The Investment Manager may also be appointed as a distributor of the Shares with the power to appoint sales agents.

The Company may issue up to five hundred billion shares of no par value. The maximum issued Share capital of the Company shall be 500 billion shares of no par value and the minimum issued Share capital of the Company shall be US\$2 represented by two Subscriber Shares of no par value issued for US\$1 each.
- (c) The Directors are hereby generally and unconditionally authorised to exercise all the powers of the Company to issue Shares in the Company provided that the total

amount of issued Share capital does not exceed the maximum issued Share capital set out in Article 4(b) above.

- (d) The Subscriber Shares shall not participate in the dividends or assets of any Fund.
- (e) Shares may be issued with such voting rights and rights to participate in the dividends and assets of a Fund or of the Company as the Directors from time to time may determine and set forth in the Prospectus.
- (f) The Company is an umbrella fund with segregated liability between its Funds and each Fund may be comprised of one or more tranches of Shares.
- (g) With the prior approval of the Central Bank, the Directors from time to time may establish a Fund by the issue of one or more separate tranches of Shares on such terms as the Directors may resolve. Where (i) tranches denominated in different currencies are created within a Fund and currency hedging transactions are entered into in order to hedge any relevant currency exposure; (ii) interest rate hedging transactions are entered into in respect of specific tranches within a Fund; or (iii) any financial derivative instruments are utilised in behalf of specific tranches within a Fund in accordance with the requirements of the Central Bank, in each case such transactions will be clearly attributable to a specific tranche and any costs and any resultant gains/losses of the relevant hedging transactions and/or financial derivative instruments will accrue solely to the relevant tranche. The Directors may also create a tranche of Shares in a Fund which will not participate in “new issues” offerings as such term is defined under Financial Industry Regulatory Authority (“FINRA”) Rule 5130, as amended, supplemented and interpreted from time to time (“FINRA Rule 5130”). The creation of new Share tranches must be notified to the Central Bank in advance.
- (h) In accordance with requirements of the Central Bank, the Directors may from time to time determine to provide Members in certain tranches of Shares with preferential treatment (including but not limited to information disclosed to such Members and redemption, dealing or transfer terms for such tranches of Shares). Any preferential treatment will be set out in the Prospectus (so as to ensure the fair treatment of all Members) which shall describe any instance where a Share tranche receives preferential treatment, a description of that preferential treatment and the types of Members who will be permitted to subscribe for such tranches of Shares and, where relevant, their legal or economic links to the Company (or its AIFM).
- (i) The Directors are hereby authorised from time to time to re-designate any existing tranche of Shares in the Company and merge such tranche of Shares with any other tranche of Shares in the Company, provided that Members in such tranche or tranches are first notified by the Company and given the opportunity to have the Shares repurchased. With the prior consent of the Directors, Members may convert Shares in one tranche of Shares into Shares of another tranche in the Company in accordance with the provisions of Article 7 hereof.
- (j) For the purpose of enabling Shares of one tranche to be re-designated or converted into Shares of another tranche, the Company may take such action as may be necessary to vary or abrogate the rights attached to Shares of one tranche to be converted so that such rights are replaced by the rights attached to the other tranche into which the Shares of the original tranche are to be converted.
- (k) Any outstanding series of Shares of a Fund may, in the discretion of the Directors, be redesignated and converted (after the payment or accrual of all applicable fees and expenses) into Shares of another series of the same Fund at the prevailing Net Asset Value per Share of such other series.
- (l) All consideration received by the Company for the allotment or issue of Shares of each issue, together with all Investments in which such consideration is invested or reinvested, all income, earnings, profits and proceeds thereof shall be segregated and

kept separate in the accounts of the Depository from all other moneys of the Company and such assets and moneys shall be referred to as a "Fund", there being one such Fund in respect of each issue to which the following provisions shall apply:

- (i) The Company shall keep separate books of account for each issue. The proceeds from the issue of Shares of each issue shall be applied to the Fund established for that issue and the assets and liabilities and income and expenditure attributable thereto shall be applied to such Fund subject to the provisions of this Article;
- (ii) Any asset derived from another asset comprised in a Fund shall be applied to the same Fund as the asset from which it was derived and any increase or diminution in the value of such an asset shall be applied to the relevant Fund;
- (iii) In the case of any asset which the Directors do not consider as readily attributable to a particular Fund or Funds, the Directors shall have discretion to determine the basis upon which any such asset shall be allocated between Funds and the Directors shall have the power at any time and from time to time to vary such basis;
- (iv) Each Fund shall be charged with the liabilities, expenses, costs, charges or reserves of the Company in respect of or attributable to that Fund and any such liabilities, expenses, costs, charges or reserves of the Company not readily attributable to any particular Fund or Funds shall be allocated and charged by the Directors in such manner and on such basis as the Directors in their discretion deem fair and equitable, and the Directors shall have the power to and may at any time and from time to time vary such basis;
- (v) If, as a result of a creditor proceeding against certain of the assets of the Company or otherwise, a liability, expense, cost, charge or reserve would be borne in a different manner from that in which it has been borne under paragraph (iv) above, or in any similar circumstances, the Directors may, with the consent of the Depository, transfer in the books and records of the Company any assets to and from any of the Funds;
- (vi) Subject as otherwise in these Articles provided, the assets held in each Fund shall be applied solely in respect of the Participating Shares of the issue to which such Fund appertains and shall belong exclusively to the relevant issue and shall not be used to discharge directly or indirectly the liabilities of or claims against any other Fund and shall not be available for any such purpose.

- (a) A Member shall have his title to Shares evidenced by having his name, address and the number of Shares held by him entered in the Register which shall be maintained in the manner required by law, provided that no person holding less than the Minimum Subscription shall be entered on the Register as a Member. No person shall be registered as a member of the Company unless such person shall have certified that he is a Qualifying Investor (or a Knowledgeable Investor) and that he is aware of the risks involved in the proposed investment and of the fact that inherent in such is the potential to lose all of the sum invested.

authorised signatory of the Depository (whose signature may be reproduced mechanically).

- (c) If a Share certificate shall be damaged or defaced or alleged to have been lost, stolen or destroyed, a new Share certificate representing the same Shares may be issued to the Member upon request subject to delivery up of the old Share certificate or (if alleged to have been lost, stolen or destroyed) on compliance with such conditions as to evidence and indemnity and the payment of exceptional out-of-pocket expenses of the Company in connection with the request as the Directors may think fit.
- (d) The Register may be kept on magnetic tape or in accordance with some other mechanical or electrical system provided legible evidence can be produced therefrom to satisfy the requirements of applicable law and of these Articles.
- (e) The Directors shall cause to be entered in the Register in addition to the particulars required to be so entered by the law the following particulars
  - (i) the name and address of each Member (save that in the case of joint holders, the address of the first named holder only need be entered), a statement of the Shares of each tranche held by him and of the amount paid or agreed to be considered as paid on such Shares;
  - (ii) the date on which each person was entered in the Register as a Member, and

- (h) The Company may close the Register for any time or times not exceeding, in the whole, thirty days in each year.

