- 1.2 Expressions in these Articles referring to writing shall be construed, unless the contrary intention appears, as including references to printing, lithography, photography and any other modes of representing or reproducing words in a visible form. Expressions in these Articles referring to execution of any document shall include any mode of execution whether under seal or under hand.
- 1.3 Unless specifically defined herein or in Appendix I or unless the context otherwise requires, words or expressions contained in these Articles shall bear the same meaning as in the Companies Act but excluding any statutory modification thereof not in force when these Articles become binding on the Company.
- 1.4 The table of contents, headings and captions included in these Articles are inserted for convenience of reference only and shall not be considered a part of or affect the construction or interpretation of these Articles.

- 1.5 References in these Articles to any enactment or any section or provision thereof shall mean such enactment, section or provision as the same may be amended and may be from time to time and for the time being in force.
- 1.6 In these Articles the masculine gender shall include the feminine and neuter, and vice versa, and the singular number shall include the plural, and vice versa, and words importing persons shall include firms or companies.

Part II - Share Capital, Umbrella Fund and Rights

2 Share Capital

The authorised share capital of the Company is 3 Subscriber Shares of 1 Euro each and 1,000,000,000,000 unclassified participating shares of no par value. The minimum issued share capital of the Company is Euro 3 or its equivalent in any other currency. The maximum issued share capital of the Company is Euro 1,000,000,000,003 or its equivalent in any other currency.

3 Umbrella Fund

The Company is an umbrella fund comprising separate portfolios of assets and liabilities attributable thereto referred to herein as Fund(s) as further described in Clause 8 of Appendix II by reference to which shares are issued with segregated liability between its Funds and accordingly the assets of each Fund belong exclusively to the relevant Fund and may not be used to discharge, directly or indirectly, the liabilities of or claims against any other Fund and are not available for such purpose. As a result, as a matter of Irish company law, any liability incurred on behalf of or attributable to a particular Fund shall be discharged solely out of the assets of that Fund.

4 Issue of shares

- 4.1 Shares may only be issued as fully paid and shall have no par value.
- 4.2 The amount of the paid up share capital of the Company shall at all times be equal to the Net Asset Value of the Company.
- 4.3 The Directors may from time to time issue fractions of shares. Notwithstanding anything contained in the Articles the holder of a fraction of a share may not exercise any voting rights in respect of such share.
- 4.4 The Directors may issue any of the unclassified shares as participating shares in a Fund with such rights or restrictions as the Directors may determine. The Directors may issue more than one class of shares which participate in a Fund. The provisions contained in Clauses 1 to 7 of Appendix II shall govern the terms and conditions relating to the issue of shares.

- 4.5 The Directors, on the allotment and issue of any shares, may impose restrictions on the transferability or disposal of the shares as may be considered by the Directors to be in the best interests of the Holders as a whole.
- 4.6 The Directors may in their absolute discretion refuse to accept any application for shares in the Company or accept any application in whole or in part. For the avoidance of doubt, no interest may be payable on such amount before its return to the applicant.
- 4.7 The Directors are generally and unconditionally authorised to exercise all powers of the Company to allot relevant securities, including fractions thereof, (as defined for the purposes of Section 20 of the 1983 Act) up to an amount equal to the authorised but as yet unissued share capital of the Company.
- 4.8 Shares issued solely for the purposes of the incorporation of the Company and to enable the Company to seek authorisation under the Regulations from the Central Bank will be issued at an issue price of one(1) Euro per share and shall be known as Subscriber Shares. Subscriber Shares may be transferred to investors who apply for shares save for 3 Subscriber Shares of one(1) Euro per share, and be redesignated as shares.
- 4.9 Notwithstanding any other provision of these Articles the Directors may permit title to the shares to be transferred by means of a computer based system and the Directors shall have the power to implement any arrangements they think fit for evidencing title and arranging transfer of such shares and may implement any ancillary arrangements (including any anti-money laundering requirements) which seem to them necessary or desirable in respect of shares to be transferred via such a system.
- 4.10 The Directors may for commercial reasons and at their sole discretion, close any existing class of shares for subscription, in such circumstances and subject to such conditions as may be set out in the Prospectus from time to time. The Directors also reserve the right to cancel an initial offering of shares of any class of a Fund or the offering of a new class of shares of a Fund.

5 Variation of rights

- 5.1 Whenever the share capital is divided into different classes of shares, the rights attached to any class may be varied or abrogated with the consent in writing of the Holders of three-fourths in number of the issued shares of that class, or with the sanction of a special resolution passed at a separate general meeting of the Holders of the shares of the class, and may be so varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding-up but such consent or sanction will not be required in the case of a variation, amendment or abrogation of the rights attached to any shares of any class if, in the view of the Directors, such variation, amendment or abrogation does not materially prejudice the interests of the relevant Holders or any of them. Any such variation, amendment or abrogation will be set out in a supplement to (or re-statement of) the relevant Supplement originally issued in connection with the relevant shares, a copy of which will be sent to the relevant Holders entered on the Register on the date of issue of such document and will be binding on the relevant Holders. The quorum at any such separate general meeting, other than an adjourned meeting, shall be two persons holding or representing by proxy at least one-third of the issued shares of the class in question and the quorum at an adjourned meeting shall be one person holding or representing by proxy shares of the class in question or his proxy.
- 5.2 The rights conferred upon the Holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by these Articles or the terms of the issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith or subordinate thereto.

6 Trusts not recognised

Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these Articles or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the Holder. This shall not preclude the Company from requiring the Holders or a transferee of shares to furnish the Company with information as to the beneficial ownership of any share when such information is reasonably required by the Company.

7 Disclosure of interests

7.1 Notwithstanding the provisions of the immediately preceding Article, the Directors, at any time and from time to time if, in their absolute discretion, they consider it to be in the interests of the Company to do so, may give a notice to the Holder or Holders of any share (or any of them) requiring such Holder or Holders to notify the Company in writing within such period as may be specified in such notice (which shall not be less than twenty-eight days from the date of service of such notice) of full and accurate particulars of all or any of the following matters, namely:-

- (a) his interest in such share;
- (b) if his interest in the share does not consist of the entire beneficial interest in it, the interests of all persons having any beneficial interest in the share (provided that one joint Holder of a share shall not be obliged to give particulars of interests of persons in the share which arise only through another joint Holder); and
- (c) any arrangement (whether legally binding or not) entered into by him or any person having any beneficial interest in the share whereby it has been agreed or undertaken or the Holder of such share can be required to transfer the share or any interest therein to any person (other than a joint Holder of the share) or to act in relation to any meeting of the Company or of any class of shares of the Company in a particular way or in accordance with the wishes or directions of any other person (other than a person who is a joint Holder of such share).

7.2 If, pursuant to any notice given under Article 7.1, the person stated to own any beneficial interest in a share or the person in favour of whom any Holder (or other person having any beneficial interest in the share) has entered into any arrangements referred to in Article 7.1 (c), is a body corporate, trust, society or any other legal entity or association of individuals and/or entities, the Directors, at any time and from time to time if, in their absolute discretion, they consider it to be in the best interests of the Company to do so, may give a notice to the Holder or Holders of such share (or any of them) requiring such Holder or Holders to notify the Company in writing within such period as may be specified in such notice (which shall not be less than twenty-eight days from the date of service of such notice) of full and accurate particulars of the name and addresses of the individuals who control (whether directly or indirectly and through any number of vehicles, entities or arrangements) the beneficial ownership of all the shares, interests, units or other measure of ownership of such body corporate, trust, society or other entity or association wherever the same shall be incorporated, registered or domiciled or wherever such individuals shall reside provided that if at any stage of such chain of ownership the beneficial interest in any share shall be established to the satisfaction of the Directors to be in the ownership of any body corporate any of whose share capital is listed or dealt in on any bona fide stock exchange, unlisted securities market or over-

the-counter securities market, it shall not be necessary to disclose details of the individuals ultimately controlling the beneficial interests in the shares of such body corporate.

- 7.3 The Directors, if they think fit, may give notices under Articles 7.1 and 7.2 at the same time on the basis that the notice given pursuant to Article 7.2 shall be contingent upon disclosure of certain facts pursuant to a notice given pursuant to Article 7.1.
- 7.4 The Directors may require (before or after the receipt of any written particulars under this Article) any such particulars to be verified by statutory declaration.
- 7.5 The Directors may serve any notice pursuant to the terms of this Article irrespective of whether or not the Holder on whom it shall be served may be dead, bankrupt, insolvent or otherwise incapacitated and no such incapacity or any unavailability of information or inconvenience or hardship in obtaining the same shall be a satisfactory reason for failure to comply with any such notice provided that if the Directors in their absolute discretion think fit, they may waive compliance in whole or in part with any notice given under this Article in respect of a share in any case of bona fide unavailability of information or genuine hardship or where they otherwise think fit but no such waiver shall prejudice or affect in any way any non-compliance not so waived whether by the Holder concerned or any other joint Holder of the share or by any person to whom a notice may be given at any time.
- 7.6 For the purpose of establishing whether or not the terms of any notice served under this Article shall have been complied with the decision of the Directors in this regard shall be final and conclusive and shall bind all persons interested.

8 Payment of commission

The Company may exercise the powers of paying commissions conferred by the Companies Act. Subject to the provisions of the Companies Act and these Articles, any such commission may be satisfied by the payment of cash or by the allotment of fully paid shares or partly in one way and partly in the other. On any issue of shares the Company may also pay such brokerage as may be lawful.

Part III - Repurchase and Exchange Of Shares

9 Right of repurchase

Holders shall have the right to request the Company to repurchase their shares in accordance with the terms and conditions set out in Clauses 11 to 15 of Appendix II.

Holders shall have the right to exchange all or any of their shares in accordance with the terms and conditions set out in Clause 9 of Appendix II.

Part IV - Share Certificates

11 Confirmations of ownership/share certificates

- 11.1 Every Holder shall receive written confirmation of ownership (which may be sent to Holders by ordinary post, fax, electronic or such other means, that must be in accordance with the requirements of the Central Bank, as may be determined by the Directors) in respect of his holding of shares within such period as the Directors may determine from time to time (as disclosed in the Prospectus) after receipt of payment for the shares and the necessary documentation. Share certificates may be issued at the Directors discretion and on such conditions as they determine subject to any conditions contained herein. The Company shall not be bound to issue more than one certificate for shares held jointly by several persons and

delivery of a certificate to one joint holder shall be a sufficient delivery to all of them. The Company shall not be bound to register more than four persons as joint Holders of any share (except in the case of executors or trustees of a deceased member).

