the two immediately preceding Articles, the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid shares, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provisions as they shall think fit for payment in cash or otherwise for the case of shares becoming distributable in fractions and to authorise any person to enter on

behalf of all the Members entitled thereto into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any further shares to which they may become entitled upon such capitalisation or (as the case may require) for the payment up by the Company on their behalf, by the application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing shares, and any agreement made under such authority shall be effective and binding on all such Members.

In the event that, as regards any class of Participating Shares, there are insufficient assets available in the relevant Fund to enable such payment to be made, recourse shall be had to the assets of the Company (if any) not comprised within any of the Funds and not (save as provided in the Act) to the assets comprised within any of the Funds;
 - (ii) secondly, in the payment to the holders of the Subscriber Shares of sums up to the nominal amount paid thereon out of the assets of the Company not comprised within any Funds remaining after any recourse thereto under sub-paragraph (b)(i) above.
