HSBC GLOBAL INVESTMENT FUNDS - GLOBAL SUSTAINABLE LONG TERM DIVIDEND

a sub-fund of HSBC Global Investment Funds, (the "UCITS");
 managed by HSBC Investment Funds (Luxembourg) S.A.

Class:EQ2
 ISIN:LU1236620321

Objectives and Investment Policy

Investment Objective:

The Fund aims to provide income from dividends and long term capital growth by investing in companies that may benefit over the long term from the transition to a more sustainable global economy, while promoting ESG characteristics.

The Fund promotes ESG characteristics within the meaning of Article 8 of SFDR. More information on HSBC Global Asset Management's responsible investing policies is available at www.assetmanagement.hsbc.com/about-us/responsible-investing/policies.

Investment Policy:

In normal market conditions, the Fund will invest at least 90% of its assets in shares (or securities similar to shares) of companies that are based in, or carry out the larger part of their business activities in, any country including both developed markets and emerging markets. The Fund will not invest in shares (or securities similar to shares) issued by companies or REITs that have material exposure, exceeding revenue exposure threshold, to specific Excluded Activities, including but not limited, to coal, unconventional oil & gas extraction and tobacco. The revenue exposure threshold will depend on the specific Excluded Activity but will not be higher than 30% of the relevant company's total revenue.

After excluding the ineligible investments, proprietary research will be conducted to assess certain sustainability criteria according to a 3-point scale, or similar grading scale and compare its initial conclusion to ESG scores provided by well-established financial data providers. Sustainability criteria may include: sustainability of practices and culture, sustainability of business model, sustainability of products and alignment with UN Sustainable Development Goals. Please refer to the prospectus for further details on ESG Credentials and Excluded Activities.

The Fund may invest up to 20% in China A and China B-shares. For China A-shares, up to 10% through the Shanghai-Hong Kong Stock Connect and the Shenzhen-Hong Kong Stock Connect, up to 10% in CAAPs and up to 10% in CAAPs issued by any single issuer.

The Fund may invest up to 10% of its assets in Real Estate Investment Trusts and up to 10% in other funds.

The Fund may also invest in derivatives. The Fund may use them for hedging and cashflow management purposes. Derivatives will not be used extensively for investment purposes. Derivatives may also be embedded in other instruments used by the Fund.

- ◆ The Fund may enter into securities lending transactions for up to 29% of its assets. However, this is not expected to exceed 25%.
- ◆ The reference currency of the Fund is USD. The reference currency of this share class is USD.
- ◆ The Fund is actively managed and does not track a benchmark. The reference benchmark for the Fund is MSCI AC World High Dividend.
- ◆ The Investment Advisor will use its discretion to invest in securities not included in the reference benchmark based on active investment management strategies and specific investment opportunities. It is foreseen that a significant percentage of the Fund's investments will be components of the reference benchmark. However, their weightings may deviate materially from those of the reference benchmark.
- ◆ Income is distributed.
- ◆ You may sell your investment on most working days.
- ◆ Recommendation: this Fund may not be appropriate for investors who plan to withdraw their money within a period of 5 years.

Risk and Reward Profile

The risk and reward indicator is based on historical data and may not be a reliable indication of the future risk profile of the Fund.

The risk and reward category shown is not guaranteed to remain unchanged and may shift over time. The lowest category does not mean a risk-free investment.

Why is this Fund in this specific category?

This Fund is classified in category 6 because its price or simulated data has shown high fluctuations historically.

Material risks not fully captured by the Risk and Reward Indicator:

- ◆ **Counterparty Risk** The possibility that the counterparty to a transaction may be unwilling or unable to meet its obligations.

- ◆ **Emerging Markets Risk** Emerging markets are less established, and often more volatile, than developed markets and involve higher risks, particularly market, liquidity and currency risks.
- ◆ **Exchange Rate Risk** Changes in currency exchange rates could reduce or increase investment gains or investment losses, in some cases significantly.
- ◆ **Investment Leverage Risk** Investment Leverage occurs when the economic exposure is greater than the amount invested, such as when derivatives are used. A Fund that employs leverage may experience greater gains and/or losses due to the amplification effect from a movement in the price of the reference source.
- ◆ **Liquidity Risk** Liquidity Risk is the risk that a Fund may encounter difficulties meeting its obligations in respect of financial liabilities that are settled by delivering cash or other financial assets, thereby compromising existing or remaining investors.
- ◆ **Operational Risk** Operational risks may subject the Fund to errors affecting transactions, valuation, accounting, and financial reporting, among other things.

Charges

The charges you pay are used to pay the running costs of the Fund, including the marketing and distribution costs. These charges reduce the potential growth of the investment.

One-off charges taken before or after you invest	
Entry charge	5.00%
Exit charge	0.00%
This is the maximum that might be taken out of your money before it is invested or before the proceeds of your investment are paid out.	
Charges taken from the Fund over a year	
Ongoing charge	2.35%
Charges taken from the Fund under certain specific conditions	
Performance fee	None

Past Performance

- ◆ The entry and exit charges shown are the maximum that may be charged. In some cases you may pay less. You can obtain the actual charges from your financial adviser.
- ◆ A conversion charge of up to 1.00% of the Net Asset Value of the Shares which are being converted may be payable to the relevant distributor.
- ◆ The ongoing charges figure is based on last year's expenses for the year ending 31/03/2022. Charges may vary from year to year.

Further information on Charges can be found in the "Charges and Expenses" section of the Fund's Prospectus.

- ◆ Past performance is not a guide to future performance; the value of your investment and any income from it can go down as well as up.
- ◆ Performance returns are based on the net asset value with distributable income reinvested. Past performance takes account of all ongoing charges but not entry, exit or conversion charges.
- ◆ The past performance of this share class is calculated in USD.
- ◆ The reference benchmark for the Fund, for comparison purposes only, is the MSCI AC World High Dividend.
- ◆ Historically the benchmark has been: MSCI AC World Net from 24/07/2015 until 31/12/2021.
- ◆ The Fund was launched on 24 July 2015.
