Fidelity Funds - Emerging Markets Fund

a sub-fund of Fidelity Funds

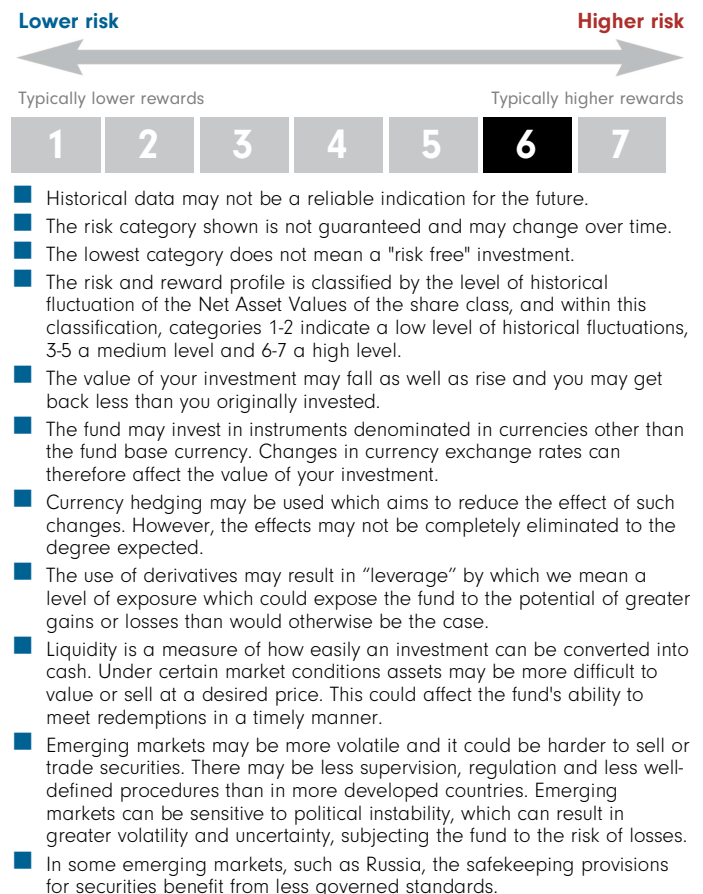

I-ACC-Euro (ISIN: LU0933613852)

This fund is managed by FIL Investment Management (Luxembourg) S.A.

Objectives and Investment Policy

- The fund aims to provide long-term capital growth with the level of income expected to be low.
- The fund will invest at least 70% in company shares in countries in areas experiencing rapid economic growth including Latin America, South East Asia, Africa, Eastern Europe (including Russia) and the Middle East. These regions include emerging markets.
- The fund will invest at least 50% of its net assets in securities that maintain sustainable characteristics. The fund promotes environmental and social characteristics pursuant to article 8 of the SFDR.
- The fund adheres to the firm-wide exclusion list (which includes cluster munitions and anti-personnel landmines) and also excludes issuers which fail to conduct their business in accordance with accepted international norms.
- The fund has the freedom to invest outside its principal geographies, market sectors, industries or asset classes.
- The fund will invest less than 30% directly and/or indirectly in onshore China A and B Shares on an aggregated basis.
- The fund may invest in assets directly or achieve exposure indirectly through other eligible means including derivatives. The fund can use derivatives with the aim of risk or cost reduction or to generate additional capital or income, including for investment purposes, in line with the fund's risk profile.
- The fund is actively managed. The Investment Manager will, when selecting investments for the fund and for the purposes of monitoring risk, reference MSCI Emerging Markets Index (Net) (the "Index"). The fund's performance can be assessed against its Index. The Investment Manager has a wide range of discretion relative to the Index. While the fund will hold assets that are components of the Index, it may also invest in companies, countries or sectors that are not included in, and that have different weightings from, the Index in order to take advantage of investment opportunities.
- Income earned by the fund is accumulated in the share price.
- Shares can usually be bought and sold each business day of the fund.
- The class may only be acquired by institutional investors.
