## **Appendix III**

### **Customer Information Notice – Common Reporting Standard**

The Company intends to take such steps as may be required to satisfy any obligations imposed by (i) the Standard for Automatic Exchange of Financial Account Information in Tax Matters (“the Standard”) and, specifically, the Common Reporting Standard (“CRS”) therein or (ii) any provisions imposed under Irish law arising from the Standard or any international law implementing the Standard (to include the Multilateral Competent Authority Agreement on Automatic Exchange of Financial Account Information or the EU Council Directive 2011/16/EU (as amended by Council Directive 2014/107/EU)) so as to ensure compliance or deemed compliance (as the case may be) with the Standard and the CRS therein from 1 January 2016.

The Company is obliged under Section 891F of the Taxes Consolidation Act 1997 (as amended) and regulations made pursuant to that section to collect certain information about each applicant’s tax arrangements.

Please note that in certain circumstances the Company may be legally obliged to share this information and other financial information with respect to an applicant’s interests in the Company with the Irish Revenue Commissioners. In turn, and to the extent the account has been identified as a Reportable Account, the Irish Revenue Commissioners will exchange this information with the country of residence of the Reportable Person(s) in respect of that Reportable Account.

In particular, the following information will be reported by the Company to the Irish Revenue Commissioners in respect of each Reportable Account maintained by the Company;

- The name, address, jurisdiction of residence, tax identification number and date and place of birth, in the case of an individual, of each Reportable Person that is an Account Holder of the account and, in the case of any Entity that is an Account Holder and that, after application of the due diligence procedures consistent with CRS is identified as having one or more Controlling Persons that is a Reportable Person, the name, address, jurisdiction of residence and tax identification number of the Entity and the name, address, jurisdiction of residence, TIN and date and place of birth of each such Reportable Person.
- The account number (or functional equivalent in the absence of an account number);
- The account balance or value as of the end of the relevant calendar year or other appropriate reporting period or, if the account was closed during such year or period, the closure of the account;
- The total gross amount paid or credited to the Account Holder with respect to the account during the calendar year or other appropriate reporting period with respect to which the Reporting Financial Institution is the obligor or debtor, including the aggregate amount of any redemption payments made to the Account Holder during the calendar year or other appropriate reporting period.

Please note that in certain limited circumstances it may not be necessary to report the tax identification number and date of birth of a Reportable Person.

In addition to the above, the Irish Revenue Commissioners and Irish Data Protection Commissioner have confirmed that Irish Financial Institutions (such as the Company) may adopt the “wider approach” for CRS. This allows the Company to collect data relating to the country of residence and the tax identification number from all non-Irish resident applicants.

The Company can send this data to the Irish Revenue Commissioners who will determine whether the country of origin is a Participating Jurisdiction for CRS purposes and, if so, exchange data with them. Revenue will delete any data for non-Participating Jurisdictions.

The Irish Revenue Commissioners and the Irish Data Protection Commissioner have confirmed that this wider approach can be undertaken for a set 2-3 year period pending the resolution of the final CRS list of Participating Jurisdictions.

Applicants can obtain more information on the Company’s tax reporting obligations on the website of the Irish Revenue Commissioners (which is available at <http://www.revenue.ie/en/business/aeoi/index.html>) or the following link in the case of CRS only: <http://www.oecd.org/tax/automatic-exchange/>.

All capitalised terms above, unless otherwise defined above, shall have the same meaning as they have in the Standard.
