Ongoing charge based on actual expenses for the year ending 31/08/2023. The cost of investing will impact your investment. The return will be reduced by the fees and expenses that may be incurred in managing the investment. Fees may have a compounding effect. Number of holdings represents physical holdings only.

Fund objective

The investment objective is to generate positive absolute returns over a rolling 3 year period, irrespective of market conditions, by investing in companies listed or traded on a Recognised Market. The fund will invest in these companies or equity indices primarily using Financial Derivative Instruments (FDIs) such as swaps and contracts for differences but may also invest directly in equities.

Performance

The fund aims to return SONIA GBP 1 MONTH +5% per annum net-of-fees (1% AMC) over a rolling 3 year period.

Performance for the individual share class is shown against the reference index as detailed in the key facts table.

Risk factors

For Retail Investors. Capital is at risk.

This fund is a medium to long-term investment and your capital is at risk. Any investment objective, performance benchmark and yield information should not be considered as an assurance or guarantee of the performance of the fund or any part of it. An initial charge reduces the amount available for investment. Investors should be aware that funds denominated in a currency other than investors' home state currency are subject to currency fluctuations which may decrease returns. Please be aware that each fund presents its own risk profile. Material risks for this fund are: Other Markets, Counterparty and Derivatives. Please read the KIID for an explanation and refer to the prospectus for information about all relevant risks.

Past performance does not predict future returns. Outcomes, including the payment of income, are not guaranteed.

While the investment objective of absolute return funds is to achieve a positive return in all market conditions, this is not guaranteed in any way.

This is a marketing communication. Please refer to the Prospectus of the UCITS and to the KIID before making any final investment decisions. The relevant documents can be found at aegonam.com. The principal risk of this product is the loss of capital.
