Ongoing charge based on actual expenses for the year ending 30/04/2023. The cost of investing will impact your investment. The return will be reduced by the fees and expenses that may be incurred in managing the investment. Fees may have a compounding effect. Number of holdings represents physical holdings only.

†Yield to worst is calculated at the portfolio level and reflects the most conservative annual yield measure on the current portfolio of bonds, assuming the issuers do not default on payments.

Fund objective

The investment objective is to generate positive absolute returns for investors over a rolling 3 year period, irrespective of market conditions, by investing in global debt instruments in any currency, ranging from AAA government bonds through to high yield and emerging market bonds. The fund may invest in all types of fixed and floating rate fixed income securities.

Performance

The fund aims to return SONIA GBP 3 Month +2-3% per annum net-of-fees over a rolling 3 year period.

Risk factors

For Retail Investors. Capital is at risk.

This fund is a medium to long-term investment and your capital is at risk. Any investment objective, performance benchmark and yield information should not be considered as an assurance or guarantee of the performance of the fund or any part of it. An initial charge reduces the amount available for investment. Investors should be aware that funds denominated in a currency other than investors' home state currency are subject to currency fluctuations which may decrease returns. Please be aware that each fund presents its own risk profile. Material risks for this fund are: Credit; Liquidity; Other Markets; Counterparty, Interest Rate and Derivatives. Please read the KIID for an explanation and refer to the prospectus for information about all relevant risks.

Past performance does not predict future returns. Outcomes, including the payment of income, are not guaranteed.

While the investment objective of absolute return funds is to achieve a positive return in all market conditions, this is not guaranteed in any way.

This is a marketing communication. Please refer to the Prospectus of the UCITS and to the KIID before making any final investment decisions. The relevant documents can be found at aegonam.com. The principal risk of this product is the loss of capital.
