BEST SELECTION,
a compartment of GENERALI SMART FUNDS

Class: E, Share: X (Accumulation) ISIN: LU1580346895
This SICAV is managed by Generali Investments Luxembourg S.A.

Objectives and Investment Policy

The Fund aims to achieve the highest possible growth and to outperform its Benchmark through opportunities offered by the global equity as well as bond markets.

The Fund invests essentially in a diversified portfolio of UCITS, UCIs, and ETFs having an equity and bond strategy. The Fund may also invest in UCITS, UCIs, and ETFs having a multi-asset strategy.

The Fund shall be mainly exposed to equity markets (including through UCITS, UCIs and ETFs).

A part of UCITS, UCIs and ETFs might be selected from funds managed or advised by group Generali or affiliated parties.

The Fund may also directly invest on an ancillary basis in cash and cash equivalent Money Market Instruments and/or equivalent financial instruments and/or money market UCITS, UCIs, and ETFs.

The Fund is actively managed and references the Benchmark by seeking to outperform it. The Investment Manager has full discretion over the composition of the Fund's portfolio and there are no restrictions on the extent to which the Fund's portfolio and performance may deviate from the ones of the Benchmark.

The Fund may use financial instruments and derivatives for hedging purposes, for efficient portfolio management purposes and for investment purposes.

The Fund is open-ended. You may redeem shares of the Fund on any Luxembourg business day.

The Share Class makes no dividend payment.

The Benchmark of the Fund is a composite Benchmark composed of the MSCI World Net Return in EUR (70%) and Bloomberg Barclays Multiverse Total Return Index (30%).

Risk and Reward Profile

This indicator represents the annual historical volatility of the Fund over a 5-year period. Its aim is to help investors understand the uncertainties attached to gains and losses that may have an impact on their investment.

The Fund's exposure to interest rate risk explains its classification in this category.

Historical data such as that used to calculate the synthetic indicator cannot be considered as a reliable indication of the Fund's future risk profile.

The risk category associated with the Fund is not guaranteed and may change over time. The lowest risk category does not mean "risk free". Your initial investment is not guaranteed.

Significant risk(s) for the Fund not taken into account in this indicator include the following:

Credit Risk: The Fund invests a substantial portion of its assets in bonds. The issuers may become insolvent, whereby the bonds may lose a major part of their value or their value entirely.

Counterparty Risk: The Fund primarily concludes derivatives trades with various contracting parties. There is a risk that counterparties may no longer be able to honour their payment or settlement obligations.

Operational Risk and Depositary Risk: The Fund may fall victim to fraud or other criminal acts. It may also incur losses due to misunderstandings or errors by employees of the management company, the depositary or external third parties. Finally, its' management or the custody of its' assets can be adversely affected by external events such as fires, natural disasters etc.

Geopolitical Risk: Risk related to investments in geographic areas or sectors that may be sensitive to any event of economic, geopolitical or regulatory nature or any other events beyond the control of the Management Company that could expose the Fund to losses.

For more information about the risks of the Fund, please refer to the risk section of the prospectus.

Charges for this Fund

The charges and commissions are used to cover the Fund's operating costs, including marketing and distribution of shares. These charges reduce the potential growth of your investment.

One-off charges that may be taken before or after you invest	
Entry charge	5 %
Exit charge	3 %
The percentage shown is the maximum amount that can be paid out of your investment. Your financial advisor or distributor can inform you of the associated entry and exit charges.	
Charges taken from the Fund over a year	
Ongoing charge	2.23 %
Charges taken from the Fund under certain specific conditions	
Performance fee	Not Applicable

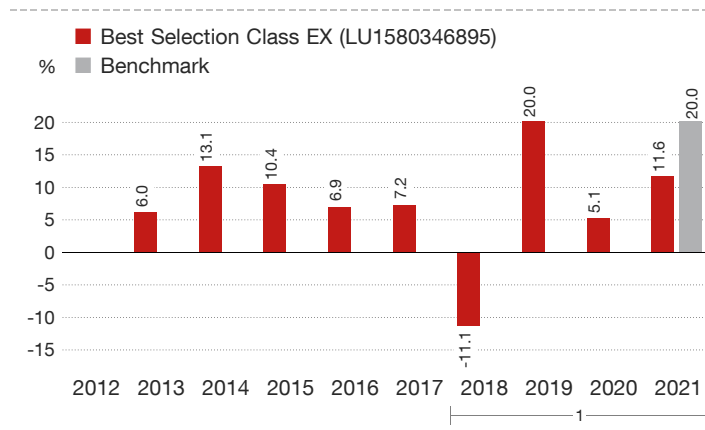

The entry and exit charges shown are maximum rates. In certain cases, the charges paid may be lower.

Ongoing charges are based on the charges for the previous 12 months, ending on 31 December 2021. This percentage may vary from year to year. It excludes performance fees, if applicable, and portfolio trade-related costs, with the exception of costs paid to the custodian and any entry/exit charge paid to an underlying collective investment scheme.

A conversion commission of up to 5.00% maximum of the net asset value per share class to be converted may be charged.

For more information about Fund charges, please refer to the relevant parts of the prospectus, which is available at www.generali-investments.lu.

Past Performance

Annualised performance is calculated after deducting all charges taken from the Fund, taking into consideration the reinvested net dividends.

The performance figures shown in the bar chart are not a reliable indication of future performance.

Fund creation date: 19 January 2018.

Share class launch date: 19 January 2018.

Past performance has been calculated in EUR.

Until 18/01/2021, the Fund had no reference Benchmark.

Benchmark: MSCI World Net Return in EUR (70%) and Bloomberg Barclays Multiverse Total Return Index (30%). As the Fund is actively managed, it is not intended that the performance of this share class will track the performance of the Benchmark.

The performance shown in the chart prior to January the 19th 2018 relates to the historical performance of another UCITS, which was merged into the Fund on that date. The investment policy, investment restrictions and fee structure of this previous fund were very similar to those of the Fund.

1 Investment Policy changed on 19/01/2018.