- 11.2 Every certificate shall be sealed with the Seal in accordance with Part XVII of these Articles and signed by the Depositary (whose signature may be produced mechanically), and shall specify the number, class and distinguishing number (if any) of the shares to which it relates and that such shares are fully paid.

12 Balance and exchange certificates

- 12.1 Where some only of the shares comprised in a share certificate are repurchased or transferred the old certificate shall be cancelled and the new certificate for the balance of such shares shall be issued in lieu without charge.
- 12.2 Any two or more certificates representing shares of any one class held by any Holder at his request may be cancelled and a single new certificate for such shares issued in lieu, without charge unless the Directors otherwise determine. If any Holder shall surrender for cancellation a share certificate representing shares held by him and request the Company to issue in lieu two or more share certificates representing such shares in such proportions as he may specify, the Directors may comply, if they think fit, with such request.

13 Share warrants

The Directors may not issue warrants ("share warrants") stating that the bearer is entitled to the shares therein specified, and may not provide by coupons or otherwise for the payment of future dividends on the shares included in such warrants unless they do so in accordance with the requirements of the Central Bank. The Directors may determine and from time to time vary the conditions on which share warrants shall be issued. The Directors may also determine and from time to time vary the conditions on which the bearer of a share warrant shall be entitled to receive notices of and attend and vote at general meetings or to join in requisitioning general meetings and on which a share warrant may be surrendered and the name of the Holder entered in the Register in respect of the shares therein specified. Subject to such conditions and to these articles, the bearer of a share warrant shall be a member of the Company to the fullest extent. The holder of a share warrant shall hold such warrant subject to the conditions for the time being in force with regard to share warrants whether made before or after the issue of such warrant. Every share warrant shall be issued under the Seal in accordance with Part XVII of these Articles and signed by the Depositary (whose signature may be produced mechanically).

14 Replacement of share certificates or warrants

If a share certificate or warrant is defaced, worn out, lost, stolen or destroyed, it may be replaced on such terms (if any) as to evidence and indemnity and payment of any exceptional expenses incurred by the Company in investigating evidence or in relation to any indemnity as the Directors may determine but otherwise free of charge, and (in the case of defacement or wearing out) on delivery up of the old certificate or warrant.

15 Other methods of recording title

Nothing in these Articles shall preclude title to any shares of the Company being recorded other than in writing in accordance with such arrangements as may from time to time be permitted by the Companies Act and approved by the Directors.

Part V - Transfer of Shares

16 Form of instrument of transfer

- (b) any transfer to or by an individual under the age of 18 (or such other age as the Directors may think fit) or of unsound mind;

- (g) any transfer in such other circumstances as may be determined by the Directors and detailed in the Prospectus.

19.2 The Directors may decline to recognise any instrument of transfer unless:-

- (a) the instrument of transfer is accompanied by the certificate (if issued) for the shares to which it relates (if issued) and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer (save where the transferor is a Stock Exchange Nominee);
- (b) the instrument of transfer is in respect of one class of share only;
- (c) the instrument of transfer is in favour of not more than four transferees; and

- (d) the instrument of transfer is lodged at the Office or at such other place as the Directors may appoint.

If the Directors refuse to register a transfer then, within two months after the date on which the transfer was lodged with the Company, they or their delegate shall send notice of the refusal to the transferee.

21 Closing of transfer books

The registration of transfers of shares or of transfers of any class of shares may be deferred at such times and for such periods as the Directors may determine.

22 Registration fees

A fee may be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any share.

23 Retention of transfer instruments

The Company shall be entitled to retain any instrument of transfer which is registered, but any instrument of transfer which the Directors refuse to register shall be returned to the person lodging it when notice of the refusal is given.

24 Renunciation of allotment

Nothing in these Articles shall preclude the Directors from recognising a renunciation of the allotment of any shares by the allottee in favour of some other person provided such other person is a Permitted Investor.

25 Compulsory transfer of shares

The Directors shall have the power to arrange for the compulsory transfer of shares acquired by or on behalf of a person who is not a Permitted Investor in accordance with the provisions set out in Clause 19 of Appendix II.

Part VI - Transmission of Shares

26 Death of Holder

If a Holder dies the survivor or survivors where he was a joint Holder, and his personal representatives where he was a sole Holder or the only survivor of joint Holders, shall be the only persons recognised by the Company as having any title to his interest in the shares; but nothing herein contained shall release the estate of a deceased Holder from any liability in respect of any share which had been jointly held by him.

27 Transmission on death or bankruptcy/minors

Any guardian of an infant Holder and any curator or other legal representative of a Holder under legal disability and any person entitled to a share in consequence of the death or bankruptcy of a Holder may elect, upon such evidence being produced as the Directors may properly require, either to become the Holder of the share or to make such transfer thereof as the deceased or bankrupt Holder or Holder under a disability could have made. If he elects to become the Holder he shall give notice to the Company to that effect. If he elects to have another person registered he shall execute an instrument of transfer of the share to that person. All of these Articles relating to the transfer of shares shall apply to the notice or

instrument of transfer as if it were an instrument of transfer executed by the Holder and the death or bankruptcy or disability of the Holder had not occurred.

28 Rights before registration

A person becoming entitled to a share by reason of the death or bankruptcy of a Holder (upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share) shall have the rights to which he would be entitled if he were the holder of the share, except that, before being registered as the Holder of the share, he shall not be entitled in respect of it to attend or vote at any meeting of the Company or at any separate meeting of the Holders of any class of shares in the Company, so, however, that the Directors, at any time, may give notice requiring any such person to elect either to be registered himself or to transfer the share and, if the notice is not complied with within ninety days, the Directors thereupon may withhold payment of all dividends, bonuses or other moneys payable in respect of the share until the requirements of the notice have been complied with.

Part VII - Alteration of Share Capital

29 Increase of capital

- 29.1 The Company from time to time by ordinary resolution may increase the share capital by such amount and/or number as the resolution shall prescribe.
- 29.2 Subject to the provisions of the Companies Act and these Articles, the new shares shall be issued to such persons, upon such terms and conditions and with such rights and privileges annexed thereto as the Directors shall determine.

30 Consolidation, sub-division and cancellation of capital

- 30.1 The Company, by ordinary resolution, may:-
- (a) consolidate and divide all or any of its share capital into shares of larger amount;
 - (b) subject to the provisions of the Companies Act, subdivide its shares, or any of them, into shares of smaller amount or value, (and so that the resolution whereby any share is sub-divided may determine that, as between the Holders of the shares resulting from such sub-division, one or more of the shares may have, as compared with the others, any such preferred, deferred or other rights or be subject to any such restrictions as the Company has power to attach to unissued or new shares);
 - (c) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and reduce the amount of its authorised share capital by the amount of the shares so cancelled; or
 - (d) redenominate the currency of any class of shares.

Part VIII - General Meetings

31 Annual general meetings

The Company shall hold in each year a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notice calling it. Not more than fifteen months shall elapse between the date of one annual general meeting and that of the next **Provided That** so long as the Company holds its first annual

general meeting within eighteen months of its incorporation it need not hold it in the year of its incorporation or in the following year. Subsequent annual general meetings shall be held once in each year.

32 Extraordinary general meetings

All general meetings other than annual general meetings shall be called extraordinary general meetings.

33 Convening general meetings

The Directors may convene general meetings. Extraordinary general meetings may also be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as may be provided by the Companies Act. If at any time there are not within the State sufficient Directors capable of acting to form a quorum, any Director or any two Holders may convene an extraordinary general meeting in the same manner as nearly as possible as that in which general meetings may be convened by the Directors.

34 Notice of general meetings

- 34.1 Subject to the provisions of the Companies Act allowing a general meeting to be called by shorter notice, an annual general meeting and an extraordinary general meeting called for the passing of a special resolution shall be called by at least twenty-one Clear Days' notice and all other extraordinary general meetings shall be called by at least fourteen Clear Days' notice.
- 34.2 Any notice convening a general meeting shall specify the time and place of the meeting and, in the case of special business, the general nature of that business and, in reasonable prominence, that a Holder entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote in his place and that a proxy need not be a Holder. Subject to any restrictions imposed on any shares, the notice shall be given to all the Holders and to the Directors and the Auditors.
- 34.3 The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.
- 34.4 Where, by any provision contained in the Companies Act, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight days (or such shorter period as the Companies Act permit) before the meeting at which it is moved, and the Company shall give to the Holders notice of any such resolution as required by and in accordance with the provisions of the Companies Act.

Part IX - Proceedings at General Meetings

35 Quorum for general meetings

- 35.1 No business other than the appointment of a chairman shall be transacted at any general meeting unless a quorum of Holders or holders of Subscriber Shares is present at the time when the meeting proceeds to business. Except as provided in relation to an adjourned meeting (as further described in Article 35.2), or unless there is only one Holder in which case the quorum shall be one, two persons entitled to vote upon the business to be transacted, each being a Holder or a holder of Subscriber Shares or a proxy for such holders or a duly authorised representative of a corporate holder, shall be a quorum.

- 35.2 If such a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such other time and place as the Directors may determine. If at the adjourned meeting such a quorum is not present within half an hour from the time appointed for the meeting, the meeting, if convened otherwise than by resolution of the Directors, shall be dissolved, but if the meeting shall have been convened by resolution of the Directors, one person entitled to be counted in a quorum present at the meeting shall be a quorum.

36 Special business

All business shall be deemed special that is transacted at an extraordinary general meeting. All business that is transacted at an annual general meeting shall also be deemed special, with the exception of declaring a dividend, the consideration of the accounts, balance sheets and reports of the Directors and Auditors, the re-appointment of the retiring Auditors and the fixing of the remuneration of the Auditors.

37 Chairman of general meetings

- 37.1 The chairman of the board of Directors or, in his absence, the deputy chairman (if any) or, in his absence, some other Director nominated by the Directors shall preside as chairman at every general meeting of the Company. If at any general meeting none of such persons shall be present within fifteen minutes after the time appointed for the holding of the meeting and willing to act, the Directors present shall elect one of their number to be chairman of the meeting and, if there is only one Director present and willing to act, he shall be chairman.
- 37.2 If at any meeting no Director is willing to act as chairman or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the Holders present (in person or by proxy or by representative) and entitled to vote shall choose one of the Holders (including his proxy or its duly authorised representative) personally present to be chairman of the meeting.

38 Directors' and Auditors' right to attend general meetings

A Director shall be entitled, notwithstanding that he is not a Holder, to attend and speak at any general meeting and at any separate meeting of the Holders of any class of shares in the Company. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as the Auditors.