In the case of a Share held jointly by several persons, the Directors shall not be bound to issue therefor more than one confirmation of ownership or Share certificate, and the issue of a confirmation of ownership, or Share certificate for a Share to the first named of several joint holders shall be sufficient delivery to all.
- (j) Where two or more persons are registered as the holders of any Shares they shall be deemed to hold the same as joint tenants, subject to the provisions following:
  - (i) the joint holders of any Shares shall be liable, severally, as well as jointly, in respect of all payments which ought to be made in respect of such Shares;
  - (ii) any one of such joint holders may give effectual receipts for any dividend, bonus or return of capital payable to such joint holders;
  - (iii) only the first-named of the joint holders of a Share shall be entitled to delivery of the Share certificate relating to such Share or to receive notices from the Company to attend general meetings of the Company. Any Share certificate delivered to the first-named of joint holders shall be effective delivery to all, and any notice given to the first-named of joint holders shall be deemed notice given to all the joint holders;

- (iv) the vote of the first-named of joint holders who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders; and
- (v) for the purpose of the provisions of this Article, the first-named shall be determined by the order in which the names of the joint holders stand in the Register.

## 6 DEALING DAYS

Subject as hereinafter provided, all issues and repurchases of Shares shall be effected or made with effect from a Dealing Day provided that the Company may provisionally allot Shares on a Dealing Day on the basis that the Shares shall be issued on receipt of cleared subscription monies and in the event that the Company does not receive the cleared subscription monies in respect of such allotment within the period specified in the Prospectus, or within such other period as may be determined by the Directors, such provisional allotment may be cancelled.

## 7 ISSUE OF SHARES AND CONVERSION OF SHARES

  - (ii) such declarations as to the applicant's status, residence and otherwise as the Company from time to time may require; and
  - (iii) payment for the Shares within the usual time limits in such manner as the Company from time to time may specify, provided that if the Company receives payment for the Shares in a currency other than the Tranche Currency for such Shares, the Company shall convert or arrange for the conversion of the monies received into the Tranche Currency and shall be entitled to deduct therefrom all expenses incurred in the conversion;

may issue or allot Shares in any tranche at the Net Asset Value then obtaining for each Share in such series or tranche (or, at the discretion of the Company in the case of (iii) above at the Net Asset Value for each Share in such series or tranche on the Dealing Day immediately following the conversion of the monies received into the Tranche Currency) or at such other price as may be disclosed in the Prospectus from time to time.

- (b) The Company shall be entitled to receive securities or other Investments from an applicant for Shares in any series or tranche and to sell, dispose of or otherwise convert such securities or Investments into cash and to apply such cash (net of any expenses incurred in the conversion) for the purchase of Shares in the Company in accordance with the provisions hereof.
- (c) No issue shall be made in respect of an application which would result in the applicant investing less than the Minimum Subscription or in the Shares being held by a person who is not a Qualifying Investor or a Knowledgeable Investor (save in both cases in respect of the holder(s) of the Subscriber Shares).
- (d) The Directors shall be entitled to issue Fractional Shares in any series or tranche where the subscription monies received by the Company are insufficient to purchase an integral number of Shares in that series or tranche.

- (e) The Directors may delegate to the Administrator or to any duly authorised Officer or other person, the duties of accepting the subscription for, receiving payment for and allotting or issuing new Shares.
- (f) The Directors in their absolute discretion may refuse to accept any application for Shares in the Company or any application to convert Shares in any tranche to Shares in another tranche or may accept any such application in whole or in part.
- (g) No person shall be recognised by the Company as holding any Shares on trust and the Company shall not be bound by or recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Shares or (except only as otherwise provided herein or as by law may be required) any other right in respect of any Share, except an absolute right of title thereto in the registered holder.
- (h) If at any time the Directors determine, in their sole discretion, that an incorrect number of Shares was issued to a Member pursuant to this Article 7 because the Net Asset Value in effect on the Dealing Day was incorrect, the Directors may implement such arrangements as they determine, in their sole discretion, are required for an equitable treatment of such Member, which arrangements may include redeeming a portion of such Member's shareholding for no additional consideration or issuing new Shares to such Member for no consideration, as appropriate, so that the number of Shares held by such Member following such redemption or issuance, as the case may be, is the number of Shares as would have been issued at the correct Net Asset Value.
- (i) Subject as hereinafter provided, a holder of Shares of any tranche (the "Original Shares") may, with the prior consent of the Directors, from time to time convert all or any portion of such Shares ("Conversion") having such minimum value at the time of Conversion as may be determined by the Directors from time to time into Shares of another tranche (the "New Shares") either existing or agreed to be brought into existence on such terms as are disclosed in the Prospectus. Any Original Shares of a Fund may also, in the discretion of the Directors, be converted into New Shares of the same Fund at the prevailing Net Asset Value per Share of such other New Shares in circumstances set out in the Prospectus.

## 8 PRICE PER SHARE

- (a) The Initial Offer Price per Share at which the Shares of any tranche shall be allocated or issued and the Commission payable on the Initial Offer Price and the Initial Offer Period in relation to any Fund shall be determined by the Directors.
- (b) The price per Share for any series or tranche of Shares on any Dealing Day following the Initial Offer Period shall be the Net Asset Value per Share in such tranche applicable in the case of issues of Shares in such series or tranche as determined in accordance with Articles 12 and 13 or such other price as may be determined by the Directors and disclosed in the Prospectus from time to time.
- (c) The Directors may require an applicant for Shares to pay to the Company in addition to the price per Share such Commission and Duties and Charges in respect of the Shares as the Directors from time to time may determine.
- (d) Notwithstanding any other provision of these Articles, in calculating the price per Share for any series or tranche of Shares on any Dealing Day when there are net subscriptions the Directors, or their delegate, may adjust the subscription price by adding an anti dilution levy to cover dealing costs and to preserve the value of the underlying assets of the relevant Fund.
- (e) Subject to the provisions of the Act and applicable law, the Directors on or with effect from any Dealing Day may issue Shares in any tranche on terms providing for settlement to be made by the vesting in the Depositary, on behalf of the Company of

any Investments for the time being held or which may be held hereunder and in connection therewith the following provisions shall apply:

