- (ii) any such exchange shall be effected on terms that the number of Shares to be issued shall be the number (including, at the Director's discretion, fractions of Shares) which would have been issued at the Subscription Price (plus the preliminary charge, if any) for a cash amount equal to the value of the Investments as calculated in accordance with Article 15.00 including such sum as the Directors may consider represents an appropriate provision for Duties and Charges arising in connection with the vesting of the Investments but minus such sum as the Directors may consider represent any charges, costs, fees or other expenses, as aforesaid to be paid out of the relevant Fund or Funds in connection with the vesting of the Investments;

- (iii) the Investments to be transferred to the Company shall be valued on such basis as the Directors with the consent of the Custodian may decide so long as such value does not exceed the highest amount that would be obtained on the date of the exchange by applying the rules relating to valuation of Investments contained in Article 15.00;
- (iv) there may be paid to the incoming Shareholder out of the Investments of the relevant Fund a sum in cash equal to the value at the current price of any fraction of a Share excluded from the calculation aforesaid;

9.04 No Shares shall be allotted on a particular Dealing Day if on that Dealing Day the determination of the Net Asset Value of the relevant Fund or attributable to a Class is temporarily suspended pursuant to Article 14.04 of these presents.

9.05 In calculating the Net Asset Value per Share of the relevant Class for the purpose of subscription the Directors may adjust the Net Asset Value per Share to reflect the value of the Class's investments by valuing the investments using the highest market dealing other price on the relevant market at the relevant time in order to preserve the value of the shareholdings of continuing Shareholders in the event of substantial or recurring net subscriptions of Shares of the Class.

11.00 **REDEMPTION OF SHARES**

- 11.01 As is more specifically described herein below, the Company has the power to redeem its own outstanding fully paid Shares on any Dealing Day. A Shareholder may at any time request the Company to redeem all or any of his Shares in the Company in such manner as the Directors may from time to time decide. Subject to Article 11.14 any such request shall be irrevocable save with the consent in writing of the Company or its authorised agent. The Directors may at their discretion impose a minimum redemption amount in relation to any particular Fund or Class.
- 11.02 Subject to Articles 10.04 and 10.05 a redemption request shall not be processed until the Company has received a completed redemption request and, if applicable, any share certificate or evidence satisfactory to the Company of succession or assignment from the Shareholder and such other information as the Company may reasonably require by such time as may from time to time be specified in the relevant Supplement.
- 11.03 In the event of receipt of a valid redemption request by such time as may from time to time be specified by the Company, the Company shall redeem the Shares the subject of the request subject to any suspension of this redemption obligation pursuant to Article 14.04 hereof PROVIDED THAT the Directors may, in their discretion, accept a redemption request for processing on a Dealing Day notwithstanding that such request may have been received after the time specified from time to time by the Directors for the receipt of redemption requests for such Dealing Day so long as such redemption is received prior to the Valuation Point for such Dealing Day. Shares in the capital of the Company which are redeemed by the Company shall be cancelled.

- 11.04 Following the processing of a redemption request the Shareholder will be paid a price per Share equal to the Redemption Price per Share ascertained by:-
- (a) determining the Net Asset Value per Share as at the Valuation Point for the relevant Dealing Day in accordance with the provisions of Article 14.00 hereof;
 - (b) deducting therefrom a provision for Duties and Charges if the Directors so determine;
 - (c) in the event of requests for redemption exceeding subscription applications for the relevant Fund on any Dealing Day and if the Directors so determine, deducting therefrom such provision representing an anti-dilution levy to provide for dealing costs and preserve the value of the underlying assets of the relevant Fund as the Directors determine; and
 - (d) rounding the resulting total to such number of decimal places as the Directors may determine.
- 11.05 A redemption charge not exceeding 3% of the Net Asset Value per Share may be deducted from the Net Asset Value per Share for the absolute use and benefit of the Manager or as it may direct and the Directors may at their discretion waive, either wholly or partially, such redemption charge or differentiate between Shareholders as to the amount of such redemption charge, if any, within the permitted limit.
- 11.06 Any amount payable to a Shareholder under this Article shall be paid in the Base Currency or such other currency or currencies as the Directors shall have determined as appropriate and shall be dispatched no later than ten (10) Business Days after the latest time for receipt of redemption requests for the relevant Dealing Day and provided the Company has received the redemption request or instruction in such form as may be determined by the Directors.
- 11.07 Any request for redemption of Shares shall not be valid and effective unless, in the case of Shares for which a certificate has been issued, the certificate or certificates for such Shares in proper form accompanies such request.
- 11.08 On redemption of part only of the Shares comprised in any certificate the Shareholder shall pay to the Company the fiscal charge (if any) and all other costs, charges and expenses including without limitation, the costs of delivery and insurance pending delivery incurred or arising upon the issuance of a balance certificate or certificates and thereupon the Directors shall procure a balance certificate or certificates to be issued for the balance of Shares comprised in the Certificate.
- 11.09 If a redemption of part only of a Shareholder's holding of Shares leaves the Shareholder holding less than the Minimum Holding the Company may redeem the whole of that Shareholder's holding.
- 11.10 Where a certificate has been issued the Directors may at their option dispense with the production of any certificate which shall have become lost or destroyed upon compliance by the holder of Shares to be redeemed with the like requirements to those applying in the case of an application by him for replacement of a lost or destroyed certificate under Article 6.00 hereof.

