Ongoing charge based on actual expenses for the year ending 30/09/2023. The cost of investing will impact your investment. The return will be reduced by the fees and expenses that may be incurred in managing the investment. Fees may have a compounding effect. Number of holdings represents physical holdings only.

Fund objective

The investment objective is to provide income and capital growth over the longer term by investing in equities globally. The fund will aim to deliver a yield higher than that generally available from investment in global equities.

Performance

The fund aims to deliver a yield around 130% of the MSCI ACWI index on a rolling 12 month basis and long term capital appreciation net of fees.

Performance for the individual share class is shown against the reference index as detailed in the key facts table.

Past performance does not predict future returns.

Risk factors

For Retail Investors. Capital is at risk.

This fund is a medium to long-term investment and your capital is at risk. Any investment objective, performance benchmark and yield information should not be considered as an assurance or guarantee of the performance of the fund or any part of it. An initial charge reduces the amount available for investment. Investors should be aware that funds denominated in a currency other than investors' home state currency are subject to currency fluctuations which may decrease returns. Please be aware that each fund presents its own risk profile. Material risks for this fund are: Liquidity; Other Markets, Foreign Exchange and Concentration. Please read the KIID for an explanation and refer to the prospectus for information about all relevant risks.

Past performance does not predict future returns. Outcomes, including the payment of income, are not guaranteed.

Yield Disclosure: All yields as at 31 October 2023. Yields may vary and are not guaranteed. "Yield" in this context is the Historic Yield which reflects distributions declared over the past twelve months as a percentage of the mid-market unit price, as at the date shown. It does not include any preliminary charge and investors may be subject to tax on their distributions.

This is a marketing communication. Please refer to the Prospectus of the UCITS and to the KIID before making any final investment decisions. The relevant documents can be found at aegonam.com. The principal risk of this product is the loss of capital.