- (i) the assets to be transferred in to the Fund must qualify as investments of the Fund in accordance with the investment objectives, policies and restrictions which are set out in the Prospectus;
  - (ii) the Directors shall be satisfied that the terms of any such exchange shall not be such as are likely to result in any material prejudice to the Members;
  - (iii) the number of Shares to be issued shall be not more than the number which would have been issued for settlement in cash as hereinbefore provided on the basis that the amount of such cash was an amount equal to the value of the Investments to be so vested in the Company as determined by the Directors on the relevant Dealing Day;
  - (iv) no Shares shall be issued until the Investments shall have been vested in, or arrangements have been made to vest the Investments in, the Depositary, or its sub-custodian, nominee or agent and the Depositary, is satisfied that there is unlikely to be any prejudice to the Members of the relevant Fund; and
  - (v) any Duties and Charges arising in connection with the vesting of such Investments in the Company shall be paid by the person to whom the Shares are to be issued, or by the relevant Fund.
- (f) No Shares shall be issued on any Dealing Day on which the determination of the Net Asset Value of such Shares is suspended pursuant to Article 12 hereof.
- (g) Notwithstanding any other provision of these Articles in calculating the price per Share on any Dealing Day in respect of any tranche in respect of which it has been determined to charge a Performance Fee, the Directors may from time to time, and in their sole discretion, determine that the Company shall apply a Performance Fee equalisation formula and will disclose details of such intention in the Prospectus. In such circumstances, the price per Share of the relevant Shares will be deemed to include an equalisation amount which will represent a portion the accrued Performance Fee of the relevant tranche up to the date of the subscription.
- (h) All information required under the AIFM Regulations, if same are applicable to the Company, as specified in the Prospectus will be made available to prospective investors prior to subscriptions being accepted.

## 9 QUALIFIED HOLDERS

- (a) No Shares (other than the Subscriber Shares which may be issued to persons who are not Qualifying Investors or Knowledgeable Investors) shall be allotted or issued to or transferred to or be beneficially owned by any U.S. Person (subject to the discretion of the Directors), or a person who is not a Qualifying Investor or a Knowledgeable Investor. The Company may refuse to register any transfer of Shares to a US Person, or a person who is not a Qualifying Investor or a Knowledgeable Investor. Each subscriber for Shares of the Company shall be required to certify that he is a Qualifying Investor or Knowledgeable Investor and that he is not, nor is he acquiring such Shares on behalf of, or for the benefit of, a U.S. Person (subject to the discretion of the Directors), or a person who is not a Qualifying Investor or Knowledgeable Investor and that such subscriber will not sell or offer to sell or transfer, hypothecate or otherwise assign such Shares in the U.S. or to, or for the benefit of, a U.S. Person (subject to the discretion of the Directors), or a person who is not a Qualifying Investor or Knowledgeable Investor. No issue or transfer of Shares shall be recorded on the Register unless:

- (i) the subscriber or the transferor, as the case may be, shall certify to the Company that such acquisition or transfer is not being made directly or indirectly by or to a U.S. Person (subject to the discretion of the Directors) or a person who is not a Qualifying Investor or a Knowledgeable Investor;
  - (ii) the subscriber or transferee, as the case may be, shall certify to the Company that it is not, nor is it acquiring such Shares on behalf of, or for the benefit of, a U.S. Person (subject to the discretion of the Directors), or a person who is not a Qualifying Investor or a Knowledgeable Investor; and
  - (iii) the subscriber or transferee, as the case may be, shall provide the Company with such declarations as to tax residence or ordinary tax residence as may be requested by the Company from time to time whether in respect of the subscriber or transferee, as appropriate, (or of the proposed beneficial owner where the subscriber or transferee is acting as an intermediary).
- (b) To be entered on the Register an investor must subscribe for or acquire Shares by transfer to the value of not less than the Minimum Subscription amount as set out in the Rules relating to funds marketing solely to Qualifying Investors and certify that he is a Qualifying Investor, unless the investor has certified that he/she/it is a Knowledgeable Investor, that they are aware that the Fund is normally marketed to Qualifying Investors who meet a high net worth test and are subject to a minimum subscription of €100,000, or such other amount as the Central Bank may determine from time to time, that he/she/it is aware of the risk involved in the proposed investment and of the fact that inherent in such investment is the potential to lose all of the sum involved.
- (c) The Directors shall have power (but shall not be under any duty) to impose such restrictions (other than a restriction on transfer which is not expressly referred to in these Articles) as they may think necessary for the purpose of ensuring that no Shares in the Company are acquired or held by any person as described in Article 9(a) or (f).
- (d) The Directors may upon an application for Shares or on a transfer or transmission of Shares or at any other time and from time to time require such evidence or declarations to be furnished to them in connection with the matters stated in Articles 9(a) and (f) as they shall in their discretion deem sufficient.
- (e) If a person becomes aware that he is holding or owning Shares in contravention of Article 9 he shall forthwith in writing request the Company to repurchase such Shares in accordance with Article 10 or shall transfer such Shares to a person duly qualified to hold the same unless he has already received a notice under Article 9(g).
- (f) If it shall come to the notice of the Directors or if the Directors shall have reason to believe that any Shares are owned directly or beneficially by:
- (i) any person in breach of any law or requirement of any country or governmental authority or by virtue of which such person is not qualified to hold such Shares; or
  - (ii) any person who is, or has acquired such Shares on behalf of or for the benefit of, a U.S. Person (subject to the discretion of the Directors) or a person who is not a Qualifying Investor or a Knowledgeable Investor; or
  - (iii) any person or persons in circumstances which, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons whether connected or not, or any other circumstances appearing to the Directors to be relevant) in the opinion of the Directors might result in the Company or any Member incurring any liability to taxation or suffering regulatory, pecuniary or material administrative

disadvantage which the Company or such Member might not otherwise have incurred or suffered; or

- (iv) any person who does not supply any of the information or declarations required hereunder within seven (7) days of a request to do so being sent by the Directors; or
- (v) any person who holds Shares with a value which is less than the Minimum Subscription (save where such investor is a Knowledgeable Investor);

the Directors shall be entitled to give notice (in such form as the Directors deem appropriate) to such person or persons requiring him or them to transfer such Shares to a person who is qualified or entitled to own the same or to request in writing the repurchase of such Shares in accordance with Article 10 or (in the case of (f) only) to purchase additional Shares in order to meet the Minimum Subscription requirement within thirty (30) days.

