Past results are not necessarily indicative of future results and an investment can lose value.

The inception date of the EUR S Acc share class is 10 July 2014. | Periods greater than one year are annualised. | If an investor's own currency is different from the currency in which the fund is denominated, the investment return may increase or decrease as a result of currency fluctuations. | Fund returns shown are net of EUR S Acc share class fees and expenses. Fund returns shown are net of actual (but not necessarily maximum) withholding and capital gains tax but are not otherwise adjusted for the effects of taxation and assume reinvestment of dividends and capital gains. The index returns, where applicable, are shown net of maximum withholding tax and assume reinvestment of dividends. | Please note the fund has a swing pricing mechanism in place. | If the last business day of the month is not a business day for the Fund, performance is calculated using the last available NAV. This may result in a performance differential between the fund and the index. | Source: Fund - Wellington Management. Index - MSCI.

WHAT ARE THE RISKS?

CAPITAL: Investment markets are subject to economic, regulatory, market sentiment and political risks. All investors should consider the risks that may impact their capital, before investing. The value of your investment may become worth more or less than at the time of the original investment. The Fund may experience a high volatility from time to time.

CURRENCY: The value of the Fund may be affected by changes in currency exchange rates. Unhedged currency risk may subject the Fund to significant volatility.

EMERGING MARKETS: Emerging markets may be subject to custodial and political risks, and volatility. Investment in foreign currency entails exchange risks.

EQUITIES: Investments may be volatile and may fluctuate according to market conditions, the performance of individual companies and that of the broader equity market.

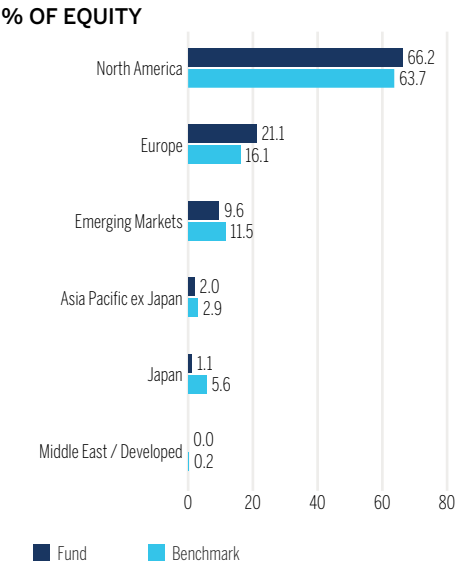

HEDGING: Any hedging strategy using derivatives may not achieve a perfect hedge.

MANAGER: Investment performance depends on the investment management team and their investment strategies. If the strategies do not perform as expected, if opportunities to implement them do not arise, or if the team does not implement its investment strategies successfully; then a fund may underperform or experience losses.

SUSTAINABILITY RISK: A Sustainability Risk can be defined as an environmental, social or governance event or condition that, if it occurs, could cause an actual or potential material negative impact on the value of an investment.

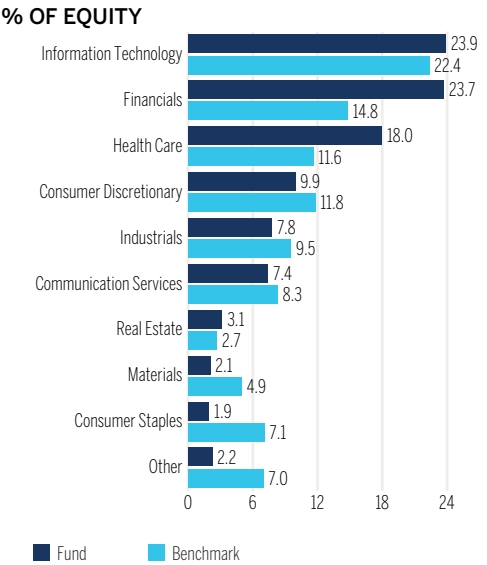

Before subscribing, please refer to the Fund offering documents/prospectus for further risk factors and pre-investment disclosures. For the latest NAV, please visit www.fundinfo.com.
