## Investment strategy

The fund's objective is to provide investors with exposure to the Asian continent through investments in companies operating predominantly in Asia excluding Japan. The fund aims at providing above-average returns with a lower-than-average volatility by implementing a bottom-up value approach investment methodology combined with a top-down macro-driven country allocation.

## Net performance in Euro

Past performances do not guarantee future results and are not constant over time. This performance does not take into account fees and expenses related to subscription and redemption of shares.
