

First Trust Capital Strength UCITS ETF

The Fund is a passively managed index-tracking fund that seeks investment results that correspond generally to the price and yield (before the Fund's fees and expenses) of an equity index called The Capital Strength IndexSM (the "Index"). In order to achieve its investment objective, the investment policy of this Fund is to invest at least 90% of its net assets in the common stocks and real estate investment trusts that comprise the Index or in depository receipts that may include American Depository Receipts, Global Depository Receipts, European Depository Receipts representing securities in the Index where direct investment in a constituent security of the Index is not possible.

Fund performance is the performance of the share class since its inception, shown net of fees including re-invested dividends in the base currency of the share class which is in USD. Performance can go up as well as down, and investors may lose some or all of their capital. Returns may increase or decrease as a result of currency and exchange rate fluctuations. Please refer to the 'Risks' section on Page 3 for more details on risks associated with an investment in the fund. The share class was launched less than 5 years ago, therefore performance for some periods is not available.

¹The ongoing charges figure is based on the Fund's annual management fee, whereby the Investment Manager is responsible for the costs involved in running the Fund. In the event that the Fund's running costs exceed the stated figure the Investment Manager shall pay the excess from its own assets. The ongoing charges figure excludes portfolio transaction costs. Details of the transaction costs are available from your broker or financial advisor and at www.ftgportfolios.com. The figure may vary from year to year.

- From the stocks in the NASDAQ US Benchmark Index, the largest 500 companies with a minimum three-month average daily dollar trading volume of \$5 million are selected.
- To be eligible for inclusion in the Index, companies must have: i. at least \$1 billion in cash or short term investments; ii. a long term debt to market cap ratio less than 30%; iii. a return on equity greater than 15%.
- Eligible companies are then ranked by a combined short-term (3-month) and long-term (1-year) realized volatility.
- The 50 companies with the lowest combined volatility score are selected for inclusion in the Index.
- A maximum weight of 30% in any one Industry Classification Benchmark industry is allowed. If an industry has a weight greater than 30%, the highest ranking security by volatility will be removed and replaced with the next eligible security from a different industry. This process is repeated until no industry has a weight greater than 30%.
- The Index stocks are equally weighted initially and on each rebalancing effective date. The Index is reconstituted and rebalanced on a quarterly basis.

Risks

- The Fund may not achieve its investment objective and the value of shares in the Fund may fall.
- Neither First Trust Global Portfolios Management Limited ("FTGPM") nor any of its affiliates, guarantees the performance or the future returns of the Fund.
- There is no assurance that the Index will continue to be calculated and published on the basis described in the Prospectus. In addition, the Fund's return may not match the return of the Index.
- See also the description of the risks applicable to the Fund in "Risk Factors" in the Prospectus.

Important Information

This marketing communication is issued by First Trust Global Portfolios Management Limited ("FTGPM") whose place of business is Fitzwilliam Hall, Fitzwilliam Place, Dublin 2, D02 T292. FTGPM is authorised and regulated by the Central Bank of Ireland ("CBI") (C185737). The Fund is also regulated by the CBI.

Nothing contained herein constitutes investment, legal, tax or other advice and it is not to be solely relied on in making an investment or other decision, nor does the document implicitly or explicitly recommend or suggest an investment strategy, reach conclusions in relation to an investment strategy for the reader, or provide any opinions as to the present or future value or price of any fund. It is not an invitation, offer, or solicitation to engage in any investment activity, including making an investment in the Fund, nor does the information, recommendations or opinions expressed herein constitute an offer for sale of the Fund.

The Fund is an open-ended sub-fund of First Trust Global Funds PLC (the "Company"), an umbrella UCITS fund with segregated liability between sub-funds, incorporated with limited liability as an investment company with variable capital under the laws of Ireland with UCITS registered number 514357.

The material in this marketing communication is not comprehensive and must therefore be read in conjunction with the Fund's prospectus and the UCITS key investor information document ("KIID") or the PRIIPS key information document ("KID") which contain material information not contained herein, including the terms of investment and information regarding investment risks and restrictions, fees and expenses and conflicts of interests. Potential investors should pay particular attention to the risk disclosures in the "Risk Factors" section of the Fund's prospectus (available in English) and KIIDs (available for each share class of each of the sub-funds of the Company and in one of the official languages of each of the EU Member States into which each sub-fund has been notified for marketing under the Directive 2009/65/EC (the UCITS Directive)). No assurance can be given that the Fund's investment objective will be achieved or that the Fund will generate a positive return. Please contact FTGPM or visit