39 Adjournment of general meetings

The chairman, with the consent of a meeting at which a quorum is present, may (and if so directed by the meeting, shall) adjourn the meeting from time to time (or sine die) and from place to place, but no business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. Where a meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors. When a meeting is adjourned for fourteen days or more or sine die, at least seven Clear Days' notice shall be given specifying the time and meeting and the general nature of the business to be transacted. Save as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

40 Determination of resolutions

At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands a poll is duly demanded. Unless a poll is so demanded a declaration by the chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a

particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution. The demand for a poll may be withdrawn before the poll is taken but only with the consent of the chairman, and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

41 Entitlement to demand a poll

Subject to the provisions of the Companies Act, a poll may be demanded:-

- (a) by the chairman of the meeting;
- (b) by at least two Holders present (in person or by proxy) having the right to vote at the meeting; or
- (c) by any Holder or Holders present (in person or by proxy) representing not less than one-tenth of the total voting rights of all the Holders having the right to vote at the meeting.

42 Taking of a poll

- 42.1 Save as provided in Article 42.2, a poll shall be taken in such manner as the chairman directs and he may appoint scrutineers (who need not be Holders) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 42.2 A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time (not being more than thirty days after the poll is demanded) and place as the chairman of the meeting may direct. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- 42.3 No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.

43 Votes of holders

- (a) Votes may be given either personally or by proxy. Subject to any rights or restrictions for the time being attached to any class or classes of shares:-
 - (i) on a show of hands every Holder, who is present in person or by proxy, shall have one vote and the Holder(s) of Subscriber Shares present in person or by proxy shall have one vote in respect of all of the Subscriber Shares in issue;
 - (ii) on a poll every Holder present in person or by proxy shall have one vote for every share of which he is the Holder and every holder of a Subscriber Share present in person or by proxy shall have one vote in respect of his holding of Subscriber Shares;
 - (iii) on a poll of all the Holders of shares in a Fund, where there is more than one class of shares in existence in that Fund, the voting rights of such Holders may at the discretion of the Directors be adjusted in such manner, determined

by the Directors, so as to reflect the most recently calculated price at which the shares of each of the classes in question may be repurchased by the Company;

- (iv) a Holder or Holders who hold a fraction of a share may not exercise any voting rights, whether on a show of hands or on a poll, in respect of such fraction of a share.

44 Written resolutions

A resolution in writing executed by or on behalf of each Holder who would have been entitled to vote upon it if it had been proposed at a meeting at which he was present shall be as effectual as if it had been passed at a general meeting duly convened and held and may consist of several instruments in the like form each executed by or on behalf of one or more Holders. In the case of a corporation a resolution in writing may be signed on its behalf by a director or the secretary thereof or by its duly appointed attorney or duly authorised representative.

45 Chairman's casting vote

Where there is an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a casting vote in addition to any other vote he may have.

46 Voting by joint Holders

Where there are joint Holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, in respect of such share shall be accepted to the exclusion of the votes of the other joint Holders and for this purpose seniority shall be determined by the order in which the names of the Holders stand in the Register in respect of the share.

47 Voting by incapacitated Holders

A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction (whether in the State or elsewhere) in matters concerning mental disorder, may vote, whether on a show of hands or on a poll, by his committee, receiver, guardian or other person appointed by that court and any such committee, receiver, guardian or other person may vote by proxy on a show of hands or on a poll. Evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote shall be deposited at the Office or at such other place as is specified in accordance with these Articles for the deposit of instruments of proxy by such time as the Directors may determine before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised and in default the right to vote shall not be exercisable.

48 Restriction of voting rights

- 48.1 If at any time the Directors shall determine that a Specified Event (as defined in Article 48.5) shall have occurred in relation to any share or shares the Directors may serve a notice to such effect on the Holder or Holders thereof. Upon the service of any such notice (in these Articles referred to as a restriction notice) no Holder or Holders of the share or shares specified in such restriction notice shall be entitled, for so long as such restriction notice shall remain in force, to attend or vote at any general meeting, either personally or by proxy.
- 48.2 A restriction notice shall be cancelled by the Directors as soon as reasonably practicable, but in any event not later than forty-eight hours, after the Holder or Holders concerned shall have remedied the default by virtue of which the Specified Event shall have occurred. A restriction notice shall automatically cease to have effect in respect of any share transferred upon

registration of the relevant transfer provided that a restriction notice shall not cease to have effect in respect of any transfer where no change in the beneficial ownership of the share shall occur and for this purpose it shall be assumed that no such change has occurred where a transfer form in respect of the share is presented for registration having been stamped at a reduced rate of stamp duty by virtue of the transferor or transferee claiming to be entitled to such reduced rate as a result of the transfer being one where no beneficial interest passes.

- 48.3 The Directors shall cause a notation to be made in the Register against the name of any Holder or Holders in respect of whom a restriction notice shall have been served indicating the number of shares specified in such restriction notice and shall cause such notation to be deleted upon cancellation or cesser of such restriction notice.
- 48.4 Any determination of the Directors and any notice served by them pursuant to the provisions of this Article shall be conclusive as against the Holder or Holders of any share and the validity of any notice served by the Directors in pursuance of this Article shall not be questioned by any person.
- 48.5 For the purpose of these Articles the expression Specified Event in relation to any share shall mean the failure by the Holder thereof or any of the Holders thereof to comply, to the satisfaction of the Directors, with all or any of the terms of Article 7 in respect of any notice or notices given to him or any of them thereunder.

49 Time for objection to voting

No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered and every vote not disallowed at such meeting shall be valid. Any such objection made in due time shall be referred to the chairman of the meeting whose decision shall be final and conclusive.

50 Appointment of proxy

Every Holder entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on his behalf. The instrument appointing a proxy shall be in writing in any usual form or in any other form which the Directors may approve and shall be executed by or on behalf of the Holder. The signature on such instrument need not be witnessed. A body corporate may execute a form of proxy under its common seal or under the hand of a duly authorised officer thereof. A proxy need not be a Holder.

51 Bodies corporate acting by representatives at meetings

Any body corporate which is a Holder may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of Holders of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Holder.

52 Deposit of proxy instruments

The instrument appointing a proxy and any authority under which it is executed or a copy, certified notarially or in some other way approved by the Directors, shall be deposited at the Office or (at the option of the Holder) at such other place or places (if any) as may be specified for that purpose in or by way of note to the notice convening the meeting or adjourned meeting at such time as may be determined by the Directors before the time appointed for the holding of the meeting or adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) for the taking of the poll at which it is to be used, and in default shall not be treated as valid. Provided that an instrument of proxy relating to more than one meeting (including any adjournment thereof)

having once been so delivered for the purposes of any meeting shall not require to be delivered again for the purposes of any subsequent meeting to which it relates.

53 Effect of proxy instruments

Deposit of an instrument of proxy in respect of a meeting or adjourned meeting shall not preclude a Holder from attending and voting at the meeting or at any adjournment thereof. The instrument appointing a proxy shall be valid, unless the contrary is stated therein, as well for any adjournment of the meeting as for the meeting to which it relates.

54 Effect of revocation of proxy or of authorisation

- 54.1 A vote given or poll demanded in accordance with the terms of an instrument of proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the death or insanity of the principal, or the revocation of the instrument of proxy or of the authority under which the instrument of proxy was executed or of the resolution authorising the representative to act or transfer of the share in respect of which the instrument of proxy or the authorisation of the representative to act was given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at the Office at least one hour before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used or at which the representative acts.
- 54.2 The Directors may send, at the expense of the Company, by post or otherwise, to the Holders instruments of proxy (with or without stamped envelopes for their return) for use at any general meeting or at any class meeting, either in blank or nominating any one or more of the Directors or any other persons in the alternative. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the Company, such invitations shall be issued to all (and not to some only) of the Holders entitled to be sent a notice of the meeting and to vote thereat by proxy.

55 Class meetings

Save as otherwise provided in these Articles, the provisions of Articles 31 to 54 shall apply mutatis mutandis to class meetings and meetings of Holders of shares in a Fund as they apply to general meetings.

60 Expenses of Directors

The Directors may be paid all travelling, hotel and other out-of-pocket expenses properly incurred by them in connection with their attendance at meetings of the Directors or committees established by the Directors or general meetings or separate meetings of the Holders of any class of shares of the Company or otherwise in connection with the discharge of their duties.

61 Alternate Directors

- 61.2 An alternate Director shall be entitled to receive notices of all meetings of the Directors and of all meetings of committees established by the Directors of which his appointor is a member, to attend and vote at any such meeting at which the Director appointing him is not personally present and in the absence of his appointor to exercise all the powers, rights, duties and authorities of his appointor as a Director (other than the right to appoint an alternate hereunder).
- 61.3 Save as otherwise provided in these Articles, an alternate Director shall be deemed for all purposes to be a Director and shall alone be responsible for his own acts and defaults and he shall not be deemed to be the agent of the Director appointing him. The remuneration of any such alternate Director shall be payable out of the remuneration paid to the Director appointing him and shall consist of such portion of the remuneration of the Director as shall be agreed between the alternate and the Director appointing him.
- 61.4 A Director may revoke at any time the appointment of any alternate appointed by him. If a Director shall die or cease to hold the office of Director the appointment of his alternate shall thereupon cease and determine but if a Director retires by rotation or otherwise but is reappointed or deemed to have been reappointed at the meeting at which he retires, any appointment of an alternate Director made by him that was in force immediately prior to his retirement shall continue after his reappointment.

80 Validity of acts of Directors

All acts done by any meeting of the Directors or of a committee established by the Directors or by any person acting as a Director, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Director or person acting as aforesaid, or that they or any of them were disqualified from holding office or had vacated office, shall be as valid as if every such person had been duly appointed and was qualified and had continued to be a Director and had been entitled to vote.

81 Directors' resolutions or other documents in writing

Part XVIII - Dividends and Reserves

86 Declaration of dividends

86.1 The Directors at such times as they think fit may declare such dividends on any class of shares as appear to the Directors to be justified by the profits of the relevant Fund being;

- (a) the net income (being the accumulated revenue (consisting of all revenue accrued including interest and dividends)) less expenses; and/or
- (b) realised and unrealised capital gains on the disposal/valuation of Investments and other funds less realised and unrealised accumulated capital losses of the relevant Fund; and/or
- (c) as disclosed in the Supplement for the relevant Fund.

Notwithstanding the above, the Directors at such times as they think fit, and in accordance with the requirements of the Central Bank, may also declare such dividends on any class of shares out of the capital of the relevant Fund.

