KLS Arete Macro Fund

a sub-fund of Kepler Liquid Strategies ICAV

Class I-GBP (ISIN: IE00BFZ11654)

The Management Company is Waystone Management Company (IE) Limited (the "Manager")

Objectives and Investment Policy

Investment Objective

The Fund seeks to achieve total returns through capital growth and/or income generation.

Investment Policy

The Fund will invest in a diversified portfolio of Developed and Emerging Market investments. The Fund will seek to benefit both from rapidly changing economic and monetary conditions globally and in Asia. The Fund's investments in Emerging Markets will focus on Asia, including China and the Fund's investments in Developed Markets will focus on Europe, the United States and Japan.

The Fund seeks to adopt a "top-down" approach in selecting its investments across different asset classes. The Fund will typically be invested in multiple asset classes, in order to diversify the portfolio and reduce volatility. The Sub-Investment Manager constructs and maintains macro-analytical frameworks that incorporate the rapidly changing macro-economic conditions around the world, as well as the significant idiosyncrasies of certain large economies such as China and Japan.

The Sub-Investment Manager focuses on employing its macro-analytical frameworks to evaluate and seek to exploit the impacts of economic events and trends globally and in Asia on the global equity, commodity, bond and currency markets. The Sub-Investment Manager will select investments identified by the frameworks based on its review of the macro-environment, the appropriateness of the particular investment in respect of its market view and the marginal risk of the investment in relation to the Fund's existing portfolio.

The Fund may invest in a wide range of instruments including, but not limited to, equities, bonds, American depositary receipts, contracts for difference, options, futures and forwards.

The Fund may use financial derivative instruments ("FDI") for investment

or for hedging purposes, as further detailed in the FDI table in the Supplement.

The Fund seeks to promote environmental and social characteristics within the meaning of Article 8 of Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial services sector (the "SFDR"). The Fund also incorporates environmental, social and governance ("ESG") criteria for the assessment and selection of investments.

The Fund may also invest up to 100% of its NAV in cash, money market instruments including treasury bills, bank deposits, certificates of deposit and commercial paper, along with fixed income or related securities by highly rated issuers such as the US Treasuries.

The Fund may invest up to 10% of net assets in collective investment schemes including exchange traded funds or money market funds.

For full details of the Fund's investment objective and policies, refer to the "Investment Objective and Policies" section of Fund's supplement which is available at <https://keplerliquidstrategies.com/>.

You can sell your shares or buy more shares each business day (except Saturdays, Sundays and public holidays) on which banks in Dublin, Hong Kong and London are open for normal banking business. You must submit your application to the Fund's Administrator before 11.00 a.m. (Irish time) five business days before the day you want to sell or buy shares.

Your shares will not pay you a dividend.

The Fund is actively managed and is not managed in reference to a benchmark.

Recommendation: this Fund may not be appropriate for investors who plan to withdraw their money within 3 years.
