Mirabaud - Equities Global Emerging Markets

(the "Sub-Fund") is a sub-fund of Mirabaud SICAV ("the Fund")

Class N cap. USD (the "Class") – ISIN: LU1708483570

The Fund is managed by Mirabaud Asset Management (Europe) SA (the "Management Company").

The Fund is authorised in Luxembourg and regulated by the Commission de Surveillance du Secteur Financier (CSSF).

Objectives and Investment Policy

- The objective of the Sub-Fund is to maximise the total return by invest, directly or indirectly (for example through derivatives, structured products or investment funds), at least seventy percent (70%) of its total net assets in equities and equity related securities (such as ADRs and GDRs) of issuers that have their registered office or carrying out the majority of their business in emerging markets including countries in Latin America, South East Asia, Africa, Eastern Europe (including Russia) and the Middle East.
- The Sub-Fund offers daily liquidity, whereby you can subscribe to the Sub-Fund or redeem your assets on any business day in Luxembourg.
- The Sub-Fund is actively managed. The Benchmark of the Class is the MSCI Emerging Markets TR Net USD and is shown for comparison purposes only, without implying any particular constraints to the Sub-Fund's investments.
- Extra financial considerations (Environmental, Social and Governance ("ESG")) are fully integrated in the investment process of the Sub-Fund. Therefore, the Sub-Fund will focus on companies whose social and environmental factors and methods of governance have a sustainable impact on financial performance. An Extra-financial analysis process is used to assign an ESG score based on an internal analysis and/or on the data provided by an extra-financial rating agency in order to define the eligible investment universe.
- The Class is not entitled to any dividend distribution.

Risk and Reward Profile

- This synthetic risk and reward indicator is a risk indicator based on historical volatility and may not be a reliable indication of the future risk profile of the Class.
- The Risk and Reward Category shown is not a target or a guarantee and may shift over time.
- The lowest category does not mean a risk-free investment.
- The Risk and Reward Category shown indicates that the Sub-Fund invests mainly in securities which may experience sharp rises and falls in value, resulting from the evolution of the issuers' financial situation, but also from political and economic developments in the countries where the issuers are located or have significant activities.
- Risks to which the Sub-Fund may be exposed and which may not be reflected in the indicator:
 - Liquidity risk: Risk that a position cannot be liquidated in a timely manner at a reasonable price, especially in the particular case where financial market trading volumes are very low.
 - Safekeeping risk: The Sub-Fund's operations may depend on third parties that are located in countries where securities oversight standards are less developed.
 - Third parties risk: The failure of the third parties on which the Sub-Fund's operations depend may cause disruptions and losses.
 - Emerging markets instability risk: Emerging markets may be subject to political, fiscal and/or economic instability that may imply opportunities for investors but also greater risks.
 - Currency risk: the Sub-Fund may invest in securities that are issued in currencies other than the base currency of the Fund. Currency risk arises from changes in the exchange rates between the two currencies.

For more details about other risks associated with the investments of this Sub-Fund, please refer to the Risk Factors section of the Fund's prospectus.

Charges

Entry and exit charges

The entry and exit charges shown are maximum figures that might be taken out of your money before it is invested or before the proceeds of your investment are paid out. In some cases you might pay less. The entry and exit charges actually levied on your investment can be obtained from your financial advisor or distributor.

Ongoing charges

The charges levied on your assets are used to pay the costs of running the Sub-Fund, including the marketing and distribution costs. These charges reduce the potential growth of your investment.

The ongoing charges figure is based on expenses for the year ended 2021 and may vary from year to year.

It excludes portfolio transaction costs.

For more information about charges, please refer to the "Charges and Expenses" section of the Fund's prospectus.