- 11.11 If the number of Shares of a particular Fund in respect of which redemption requests have been received on any Dealing Day is equal to one tenth or more of the total number of Shares in issue in that particular Fund in respect of which redemption requests have been received on that day then the Directors may in their discretion refuse to redeem any Shares in excess of one tenth of the total number of Shares in issue in that Fund in respect of which redemption requests have been received as aforesaid and, if they so refuse, the requests for redemption on such Dealing Day shall be reduced pro rata and the Shares to which each request relates which are not redeemed by reason of such reduction shall be treated as if a request for redemption had been made in respect of each subsequent Dealing Day until all the Shares to which the original request related have been redeemed. Requests for redemption which have been carried forward from an earlier Dealing Day shall (subject always to the foregoing limits) be complied with in priority to redemption requests received subsequently.
- 11.12 The Company may, at the discretion of the Directors, satisfy any request for redemption of Shares by the transfer in specie to a Shareholder requesting redemption of assets of the relevant Fund having a value (calculated in accordance with Article 15.00) equal to the Redemption Price for the Shares redeemed as if the redemption proceeds were paid in cash less any redemption charge and other expenses of the transfer as the Directors may determine provided that either (a) the Shareholder requesting redemption consents to such transfer in specie or (b) at the request of the Shareholder the Company shall sell any asset or assets proposed to be distributed in specie and distribute to such Shareholder the cash proceeds less the costs of such sale which shall be borne by the relevant Shareholder. The nature and type of assets to be transferred in specie to each Shareholder shall be determined by the Directors on such basis as the Directors in their discretion and, in consultation with the Custodian, shall deem equitable and not prejudicial to the interests of the remaining Shareholders in the relevant Fund or Class.
- 11.13 Where a Shareholder requests the redemption of a number of Shares of a Class equal to 5 per cent. or more of the total number of Shares of that class in issue on the Dealing Day on which such Shares would but for this Article have been redeemed pursuant to Article 11.04 (disregarding any Shares to be issued on such Dealing Day), the Company shall have the right, instead of purchasing or cancelling the said Shares at the Redemption Price, to elect by notice in writing to the Shareholder to purchase or cancel the said Shares (unless the further option conferred on the Company by paragraph (ii) below or on the Shareholder by paragraph (iv) below shall be exercised) at the aggregate price hereinafter mentioned. The following provisions shall apply on any exercise by the Company of the said right of election:-
- (i) Subject as hereinafter provided the Company shall cause to be sold or realised that proportion of each Investment forming part of the assets of the relevant Fund which the number of the Shares to be purchased or cancelled bears to the total number of the Shares then in issue and shall add to the net proceeds thereof a similar proportion of the net cash then forming or deemed to form part of the assets of the relevant Fund and the aggregate amount so obtained shall be adjusted in the said proportion in accordance with (where deemed by the Company to be applicable) the provisions of Article 15 in the same way in which such adjustments would be made in the event of a valuation of the Fund or any part thereof. The resulting sum shall be the redemption price of the said Shares PROVIDED ALWAYS THAT, if for any reason it is not possible or convenient in the case of any one or more Investments to sell or realise exactly the said proportion or if the

