The Fund presents an unmeasurable risk of capital loss. Past performance in no way serves as either an indication of future results or a guarantee of future returns. For further information about the risks and before making any investment, refer to the Key Investor Information Document (KIID) and the prospectus for each fund, available in French on request or on the website: amundietf.fr.

The information contained in this document has been obtained from sources believed to be reliable. Amundi cannot, however, ensure that the information is accurate and reserves the right to amend the analyses presented above at any time. This document is of a non-contractual nature and in no way constitutes a recommendation, solicitation of an offer or an offer regarding a purchase, sale or exchange relating to the Fund described herein, and must under no circumstances be interpreted as such. The transparency policy and information on the composition of the funds' assets are available at amundietf.com. The indicative net asset value is published by the stock markets. Fund units purchased on the secondary market cannot generally be resold directly to the Fund. Investors must buy and sell units on a secondary market with the assistance of an intermediary (e.g. a broker) and may, in this case, have to pay charges. In addition, it is possible that investors may pay more than the current net asset value when they buy units and receive less than the current net asset value when they sell.
