

Pictet Funds (LUX) – Timber

Simplified Prospectus (January 2010)

Important information

This prospectus contains essential information relating to the Pictet Funds (LUX) – Timber compartment (the “Compartment”). For more detailed information, please refer to the most recent version of the full current Pictet Funds (LUX) (the “Fund”) prospectus. The full prospectus, as well as the latest annual and semi-annual reports, may be obtained free of charge from the Fund or the Custodian Bank.

1. Legal structure

Pictet Funds (LUX) (the “Fund”) is an open-ended investment company (SICAV) with multiple compartments incorporated under Luxembourg law, in accordance with the provisions of Part I of the Law of 20 December 2002 governing undertakings for collective investment. The Fund was incorporated for an indefinite period on 20 September 1991 under the name of Pictet Umbrella Fund. Its Articles of Association were last amended by notarial act dated 23 January 2009. The Fund has designated Pictet Funds (Europe) S.A. (the “Management Company”) to act as management company in compliance with section 13 of the Law of 20 December 2002.

2. Investment policy and objectives

This Compartment applies a strategy for capital growth by investing at least two-thirds of its total assets / wealth in shares or any other securities related to shares issued by companies active in the financing, planting, and management of forests and wooded areas and/or in the processing, production and distribution of wood for construction and other services and products derived from wood contained in the silviculture value chain.

This Compartment will hold a diversified portfolio that will be composed, within the limits of the investment restrictions, of securities of listed companies. These securities may principally be ordinary shares, preferred shares, convertible bonds and, to a lesser extent, warrants and options.

The investment universe is not limited to a precise geographic region.

In addition, the Compartment may also invest up to 10% of its net assets in UCIs.

Investments in debt instruments as defined by the European Directive 2003/48/EC will not exceed 15%.

The Compartment may also invest in structured products, such as bonds or other transferable securities whose returns are linked to the performance of an index, transferable securities or a basket of transferable securities, or an undertaking for collective investment, for example.

The Compartment may use derivative techniques and instruments for the purpose of efficient management within the limits defined in the investment restrictions.

3. Risk profile of the Compartment

The Compartment is subject to risks inherent in any investment, such as the following:

- risks specific to a given market
- variations in exchange rates
- variations in interest rates.

Invested capital may fluctuate downwards as well as upwards, and investors may not recuperate the entire value of the capital initially invested.

Investors should be aware that the acquisition of derivative instruments involves certain risks that could have a negative effect on the performance of the compartment. In addition, due to their volatility, warrants present an above-average economic risk.

For further information regarding the risks associated with the investment policy, please refer to the full prospectus.

Low risk Lower than average risk Average risk Higher than average risk High risk

4. Typical investor profile

The compartment is an investment vehicle for investors:

- who wish to invest in securities of companies worldwide active in the silviculture value chain;
- who are willing to bear significant variations in market value and thus have a low aversion to risk.