Directors deem it appropriate to exclude from sale or redemption any Investment (or part thereof) which is not quoted, listed or normally dealt in on a Market, the Investments to be sold or realised and the amount of cash to be added to the net proceeds thereof may be adjusted in such manner as the Directors may deem equitable and as may ensure that the amount receivable by the Shareholder is as nearly as may be the same as he would receive if the foregoing provisions of this paragraph (excluding this proviso) had been strictly complied with PROVIDED ALWAYS THAT the Directors or their agents shall in selecting the Investments, in consultation with the Custodian, to be sold have regard to the interests of continuing Shareholders in the light of circumstances prevailing at the time of selection by reason of the nature and balance of the Investments forming part of the Fund following such a sale or proposed sale but the Directors or their agents shall not be liable for a selection provided that they acted in good faith;

- (ii) The Company may elect that instead of the said Shares being purchased or cancelled by the Company as provided in paragraph (i) above the Company shall be reduced by the cancellation of the said Shares and in respect of such cancellation there shall be transferred to the Shareholder in specie the Investments which would otherwise be sold and there shall be paid to the Shareholder the amount of cash which would be added to the net sale proceeds of such Investments subject to the application of adjustments which would fall to be made to the aggregate of the net proceeds of sale of such Investments and cash pursuant to paragraph (i) above PROVIDED THAT where Investments selected are not selected in proportion or as nearly in proportion as circumstances admit to the proportion which the value of the Shares to be realised bears to the total value of Shares in issue (ignoring fractions and Investments which the Directors do not regard as readily realisable) such selection shall only be made if the Custodian is satisfied that the basis of selection is not such as is likely to prejudice materially the interests of continuing Shareholders. The costs of such sale shall be borne by the relevant Shareholder;
- (iii) In order to exercise the right conferred on it by paragraph (1) or paragraph (2) above the Company shall as soon as possible and in any event within five Business Days after the date of receipt of the said request give to the Shareholder notice in writing of the exercise of such right and supply to the Shareholder particulars of the Investments to be sold or redeemed or transferred and of the amount of cash to be added;
- (iv) The Shareholder upon the service of such notice shall, if the Company shall have elected to proceed in accordance with paragraph (i) above, have the option to elect by written notice served on the Company within five Business Days after the service of such notice by the Company that the Company shall proceed in accordance with paragraph (ii) above. In addition, the Shareholder upon the service of such notice shall, if the Company shall have elected to proceed in accordance with paragraph (ii) above, have the option to elect by written notice served on the Company within five Business Days after the service of such notice by the Company that the Company shall proceed in accordance with paragraph (i) above.

11.14 If the Company is required to deduct, withhold or account for tax including any penalties and interest thereon upon a disposal of Shares by a Shareholder (whether upon a redemption of Shares, a transfer of Shares or otherwise) the Directors may arrange for the deduction from the

proceeds due to be paid to a Shareholder of a cash amount equal to the liability or in their discretion in accordance with Article 10 hereof the compulsory redemption and cancellation of such number of Shares of such Shareholder as is sufficient after the deduction of any redemption charges to discharge any such liability and the relevant Shareholder shall indemnify the Company against any loss suffered by it in connection with any obligation or liability to so deduct, withhold or account.

- 11.15 If the determination of the Net Asset Value of any Fund or Class has been suspended pursuant to Article 14.04 hereof the right of a Shareholder to have his Shares redeemed pursuant to this Article shall be similarly suspended and during the period of suspension he may withdraw any request for redemption of his Shares. Any withdrawal of a request for redemption under the provisions of this Article shall be made in writing and shall only be effective if actually received by the Company or its duly authorised agent before termination of the suspension. If the request is not withdrawn during the period of suspension the redemption of Shares shall be effected on the Dealing Day next following the end of the suspension subject to Article 11.11.
- 11.16 Where all the Shares in a Class have been redeemed, the Directors may subsequent to such redemption make a subsequent issue of Shares in that Class at a Subscription Price per Share determined by the Directors. Any such issue of Shares pursuant to this Article shall be in accordance with the requirements of the Financial Regulator and the Commission.
- 11.17 In calculating the Net Asset Value per Share of the relevant Class for the purposes of redemption the Directors may adjust the Net Asset Value per Share to reflect the value of the Class's Investments by valuing the Investments using the lowest market dealing bid price on the relevant market at the relevant time in order to preserve the value of the shareholdings of the continuing Shareholders in the event of substantial or recurring net redemption of Shares of the Class.
- 11.18 In the event that the Company receives a request to realise Shares with a value of less than an amount as set out in the Prospectus, the Directors may, in their absolute discretion, impose a transaction fee of an amount as set out in the Prospectus to cover the costs of such realisation or such other amounts as may be determined by the Directors from time to time.

