Performance note

All figures sourced by Principal Global Investors, unless otherwise stated, as at May 2023. Performance Source: From December 2018, the performance data shown is based upon the Fund's official Net Asset Value (NAV) prices. The performance data shown is net of fees and other charges but excludes any potential entry/exit charges- as such the return an investor receives may be lower. Prior to 31st December 2018, the data performance calculations reflect the month-end market close prices of the Fund's assets. After 1 January 2019, the performance data shown is based upon the Fund's Net Asset Value (NAV) prices of the last Irish business day of the month. For Funds not open for dealing on this day this will be an indicative NAV. As a result, it is possible that the stated performance and the actual investment returns available to investors will differ. The Fund is managed without reference to a particular benchmark; it does not track or define asset allocation in respect of a benchmark. The figures published are for information purposes only and provide details of the performance of a comparable index, the 'Performance Comparator'. The method of calculating performance may differ between the Fund and it's Performance Comparator. Further, it is not possible to invest in the Performance Comparator. All figures are stated in USD unless otherwise noted. Investments do not always add up to 100% due to rounding. Past performance is no guarantee of future results.

Disclosure

*Where applicable: In Singapore, the Fund is registered as a Restricted Scheme and in Italy for Qualified Investors only. Divergences between the returns of unit classes denominated in the base currency of the fund and hedged unit classes may arise among other things due to interest rate differentials between the base currency of the fund and the hedged unit class currency.