86.2 The Directors may, satisfy any dividend due to Holders of the shares in whole or in part by distributing to them in specie any of the Assets of the relevant Fund, and in particular any Investments to which the relevant Fund is entitled. A Holder may require the Directors instead of transferring any assets in specie to him, to arrange for a sale of the Assets and for payment to the Holder of the net proceeds of same.

86.3 Shares of any class may at the discretion of the Directors be issued on the basis that any dividends declared in respect of those shares will be reinvested in the subscription of further shares of that class. In addition, Holders may either when applying for shares or subsequently, request the Directors or their agents in writing to reinvest all dividends to which they are entitled in the subscription of further shares; every such request will remain effective until countermanded in writing or, if earlier, the person making the request ceases to be a Holder. Further shares will be issued on the date the dividend is declared or, if that is not a Dealing Day for subscription for shares, on the next following Dealing Day at a price calculated in the same way as for other issues of shares of the same class on that Dealing Day but without incurring any initial charge.

86.4 Shares of any class may at the discretion of the Directors be issued on the basis that any dividends declared in respect of those shares will be reinvested and form part of the Assets of the relevant Fund and will be applied when calculating the Subscription Price and the Repurchase Price as part of the proportion of the relevant Fund which is attributable to the Holders of that class of shares.

86.5 Shares of any class may at the discretion of the Directors be issued on the basis that no dividends will be declared in respect of those shares and that any profits available for distribution will form part of the assets of the relevant Fund and will be applied when calculating the Subscription Price and the Repurchase Price as part of the proportion of the relevant Fund which is attributable to the Holders of that class of shares.

86.6 Shares of any class may at the discretion of the Directors be issued on the basis that any dividends declared in respect of those shares shall be paid by the Company into an account in the name of the Depositary for the account of the Holders of that class of shares. The amount standing to the credit of this account shall not be an asset of the Fund or the Company and will be immediately transferred from the aforementioned account to the account of the Company.

86.7 No dividend shall be payable to the holder(s) of the Subscriber Shares.

87 Eligibility for dividends

If any share is issued on terms providing that it shall rank for dividend as from or after a particular date or to a particular extent, such share shall rank for dividend accordingly.

89 Unclaimed dividends

All unclaimed dividends on shares may be invested or otherwise made use of by the Directors for the benefit of the relevant Fund until claimed. No dividend shall bear interest against the Company. The payment by the Directors of any unclaimed dividend or other monies payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof and any dividend unclaimed after a period of six years (or such other period as may be agreed by the Holder) from the date of declaration of such dividend shall be forfeited and shall revert to the relevant Fund.

90 Currency of dividend

Any dividend or other monies payable on or in respect of a share shall be expressed and payment shall be made in the currency in which the relevant class of shares is designated or in such other currency as the Directors may determine either generally or in relation to a particular class of shares or in any specific case.

91 Payment of dividend

Any dividend or other monies payable on or in respect of a share may be paid by electronic transfer to the account nominated by the Holder or person entitled thereto, and in the case of joint Holders to that one whose name stands first on the Register in respect of their joint holding or may if required be paid by cheque or warrant sent through the post to the registered address of the Holder or the person entitled thereto. Every such payment by cheque or warrant shall be made payable to the order of the person to whom it is sent, and payment of the cheque or warrant shall be a good discharge to the Company and, in the case of payment by electronic or telegraphic transfer, every such payment shall be a good discharge to the Company. Every such cheque or warrant or, where applicable, transfer shall be sent or, as the case may be, made at the risk and cost of the person entitled to the money represented thereby or, as the case may be, payment remitted.

92 Joint Holders

If at least ninety-six hours prior to the time appointed for the holding of the meeting the posting of notices to Holders has become practical in the opinion of the Directors, the Directors shall send forthwith confirmatory copies of the notice by post to such Holders. The accidental omission to give any such confirmatory copy of a notice of a meeting to, or the non-receipt of any such confirmatory copy by, any person entitled to receive the same shall not invalidate the proceedings at the meeting.

95.7 Notwithstanding anything contained in this Article the Company shall not be obliged to take account of or make any investigations as to the existence of any suspension or curtailment of postal services within or in relation to all or any part of any jurisdiction or other area other than the State.

97.2 Without prejudice to the provisions of these Articles allowing a meeting to be convened by newspaper advertisement, a notice may be given by the Company to the persons entitled to a share in consequence of the death or bankruptcy of a Holder by sending or delivering it, in any manner authorised by these Articles for the giving of notice to a Holder, addressed to them at the address, if any, supplied by them for that purpose. The signature to any notice to be given by the Company may be written or printed.

99 Deemed receipt of notices

A Holder present, either in person or by proxy, at any meeting of the Company or the Holders of any class of shares in the Company shall be deemed to have received notice of the meeting and, where requisite, of the purposes for which it was called.

Part XXI - Winding Up

100 Distribution on winding up

100.1 Subject to Article 108 hereof and to the provisions of the Companies Act, if the Company shall be wound up the liquidator shall apply the assets of each Fund in such manner and order as he thinks fit in satisfaction of creditors' claims relating to that Fund.

100.2 The assets available for distribution amongst the Holders shall be applied as follows: first the proportion of the assets in a Fund attributable to each class of share shall be distributed to the Holders of shares in the relevant class in the proportion that the number of shares held by each Holder bears to the total number of shares relating to each such class of shares in issue as at the date of commencement to wind up; secondly, in the payment to the holder(s) of the Subscriber Shares of sums up to the consideration paid thereon out of the assets of the Company not attributable to any class of share. In the event that there are insufficient assets to enable such payment in full to be made, no recourse shall be had to the assets of the Company attributable to other classes of shares; and thirdly, any balance then remaining and

not attributable to any of the classes of shares shall be apportioned pro-rata as between the classes of shares based on the Net Asset Value attributable to each class of shares as at the date of commencement to wind up and the amount so apportioned to a class shall be distributed to Holders pro-rata to the number of shares in that class of shares held by them.

- 100.3 A Fund may be wound up pursuant to the provisions of the Companies Acts and in such event the provisions of Articles 100 and 101 shall apply mutatis mutandis in respect of that Fund.

101 Distribution in specie

If the Company shall be wound up (whether the liquidation is voluntary, under supervision or by the court) the liquidator may, with the authority of a special resolution of the relevant Holders and any other sanction required by the Companies Act, divide among the Holders of shares of any class or classes in a Fund in specie the whole or any part of the Assets of the Company relating to that Fund and whether or not the Assets shall consist of property of a single kind, and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between all the Holders of shares or the Holders of different classes of shares in a Fund as the case may be. The liquidator may, with the like authority, vest any part of the Assets in trustees upon such trusts for the benefit of Holders as the liquidator, with the like authority, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no Holder shall be compelled to accept any Assets in respect of which there is a liability. A Holder may require the liquidator instead of transferring any Asset in specie to him/her, to arrange for a sale of the Assets and for payment to the Holder of the net proceeds of same and in such event the costs of such sale may be charged to, and borne by, the redeeming Holder.

No Holder shall be entitled to require

discovery of or any information respecting any detail of the Company's trading, or any matter which is or may be in the nature of a trade secret, mystery of trade, or secret process which may relate to the conduct of the business of the Company and which in the opinion of the Directors it would be inexpedient in the interests of the Holders to communicate to the public.

104 Destruction of records

The Company shall be entitled to destroy all instruments of transfer which have been registered at any time after the expiration of six years from the date of registration thereof, all notifications of change of address at any time after the expiration of two years from the date of recording thereof and all share certificates and dividend mandates which have been cancelled or ceased to have effect at any time after the expiration of one year from the date of such cancellation or cessation. It shall be presumed conclusively in favour of the Company that every entry in the Register purporting to have been made on the basis of an instrument of transfer or other document so destroyed was duly and properly made and every instrument duly and properly registered and every share certificate so destroyed was a valid and effective document duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. Provided always that:-

- (a) the provision aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
- (b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Article; and
- (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

105 Untraced holders

105.1 The Company shall be entitled to sell at the best price reasonably obtainable any share of a Holder or any share to which a person is entitled by transmission if and provided that:-

- (a) for a period of twelve years no cheque or warrant sent by the Company through the post in a pre-paid letter addressed to the Holder or to the person entitled by transmission to the share at his address on the Register or the last known address given by the Holder or the person entitled by transmission to which cheques and warrants are to be sent has been cashed and no communication has been received by the Company from the Holder or the person entitled by transmission (provided that during such twelve year period at least three dividends shall have become payable in respect of such share);
- (b) at the expiration of the said period of twelve years by advertisement in a national daily newspaper published in the State and in a newspaper circulating in the area in which the address referred to in sub-paragraph 105.1 (a) of this Article is located, the Company has given notice of its intention to sell such share; and
- (c) during the further period of three months after the date of the advertisement and prior to the exercise of the power of sale the Company has not received any communication from the Holder or person entitled by transmission.

- 105.2 To give effect to any such sale the Company may appoint any person to execute as transferor an instrument of transfer of such share and such instrument of transfer shall be as effective as if it had been executed by the Holder or the person entitled by the transmission to such share. The transferee shall be entered in the Register as the Holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase moneys nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.
- 105.3 The Company shall account to the relevant Fund or, if the Fund is no longer in existence, to such persons as the Directors may determine for the net proceeds of such sale.

106 Indemnity and Insurance

- 106.1 Every person who is or has been a Director or alternate Director or Secretary or servant of the Company and such person's heirs, administrators and executors, shall be indemnified and secured harmless out of the assets and profits of the Company from and against all actions, costs, debts, claims, demands, suits, proceedings, judgements, decrees, charges, losses, damages, expenses, liabilities or obligations of any kind which he or his heirs, administrators or executors shall or may incur or sustain by reason of any contract entered into or any act done, concurred in, or omitted to be done by virtue of his being or having been a Director, Secretary or servant provided that, as permitted by the 1963 Act as amended, such indemnity shall not extend to any of the foregoing sustained or incurred as a result of any fraud, negligence or wilful default by him in relation to the Company and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the Company and have priority as between the Holders over all other claims.