12.00 **TOTAL REDEMPTION**

- 12.01 The Company may by not less than four nor more than twelve weeks' notice to Members expiring on a Dealing Day, redeem at the Redemption Price on such Dealing Day, all of the Shares in any Fund or Class or all Funds or Classes not previously redeemed.
- 12.02 The Company shall redeem all of the Shares in any Fund or Class not previously redeemed if the holders of 75% in value of the relevant Fund or Class resolve at a meeting of the Shareholders of such Fund or Class duly convened and held that such Shares should be redeemed.
- 12.03 If all of the Shares in a particular Fund or Class are to be redeemed as aforesaid the Directors, with the sanction of an Ordinary Resolution of the relevant Fund or Class, may divide amongst the Shareholders in specie all or part of the assets of the relevant Fund or Class according to the Net Asset Value of the Shares then held by each Shareholder in the relevant Fund or Class in accordance with Article 14.00 hereof provided that any Shareholder shall be entitled to request, at

the expense of such Shareholder, the sale of any asset or assets proposed to be so distributed and the distribution to such Shareholder of the cash proceeds of such sale.

- 12.04 If all of the Shares of the Company are to be redeemed as aforesaid the Company, with the approval of the Shareholders by Ordinary Resolution, may divide amongst the Shareholders in specie all or part of the assets of the Company according to the Net Asset Value of the Shares then held by each Shareholder as determined in accordance with Article 14.00 hereof.
- 12.05 If all the Shares in the Company or a Fund or Class are to be redeemed as aforesaid and the whole or any part of the business or property of the relevant Fund or any of the assets of the Company are proposed to be transferred or sold to another company (hereinafter called "the Transferee") the Directors may, with the sanction of a Special Resolution of the Company or the relevant Fund or Class conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for such transfer or sale shares, units, policies or other like interests or property in or of the Transferee for distribution among the said Shareholders, or may enter into any other arrangement whereby the said Shareholders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee.
- 12.06 The Non-Participating Shares (or any of them) may be redeemed by the Company at any time after the first issue of Shares is effected after the initial offer period. The redemption price for each Non-Participating Share shall be €1.

13.00 **CONVERSION OF SHARES**

- 13.01 Subject as hereinafter provided and to any restrictions imposed pursuant to these presents a Shareholder of any Fund or Class (the "Original Fund") shall have the right from time to time to convert all or any Shares held by him into Shares of another Fund or Class or another Class in the same Fund (the "New Fund") either existing or established as provided herein. The Directors may at their discretion impose a minimum conversion amount in relation to any particular Fund or Class.
- 13.02 The right of conversion is exercisable by the said Shareholder giving to the Company a notice (hereinafter called "Conversion Notice") in such form and by such time and means as the Directors may from time to time determine together with the relevant share certificate, share warrant or such other evidence of title as the Directors may require provided that the Shares proposed to be converted have a value at the time of conversion not less than the value of the Minimum Holding for the New Fund or the Minimum Holding for the Original Fund or such other amount as may be determined by the Directors from time to time and the Shareholder otherwise satisfies the criteria determined by the Directors for investment in the New Fund.
- 13.03 Following receipt by the Company of a Conversion Notice the conversion of Shares specified in a Conversion Notice shall be effected on a day which is a Dealing Day for the Original Fund and the New Fund or on such other Dealing Days as the Directors may determine PROVIDED THAT the Directors may, in their discretion, accept a conversion request for processing on a Dealing Day notwithstanding that such request may have been received after the time specified from time to

time by the Directors for the receipt of conversion requests for such Dealing Day so long as such conversion request is received prior to the Valuation Point for the relevant Dealing Day.