- (g) If any person upon whom such a notice is served as aforesaid does not within 30 days of the date of such notice (or such lesser period as may be specified in the Prospectus) transfer such Shares or request in writing the Company to repurchase the Shares he shall be deemed forthwith upon the expiration of 30 days (or such lesser period as may be specified in the Prospectus) to have so requested the repurchase of all of his Shares which are the subject of such notice whereupon he shall be bound to deliver the confirmation of ownership in respect of the Shares to the Company forthwith and the Directors shall be entitled to appoint any person to execute such documents as may be required for the purposes of the repurchase. The deemed request to repurchase the Shares may not be withdrawn notwithstanding that the determination of the Net Asset Value for such Shares may have been suspended.
- (h) Subject to any requisite official consents first having been obtained, settlement shall be effected by depositing the repurchase monies or proceeds of sale in a bank for payment to the person entitled upon such consents being obtained and, if relevant, against production of such evidence of ownership as the Directors may require representing the Shares previously held by such person, together with the repurchase request duly signed. Upon deposit of such repurchase monies as aforesaid such person shall have no further interest in such Shares or any of them or any claim in respect thereof except the right to claim without recourse to the Company the repurchase monies so deposited (without interest) upon such consents being obtained and against the production of the said evidence of ownership with the repurchase request duly signed.
- (i) The Directors may resolve that the provisions of the foregoing Article 9 shall be disapplied, in whole or in part, for a defined period or otherwise, in the case of U.S. Persons.

## 10 REPURCHASE OF SHARES

- (a) The Company may repurchase its own outstanding fully paid Shares at any time in accordance with the rules and procedures set out herein, and in the Prospectus. A Member may at any time irrevocably request the Company to repurchase all or any part of his Shares in the Company by forwarding a request for repurchase of Shares to the Company and, save as otherwise provided in the Prospectus, a repurchase request shall be effective on the Dealing Day following receipt of the repurchase request.
- (b) A request for repurchase of Shares shall be in such form as the Company shall prescribe, shall be irrevocable (without the consent of the Company) and shall be filed by a Member in written form at the registered office of the Company, or at the office of the person or entity from time to time designated by the Company as its agent for the repurchase of Shares, and, at the request of the Company shall be accompanied by

the Share certificate or bearer certificate (duly endorsed by the Member), if applicable, or by proper evidence of succession or assignment satisfactory to the Company, if applicable.

- (c) On receipt of a request for repurchase of Shares duly completed the Company shall repurchase the Shares as requested on the Dealing Day on which the repurchase request is effective subject to any suspension of this repurchase obligation pursuant to Article 12 hereof. Shares in the capital of the Company which are repurchased by the Company shall be cancelled. For the avoidance of doubt, Shares held by one Fund in another Fund shall not be cancelled.
- (d) The repurchase price per Share in any tranche or series of Shares shall be the Net Asset Value per Share in that tranche or series applicable in the case of a repurchase of such Share obtained on the Dealing Day on which the repurchase request is effective, less such Commission and Duties and Charges as may be set out in the Prospectus provided that such Commission shall not exceed 5% of the Net Asset Value of the Shares subject to repurchase.
- (e) Notwithstanding any other provision of these Articles, in calculating the repurchase price per Share for any series or tranche of Shares on any Dealing Day when there are net redemptions the Directors, or their delegate, may adjust the repurchase price by deducting an anti dilution levy to cover dealing costs and to preserve the value of the underlying assets of the relevant Fund.
- (f) Payment to a Member under this Article will ordinarily be made in the relevant Tranche Currency, or at the discretion of the Directors in any other freely convertible currency at the rate of exchange for conversion on the date of payment and shall be despatched no later than ninety days following acceptance of the repurchase request as provided for in Article 10(a) above, except in the case of a limited liquidity fund, where payment shall be made in accordance with the time limits set out in the Prospectus.
- (g) On repurchase of part only of the Shares held by any Member, the Directors shall procure that a revised Share certificate, bearer certificate or other evidence of ownership shall be issued free of charge for the balance of such Shares.
- (h) In the event that a repurchase of part only of a Member's holding of Shares leaves the Member holding less than the Minimum Subscription the Directors may, if they think fit, require that the Company repurchase the whole of that Member's holding.
- (i) If the Company receives requests for the repurchase of Shares in respect of ten per cent (or 25 per cent in the case of a Fund with quarterly or less frequent redemption facilities, or such other amount in respect of a limited liquidity Fund as the Directors may determine) or more of the outstanding Shares of any Fund on any Dealing Day, the Directors may elect to restrict the total number of Shares of that Fund to be repurchased to ten per cent (or such other amount, as appropriate) of the outstanding Shares in that Fund, in which case all the relevant requests will be scaled down pro rata to the number of Shares requested to be repurchased. The balance of such Shares will be repurchased on the next Dealing Day, subject to the provisions of this Article 10(h), and such Shares shall be repurchased in priority or rateably (as determined by the Directors and disclosed in the relevant supplement to the Prospectus) to any Shares to be repurchased on that Dealing Day.
- (j) A distribution in respect of a redemption may also be made in kind, at the discretion of the Directors, after consultation with the Investment Manager, provided that where the redemption request represents less than 5 per cent of the Net Asset Value of a Fund, the redemption in kind will only be made with the consent of the redeeming Member. The assets to be transferred shall be selected at the discretion of the Directors with the approval of the Depositary and taken at their value used in determining the redemption price of the Shares being so repurchased. As a result, such distributions

will only be made if the Directors and the Depositary consider that they will not materially prejudice the interests of the Members of the relevant Fund as a whole and the Depositary is satisfied that the assets distributed are equivalent to the amount of the distribution declared. Members will bear any risks of the distributed securities and may be required to pay a brokerage commission or other costs in order to dispose of such securities. If a Member so requests, the Investment Manager shall sell the assets to be distributed to that Member and distribute the cash proceeds to the Member.

- (k) At any time after the issue of Shares the Company shall be entitled to repurchase the Subscriber Shares or to procure the transfer of the Subscriber Shares to any person who may be a qualified holder of Shares in accordance with Article 9 hereof.
- (l) In the event that the Company is required to account for, deduct or withhold tax on a disposal of Shares by a Member (whether upon a repurchase of Shares, a transfer of Shares or otherwise) or upon payment of a distribution to a Member (whether in cash or otherwise), the Directors shall be entitled to require the compulsory repurchase and cancellation of all or part of the Shares of such Member for the purposes of obtaining sufficient monies to discharge any such tax liability. The Directors shall instruct the Depositary to place the repurchase proceeds received in respect of such a repurchase of Shares in a separate account so that such monies are separately identifiable for the purposes of discharging any applicable tax liability as aforesaid.
- (m) The Company may also compulsorily redeem Shares in order to discharge performance related fees which are due and payable to the Investment Manager, in such circumstances as are set out in the Prospectus from time to time.
- (n) Where the Company receives a request for the repurchase of Shares from any Member in respect of which the Company is required to account for, deduct or withhold taxation, the Company shall be entitled to deduct from the proceeds of repurchase such amount of taxation as the Company is required to account for, deduct or withhold and shall arrange to discharge the amount of taxation due.
- (o) The Company may repurchase or require the transfer of any Shares which are or become owned, directly or indirectly, by an Irish Resident, or by a US Person or other person if the holding of the Shares by such Irish Resident, US Person or where, in the opinion of the Directors, the holding of such Shares may result in regulatory, pecuniary, taxation or material administrative disadvantage to the relevant Fund or Members as a whole. The Company may also, in its sole discretion, redeem some or all of the Shares of a Member where the Member has failed to pay subscription monies by the due date and may apply the redemption proceeds in satisfaction of the Member's liabilities to the Company or a Fund, the applicable Distributor, the Investment Manager or any of their respective affiliates pursuant to the indemnity described in the Prospectus.