- 106.5 Subject to the provisions of and insofar as may be permitted by the Companies Act and the Regulations and subject always to the requirements of the Central Bank, any manager, the Administrator, the Depositary, any investment manager, any sub-investment manager or investment adviser, any distributor and any other delegate appointed by the Directors shall be entitled to such indemnity out of the assets of the Company on such terms and subject to such conditions and exceptions and with such entitlement to have recourse to the assets of the Company with a view to meeting and discharging the cost thereof as shall be provided under their respective contracts of engagement.
- 106.6 The Company, any manager, any investment manager, any sub-investment manager or investment adviser, the Administrator, the Depositary, and any distributor shall be entitled to rely absolutely on any declaration received from a Holder or his agent as to residence or

otherwise of such Holder and shall not incur liability in respect of any action taken or thing suffered by any of them in good faith in reliance on any paper or document believed to be genuine and to have been sealed or signed by the proper parties nor be in any way liable for any forged or unauthorised signature on or any common seal affixed to any such document or for acting on or giving effect to any such forged or unauthorised signature or common seal but shall be entitled though not bound to require the signature of any person to be verified by a banker, broker or other responsible person or otherwise authenticated to its or their satisfaction.

- 106.7 None of the Company, any manager, any investment manager, any sub-investment manager, any investment adviser, the Administrator, the Depositary, or any distributor shall incur any liability to the Holders for doing or (as the case may be) failing to do any act or thing that by reason of any provision of any present or future law or regulation made pursuant thereto, or of any decree, order or judgement of any court, or by reason of any request announcement or similar action (whether of binding legal effect or not) that may be taken or made by any person or body acting with or purporting to exercise the authority of any government (whether legal or otherwise) either they or any of them shall be directed or requested to do or perform or to forbear from doing or performing. If for any reason it becomes impossible or impracticable to carry out any of the provisions of these Articles, none of the Company, any manager, any investment manager, any sub-investment manager, any investment adviser, the Administrator, the Depositary or any distributor shall be under any liability therefor or thereby.

107 Overriding provisions

In the event of there being any conflict between the provisions of these Articles and the Companies Act or the Regulations, the Companies Act or Regulations shall prevail. The prior approval of the Central Bank shall be required to any amendment to these Articles.

108 Restriction on modifications to Memorandum and Articles

No modification shall be made to the Memorandum or Articles of Association of the Company without the authority of a special resolution of the Holders and the prior approval of the Central Bank.

109 Segregation of liability

- 109.1 Notwithstanding any statutory provision or rule of law to the contrary any liability incurred on behalf of or attributable to any Fund shall be discharged solely out of the Assets of that Fund, and no Director, receiver, examiner, liquidator, provisional liquidator or other person shall apply nor be obliged to apply the assets of any such Fund in satisfaction of any liability incurred on behalf of or attributable to any other Fund.
- 109.2 The Assets allocated to a Fund shall be applied solely in respect of the shares of such Fund and no Holder relating to such Fund shall have any claim or right to any Asset allocated to any other Fund.
- 109.3 Any Asset or sum recovered by the Company by any means whatsoever or wheresoever shall, after the deduction or payment of any costs of recovery, be applied to the Fund affected. In the event that Assets attributable to a Fund are taken in execution of a liability not attributable to that Fund, and in so far as such Assets or compensation in respect hereof cannot otherwise be restored to that Fund, the Directors with the consent of the Depositary, shall certify or cause to be certified, the value of the Assets lost to the Fund affected and transfer or pay from the assets of the Fund or Funds to which the liability was attributable, in priority to all other claims against such Fund or Funds, Assets or sums sufficient to restore to the Fund affected, the value of the Assets or sums lost to it.

- 109.4 The Company may sue and be sued in respect of a particular Fund and may exercise the same rights of set-off, if any, as between its Funds as apply at law in respect of companies and the property of a Fund is subject to orders of the Irish courts as it would have been if the Fund were a separate legal person.
- 109.5 In any proceedings brought by any Holder of a particular Fund, any liability of the Company to such Holder in respect of such proceeding shall only be settled out of the Assets of the Fund corresponding to such shares without recourse in respect of such liability or any allocation of such liability to any other Fund of the Company.
- 109.6 Nothing in this Article 109 shall prevent the application of any enactment or rule of law which would require the application of the Assets of any Fund in discharge of some or all of the liabilities of any other Fund on the grounds of fraud or misrepresentation and, in particular, by reason of the application of Sections 139 and 286 of the 1963 Act.

110 Change of name

In the event that LGT Capital Partners (Ireland) Limited ceases to be manager/investment manager of the Company, then prior to or immediately following such termination becoming effective, the Directors will arrange to convene an extraordinary general meeting to propose that the name of the Company be changed to a name which will not reflect any involvement on the part of LGT Capital Partners (Ireland) Limited (or any of its affiliates) with the Company. As such an extraordinary general meeting called to change the name, those Holders who (being individuals) are present in person or by proxy or (being corporations) are present by proxy or by a duly authorised representative and entitled to vote and who vote on a poll in favour of the resolution proposed to change the name of the Company shall collectively have such total number of votes as is one or more than the numbers of votes which are required to be cast on such a poll for the said resolution to be carried. Such a change of name will take place in accordance with the provision of the Companies Act and the requirements of the Central Bank.

111. Foreign Account Tax Compliance Act (FATCA)

- 111.1 Each Holder will be required to provide any information or certifications (including without limitation information about such Holder's direct and indirect owners) that may reasonably be requested by the Company to allow the Company, any Investment or any member of any "expanded affiliated group" (as defined in Section 1471(e)(2) of the Code, as amended) to which the Company or any Investment belongs to (a) satisfy any information reporting requirements imposed by the FATCA; and (b) satisfy any requirements necessary to avoid withholding taxes under FATCA with respect to any payments to be received or made by the Company.
- 111.2 The Directors may share the information referred to in Article 44.01 with the US Internal Revenue Service, the Irish Tax Authorities or any other relevant tax or other governmental authority and may take any reasonable additional or ancillary actions as they deem necessary in their absolute discretion to comply with FATCA.
- 111.3 If a Holder fails to comply with any of the above requirements in a timely manner, or is in any other respect deemed to be a recalcitrant account holder for the purposes of FATCA or is for any other reason deemed not to be compliant with FATCA or would prejudice the Company's ability to comply with FATCA, the Company may (i) repurchase and cancel that Holder's Shares and / or (ii) compel or effect the sale of that Holder's Shares to a third party (including, without limitation, an existing Holder) and / or (iii) take any other such actions as the Directors may reasonably be deemed necessary to enable the Company to comply with FATCA and to mitigate any adverse effect of a Holder's failure to comply on the Company or any other Holder.

- 111.4 A Holder who fails to comply with any of the above requirements in a timely manner shall (i) agree to take any steps the Directors reasonably deem to be necessary to effectuate the foregoing; and (ii) indemnify the Company for all losses, costs, expenses, damages, claims and demands (including, but not limited to, any withholding tax, penalties or interest suffered by the Company) arising as a result of such Holder's failure to comply with the above requirements in a timely manner.

112 Windfall Payments

- 112.1 In the event that a Fund receives a settlement, tax reclaim, class action award or other ad-hoc or windfall payment (not being payments arising as reimbursements due to errors or breaches by the Company or its service providers) (each, a "payment"), unless otherwise determined by the Directors, the payment shall be deemed to be for the benefit of the relevant Fund as a whole at the date of receipt of such payment rather than for the benefit for any particular group of Holders. It is therefore possible that those investors who were invested in the relevant Fund at the time of the underlying event from which the payment arose, or when the relevant Fund incurred costs relating to the event from which the payment arose, may not benefit from the payment if they have redeemed prior to the date of receipt of the payment.
- 112.2 In the event that a payment is received following the closure of a Fund, such payments shall, at the discretion of the Directors, be made to (i) the Holder(s) on the register for the relevant Fund on the final Dealing Day on which shares are redeemed; (ii) such other Holders as determined by or on behalf of the Directors from time to time; or (iii) as otherwise determined by the Directors.
- 112.3 Where the payment amount received after a Fund has closed represents a de minimus amount of as determined by the Directors in their discretion or where the cost of dispatching, transmitting, effecting or otherwise making such payments exceed such payment amount, these monies may be paid for the benefit of the Company as a whole or as otherwise determined by the Directors from time to time or paid to a charitable foundation to be determined by the Directors.

113 Unclaimed Assets

- 113.1 In some circumstances (for example on a Fund termination, a winding up or a compulsory repurchase) the Company may be unable in practice to make a disbursement of assets due to one or more Holders.
- 113.2 Notwithstanding anything herein to the contrary, once all reasonable measures to make the disbursement have been taken, the Directors may in their discretion consider that any claims of the Holders in respect of any such assets whether in the form of unclaimed dividends, unpaid repurchase proceeds or otherwise and any obligations of the Company in connection therewith shall be extinguished and any such amounts may be retained by the relevant Fund for the benefit of the other Holders or paid to a charitable foundation to be determined by the Directors. The foregoing may apply subject to a de minimus level to be reasonably determined by the Directors in their discretion or without qualification on the basis of the Company seeking to meet its anti-money laundering obligations under Irish law.

Appendix II Issue of Shares

1. Terms and conditions of issue of shares

1.1

- (a) Prior to the issue of any class of shares the Directors shall determine the rights and restrictions attaching thereto including the Fund to which they relate, the designated currency of the shares and the fees and expenses to be borne by the class of shares (which shall be disclosed in the Prospectus). The Directors may in relation to a Fund create more than one class of shares to participate in the Fund in accordance with the requirements of the Central Bank. The Directors may create more than one class of shares to participate in a Fund which may be denominated by the Directors in the same or different currencies. Where a class of shares is denominated in a currency other than the base currency of the relevant Fund the Directors shall at the time of creation of such class determine if such class of shares shall be constituted as a Hedged Currency Share Class or an Unhedged Currency Share Class. Notwithstanding anything contained in these Articles, the costs and gains/losses of any hedging transactions relating to a Hedged Currency Share Class shall accrue solely to the Holders of shares in such class and shall not form part of the assets of the relevant Fund or constitute a liability of the relevant Fund. Any currency hedging transaction relating to a Hedged Currency Share Class shall be valued in accordance with the provisions Appendix III and shall be clearly attributable to the specific Hedged Currency Share Classes. Hedged Currency Share Classes may be leveraged as a result of currency hedging transactions. The provisions contained in this Appendix shall govern the terms and conditions relating to the issue of Shares.
- (b) Shares in relation to other Funds may be issued and designated from time to time with the prior approval of the Central Bank.
- (c) Additional Funds may be added in the future subject to the prior approval of the Central Bank.

1.2

The Directors may issue voting shares and non-voting shares. The non-voting shares carry no right to notice of, attend or vote at general meetings of the Company or any Fund. In accordance with the requirements of the Central Bank, the decision to subscribe for any class of shares in respect of which voting rights are restricted shall be made solely by the investor and any Holder of non-voting shares shall have the right to switch their holding to voting shares (in accordance with Clause 9 of Appendix II) without including any fee of change in respect of such exchange.

