Mirabaud - Discovery Convertibles Global

(the "Sub-Fund") is a sub-fund of Mirabaud SICAV ("the Fund")

Class AH cap. EUR (the "Class") – ISIN: LU2387355055

The Fund is managed by Mirabaud Asset Management (Europe) SA (the "Management Company").

The Fund is authorised in Luxembourg and regulated by the Commission de Surveillance du Secteur Financier (CSSF).

Objectives and Investment Policy

- The objective of the Sub-Fund is to achieve long-term capital growth by investing primarily in a diversified portfolio of convertible securities, globally.
- The Sub-Fund will invest, primarily its assets in bonds, convertible into equities of companies as well as in synthetic convertible transferable securities (combination of a bond and a call option) of issuers having their registered office or carrying out the majority of their business in the United States, Europe and Asia, including emerging markets. These companies include small and mid-companies whose market capitalisation is less or equal to USD 5 Billions. The proportion of small cap should not exceed 60%.
- The Sub-Fund may also invest on an ancillary basis in other eligible assets (UCITS) : convertible bonds of issuers of different geographical areas as those mentioned above; equities; warrants; subscription rights; structured products as well as up to 10% of its net assets in units and/or shares of UCITS and/or Other UCIs and/or UCIs.
- The Sub-Fund offers daily liquidity, whereby you can subscribe to the Sub-Fund or redeem your assets on any business day in Luxembourg with the exception of any Business Day which follows a Business Day during which the New York Stock Exchange is closed.
- The Sub-Fund is actively managed. The Benchmark of the Class is the ICE BofA Mid Cap Equity Global 300 Convertible Hedged (EUR) is only used for comparison purposes and as part of the computation of the performance fees, without implying any particular constraints to the Sub-Fund's investments.
- Extra financial considerations (Environmental, Social and Governance ("ESG")) are fully integrated in the investment process of the Sub-Fund. Therefore, the Sub-Fund will focus on companies whose social and environmental factors and methods of governance have a sustainable impact on financial performance. An Extra-financial analysis process is used to assign an ESG score based on an internal analysis and/or on the data provided by an extra-financial rating agency in order to define the eligible investment universe.
- The Class is not entitled to any dividend distribution.
This Class is a hedged share class, which means that the currency risk between the Sub-Fund currency and the Class currency is reduced, but not completely eliminated.

Risk and Reward Profile

- This synthetic risk and reward indicator is a risk indicator based on historical volatility and may not be a reliable indication of the future risk profile of the Class.
- The Risk and Reward Category shown is not a target or a guarantee and may shift over time.
- The lowest category does not mean a risk-free investment.
- The Risk and Reward Category results from the exposure through the Sub-Fund's investments to bond markets but also to the equity market, as convertible bonds embed an equity component.

Risks to which the Sub-Fund may be exposed and which may not be reflected in the indicator:

- Debt instruments and deposits credit risk: The Sub-fund may invest in debt instruments and deposits. They are subject to the risk that their issuer may not be able to meet its obligations.
- Liquidity risk: Risk that a position cannot be liquidated in a timely manner at a reasonable price, especially in the particular case where financial market trading volumes are very low.
- Safekeeping risk: The Sub-Fund's operations may depend on third parties that are located in countries where securities oversight standards are less developed.
- Third parties risk: The failure of the third parties on which the Sub-Fund's operations depend may cause disruptions and losses.
- Emerging markets instability risk: Emerging markets may be subject to political, fiscal and/or economic instability that may imply opportunities for investors but also greater risks.

For more details about other risks associated with the investments of this Sub-Fund, please refer to the Risk Factors section of the Fund's prospectus.

Charges

Entry and exit charges

The entry and exit charges shown are maximum figures that might be taken out of your money before it is invested or before the proceeds of your investment are paid out. In some cases you might pay less. The entry and exit charges actually levied on your investment can be obtained from your financial advisor or distributor.

Ongoing charges

The charges levied on your assets are used to pay the costs of running the Sub-Fund, including the marketing and distribution costs. These charges reduce the potential growth of your investment.

The ongoing charges figure is estimated and may vary from year to year.

It excludes portfolio transaction costs.

For more information about charges, please refer to the "Charges and Expenses" section of the Fund's prospectus.
