

Key Investor Information

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

**INCOME 2024 (the "Sub-Fund"), a sub-fund of EDR FUND II (the "Fund")**  
Share Class B EUR (the "Class") - LU1813148001  
Management Company : Edmond de Rothschild Asset Management (Luxembourg)

Objectives and Investment Policy

**Objective**  
The Sub-Fund aims to provide a regular income of 4% p.a. by investing in European equity and fixed income securities.

**Benchmark index**  
None. The Sub-Fund is actively managed and is not managed in reference to a benchmark index.

**Investment policy**  
The Sub-Fund will seek to achieve the investment objective by investing in bonds and equities, which offer attractive yields and sustainable dividend payments.  
The Sub-Fund will invest at least 50% of its Net Asset Value in corporate bonds denominated in euro. The Sub-Fund investments in securities issued in emerging countries, including non-OECD Member States may not exceed 10% of its net total net assets. Investments in other currencies than Euro are intended to be hedged.  
The Sub-Fund may invest in financial derivative instruments to achieve its investment objective. Such instruments may also be used for the purpose of hedging and credit derivatives (up to 100% of its net assets).  
The portfolio duration will be maintained within a range of 0 to 7.  
The investments underlying this financial product do not take into account the EU criteria for environmentally sustainable economic activities.  
The Sub-Fund may, in exceptional market circumstances and if the Investment Manager considers this to be in the best interest of the investors, hold up to 100% of its net assets in cash or cash equivalent instruments.

**Recommended holding period of at least five (5) years**  
**Currency of the Sub-Fund:** EUR  
**Frequency of share buying or selling:** Every Luxembourg and France bank business day except for Good Friday, 24 December (Christmas Eve) and the days on which the French markets are closed (official calendar of Euronext Paris S.A.) for orders received by the transfer agent no later than 12:30 p.m. (Luxembourg time) on the relevant Valuation Day.  
**Income allocation:** Distribution

Risk and Reward Profile

The definition of the risk and reward category is based on the historical performance data and/or the risk limit indicated in the Sub-Fund's investment policy. It may not be a reliable indication of the future risk profile of the Sub-Fund. The risk and reward category shown may change over time. Category 1 does not mean that an investment is risk-free. Investors should note that the Sub-Fund is not guaranteed or capital protected.  
The Sub-Fund is rated in category 6, in line with the type of securities and geographic regions detailed under the heading "Objectives and investment policy", as well as the currency of the unit.

**Significant risks not taken into account in this indicator:**  
Credit risk : When a significant level of investment is made in debt securities.  
Liquidity risk : The markets for some securities and instruments may have limited liquidity. This limited liquidity could be a disadvantage to the Sub-Fund, both in the realisation of the prices quoted and the execution of orders at desired prices.  
Impact of techniques such as derivative contracts : The use of derivatives instruments can infer a decrease of the asset more significant than the decrease of the invested underlying assets or markets.  
Counterparty risk : Where a Fund is backed by collateral or has significant investment exposure through contracts with a third party.  
Operational risk : The Sub-Fund may suffer losses due to the failure of operational processes, including those related to the safekeeping of assets.  
The occurrence of any of these risks may negatively impact the net asset value.

Charges and fees are paid to cover the operating costs of the Sub-Fund, including the cost of marketing and distributing share classes. These costs reduce the potential growth of your investment.

Investors may obtain the actual amount of entry and exit charges from their advisor or distributor. In certain cases you might pay less.

The ongoing charges include an initial marketing and distribution fee equal to 2% of the total amount of subscription monies collected by the Sub-Fund during the Initial Offering Period. This fee will be amortised on a straight line basis over a five year period.

The ongoing charges figure is based on the last year's expenses, for the year ending December 2023. This figure may vary from year to year. It excludes performance fees and intermediary fees except entry and exit charges paid by the Sub-Fund when buying or selling units and/or shares of another UCI.

For more information about charges, including information on performance fees and their calculation, please refer to the Sub-Fund's data sheet in the Fund prospectus.

Past Performance

Past performance is not an indication of future performance. It may vary over time. The performance indicated does not take into account costs and fees on issues and redemptions of units, but does include ongoing charges and intermediary fees as well as any performance fees collected.

Past performances are calculated in EUR, net dividends reinvested.