1.3

Subject as hereinafter provided and subject to any regulations made or conditions imposed by the Central Bank pursuant to the Regulations, the initial issue of shares by the Company shall be subject to the receipt by the Company or its authorised agents of:-

- (a) an application in such form as the Directors may from time to time determine, including without limitation, by electronic means, by fax, or by telephone, as are in accordance with the procedures set out in the Prospectus;
- (b) such information and declarations as the Directors may from time to time require; and
- (c) payment for shares in such manner and within such usual time limits as the Company from time to time may specify.

- 1.4 Payment for shares shall be made by the Settlement Date in such currency and at such time, place and manner and to such person, on behalf of the Company, as the Directors may from time to time determine.
- 1.5 The Company may (at the option of the Directors) satisfy any application for the allotment of shares by procuring the transfer to the applicant of fully-paid shares, the effective date of such transfer to be the relevant Dealing Day. In any such case, references in these Articles to allotting shares shall, where appropriate, be taken as references to procuring the transfer of shares.
- 1.6 The allotment of shares may take place notwithstanding that the information or declarations referred to in Clause 1.3 above have not been received by the Company or its authorised agent provided that the application referred to in Clause 1.3 above has been received and provided further that if the said information or declarations have not been received within one Month (or such other period as the Directors may determine) after the Dealing Day on which such shares are allotted, the Directors shall be entitled to cancel the allotment and if so cancelled the relevant application monies (if any) shall be returnable to the applicant at his risk (together with such additional amount, if any, or after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the Company for its own benefit) and until returned may be made use of by the Company for its own benefit.
- 1.7 If payment (or such application form, information or declaration referred to at Clause 1.3 above) is not received in full for any shares by the relevant Settlement Date or in the event of non-clearance of funds, the Directors shall be entitled to (a) cancel the allotment of shares and the applicant may be required to compensate the Company or (b) the Company may charge the applicant interest at a reasonable rate or (c) the applicant may be required to compensate the Company for any loss suffered by it and such compensation may be, for example, deducted from dividends payable to the applicant in relation to the shares allotted to him or (d) treat the relevant money as payment in respect of an application for shares made by the Dealing Deadline for the Dealing Day next following receipt of such money or of cleared funds. In addition, the Company has the right to sell all or part of the applicant's holding of Shares in the relevant class, any other class or any other Fund (if any) in order to meet any losses, costs expenses or fees incurred by the Company or the relevant Fund arising out of such non-receipt or non-clearance of subscription monies.
- 1.8 Subject to Clause 1.7 above, applications within the meaning of Clause 1.3 (a) that are received by or on behalf of the Company on or prior to the Dealing Deadline for a Dealing Day shall, except in exceptional circumstances where the Directors, or their delegate, determine otherwise and provided they are received by the relevant Valuation Point, be dealt with on that Dealing Day. Such applications as are received after the Dealing Deadline for a Dealing Day may be carried forward to the next following Dealing Deadline. If requested, the Directors, or their delegate, may, in their absolute discretion and subject to the prior approval of the Depositary, agree to designate additional Dealing Days, Valuation Days and Valuation Points for the purchase of shares relating to any Fund, which will be open to, and notified in advance to, all Holders.
- 1.9 The Directors, or their delegate, may, in their sole and absolute discretion, determine that in certain circumstances, it is detrimental for existing Holders to accept an application for shares in cash or in specie, representing more than 5% of the Net Asset Value of a Fund. In such case, the Directors, or their delegate, may postpone the application and, in consultation with the relevant investor, either require such investor to stagger the proposed application over an agreed period of time, or establish an account outside the structure of the Company in which to invest the investor's subscription monies. Such account will be used to acquire the shares over a pre-agreed time schedule. The investor shall be liable for any transaction costs or

reasonable expenses incurred in connection with the acquisition of such shares. Any applicable Preliminary Charge will be deducted from the subscription monies before the investment of the subscription monies commences.

- 1.10 Applications for the issue of shares will be irrevocable unless the Directors, or a delegate, otherwise agree.

2 Subscription price

- 2.1 During the Initial Offer Period in relation to a Fund the Subscription Price per share of the relevant class shall be the price as determined by the Directors. After the Initial Offer Period, the Subscription Price shall be the Net Asset Value per share of the relevant class.

- 2.2 Where shares are issued at the Net Asset Value per share, the Subscription Price per share of the relevant class shall be ascertained by:

- (a) determining that proportion of the Net Asset Value of the relevant Fund which is attributable to the relevant class of shares as at the Valuation Point for the relevant Dealing Day and adding thereto such sum (if any) as the Directors may consider represents the appropriate provision for the Duties and Charges which would have been incurred on the assumption that all the Investments held by the Company as at that Valuation Point had been sold at that Valuation Point at prices equal to their respective values as at that Valuation Point;
- (b) where the class of shares is a Hedged Currency Share Class, adding to or deducting from (as the case may be) the sum calculated in accordance with (a) above the costs and gains/losses of any currency hedging transactions effected in respect of that class;
- (c) dividing the sum calculated in accordance with paragraph (a) above by the number of shares of the relevant class in issue or deemed to be in issue in the relevant Fund at the Valuation Point for the relevant Dealing Day; and
- (d) rounding the resulting amount so determined to such number of decimal places of the unit of the currency in which such share is designated (unit for such purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency) as the Directors may determine.

- 2.3 For the purposes of this Clause 2, shares which have been allotted shall be deemed to be in issue from the close of business on the Dealing Day on which they are allotted and shares which have been repurchased shall be deemed to cease to be in issue at the close of business on the Dealing Day of such repurchase.

- 2.4 The Directors, or their delegate, reserve the right to impose an anti-dilution levy on a transaction basis in the case of net subscriptions as a percentage adjustment (to be communicated to the Administrator) on the value of the relevant subscription calculated for the purposes of determining a Subscription Price to reflect the impact of duties and charges and other dealing costs relating to the acquisition or disposal of assets and to preserve the Net Asset Value of the relevant Fund where they consider such a provision to be in the best interests of a Fund. Such amount will be added to the price at which shares will be issued in the case of net subscription requests. Any such sum will be paid into the account of the relevant Fund.

3 Allotment of shares for non cash consideration

The Directors, or their delegate, may, subject to Central Bank requirements, in their absolute discretion allot shares against the vesting in the Depositary on behalf of the Company of any Investments and in connection therewith the following provisions shall apply:-

- (a) the Investments vested in the Depositary on behalf of the Company must qualify as suitable Investments for the relevant Fund in accordance with the investment objective, policies and restrictions determined by the Directors for the relevant Fund;
- (b) the number of shares to be allotted shall be not more than that number which would have fallen to be issued for cash on the basis that the amount of such cash was an amount equal to the value as at the relevant Valuation Point for the relevant Dealing Day of the Investments to be vested in the Depositary on behalf of the Company, as determined in accordance with paragraph (d) below;
- (c) the Directors, or their delegate, may provide that the whole or any part of the Duties and Charges arising in connection with the vesting of the Investments in the Depositary on behalf of the Company shall be paid by the Company or by the person to whom the shares are to be issued or partly by the Company and partly by such person;
- (d) the value of the Investments to be vested in the Depositary on behalf of the Company shall be determined by the Directors, or their delegate, on such basis as they shall decide so long as such value does not exceed the highest amount which would be obtained if the Investments were valued in accordance with Appendix III hereof;
- (e) in the case of the initial issue of shares of any class, the Directors, or their delegate, shall determine the number of shares of the relevant class to be allotted against the vesting in the Depositary on behalf of the Company of any Investments;
- (f) prior to the Directors, or their delegate, exercising their discretion under this item, the Depositary must be satisfied that the terms of any such allotment are not such as would be likely to result in any material prejudice to existing Holders and
- (g) assets received as non cash consideration for shares shall be vested or arrangements shall be made to vest such assets in the Depositary.

4 Preliminary/subscription charge

The Directors, or their delegate, may require any person to whom shares of any class are to be allotted to pay to the Company or any of its appointees or as any of them may direct, for its or their absolute use and benefit, a preliminary/subscription charge of such amount as may be determined by the Directors, or their delegate, but not exceeding 6 per cent of the Subscription Price per Share of the relevant class being allotted. The Directors, or their delegate, may on any Dealing Day differentiate between applicants as to the amount of the preliminary/subscription charge required to be paid to the Company, or its appointees or as they may direct and as to the amount of preliminary/subscription charge to be levied on each class of share (subject to the maximum aforesaid).

5 No shares allotted when calculation of Net Asset Value suspended

The Directors, or their delegate, may in their absolute discretion determine that no shares shall be allotted or issued during any period when the determination of the Net Asset Value of the relevant Fund is suspended pursuant to Clause 17 below except those for which applications have previously been received and accepted by the Company or its authorised

agent. The Directors, or their delegate, will notify investors applying for shares of such suspension at the time of application. Any application for shares which is not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day after the suspension is lifted.

6 Issue of fractions of shares

Where payments or other consideration received by or on behalf of the Company in respect of the issue or allotment of shares are not an exact multiple of the Subscription Price for those shares, a fraction of a share may be allotted to the investor who shall be registered as the Holder of such a fraction provided that any holding of shares is a multiple of not less than 1/100 part of a share or such other fractional amount as the Directors may determine from time to time and set out in the Prospectus. Rights, entitlements and benefits of a Holder of a share under the Articles are granted to a Holder of a fraction of a share in proportion to the fraction of a share held by him and, except where the context otherwise requires or is otherwise provided herein, reference in the Articles to share shall include a fraction of a share. Notwithstanding anything contained in these Articles, the Holder of a fraction of a share may not exercise any voting rights in respect of such share.

7 Minimum Initial Investment amount

The Directors, or their delegate, shall decline to issue shares of any class to satisfy any initial application unless the amount in value of the shares to which an application relates equals or exceeds the Minimum Initial Investment Amount or its equivalent in another currency. Thereafter, Holders may make additional subscriptions for shares having a value, at the then current Subscription Price of not less than the Minimum Additional Investment Amount or its equivalent in another currency.

