14.38%, 2.76%; 15.53%, 11.19% and 16.71%, 15.69% were the Fund's Class A, Class I and Class S 1-year and since inception average annual total returns as of 31 Mar 2011, respectively.

For performance calculation purposes, securities are valued at the official NAV pricing time. Pricing sources may vary between the official NAV, the benchmark, and the sub-manager.

Fund shares are subject to investment risk, including possible loss of principal amount invested. Figures shown at NAV and include changes in principal value, reinvested dividends, and capital gain distributions. Investment return and principal value will vary, and shares may be worth more or less at redemption than at original purchase. Past performance cannot guarantee future results.

Please note that no management fees are charged to the "S" Class of Shares. Shareholders make fee arrangements directly with the investment manager. Performance is shown gross of such fees and investors should understand that returns would be reduced by such fees. Performance includes changes in principal value, reinvested dividends, and capital gain distributions. Past performance cannot guarantee future results. The "S" Class of Shares is available for an initial purchase of USD 10 million.

For availability of other share classes and their respective fees, expenses and performance, please refer to the Prospectus or contact the Fund's distributor.
