Class C GBP Acc Series 2 (ISIN: IE00B95LV746)

OAKS Emerging and Frontier Opportunities Fund (the "Fund"), a sub-fund of OAKS Emerging Umbrella Fund plc (the "Company") The Company is managed by Bridge Fund Management Limited

OBJECTIVES AND INVESTMENT POLICY

Investment Objective: The investment objective of the Fund is to maximize total return by investing in a diversified portfolio of Global Frontier Securities and Global Emerging Securities.

Investment Policy: The Fund will invest primarily in both long and short positions in Global Frontier Equities and Global Emerging Equities which are listed or traded on Recognised Exchange and financial derivative instruments the underlying securities of which will be based on Global Frontier Securities and Global Emerging Securities and/or indices relating to the Global Frontier Securities and Global Emerging Securities, as further described in the applicable prospectus supplement.

The Fund may invest in Global Frontier Debt and Global Emerging Debt. Such debt investments will be listed on a Recognised Exchange or be eligible for settlement through either Clearstream or Euroclear. Such investments shall not exceed 15% of the Net Asset Value of the Fund.

The Fund will use financial derivative instruments to gain any short exposure to equity securities and/or indices but it may also use financial derivative instruments to take long exposure to equity securities and/or indices.

The Fund may, at any one time, be significantly invested in financial derivative instruments and liquid assets, which may result in the Fund being leveraged.

The Fund will not have a specific industrial focus. For the avoidance of doubt in relation to securities listed/traded in Russia, investment will only be made in securities that are

RISK AND REWARD PROFILE

Lower Ris	k		Higher Risk				
Typically Lower Rewards					Typically Higher Rewards		
1	2	3	4	5	6	7	

These numbers rate how the Fund may perform. Generally the potential for higher gains also mean a larger risk of losses.

The lowest category does not mean a risk free investment. Historical data, such as is used for calculating this indicator, may not be a reliable indication of the future risk profile of this Fund.

The risk and reward category for this Fund is not guaranteed to remain unchanged, and may shift over time.

This Fund is ranked at 5 because funds of this type have experienced medium to high rises and falls in value in the past.

Risks materially relevant to the Fund which are not adequately captured by the indicator:

Emerging and Frontier Markets Risk: The securities markets in Emerging and Frontier Market countries are typically smaller, less liquid and significantly more volatile than securities markets in developed countries and may be subject to additional risks including political, economic, legal, currency, inflation and taxation risks.

Liquidity Risk: Lower liquidity means there may be insufficient buyers or sellers to allow the Fund to sell or buy investments readily.

listed/traded on the Moscow Exchange. The Fund may invest up to 30% of its Net Asset Value in securities listed/traded in Russia.

The total gross long position is not expected to exceed 200% of the Net Asset Value of the Fund and the total gross short position is not expected to exceed 100% of the Net Asset Value of the Fund.

The Fund is actively managed without reference to any benchmark meaning that the Investment Manager has full discretion over the composition of the Fund's portfolio, subject to the stated investment objectives and policies.

The base currency of the Fund is Euro.

Recommendation: this Fund may not be appropriate for investors who plan to withdraw their money other than within the medium to long term.

This Class reinvests and does not intend to distribute any income arising from the investments that it holds.

The share class does not pay any distributions or other periodic compensation during its lifetime.

You may redeem your Shares in the Fund on any Wednesday on which banks in Dublin, London and New York are open for business.

Sub-Custodial Risk: The assets of funds traded in emerging markets may require the depositary to entrust safekeeping to sub-custodians which may not provide the same degree of investor protection.

Taxation Risk: The laws and practices of certain Emerging and Frontiers countries may not be as well established as those of developed countries and the Company could become subject to taxation laws applied retrospectively and not envisaged at the date investments are made, valued or sold.

Credit Risk: This refers to the likelihood of the Fund losing money if an issuer is unable to meet its financial obligations or goes bankrupt.

Share Currency Designation Risk: Changes in the value of the base currency of the Fund relative to the denominated currency of a share class may give rise to a risk for investors.

Counterparty Risk: The Fund may invest in derivative contracts and may find itself exposed to risk arising from the solvency of its counterparts and from their ability to respect the conditions of these contracts.

Derivatives Risk: Derivatives are highly sensitive to changes in the value of the assets they are based on. The impact on the Fund is greater where derivatives are used in an extensive way. The use of derivatives may result in the Fund being leveraged whereby the exposure of the Fund as a result of all positions held by it may exceed its net asset value and may result in gains or losses that are greater than the original amount invested