Funds

8 Funds

8.1 Subject to and in accordance with Clause 8.3 below, all consideration, other than the preliminary/subsorption charge (if any) payable to the Company or its appointees or as any of them may determine pursuant to Clause 4 of this Appendix, received by or on behalf of the Company for the allotment or issue of shares of a Fund, or if there is more than one class of shares in a particular Fund, of all such classes, together with all Investments in which such consideration is invested or reinvested, all income, earnings, profits and proceeds thereof shall be segregated and kept separate from all other monies of the Company and such assets and monies shall be referred to as a Fund there being one Fund in respect of each class (or all such classes, as the case may be) of shares and to which the following provisions shall apply:

- (a) For each Fund the Company shall keep separate books and records in which all transactions relating to the relevant Fund shall be recorded and, in particular, the proceeds from the allotment and issue of shares of each class in the Fund, the Investments and the liabilities and income and expenditure attributable thereto shall be applied or charged to such Fund subject to the provisions of this Clause 8.
- (b) Any Asset derived from any other Asset(s) (whether cash or otherwise) comprised in any Fund shall be applied in the books and records of the Company to the same Fund as the Asset from which it was derived and any increase or diminution in the value of such an Asset shall be applied to the relevant Fund.
- (c) In the event that there are any Assets that the Directors do not consider are attributable to a particular Fund or Funds, the Directors shall, with the approval of the Depositary, allocate such Assets to and among any one or more of the Funds in such

manner and on such basis as they, in their discretion, deem fair and equitable; and the Directors shall have the power to and may at any time and from time to time, with the approval of the Depositary, vary the basis in relation to Assets previously allocated.

- (d) No shares will be issued on terms that entitle the Holder of any Fund to participate in the Assets of the Company other than the Assets (if any) of the Fund relating to such shares. If the proceeds of the Assets of the relevant Fund are not sufficient to fund the full repurchase amount payable to each Holder for the relevant Fund, the proceeds of the relevant Fund, will subject to the terms for the relevant Fund, be distributed equally among each Holder of the relevant Fund pro rata to the amount paid upon the shares held by each Holder. If the realised net assets of any Fund are insufficient to pay any amounts due on the relevant shares in full in accordance with the terms of the relevant Fund, the relevant Holders of that Fund will have no further right of payment in respect of such shares or any claim against the Company, any other Fund or any Assets of the Company in respect of any shortfall.
- (e) Each Fund shall be charged with the liabilities, expenses, costs, charges or reserves of the Company in respect of or attributable to that Fund.
- (f) In the event that any Asset attributable to a Fund is taken in execution of a liability not attributable to that Fund, the provisions of Section 256E of the 1990 Act shall apply.

8.2 Subject as otherwise provided herein, the Assets held in each Fund shall be applied solely in respect of the shares of the class (or classes as the case may be) to which such Fund appertains.

8.3 The Company may establish, maintain and operate one or more cash accounts in respect of each Fund and /or umbrella cash accounts and/or cash accounts in which more than one Fund participates, through which subscriptions, redemptions and other cash flows to and from investors can be managed or facilitated in accordance with the requirements of the Central Bank. Where monies in such an account are treated (at the requirement of the Central Bank or otherwise) as assets of, and attributable to, the relevant Fund, the Company shall reflect this in the books and records of the Company in accordance with clause 8.1 above.

9 Fund exchanges

9.1 Subject to the provisions of the Companies Act, the Regulations and to these Articles and to any other restrictions set down in the Prospectus or relevant Supplement and as hereinafter provided, a Holder holding shares in any class in a Fund (the first class) on any Dealing Day shall have the right from time to time to exchange all or any of such shares for shares of another class which are being offered at that time (the new class) (such class being either in the same Fund or in a separate Fund) on the following terms:-

- (a) The Holder shall give to the Company or its authorised agent(s) instructions (hereinafter called an Exchange Notice) in such form as the Directors may from time to time determine.
- (b) The exchange of the shares specified in the Exchange Notice pursuant to this Clause 9 shall occur on a Dealing Day for the first class and the new class in respect of Exchange Notices received on or prior to the relevant Dealing Deadline for that Dealing Day (or prior to such other time of day as the Directors may determine either generally or in relation to a particular Fund or in any specific case) by the Company or its authorised agent(s) or on such other Dealing Day as the Directors at the request of the Holder may agree. The Company or its authorised agents may in their discretion

accept Exchange Notices received after the Dealing Deadline for the relevant Dealing Day provided the Exchange Notices are received prior to the relevant Valuation Point. A Holder's entitlement to shares as recorded in the Register shall be altered accordingly with effect from that Dealing Day.

9.2 Exchange of the shares of the first class specified in the Exchange Notice shall be effected in the following manner, that is to say:-

- (a) such shares of the first class shall be repurchased by the issue of shares of the new class;
- (b) the shares of the new class shall be issued in respect of and in proportion to (or as nearly as may be in proportion to) the holding of the shares of the first class which is being exchanged;
- (c) the proportion in which shares of the new class are to be issued in respect of shares of the first class shall be determined in accordance with Clause 9.3 below;

Provided always that the right of a Holder to exchange his shares in the first class for shares in the new class conferred by this Clause 9 shall be conditional upon the Company having sufficient available share capital to enable the exchange to be implemented as aforesaid.

9.3 The Directors shall determine the number of shares of the new class to be issued on exchange in accordance with the following formula:-

$$S = \frac{[Rx(RPxER)] - F}{SP}$$

where:-

R	=	is the number of shares of the first class specified in the Exchange Notice which the Holder thereof has requested to be exchanged;
S	=	is the number of shares of the new class to be issued;
RP	=	is the Repurchase Price per share of the first class as calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is to be effected;
ER	=	in the case of an exchange of shares designated in the same currency, is 1. In any other case it is the currency conversion factor determined by the Directors or their delegate at the Valuation Point for the relevant Dealing Day as representing the effective rate of exchange applicable to the transfer of assets relating to the first and new classes of shares after adjusting such rate as may be necessary to reflect the effective costs of making such transfer;

SP = is the Subscription Price per share for the new class as calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is to be effected; and

F is the fee payable (if any) on the exchange of shares (as set out in Clause 9.4 below).

AND the number of shares of the new class to be created or issued pursuant to this Clause 9 shall be so created or issued in respect of each of the shares of the first class being exchanged in the proportion (or as nearly as may be in the proportion) S to R where S and R have the meanings ascribed to them above.

- 9.4 On any exchange of shares pursuant to this Clause 9, the Directors may add to the Subscription Price per share for the shares of the new class to be issued a fee, for payment to the Company or any of its appointees or as any of them may direct out of the Fund relating to the shares of such class, an amount for each share not exceeding 3 per cent of the Repurchase Price per share of shares in the first class to be issued calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is effected.
- 9.5 Requests for the exchange of shares as an initial investment in a new class will only be made if the value of the shares to be exchanged is equal to or exceeds the Minimum Initial Investment Amount for the new class. The Directors may refuse to give effect to any Exchange Notice if to do so would cause the relevant Holder's holding in the first class to fall below the Minimum Shareholding specified for that class.
- 9.6 Shares in a class may not be exchanged for shares in another class during any period when the calculation of the Net Asset Value of the relevant Fund or either of the relevant Funds as the case may be is suspended by reason of a declaration by the Directors pursuant to Clause 17 hereof. Applicants will be notified of such suspension at the time of application and any request for the exchange of shares not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day after such suspension is lifted.
- 9.7 The Company may charge an applicant for any costs or expenses incurred in respect of any currency transaction that may be required in respect of an exchange of shares.9.8 The Directors or their delegate may compulsorily exchange all or any shares of one class in a Fund (the "**X Class**") for shares of any class of the same Fund (the "**Y Class**") by providing advance written notice (which notice shall provide the longer of two weeks or two Dealing Days' notice to Holders) to Holders in X Class (the "**Compulsory Exchange Notice**") on the following terms;
- The exchange of shares specified in the Compulsory Exchange Notice shall occur on the Dealing Day specified in the Compulsory Exchange Notice (the "**Compulsory Exchange Date**");
 - Exchange of shares of the X Class as specified in the Compulsory Exchange Notice shall be effected as follows;
 - Shares in the X Class shall be repurchased by the issue of shares in the Y Class;
 - The shares of the Y Class shall be issued in respect of and in proportion to the holding of the shares of the X Class which is being exchanged;

- The Directors or their delegate shall determine the number of shares of the Y Class to be issued on exchange in accordance with the formula outlined in Clause 10.3 above. In applying the formula, the X Class will be the 'first class' and the 'Y Class' will be the 'new class';
- The compulsory exchange shall not result in the Holder holding shares in the Y Class which are subject to less favourable terms than those terms applicable to the X Class, unless otherwise agreed with the Holder.

If Holders receive a Compulsory Exchange Notice and do not wish to receive shares in the Y Class, they may, in advance of the Compulsory Exchange Date, redeem their shares in the X Class in accordance with the standard redemption procedure for the X Class.

10 Termination of Funds

10.1 Any Fund or class of Shares may be terminated by the Directors, in their sole and absolute discretion, by notice in writing to the Depositary in any of the following events:-

- (a) if at any time the Net Asset Value of the relevant Fund or class of Shares shall be less than such amount as may be determined by the Directors in respect of that Fund or class of Shares; or
- (b) if any Fund shall cease to be authorised or otherwise officially approved or if any approved counterparty does not continue to meet the requirements set out by the Central Bank's notices; or
- (c) if any law shall be passed which renders it illegal or in the opinion of the Directors impracticable or inadvisable to continue the relevant Fund; or
- (d) if there is any material change in the tax status of the Company or any Fund in Ireland or in any other jurisdiction (including any adverse tax ruling by the relevant authorities in Ireland or any jurisdiction affecting the Company or any Fund) which the Directors consider would result in material adverse consequences on the Holders and/or the investments of the Fund; or
- (e) if there is a change in material aspects of the business or in the economic or political situation relating to a Fund which the Directors consider would have material adverse consequences on the Investments of the Fund; or
- (f) where a Fund is linked to the performance of an Index if, at any time, 100% of the assets to be allocated between the reserve asset and the underlying asset constituents (both as defined in the relevant Supplement) of such Index, are allocated to the reserve asset; or
- (g) where a successor depositary is not appointed within 90 days' (or such other period as may be agreed between the parties from time to time) of the resignation or termination of the appointment of the current Depositary; or
- (h) If a decision has been taken to wind-up the Company;
- (i) If there are no Shares in issue in the relevant Fund or class of Shares;
- (j) Where the Shareholders in the relevant Fund or class of Shares have passed a special resolution approving any such total redemption of Shares in issue;

- (k) if the Directors shall have resolved that it is impracticable or inadvisable for a Fund or class of Shares to continue to operate having regard to prevailing market conditions and the best interests of the Holders.

The decision of the Directors in any of the events specified herein shall be final and binding on all the parties concerned but the Directors shall be under no liability on account of any failure to terminate the relevant Fund or class of Shares pursuant to this Clause 10 or otherwise.

