BRAZILIAN HARD CURRENCY BOND FUND USD

USD R class (LU0560843715)

a Sub-Fund of **Bradesco Global Funds**

This Sub-Fund is managed by Waystone Management Company (Lux) S.A.

OBJECTIVES AND INVESTMENT POLICY

Investment Objective

To obtain a superior return in the medium and long term by investing mainly in the Brazilian debt market.

To manage assets prudently and consistently in line with this sub-fund's objectives, investments will be made based on risk and interest yield curve analysis, as well as fundamental credit research on the corporate and public issuers.

The sub-Fund will promote the economic, environmental and social development to entities which operate across the entire value chain in various sectors. For the avoidance of doubt, the sub-fund is an ESG sub-fund within the meaning of Article 8 of the SFDR.

The Investment Manager will seek to achieve long-term total returns by investing in companies whose core business, in the opinion of the Investment Manager, aims to contribute social and/or environmental change alongside a financial return. This means that the Investment Manager will invest in companies that have a significant commitment and contribution to at least one sustainable development goal of the United Nations Principles for Responsible Investment sustainability goals, which can be found under the following website: <https://www.unpri.org/sustainability-issues/sustainable-development-goals>.

Investment Policy

The sub-fund will invest mainly in Brazilian government and corporate sector bonds. On an ancillary basis, the sub-fund will invest in fixed-income securities not related to the Brazilian debt market and cash or cash related instrument.

The sub-fund may also invest in ETFs, UCITs or other UCIs up to 10% of its assets.

The sub-fund is actively managed without reference to any benchmark.