## 11 TOTAL REPURCHASE

- (a) The Company may redeem all of its Shares or the Shares of any Fund or tranche in issue if:
  - (i) the redemption of the Shares in a tranche or Fund is approved by a resolution in writing signed by all of the holders of the Shares in that tranche or Fund, as appropriate;
  - (ii) the Net Asset Value of the Fund, or of a tranche of Shares in a Fund, does not exceed or falls below such amount as may be determined from time to time by the Directors;
  - (iii) the Directors deem it appropriate because of adverse political, economic, fiscal or regulatory changes affecting the Company or relevant tranche or Fund of Shares;

- (iv) where the Depositary has served notice of its intention to retire and an alternative depositary has not been appointed within 120 days from the date of such notice; or
  - (v) in such other circumstances as may be set out in the Prospectus from time to time.
- (b) Where a repurchase of Shares pursuant to Article 11(a), (b) or (d) would result in the number of Members falling below two or such other minimum number of members as the Act may stipulate as the legal minimum number of members in a public limited company or would result in the issued Share capital of the Company falling below such minimum amount as the Company may be obliged to maintain as the Act may stipulate, the Company may defer the repurchase of such Shares the repurchase of which would result in such number or amount not being satisfied until the Company is wound up or until the Company procures the issue of sufficient Shares to ensure that the aforesaid number and amount are satisfied. The Company shall be entitled to select the Shares for such deferred repurchase in such manner as it may deem to be fair and reasonable and as may be approved by the Depositary.

## 12 DETERMINATION OF NET ASSET VALUE

- (a) The Company shall determine the Net Asset Value of the Company, and each Fund as at each Valuation Point. The Net Asset Value shall be expressed in the Base Currency as a per Share figure for the issue of Shares and for the repurchase of Shares respectively as appropriate and shall be determined in accordance with Article 13 hereof.
- (b) The Directors may, in consultation with the Depositary, temporarily suspend the determination of the Net Asset Value and the sale, issue, valuation, allotment and/or redemption of Shares of a Fund during:
  - (i) any period when any organised exchange on which a substantial portion of the investment for the time being comprised in the relevant Fund are quoted, listed, traded or dealt in is closed otherwise than for ordinary holiday, or during which dealings in any such organised exchange are restricted or suspended;
  - (ii) any period where, as a result of political, military, economic or monetary events, conditions of financial markets or other circumstances beyond the control, responsibility and power of the Directors, the disposal or valuation of investments for the time being comprised in the relevant Fund cannot, in the opinion of the Directors, be effected or completed normally or without prejudicing the interest of Members of that Fund;
  - (iii) any breakdown in the means of communication normally employed in determining the value of any investments for the time being comprised in the relevant Fund or during any period when for any other reason the value of investments for the time being comprised in the Fund cannot, in the opinion of the Directors, be promptly or accurately ascertained;
  - (iv) any period when the Company is unable to repatriate funds for the purposes of making redemption payments or during which the realisation of investments for the time being comprised in the Fund, or the transfer or payment of the funds involved in connection therewith cannot, in the opinion of the Directors, be effected at normal prices;
  - (v) any period when, as a result of adverse market conditions, the payment of redemption proceeds may, in the opinion of the Directors, have an adverse impact on the Fund or the remaining Members in the relevant Fund;

- (vi) any period (other than ordinary holiday or customary weekend closings) when any market or exchange which is the main market or exchange for a significant part of the instruments or positions is closed, or in which trading thereon is restricted or suspended;
  - (vii) any period when proceeds of any sale or repurchase of the Shares cannot be transmitted to or from the account of the relevant Fund;
  - (viii) any period in which the repurchase of the Shares would, in the opinion of the Directors, result in a violation of applicable laws;
  - (ix) any period after a notice convening a meeting of Members for the purpose of dissolving the Company or terminating a Fund has been issued, up to and including the date of such meeting of Members; or
  - (x) any period during which dealings in a collective investment scheme in which the Fund has invested a significant portion of its assets are suspended; or
  - (xi) any period when the Directors determine that it is in the best interests of the Members of a Fund to do so.
- (c) The Company may elect to treat the first Business Day on which the conditions giving rise to the suspension have ceased as a substitute Dealing Day in which case the Net Asset Value calculations and all issues and repurchases of Shares shall be effected on the substitute Dealing Day.
- (d) Any such suspension shall be published by the Company in such manner as it may deem appropriate to the persons likely to be affected thereby if in the opinion of the Company, such suspension is likely to continue for a period exceeding fourteen days and any such suspension shall be notified immediately to the Central Bank and in any event within the same Business Day.

### 13 VALUATION OF ASSETS

- (a) The Net Asset Value of the Company shall be calculated in accordance with the provisions of this Article. All approvals given or decisions made by the Depositary pursuant to this Article 13 shall be given or made, as the case may be, following consultation with the Investment Manager.
- (b) The Net Asset Value per Share of a Fund shall be calculated by dividing the assets of the relevant Fund less its liabilities by the number of Shares in issue in that Fund. Shares of Funds are expected to perform differently and each Fund will bear its own fees and expenses to the extent specifically attributable to that Fund. Any liabilities of the Company that are not attributable to any Fund shall be allocated amongst the Funds based on their respective Net Asset Value or on any other basis approved by the Directors following consultation with the Depositary having taken into account the nature of the liabilities.
- (c) Where a Fund is made up of more than one tranche of Shares, the Net Asset Value of each tranche shall be determined by calculating the amount of the Net Asset Value of the relevant Fund attributable to each tranche. The amount of the Net Asset Value of a Fund attributable to a tranche shall be determined by establishing the number of Shares in issue in the tranche, by allocating relevant Tranche Expenses (as defined below) and management fees to the tranche and making appropriate adjustments to take account of distributions paid out of the Fund, if applicable, and apportioning the Net Asset Value of the Fund accordingly. Where the Directors have created different tranches of Shares within a Fund in accordance with Article 4(f) and have determined that (i) currency hedging transactions may be entered into in order to hedge any relevant currency exposure of any tranche within a Fund denominated in a currency other than the Base Currency; (ii) interest rate hedging transactions may be are

entered into in respect of specific tranches within a Fund; or (iii) any financial derivative instruments may be utilised on behalf of specific tranches within a Fund in accordance with the requirements of the Central Bank (collectively “Tranche Derivative Transactions”), in each case the Administrator shall adjust the Net Asset Value per Share of the tranche in order to reflect the costs and resultant gains/losses of such hedging transactions and/or financial derivative instruments. Where the Directors have created a tranche of Shares in a Fund which does not participate in “new issues” offerings as such term is defined under FINRA Rule 5130, the costs and resultant gains/losses attributable to such “new issues” will not be allocated to such tranche and will be instead allocated pro rata to all other tranches in the relevant Fund.

