

UBS (Lux) Money Market Fund - EUR PREMIER-acc

Portrait

- The Fund is actively managed and only invests in diversified, high quality money market instruments with a first class rating that exhibit a solid ESG profile (environmental, social and governance).
- UBS Asset Management classifies this fund as a Sustainability Focus Fund, which promotes environmental and social characteristics in accordance with SFDR Article 8. The research and portfolio construction processes incorporate ESG risk integration and screening and comply with UBS Asset Management Sustainability exclusion policy. For more information on Sustainability at UBS, please refer to www.ubs.com/am-si-commitment.
- The weighted average maturity of the securities in the portfolio may not exceed 6 months, while the final maturity of any fixed interest rate investment may not exceed 1 year.
- Classified as 'Standard VNAV Money Market Fund' by the common European money market fund definition.
- Principal investment objective to generate long-term performance consistent with prevailing market indices for money market instruments denominated in the fund's currency. At times of high market volatility, the fund's performance may diverge significantly from that of the benchmark.
- The portfolio manager is not tied to the benchmark in terms of investment selection or weight.
- All investments are subject to market fluctuations. Every fund has specific risks, which can significantly increase under unusual market conditions. Please consult your client advisor for more information on the investment risks of this product.
