NS BALANCED

A Sub-Fund of Diversified Growth Company (abbreviated as D.G.C.). (the "Fund")

Share Class: A CHF - ISIN: LU0953299855

The Management Company of the Fund is NS Partners Europe SA

Objectives and Investment Policy

Objectives

- The investment objective of the Sub-Fund is to achieve an increase in the value of long-term investments while controlling their volatility, by building a global balanced portfolio.

Investment policy

- To achieve this objective, the Sub-Fund will invest directly and indirectly through targeted UCITS ("Target Funds") in equity and bonds markets. Over 3 year periods, the Sub-Fund is expected to have an average exposure to the world equity markets of around 50%.
- Investments in fixed income securities will not exceed the limit of 65% of the net assets of the Sub-Fund. Up to 20% of the net assets of the Sub-Fund can be invested in bonds which are not rated investment grade (BBB-Standard & Poor's or equivalent). Investments will be made in both bond securities (mainly for investment grade bonds) and fixed-income bond funds (mainly for high yield, emerging market fixed-income, subordinated bond, and convertible).
- The Sub-Fund may also invest indirectly up to 100% of its net assets in the above-mentioned type of assets through Target Funds. The Target Funds will mainly consist of funds domiciled in the European Union and whose management fee shall not exceed 3% of their respective net asset values.
- Investments can be made globally, including in emerging markets.
- On an ancillary basis, the Sub-Fund may also invest in cash, deposits with credit institutions, as well as money market instruments, traded regularly and with a residual maturity not exceeding 12 months, including deposit certificates and treasury bills.
- The Sub-Fund may also invest in structured financial instruments such as, but not limited to, credit linked notes, certificates, bonds or any other transferrable securities whose performance is linked, amongst others, to an index that meets the requirements of Article 9 of the Grand Ducal Regulation dated February 8, 2008 (including indices on raw materials, precious metals and volatility), currencies, interest rates, transferable securities, a basket of transferable securities that is sufficiently diversified or a UCI.
- Derivatives may be used to a limited extent if there are significant subscriptions or if the Investment Manager would like to hedge the portfolio. In such cases, the Sub-Fund may use derivatives with a commitment exposure of approximately 20%

and in any case no more than 100% according to Article 42 (3) of the Investment Fund Law.

- For hedging purposes, investment purposes as well as for gaining exposure to certain asset classes, the Sub-Fund may use any type of derivative financial instruments traded on a regulated market and / or traded over-the-counter (OTC) including CDS, provided they are contracted with first class financial institutions specialized in this type of operation.
- The Sub-Fund is actively managed with no reference to a benchmark.

Risk and Reward Profile

The above indicator shows the risk and reward characteristics of the Sub-Fund based on the Sub-Fund's historical performance over the last 5 years. Where a 5-year performance history is not available, the history has been simulated on the basis of an appropriate benchmark index.

The indicator above is based on historical data and thus may not be a reliable indication for the future.

The indicated risk category is not guaranteed and may change over time.

The indicator helps investors have a better understanding of the potential gains and losses of the Sub-Fund. Even the lowest category does not mean a risk-free investment.

The Sub-Fund is classified in the category indicated above due to the fluctuations of its simulated past performance.

Other risks not captured by the risk indicator:

- Concentration Risk:** To the extent that the Sub-Fund's investments are concentrated in a particular company, the Sub-Fund may be susceptible to losses due to adverse occurrences affecting that company.
- Counterparty Risk:** The Sub-Fund may realise losses should a counterparty fail to meet its contractual obligation, especially in the case of derivatives traded Over-The-Counter (OTC).
- Credit Risk:** The risk that the borrower or a counterparty may fail to repay or otherwise withstand contractual obligations to the Sub-Fund.
- Liquidity Risk:** The Sub-Fund is invested in markets that may be affected by a decrease of liquidity. Such market conditions would impact the prices at which the Fund Manager opens and closes positions.
- Operational Risk:** The Sub-Fund is exposed to operational risks whereby losses can occur as a result of inadequate or failed internal processes and systems, human factors or external events.

For full disclosure of risks, please refer to the Prospectus.

Charges

The charges are used to pay costs of running and managing the Fund, including marketing and distribution costs. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest

Entry charge	3.00%
Exit charge	None
This is the maximum that might be taken out of your money before it is invested or before the proceeds of your investment are paid out.	

Charges taken from the Sub-Fund over a year

Ongoing charges	1.50%
Performance fee*	5.00%
Performance fee charged in the last year	0.35%

The ongoing charges figure is based on the last year's expenses, for the year ending December 2021. It includes almost all costs of dealing in the Sub-Fund's underlying investments. The Fund's annual report for each financial year will include details on the exact charges made. This figure may vary from year to year. In some cases you might pay less - you can find this out from your financial advisor.

For more information about charges, please refer to the Prospectus.

*The Sub-Fund will pay the Investment Manager a performance fee. The performance fee is based on the High watermark ("HWM") principle. The HWM is assessed on the NAV of the last business day ("Valuation Point") of the calendar year ("Calculation Period"). The first Calculation Period begins on the first day following the closing of the initial subscription period and ends on the following Valuation Point. The HWM used for the purpose of the Performance fee calculation corresponds to the highest NAV of any previous Valuation Point. The Performance fee is accrued at each NAV calculation and paid to the Investment Manager within 25 days following the end of each Calculation Period. In case of redemptions requested during a Calculation Period, the corresponding Performance Fee will be crystallized and paid at the end of the relevant Calculation Period.

Past Performance

The chart shows the Share Class' annual performance for each full calendar year since launch on 24/07/2013, it is expressed as a percentage change of the Share Class' net asset value at each year-end.

Performance is shown after deduction of ongoing charges. Any indication of past performance is not a reliable indicator of future performance.

The currency of this share class is CHF.