The Net Asset Value per Share of a tranche shall be calculated by dividing the Net Asset Value of the tranche by the number of Shares in issue in that tranche. Tranche Expenses or management fees or charges not attributable to a particular tranche may be allocated amongst the tranches based on their respective Net Asset Value or any other reasonable basis approved by the Directors following consultation with the Depositary and having taken into account the nature of the fees and charges. Tranche Expenses or management fees relating specifically to a tranche will be charged to that tranche. In the event that tranches of Shares within a Fund are issued which are priced in a currency other than the base currency for that Fund currency conversion costs will be borne by that tranche.

“Tranche Expenses” means any expenses attributable to a specific tranche including hedging costs, if any, legal fees, marketing expenses and the expenses of registering a tranche in any jurisdiction or with any stock exchange, regulated market or settlement system and such other expenses arising from such registration and such further expenses howsoever arising as may be disclosed in the Prospectus.

- (d) Where the Directors have determined to issue different series within a tranche of Shares in a Fund, the Net Asset Value per Share with respect to a series of Shares initially will be equal to the Net Asset Value per Share of such series as of the date of its creation. Since the various series of Shares are issued at different dates, the Net Asset Value per Share of one series will differ from the Net Asset Value per Share of another series. Any appreciation or depreciation of the Net Asset Value of a Fund in a Valuation Period shall be allocated among the different series of Shares in the relevant Fund pro rata in accordance with the Net Asset Value of each series at the beginning of the applicable Valuation Period prior to any accrued Performance Fee but after adjustment for any subscriptions, distributions and redemptions in the Fund as of the beginning of the Valuation Period. The Net Asset Value per Share (prior to any applicable Performance Fee accrual) for each series of Shares of a Fund is determined by attributing in each Valuation Period any appreciation or depreciation of the Net Asset Value of the Fund among the different series of Shares, and then dividing the Net Asset Value of such series by the number of outstanding Shares therein. The Net Asset Value for each series of Shares shall be appropriately adjusted to account for dividends paid with respect to such Shares and for additional subscriptions, distributions and redemptions. Shares within a series will have the same Net Asset Value per Share.

Where the Directors have created different tranches of Shares within a Fund in accordance with Article 4(f) and have determined that Tranche Derivative Transactions may be entered into in respect of a tranche or that a particular tranche will not participate in “new issues” offerings as such term is defined under FINRA Rule 5130, the Administrator shall adjust the Net Asset Value per Share of the tranche in order to reflect the costs and resultant gains/losses of such hedging transactions and/or financial derivative instruments and/or to allocate the costs and resultant gains/losses attributable to such “new issues” to all other tranches in the Fund pro rata. Accordingly, any appreciation or depreciation of the Net Asset Value of the relevant Fund resulting from expenses, income, gains and losses that are attributable to any Tranche Derivative Transactions in respect of a tranche or investment in “new issues”

shall be attributable solely to the tranche to which it relates. The Net Asset Value per Share of each series of a tranche shall be equal to the Net Asset Value of such series divided by the number of outstanding Shares therein.

- (e) In determining the value of the assets and securities of any Fund, each investment which is quoted, listed or traded on or under the rules of any Recognised Market shall be valued at the latest available price as at the relevant Valuation Point. Where the security is a long position the latest bid price will be used, where the security is a short position the latest offer price will be used. If the investment is normally quoted, listed or traded on or under the rules of more than one Recognised Market, the relevant Recognised Market shall be that which the Company (or its AIFM) or an external valuer (where relevant) shall determine provides the fairest criterion of value for the investment. If prices for an investment quoted, listed or traded on the relevant Recognised Market are not available at the relevant time or are unrepresentative in the opinion of the Company, (or its AIFM) or an external valuer (where relevant) such investment shall be valued at such value as shall be estimated with care and good faith as the probable realisation value of the investment by the Company (or its AIFM) or an external valuer (where relevant). None of the Company (or its AIFM), an external valuer, the Administrator or the Depositary shall be under any liability if a price reasonably believed by them to be the latest available price, is found not to be such.
- (f) The value of any investment which is not normally quoted, listed or traded on or under the rules of a Recognised Market or in respect of which the Company (or its AIFM) or an external valuer (where relevant) determine that the latest price is not representative of its fair market value, shall be valued at its probable realisation value as estimated by the Company (or its AIFM) or an external valuer (where relevant) in good faith and with care.
- (g) The value of leveraged loans and sub-participations in leveraged loans will be determined in accordance with the above provisions and will be obtained from an independent pricing source.
- (h) The value of any leveraged loan and sub-participations in leveraged loans in respect of which the Company (or its AIFM) or an external valuer (where relevant) determine that the latest price as set out above is not representative of its fair market value, shall be valued at its probable realisation value as determined by the Company (or its AIFM) or an external valuer (where relevant).
- (i) Shares in collective investment schemes which are not valued in accordance with the provisions above shall be valued on the basis of the latest published Net Asset Value of such Shares. If such prices are unavailable, the Shares will be valued at their probable realisation value estimated by the Company (or its AIFM) or an external valuer (where relevant).
- (j) Cash deposits and similar investments shall be valued at their face value together with accrued interest unless in the opinion of the Company (or its AIFM) or an external valuer (where relevant) any adjustment should be made to reflect the fair value thereof. The value of any cash on hand, bills and demand notes and accounts receivable, prepaid expenses, cash dividends and interest declared or accrued and not yet received is deemed to be the full amount thereof, unless in any case the same is unlikely to be paid or received in full, in which case the value thereof is arrived at after making such discount as may be considered appropriate in such case to reflect the true value thereof.
- (k) Derivative instruments including swaps, interest rate futures contracts and other financial futures contracts which are traded on a Recognised Market shall be valued at the settlement price as determined by the relevant Recognised Market at the relevant Valuation Point, provided that where it is not the practice of the relevant Recognised Market to quote a settlement price, or if a settlement price is not available for any

reason, such instruments shall be valued at their probable realisation value as the Company (or its AIFM) or an external valuer (where relevant) shall determine.

