ACTIVE ALLOCATION FLEXIBLE – CLASS: A EUR ACC – ISIN: LU1713634118

a share class of ACTIVE ALLOCATION FLEXIBLE (the **Sub-Fund**), a Sub-Fund of Crediinvest SICAV (the **Fund**).
The Fund is managed by MC Square S.A. (the **Management Company**)

Objectives and Investment Policy

Objectives

This actively managed Sub-Fund aims to achieve capital appreciation.

Investment policy

The Sub-Fund seeks for investment opportunities across global markets and different asset classes mainly investing in UCITS and other UCIs.

The Sub-Fund invests from 25% to 75% of its Net Assets, directly or indirectly, in Equity Securities.

The Sub-Fund may also invest up to 10% of its Assets in Contingent Convertible Bonds.

The benchmark of the Sub-Fund is composed of 50% Bloomberg Barclays Global Aggregate (LEGATREH Index PR EUR) and 50% MSCI World EUR (MSERWI Index PR EUR). It is used as a universe and for performance fee calculation. The fund manager is not constraint to replicate the benchmark.

The Sub-Fund may invest into financial derivatives instruments for hedging or investment purposes.

The recommended investment horizon is at least five (5) years.

Specific Information on the shares

You can request the sale of your shares on a daily basis, except in certain circumstances (see prospectus).

No dividends are intended to be distributed. Any income derived from the portfolio is reinvested.

ESG Policy

The Sub-Fund does not promote environmental or social characteristics, nor is it classified as a product that has sustainable investments as its objective.

Risk and Reward Profile

Meaning of the risk and reward indicator

The risk indicator aims to provide you a measure of the price movement of the shares. This category 5 means that the share price has a quite high price movement therefore the risk of loss as well as the expected reward can be medium to high. The lowest category does not mean a "risk free" investment.

Historical data may not be a reliable indication for the future. The risk indicator shown is not guaranteed and may change over time. There is no capital guarantee or protection on the value of the Sub-Fund.

Reason why the Sub-Fund is classified in this risk category

Fund volatility corresponds with the investment strategy.

The following risks may not be fully captured by the risk indicator and may be materially relevant for this Sub-Fund:

Counterparty risk: the risk arising from the inability of any party contracting with the Fund to satisfy its obligations, in particular in respect of off-exchange financial transactions where the market does not guarantee the performance of contracts in case of defaulting counterparties.

Credit risk: the risk arising from the inability of an issuer of Debt Securities to pay interests or repay the sum borrowed under the Debt Securities.

Hedged Strategies risk: the risk arising from improper hedging (e.g. when hedging insufficiently reduces the loss of capital or significantly reduces the potential rate of return of the investment hedged).

Equity Securities risk: the risk involved in holding Equity Securities in a particular company and whose value may decline as a result of the underperformance of such company or of external factors affecting the company such as economic, political or market changes.

Further investment risks are set out in the risk section of the prospectus.

Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distribution. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest:	
Entry charge	3.00%
Exit charge	3.00%
This is the maximum that might be taken out of your money before it is invested and/or the proceeds of your investment are paid out. Please refer to your financial advisor or the distributor for the actual charges.	
Charges taken from the Sub-Fund over a year:	
Ongoing charges	2.68%
Charges taken from the Sub-Fund under specific conditions:	
Performance fee	10.00% of any returns the Sub-Fund achieves above the benchmark: 50% Bloomberg Barclays Global Aggregate (LEGATREH Index PR EUR) and 50% MSCI World EUR (MSERWI Index PR EUR). The actual amount charged in the Sub-Fund's last financial year was 0.41%.

The ongoing charges figure is based on expenses for the year ending 31 December 2020. This figure may vary from year to year.

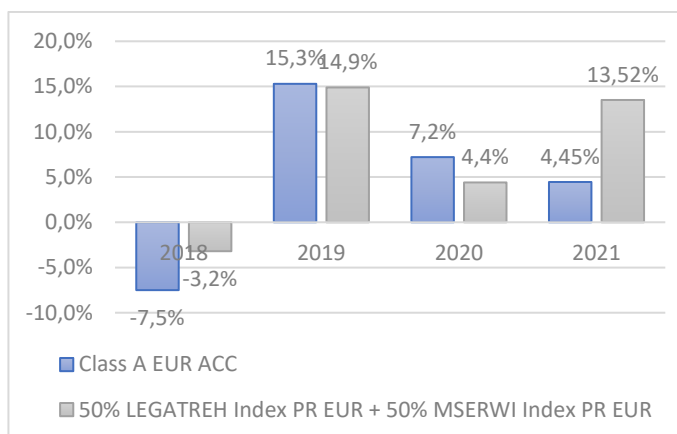

Ongoing charges do not include the following:

- Performance fees; and
- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Sub-Fund when buying or selling units in another collective investment undertaking.

If the performance of the Fund is negative but superior to its Benchmark, it is possible that a performance fee is paid in order to remunerate the manager for his positive relative performance (overperformance).

For more information on charges, please refer to the prospectus which is available at www.mcsquare.lu.

Past Performance

- The performance diagram shown is not a reliable indication of future performance.
- Annual performance is calculated after deduction of the costs charged to the Sub-Fund.
- The Sub-Fund was created in 2017.
- The share class A EUR ACC was launched in 2017.
- Past performance has been calculated in EUR.
- The performance of the Sub-Fund is not linked to the performance of the benchmark. The benchmark is to be used purely as a comparator and for performance fees computation.
