Additional Information

- You generally buy and sell shares at the Fund's next-determined net asset value (NAV) after State Street Bank Luxembourg S.A., the Transfer Agent, receives your request in good order at or before 4:00 p.m. (Hong Kong time) on each day banks are open for business in Hong Kong (other than a Saturday or Sunday), being the dealing cut-off time. Requests may also be submitted to HSBC Institutional Trust Services (Asia) Limited (the "Representative") such that the Representative is given sufficient time to submit the requests to the Transfer Agent before the dealing cut-off time. Your Financial Intermediary may set earlier order cut-off times than that of the Fund.
- The Fund's NAV is calculated as of the close of regular trading of the New York Stock Exchange (NYSE) (normally 4:00 p.m. New York City time) and the price of shares published each day during which banks in Luxembourg are open for normal banking business and the NYSE is open for trading. The Fund's NAV is available at mfs.com and is published at least once a month (normally, daily) in the South China Morning Post and the Hong Kong Economic Journal.
- You may convert your shares, free of charge, into shares of another class of the same or another MFS Meridian Fund having the same fee structure, provided that conversions within the same Fund have the same currency denomination.
- You may obtain additional information and certain Fund documents from the Representative at: HSBC Institutional Trust Services (Asia) Limited, 1 Queen's Road Central, Hong Kong.