- (l) Derivative instruments which are not dealt on a Recognised Market shall be valued at a price obtained from the counterparty or on the basis of the probable realisation value determined by the Company or its AIFM or by an external valuer (where relevant). Notwithstanding the above provisions, forward foreign exchange contracts and interest rate swap contracts may be valued by reference to freely available market quotations.
- (m) Notwithstanding the above provisions, the Company (or its AIFM) or an external valuer (where relevant) may adjust the valuation of any particular asset, class of assets, or Fund, or permit some other method of valuation to be used in relation to any particular asset, class of assets, or Fund if it considers that such adjustment is required to reflect more fairly the value thereof.
- (n) Notwithstanding any other provisions of these Articles, the Company (or its AIFM) or an external valuer (where relevant) may determine that, in relation to any Fund, the value of the relevant Investments shall be calculated by reference to the bid price, where redemptions exceed subscriptions on that Business Day, or by reference to the offer price, where subscriptions exceed redemptions on that Business Day, for such Investments as at the Valuation Point. The Company (or its AIFM) or an external valuer (where relevant) may also determine that the assets of any specific Fund may be valued on a closing bid, last traded, closing mid-market or latest mid-market price basis. Any such policies shall be applied consistently in respect of a Fund and in respect of all Investments of that Fund.
- (o) In calculating the Net Asset Value of the assets:
  - (i) every Share allotted by the Company shall be deemed to be in issue and the assets shall be deemed to include not only the relevant cash and property in the hands of the Depositary but also the amount of any cash or other property to be received in respect of Shares allotted;
  - (ii) where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed such Investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed;
  - (iii) where notice of a repurchase of Shares has been given to the Depositary but such cancellation has not been completed the Shares to be cancelled shall be deemed not to be in issue and the value of the assets shall be reduced by the amount payable to a Member upon such cancellation;
  - (iv) where any amount in one currency is required to be converted into another currency the Directors may effect such conversion using such rates as the Directors shall determine at the relevant time except where otherwise specifically provided herein;
  - (v) there shall be deducted from the assets the total amount of any actual or estimated liabilities properly payable including outstanding borrowings (if any) but excluding liabilities taken into account under sub-paragraph (ii) above and any estimated liability for tax on and such amount in respect of contingent or projected expenses as the Administrator considers fair and reasonable having regard to the provisions of the Prospectus and these Articles of Association of the Company;
  - (vi) there shall be deducted from the value of any Investment in respect of which a call option has been written the value of such option calculated by reference to the lowest available market dealing offered price quoted on a regulated

market or if no such price is available a price certified by a stockbroker or other person approved by the Depositary or such price as the Directors consider in the circumstances to be reasonable and which is approved by the Depositary;

- (vii) there shall be added to the assets a sum representing any interest or dividends accrued but not received and a sum representing unamortised expenses;
  - (viii) there shall be added to the assets the amount (if any) available for distribution in respect of the last preceding Accounting Period but in respect of which no distribution has been declared;
  - (ix) there shall be deducted from the assets the total amount (whether actual or estimated by the Directors) of any other liabilities properly payable including accrued interest on borrowings (if any); and
  - (x) the value of assets shall be rounded upwards to the nearest two decimal places.
- (p) Without prejudice to their general powers to delegate their functions herein certified, the Directors may delegate any of their functions in relation to the calculation of Net Asset Value to the Administrator, to a committee of the Directors or to any other duly authorised person.

#### 14 **TRANSFER AND TRANSMISSION OF SHARES**

- (a) All transfers of Shares shall be effected by a transfer in writing in any usual or common form and every form of transfer shall state the full name and address of the transferor and transferee.
- (b) The instrument of transfer of a Share shall be signed by or on behalf of the transferor and need not be signed by the transferee. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.
- (c) A transfer of Shares may not be registered if in consequence of such transfer the transferor or the transferee would hold a number of Shares less than the Minimum Subscription. Only Qualifying Investors or Knowledgeable Investors who certify that they are Qualifying Investors and that they are aware of the risk involved in the proposed investment and that inherent in such investment is the potential to lose all of the sum invested shall be entered on the register as a Member. The Directors shall not register a transfer of Shares unless the transferee is a Qualifying Investor or Knowledgeable Investor and has provided such evidence of identity and/or status as the Company or its delegates may require.
- (d) The Directors may decline to register any transfer of Shares unless the instrument of transfer is deposited at the registered office of the Company or at such other place as the Directors may reasonably require, with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The Directors may decline to register a transfer where the transferee would be precluded from holding Shares in the Company under the provisions herein contained or where the transferee fails to provide the necessary declarations as to tax residency as may be requested by the Company.
- (e) The Directors may decline to register any transfer of Shares unless:
  - (i) such purchase or transfer is exempt from registration under, and does not result in a violation of, the 1933 Act or the applicable laws of the US or any US

- state and otherwise complies with the applicable requirements of any US state;
- (ii) any purchaser or transferee that is a US Person is a “qualified purchaser” as defined in the 1940 Act and the rules promulgated thereunder and an “accredited investor” as defined in Regulation D under the 1933 Act;
  - (iii) such purchase or transfer would not be reasonably expected to result in the Company or any fund being required to register under the 1940 Act; and
  - (iv) there will be no adverse tax, pecuniary, legal, regulatory or material administrative disadvantage to the Company or a Fund or its Members as a whole as a result of such a purchase or transfer;
  - (v) such purchase or transfer would not cause a violation of, or require the Company or any fund to register under the 1934 Act.
- (f) If the Directors decline to register a transfer of any Share they shall, within one month after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.
  - (g) The registration of any transfers may be suspended at such times and for such periods as the Directors from time to time may determine, **PROVIDED ALWAYS** that such registration of transfers shall not be suspended for more than thirty days in any year.
  - (h) All instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
  - (i) In the case of the death of a Member, the survivors or survivor where the deceased was a joint holder, and the executors or Administrators of the deceased where he was a sole or surviving holder, shall be the only person recognised by the Company as having title to his interest in the Shares, but nothing in this Article shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
  - (j) Any guardian of an infant Member and any guardian or other legal representative of a Member under legal disability and any person entitled to a Share in consequence of the death, insolvency or bankruptcy of a Member shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Share or to make such transfer thereof as the deceased or bankrupt Member could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant or by the deceased, insolvent or bankrupt Member before the death, insolvency or bankruptcy or by the Member under legal disability before such disability.
  - (k) A person so becoming entitled to a Share in consequence of the death, insolvency or bankruptcy of a Member shall have the right to receive and may give a discharge for all monies payable or other advantages due on or in respect of the Share, but he shall not be entitled to vote at meetings of the Company, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the Share **PROVIDED ALWAYS** that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share and if the notice is not complied with within ninety days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.