- 13.04 A Shareholder requesting conversion shall not without the written consent of the Company or its authorised agent be entitled to withdraw a Conversion Notice duly made in accordance with this Article except in circumstances in which he would be entitled to withdraw a request for redemption of Shares.
- 13.05 Conversion of Shares specified in the Conversion Notice may, subject to the Regulations, the Notices and these Articles, be effected in such manner as may be determined by the Directors and without prejudice to the generality of the foregoing may be effected by the redemption of Shares of the Original Fund (save that the redemption monies shall not be released to the Shareholder requesting conversion) and the issue of Shares in the New Fund.
- 13.06 The number of Shares of the New Fund to be issued on conversion shall be determined by the Directors in accordance (or as nearly as may be in accordance) with the following formula:

$$N = \frac{P (R \times CF) - F}{S}$$

where:-

N = the number of Shares of the New Fund that will be allotted;

P = the number of Shares of the Original Fund to be converted;

R = the Redemption Price of a Share in the Original Fund at the Valuation Point on the relevant Dealing Day;

CF = the currency conversion factor (if any) determined by the Directors on the relevant Dealing Day as the appropriate rate of exchange at which the Base Currency of the Original Fund Shares should be converted into the Base Currency of the New Fund Shares;

F = the conversion charge (if any) of up to 5% of the value of Shares to be issued in the New Fund.

S = the Subscription Price of a Share in the New Fund at the Valuation Point on the relevant Dealing Day.

- 13.07 Upon conversion of Shares as provided for herein the Directors shall cause assets or cash equal to the value of "N" as defined in Article 13.06 to be transferred to the New Fund.
- 13.08 The Directors may charge a fee on the conversion of Shares in any Fund or Class into Shares in another Fund or Class or another Class in the same Fund up to a maximum of 5% of the Subscription Price of Shares to be issued in the New Fund upon conversion of the Shares in the Original Sub-Fund.

- 13.09 Where a conversion request would result in a Shareholder holding a number of Shares in either the Original Fund or the New Fund which would be less than the Minimum Holding for the New Fund, the Directors may, if they think fit, convert the whole of such Shareholder's holding in the Original Fund to Shares in the new Fund or refuse to effect any conversion from the Original Fund.
- 13.10 On conversion of the whole or part only of the Shares comprised in a certificate, the Directors shall procure the issue of a new certificate, and, in the case of a conversion of part only of the Shares comprised in a certificate, a balance certificate in respect of the Shares issued in the New Fund and the remaining Shares held in the Original Fund (if any) to be sent to the Shareholder or as he shall direct.
- 13.11 Fractions of Shares of the New Fund may be issued on conversion subject to Article 8.08.

14.00 **DETERMINATION OF NET ASSET VALUE**

- 14.01 The Directors shall on or with respect to each Dealing Day determine the Net Asset Value of each Fund or, if there are different Classes within a Fund, attributable to each Class in accordance with the following provisions.
- 14.02 The Net Asset Value of each Fund shall be determined as at the Valuation Point for the relevant Dealing Day by ascertaining the value of the assets of the Fund pursuant to Article 15.01 hereof, having regard to the principles specified in, and making such additions, deductions and adjustments as are appropriate pursuant to Article 15.03 hereof. The Net Asset Value attributable to a Class shall be determined as at the Valuation Point for the relevant Dealing Day by calculating that portion of the Net Asset Value of the relevant Fund attributable to the relevant Class as at the Valuation Point by reference to the number of Shares in issue or deemed to be in issue in each Class on the relevant Dealing Day subject to adjustment to take account of assets and/or liabilities attributable to each Class.
- 14.03 The Net Asset Value per Share shall be determined as at the Valuation Point on or with respect to each Dealing Day by dividing the Net Asset Value of the relevant Fund or attributable to a Class by the number of Shares in issue or deemed to be in issue in such Fund or Class at the Valuation Point.
- 14.04 The Directors may at any time and from time to time temporarily suspend the determination of the Net Asset Value of a Fund or attributable to a Class and the issue, redemption and conversion of Shares in any Fund or Class and/or may delay the payment of any moneys in respect of any such redemption, in the following instances:
- (a) during any period when any market on which a substantial part of the investments of the relevant Fund are quoted, listed or dealt is closed otherwise than for ordinary holidays;
 - (b) during any period when dealings on any such market are restricted or suspended;

