

Candriam GF US High Yield Corporate Bonds

Class: Instit. (USD)

Overall Morningstar Rating™ : ★★★★★

RISK PROFILE

To fully understand the fund's risk profile, we advise investors to carefully review the official prospectus and the description of the underlying risks. The value of the investment may decline due in particular to the following risks: credit risk, interest rate risk, liquidity risk and counterparty risk.

SUBADVISOR

Mackay Shields' High Yield Group, managed by Andrew Susser, takes a bottom-up, value oriented approach to investing in the high yield market. Since 1991, the team of seasoned credit experts has utilized a disciplined investment process focusing on margin-of-safety.

INVESTMENT STRATEGY

Candriam GF US High Yield Corporate Bonds (a sub-fund of the Candriam GF fund, hereafter "the fund") provides investors with a flexible exposure to the US High Yield bonds market, in order to generate a high level of income over a recommended investment horizon of 3 years. The portfolio is invested primarily in a diversified range of USD denominated bonds, issued by corporate and financial companies, rated below BBB- or equivalent by at least one independent rating agency at the time of acquisition. In adverse market conditions, the fund flexible investment approach allows to hold without limit investment-grade rated bonds, including US government securities or other high quality money market instruments. The fund may use foreign exchange, interest rate, credit or volatility derivatives for efficient portfolio management purposes (hedging and/or exposure).

The fund is managed actively, with reference to the index mentioned on page 2. For further information about this index and its use, please consult the fund's key investor information document (KIID).

REFERENCE INDEX : BofA Merrill Lynch U.S. High Yield Master II Constrained Index, RI, over an investment horizon of minimum 3 years

The benchmark is mentioned for information purposes only, the investment process does not consist in replicating the benchmark.
