The Applicant agrees to indemnify and keep indemnified Company, the Manager and/or the Administrator and their respective directors, officers and employees against any loss, liability, cost or expense (including, without limitation, legal fees, taxes and penalties) which may result directly or indirectly from a failure to process the application if such documentation and information has been required and has not been provided by the Applicant. The Applicant confirm that it will notify the Company immediately if there are any changes to the information supplied to the Company in connection with this application which make any representations, covenant, confirmation or other statement no longer fully accurate.
- (xxi) The Applicant agrees to indemnify and keep indemnified the Company, the Manager, the Administrator, the General Distributor, the Sub-Distributors and their respective directors, officers and employees against any loss, liability, cost or expense (including, without limitation, legal fees, taxes and penalties) which may result directly or indirectly from the Applicant's holding of Shares, any act or omission of or on behalf of the Applicant, any misrepresentation or breach of warranty, condition, covenant or agreement set forth herein or in any document delivered by the Applicant and/or on behalf of the Applicant to the Company, the Manager, the Administrator, the General Distributor and/or a Sub-Distributor other than liabilities caused as a direct result of the Company's, the Manager's, the Administrator's, the General Distributor's or the Sub-Distributor's knowing default or breach of these terms.
- (xxii) The Applicant acknowledges that the Company does not issue Share certificates of any kind. The Applicant confirms that it is acquiring these Shares for its own use and not for resale. The Applicant acknowledges that all communications will be sent to the email address provided or the registered address, as applicable, unless otherwise specified.
- (xxiii) The Applicant agrees to complete the relevant self-certification(s) for Foreign Account Tax Compliance Act ("FATCA") and Common Reporting Standard ("CRS") purposes appended to this Form (the "Declarations"), and acknowledges that if the Declaration(s) is not completed or is incomplete, the Company, the Manager and/or the Administrator will be entitled to deduct appropriate tax from any payments or transfers of Shares to the Applicant or redeem and cancel such number of Shares as are required in order to pay the appropriate tax to the Irish tax authorities, as described in the Prospectus and/or the Instrument of Incorporation and/or take any action as may be required to ensure compliance with any tax laws of any jurisdiction.
- (xxiv) The Applicant acknowledges that the Administrator operates one or more cash accounts in the name of the Company on behalf of a Fund into which: (i) subscription monies received from investors who have subscribed for Shares are deposited and held until Shares are issued as of the relevant Dealing Day; (ii) redemption monies due to investors who have redeemed Shares are deposited and held until paid to the relevant investors; and (iii) dividend payments owing to Shareholders are deposited and held until paid to such Shareholders (each, an "Fund Cash Account").

accounts. In the event that the Applicant fails to submit the necessary documentation requested by the Administrator as required under the AML Requirements, redemption/dividend monies will be held in the relevant Fund Cash Account and shall remain an asset of the relevant Fund and the Applicant will not benefit from the application of any investor money protection rules (i.e., the redemption/dividend monies will not be held on trust for the Applicant). In such circumstances, the Applicant acknowledges that it will be an unsecured creditor of the relevant Fund in respect of such redemption/dividend monies until such time as the relevant documentation required by the Administrator has been received to its satisfaction and the redemption/dividend monies have been paid to the Applicant.

The Applicant acknowledges that the following risks arise in relation to the operation of the Fund Cash Accounts: (i) in the event that subscription monies received and held in a Fund Cash Account are lost prior to the issue of Shares to the relevant investor as of the relevant Dealing Day, the Company on behalf of the relevant Fund may be obliged to make good any losses suffered by the investor (in its capacity as a general creditor of the Fund), in which case such loss will need to be discharged out of the assets of the Fund and therefore will represent a diminution in the Net Asset Value per Share for existing Shareholders of the Fund; (ii) in the event that redemption or dividend monies held in a Fund Cash Account are lost prior to payment to the relevant investor/Shareholder, the Company on behalf of the relevant Fund may be obliged to make good any losses suffered by the investor/Shareholder (in its capacity as a general creditor of the Fund), in which case such loss will need to be discharged out of the assets of the Fund and therefore will represent a diminution in the Net Asset Value per Share for existing Shareholders of the Fund; and (iii) in the event of an insolvency of the relevant Fund or the Company: (a) there is no guarantee that the Fund or the Company will have sufficient funds to pay unsecured creditors in full, (b) investors who have forwarded subscription monies in advance of a Dealing Day and which are held in a Fund Cash Account and investors/Shareholders due redemption/dividend monies which are held in a Fund Cash Account will rank equally with all other unsecured creditors of the Fund and will be entitled to a pro-rata share of monies which are made available to all unsecured creditors by the insolvency practitioner, and (c) in such circumstances, the investor subscribing for Shares may not recover all monies originally paid into the Fund Cash Account in relation to the application for Shares and the redeeming investor entitled to redemption monies and the Shareholder entitled to a dividend payment may not recover all monies originally paid into the Fund Cash Account for onward transmission to that investor/Shareholder.

- (xxv) The Applicant acknowledges that in accordance with Regulation (EU) 2016/1011 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds, the Manager will maintain an index contingency plan setting out the actions to be taken in the event that a benchmark changes materially or ceases to be provided and that such index contingency plan is available upon request from the Manager. The Applicant acknowledges that actions taken by the Company and/or the Manager on foot of the index contingency plan may have an adverse impact on the relevant Fund(s).
- (xxvi) If the undersigned is acting as agent, representative or nominee (a "Nominee"), the Nominee acknowledges and agrees that the agreements, representations, statements, covenants, and warranties herein are also made on behalf of the beneficial owner(s).