- (c) during the existence of any state of affairs as a result of which disposal of the investments of the relevant Fund cannot, in the opinion of the Directors, be effected normally or without seriously prejudicing the interests of Shareholders of that class;
- (d) during any breakdown in the means of communication normally employed in determining the value of the net assets of the relevant Fund or when, for any other reason, the value of any investments of the relevant Fund cannot be promptly and accurately ascertained;
- (e) during any period during which the Custodian is unable to repatriate funds required for making payments due on realisation of Shares or during which the realisation of investments or the transfer of funds involved in such realisation cannot, in the opinion of the Directors, be effected at normal prices or normal rates of exchange;
- (f) in the context of a winding up of the Company or the termination of any Fund; or
- (g) any other reason makes it impossible or impracticable to determine the value of a substantial portion of the assets of the relevant Fund or the Company.

14.05 Notice of any such suspension and notice of the determination of any such suspension shall be published by the Company in such manner as the Directors may deem appropriate to notify the persons likely to be affected thereby and given immediately to the Financial Regulator, the Commission, the Stock Exchange and to the competent authorities in the Member States in which Shares of the particular Fund are marketed and in any event within the Business Day on which such suspension took effect. Any such suspension shall be published in a national daily newspaper as specified in the Prospectus at such frequency as required by the Financial Regulator and/or the Commission.

14.06 The Directors shall ensure that the Net Asset Value per Share is made readily available for the relevant Shareholders.

15.00 **VALUATION OF ASSETS**

15.01 The value of the Investments of each Fund shall be determined as at the Valuation Point as follows:-

The value of any Investment which is quoted, listed or traded on a Recognised Exchange will be calculated by reference to the price appearing to the Directors to be the last traded price or (if no last traded price is available) the price midway between the latest available market dealing offered price and the latest available market dealing bid price on the Recognised Exchange on which the Investments, listed or ordinarily dealt in for such amount of such Investment as the Directors may in the circumstances to provide a fair criterion, provided that:-

- (a) where an investment is quoted, listed or normally dealt in on more than one Recognised Exchange the Directors shall adopt the price or as the case may be the middle quotation on the Recognised Exchange which in their opinion provides the principal market for such Investment. Securities listed or traded on a Recognised Exchange, but acquired or traded at a premium or at a discount outside or off the relevant exchange or market may

- (b) the value of any Investment which is not quoted, listed or normally dealt in on a Recognised Exchange or which is so quoted, listed or dealt but for which no such quotation or value is available or the available quotation or value is not representative of the fair market value shall be the probable realisation value as estimated with care and good faith by (i) the Directors or the Manager or (ii) a competent person, firm or corporation (including the Investment Manager) selected by the Directors and approved for the purpose by the Custodian or (iii) any other means provided that the value is approved by the Custodian. - (c) cash in hand or on deposit will be valued at face value plus accrued interest, where applicable, to the end of the relevant day on which the Valuation Point occurs, unless, in the opinion of the Directors, any adjustment should be made to reflect the value thereof.

Where such Alternative Valuation method is used the Company will follow international best practice and adhere to the principles on valuation of OTC instruments established by bodies such as IOSCO and AIMA and will be reconciled to the Counterparty Valuation on a monthly

basis. Where significant differences arise these will be promptly investigated and explained.

- (g) forward foreign exchange contracts shall be valued with reference to the prevailing market maker quotation, namely, the price at which a new forward contract of the same size and maturity could be undertaken or, if unavailable, at the settlement price as provided by the counterparty and the counterparty shall value such contracts daily. The valuation of such contracts will be verified at least weekly by a person independent of the counterparty approved for that purpose by the Custodian.
- (h) Units in collective investment schemes shall be valued at the latest available net asset value per unit or bid price as published by the relevant collective investment scheme (where the same is considered by the Directors to be appropriate) or, if listed or traded on a Recognised Exchange, in accordance with Article 15.01(a) hereof. If such net asset value is not published or not considered by the Directors to be appropriate, the value of such units or shares shall be calculated by aggregating the last published bid price for such a unit or share and the last published offer price therefore (excluding any preliminary or initial charge included in such offer price) and dividing the result by two.
