Class F Capitalization SEK Hedged

SKY HARBOR
GLOBAL FUNDS

Investment Objective

This is an active strategy that seeks to outperform the broad US high yield market over a full market cycle with less volatility through investing across the full maturity spectrum of the US below-investment-grade debt market. The Fund principally invests in a diversified portfolio of high yield debt securities issued by companies domiciled or listed in the US.

Benchmark

ICE BofA US High Yield Index (H0A0).

At least 2/3 of the Fund's debt security holdings will be components of the H0A0 Index, but the Investment Manager may use its discretion to invest in companies or sectors with different weights than the Index or are not included in the Index in order to take advantage of specific investment opportunities. 100% SEK Hedged
