

Prospectus entitled “Risk Considerations” and discuss with your

professional advisers.

Charges

The charges you pay are used to pay the cost of running the Portfolio, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	none
Exit charge	none
This is the maximum that might be taken out of your money before it is invested / before the proceeds of your investment are paid out.	
Charges taken over a year	
Ongoing charges	0.81%
Charges taken under certain specific conditions	
Performance fee	The performance fees are calculated in accordance with the methodology described in the prospectus using a rate of 15.00% of net returns the share class achieves above ICE BofA 3month US T-Bill.* In the Fund's last financial year the performance fee was 0.00% of the net asset value of the share class.

Where applicable, the entry and exit charges shown are maximum figures and in some cases you might pay less - please contact your professional advisers for more information.

The ongoing charges figure is based on expenses for the year ending November 2023. This figure may vary from year to year. It excludes transaction costs (including taxes and brokerage commissions) and any borrowing costs, which are payable from the assets of the Portfolio and may impact returns on your investment, and performance fees (where applicable).

*Performance Fees may be accrued in some circumstances when the Portfolio/share class has underperformed on an absolute basis but has achieved positive relative performance.

For more information about charges, please refer to the Fund's Prospectus, section entitled “Fees and Expenses” and the relevant supplement for the Portfolio.

Past Performance

The Portfolio was launched in November 2017. The share class was launched in November 2017.

Where applicable, past performance has been calculated in USD and is expressed as a percentage change of the Portfolio's Net Asset Value at each year end (net of all fees). Where past performance is not shown there is insufficient data to provide a useful indication of past performance.

Please be aware that past performance is not indicative of future performance which may vary.