## 15 INVESTMENT OBJECTIVES

- (a) The investment objectives of a Fund shall be set out in the Prospectus.
- (b) The Company may pursue its investment objectives by utilising an intermediate investment vehicle, such as a trust or company and by advancing monies for investment by such trust or company by way of loan, subscription for equity capital or otherwise, provided that where the Company uses a company as an intermediate vehicle, the Company shall maintain beneficial ownership of all of the issued Share capital of such company and the Shares in such company and the assets of such company shall be kept under the control of the Depositary or its sub-custodians.
- (c) The Company may enter into arrangements with prime brokers or other parties, whereby assets of the Company are passed outside of the control of the Depositary and may be held as collateral for margin loans or other financing that is provided to the Company. Under the terms of such arrangements and under applicable law, a secured party may be permitted to pledge, lend, rehypothecate or otherwise utilise for its own purposes such assets in connection with securities lending or other transactions entered into by the secured party. Further details with respect to the material provisions of any such contractual arrangements will be disclosed in the Prospectus.

## 16 GENERAL MEETINGS

- (a) General meetings of the Company may be held in Ireland or elsewhere in accordance with section 176 of the Act.
- (b) The Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year. Not more than fifteen months shall elapse between the date of one annual general meeting of the Company and that of the next.
- (c) All general meetings (other than annual general meetings) shall be called extraordinary general meetings.
- (d) The Directors may call an extraordinary general meeting whenever they think fit and extraordinary general meetings shall be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as provided by the Act. If at any time, there are not within Ireland, sufficient Directors capable of forming a quorum, any Director or one Member of the Company may convene an extraordinary general meeting in the same manner as nearly as possible as that in which general meetings may be convened by Directors.

## 17 NOTICE OF GENERAL MEETINGS

- (a) At least twenty-one Clear Days' notice specifying the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the case of an annual general meeting specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions hereof or the conditions of issue of the Shares held by them entitled to receive notices from the Company, provided, however that an extraordinary meeting at which no Special Resolution is to be considered may be convened on no less than fourteen Clear Days' notice.
- (b) The Directors, the Administrator, the Investment Manager, the Auditors and the Depositary shall each be entitled to receive notice of, and attend and speak at, any general meeting of the Company.
- (c) In each notice calling a meeting of the Company, there shall appear with reasonable prominence a statement that a Member entitled to attend and vote is entitled to

appoint one or more proxies to attend and vote instead of him and that a proxy need not also be a Member.

- (d) The accidental omission to give notice to, or the non-receipt of notice by, any person entitled to receive notice shall not invalidate the proceedings at any general meeting.

## 18 PROCEEDINGS AT GENERAL MEETINGS

- (a) All business shall be deemed special that is transacted at an extraordinary general meeting and also all business that is transacted at an annual general meeting, with the exception of the consideration of the accounts and the reports of the Directors and Auditors, the election of Directors in the place of those retiring, the reappointment of the retiring Auditors and the fixing of the remuneration of the Auditors.
- (b) No business shall be transacted at any general meeting unless a quorum is present. Two Members holding voting Shares present either in person or by proxy shall be a quorum for a general meeting. A representative of a corporation authorised pursuant to Article 19(m) to be present at any meeting of the Company shall be deemed to be a Member for the purpose of a quorum.
- (c) If within half an hour from the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine.
- (d) The chairman or, if absent, the deputy chairman of the Company, or failing him, some other Director nominated by the Directors shall preside as chairman at every general meeting of the Company, but if at any meeting neither the chairman nor the deputy chairman nor such other Director be present within fifteen minutes after the time appointed for holding the meeting, or if none of them be willing to act as chairman, the Directors present shall choose some Director present to be chairman, or if no Directors be present, or if all the Directors present decline to take the chair, the Members present shall choose some Member present to be chairman.
- (e) The chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more ten days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
- (f) At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands of those Members holding voting Shares, unless a resolution is not passed unanimously on such show of hands, in which case such resolution shall be decided on a poll. Unless a poll is so taken, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- (g) If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

- (h) The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- (i) In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
- (j) A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- (k) The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- (l) A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.
- (m) If at any time the Share capital is divided into different tranches of Shares, the rights attached to any tranche (unless otherwise provided by the terms of issue of the Shares of that tranche or unless otherwise provided herein) may, whether or not the Company is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued Shares of that tranche, or with the sanction of an extraordinary resolution passed at a separate General Meeting of the holders of the Shares of that tranche, to which the provisions of these Articles relating to General Meetings shall mutatis mutandis apply, save that the quorum at any such General Meeting shall be two or more members present in person or by proxy together holding at least one-third of the Shares of the relevant tranche.

## 19 VOTES OF MEMBERS

- (a) Subject to any special rights or restrictions for the time being attached to any tranche of Shares in accordance with the requirements of the Central Bank, each Member shall be entitled to such number of votes as shall be produced by dividing the aggregate Net Asset Value of that Member's shareholding (expressed or converted in Base Currency, calculated as of the relevant record date and excluding, where appropriate, the impact of any Tranche Currency hedging) by one. Where a separate written resolution or general meeting of a particular tranche of Shares is held, in such circumstances, the Member's votes shall be calculated by reference only to the Net Asset Value of each Member's shareholding in that particular tranche, as appropriate. The Subscriber Shareholders shall have one (1) vote for each Subscriber Share held. The "relevant record date" for these purposes shall be a date being not more than thirty (30) days prior to the date of the relevant general meeting or written resolution as determined by the Directors. In relation to a resolution which in the opinion of the Directors affects more than one (1) tranche of Shares, such resolution shall be deemed to have been duly passed only if, in lieu of being passed through a single meeting of the Members of such tranche of Shares, such resolution shall have been passed at a separate meeting of the Members of each such tranches. The Directors may in their discretion create tranches which shall be designated as non-voting Shares and the holders of such Shares will not have the right to vote at any meeting of the Company.
- (b) In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.

- (c) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. - (g) Any person (whether a Member or not) may be appointed to act as a proxy. A Member may appoint more than one proxy to attend on the same occasion.
- (h) The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the registered office of the Company or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the Company not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting or the taking of a poll at which the person named in the instrument proposes to vote and if the aforesaid conditions are not complied with the instrument of proxy shall not be treated as valid.

In the case of Member who no longer hold Shares in the Fund or Tranche, or otherwise as the Directors or their delegate may determine, Shares in a Designated Investment Fund/Tranche may be mandatorily redeemed and the redemption proceeds paid in accordance with the procedures set out in Article 10.