- 10.2 Any Fund may be terminated by winding up by the Directors in their sole and absolute discretion.
- 10.3 The Directors shall give notice of termination of a Fund or class of Shares to the Holders of shares in the relevant Fund or class of Shares and by such notice fix the date at which such termination is to take effect, which date shall be for such period after the service of such notice as the Directors shall in their sole and absolute discretion determine.
- 10.4 With effect on and from the date as at which any Fund or class of Shares is to terminate or in the case of (i) below such other date as the Directors may determine:-
- (i) No shares of the relevant Fund or class of Shares may be issued or sold by the Company;
 - (ii) The investment manager shall, on the instructions of the Directors, realise all the Assets then comprised in the relevant Fund or class of Shares (which realisation shall be carried out and completed in such manner and within such period after the termination of the relevant Fund or class of Shares as the Directors think advisable);
 - (iii) The Depositary shall, on the instructions of the Directors from time to time, distribute to the Holders of shares of the relevant Fund or class of Shares in proportion to their respective interests in the relevant Fund or class of Shares all net cash proceeds derived from the realisation of the relevant Fund or class of Shares and available for the purpose of such distribution, provided that the Depositary shall not be bound (except in the case of the final distribution) to distribute any of the monies for the time being in its hands the amount of which is insufficient to pay Euro 1 or its equivalent amount in the relevant currency in respect of each share of the relevant Fund or class of Shares and provided also that the Depositary shall be entitled to retain out of any monies in its hands as part of the relevant Fund or class of Shares full provision for all costs, charges, expenses, claims and demands incurred, made or apprehended by the Depositary or the Directors in connection with or arising out of the termination of the relevant Fund or class of Shares and out of the monies so retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands; and
 - (iv) Every such distribution referred to above shall be made in such manner as the Directors shall, in their sole and absolute discretion, determine but shall be made only against production of the certificates or warrants relating to the shares of the relevant Fund or class of Shares if issued in respect of which the same is made and upon delivery to the Depositary of such form of request for payment as the Depositary shall in its absolute discretion require. All certificates shall in the case of an interim distribution be encased by the Depositary with a memorandum of payments made and in the case of the final distribution shall be surrendered to the Depositary. Any unclaimed proceeds

or other cash held by the Depositary hereunder may be paid to such entity or person as the Directors may in their discretion determine provided always that any such action is consistent with any Central Bank requirements.

- 10.5 The Directors may resolve in their absolute discretion to retain sufficient assets prior to closing or terminating the relevant Fund or class of Shares in order to cover the costs associated with the closure of the Fund or class of Shares or the liquidation of the Company and a 'liquidation expense' may be accrued for and included in the final NAV determined for the closing Fund or class of Shares.

Right of Repurchase

11 Holders' right to request a repurchase of shares

As the Company is an open-ended investment company, Holders shall have the right to request the Company to repurchase their shares in accordance with the provisions of Clause 14 below.

12 Repurchase mechanism

- 12.1 Subject to the provisions of the Companies Act, the Regulations and these Articles and subject as hereinafter provided the Company shall, on receipt by it or its authorised agent(s) of a request (which request may, at the Directors' discretion, either generally or in relation to any specific request, be made in writing, by facsimile, by telex by telephone, or by electronic means (in accordance with the procedure set out in the Prospectus) or in such other form (which may include any electronic form or means of communication) as the Directors may, from time to time, determine) by a Holder of shares (the Applicant), repurchase all or any portion of the shares held by the Applicant at the Repurchase Price, determined in accordance with Clause 13 hereof, or procure the purchase thereof at not less than the Repurchase Price on the relevant Dealing Day. Such request to repurchase must be accompanied by the duly endorsed certificate or certificates (if any) issued for the shares to which it relates.

Provided that:-

- (a) The repurchase of shares pursuant to this Clause 12 shall be made on a Dealing Day in respect of requests received by the Company or its authorised agent on or prior to the Dealing Deadline for that Dealing Day.
- (b) Any such request received after the Dealing Deadline for a Dealing Day shall, unless the Directors or their delegate shall otherwise agree and provided they are received before the relevant Valuation Point, be treated as having been received by the following Dealing Deadline.
- (c) If the determination of the Net Asset Value of the relevant Fund is suspended on any Dealing Day by reason of a declaration by the Directors pursuant to Clause 17 hereof, an Applicant may withdraw his request to have his shares repurchased pursuant to this Clause 12. If the request is not so withdrawn the Company shall be at liberty to repurchase the shares on the Dealing Day next following the end of the suspension.
- (d) Subject as aforesaid and to the discretion of the Directors, an Applicant shall not be entitled to withdraw a request duly made in accordance with this Clause 12.
- (e) The Company may retain a sufficient portion of the amount payable to the Applicant in respect of the repurchase to pay any taxation payable to the Irish Tax Authorities in respect of the repurchase of the shares.

- (f) Any amount payable to the Applicant in connection with the repurchase of shares shall, at the risk and cost of the Applicant, be paid in the same currency as that in which the shares are designated or in such other currency as the Directors shall determine. Any such amount may, at the option of the Directors, (but at the risk and cost of the Applicant) be remitted by or on behalf of the Company by electronic or telegraphic transfer to the bank account specified by the Applicant not later than the relevant Settlement Date. In all other instances any such amount shall be sent by post in the form of a negotiable instrument at the Applicant's risk by or on behalf of the Company to the Applicant not later than the relevant Settlement Date. If the amount to be paid by the Company as aforesaid shall not be expressed in the currency in which the shares which the Company has repurchased were designated then the rate of exchange between that currency and the currency agreed for payment shall be such rate as the Directors shall consider appropriate. The cost of conversion (if any) shall be debited from the converted payment. The certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be conclusive and binding on all persons.
- (g) Subject to written instructions from the Applicant to the Company (or its authorised agent) directing otherwise, which the Company (or its authorised agent) may require to be verified or otherwise supported by additional documentation, the Company (or its authorised agent) shall pay the proceeds of repurchase to the Applicant.
- (h) If requested, the Directors may, in their absolute discretion, agree to designate additional Dealing Days, Valuation Days and Valuation Points for the repurchase of shares relating to any Fund which shall be notified in advance to, and open to all, Holders.

12.2 The repurchase of shares under the provisions of this Clause 12 shall be deemed to be effected immediately after the Valuation Point for the relevant Dealing Day. Shares repurchased in accordance with the provisions of this Clause 12 shall be deemed to cease to be in issue at the close of business on the Dealing Day on which they are repurchased.

12.3 Upon the repurchase of a share being effected, the Applicant shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect thereof prior to such repurchase being effected) and accordingly his name shall be removed from the Register with respect thereto and the shares shall be treated as cancelled and the amount of issued share capital in respect of such class of shares shall be reduced accordingly.

13 Repurchase Price of shares

13.1 The Repurchase Price per share of the relevant class shall be an amount as determined by the Directors, or their delegate, on the relevant Dealing Day referred to in Clause 12 above by:

- (a) determining that proportion of the Net Asset Value of the relevant Fund which is attributable to the relevant class of shares as at the Valuation Point for the relevant Dealing Day;
- (b) where the class of share is a Hedged Currency Share Class, adding to or deducting from (as the case may be) the sum calculated in accordance with Clause 13.1 (a) above the costs and gains/losses of any currency hedging transactions effected in respect of that class;

- (c) dividing the sum calculated in accordance with Clause 13.1 (a) above by the number of shares of the relevant class in issue or deemed to be in issue in the relevant Fund at the Valuation Point for the relevant Dealing Day;
- (d) deducting from the resulting sum a provision of such amount (if any) as the Directors, or their delegate, may consider appropriate in respect of Duties and Charges of any assets or Investments; and
- (e) rounding the amount so determined to such number of decimal places of the unit of the currency of the shares (unit for such purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency) as the Directors may determine.

- 13.2 The Directors, or their delegate, may on any Dealing Day require an Applicant to pay to the Company or any of its appointees or as any of them may direct, for its or their absolute use and benefit, a repurchase charge of not more than one per cent of the Repurchase Price per share of the relevant class being repurchased on that Dealing Day. The amount of any such charge may be deducted from the amount to be paid by the Company to the Applicant in respect of the shares to be repurchased. The Directors, or their delegate, may on any Dealing Day differentiate between Applicants as to the amount of the repurchase charge required to be paid to the Company, or its appointees or as they may direct and as to the amount of repurchase charge to be levied on each class of share (subject to the maximum aforesaid). The Company shall not increase the maximum charge relating to the redemption of Shares as set out herein, without prior approval of Holders given on the basis of a simple majority of votes cast in a general meeting or with the prior written approval of all Holders of the Company. In the event of an increase in the redemption charge, a reasonable notification period shall be provided by the Company to enable relevant Holders to redeem their Shares prior to the implementation of the increase in accordance with the requirements of the Central Bank.
- 13.3 Such portion of the Repurchase Price of any shares repurchased on a Dealing Day (except a Dealing Day which is a record day for the declaration of a dividend) as the Directors, or their delegate, in their absolute discretion consider appropriate shall be deemed to be a distribution to the relevant Applicant of the proportion of the undistributed net revenue accrued to the relevant Fund up to such Dealing Day attributable to the shares in respect of which such Repurchase Price is payable.
- 13.4 The Directors, or their delegate, may add to the Repurchase Price for any shares an amount in respect of any provision made for a performance fee payable to any investment manager/adviser in respect of the Fund that has not been fully applied.
- 13.5 Where any tax is payable to the Irish tax authorities in respect of a repurchase of shares by a Holder who is or is deemed to be an Irish Resident or a person Ordinarily Resident in Ireland or is acting on behalf of such a person, the Repurchase Price shall be reduced by an amount equal to such tax which shall be paid by or on behalf of the Company to the authorities.
- 13.6 The Directors, or their delegate, reserve the right to impose an anti-dilution levy on a transaction basis in the case of net redemptions as a percentage adjustment (to be communicated to the Administrator) on the value of the relevant redemption calculated for the purposes of determining a Redemption Price to reflect the impact of duties and charges and other dealing costs relating to the acquisition or disposal of assets and to preserve the Net Asset Value of the relevant Fund where they consider such a provision to be in the best interests of a Fund. Such amount will be deducted from the price at which shares will be redeemed in the case of net redemption requests. Any such sum will be paid into the account of the relevant Fund.

- 13.7 The Company may, at the discretion of the Directors and with the consent of the relevant Holder, satisfy any request for redemption of shares by the transfer in specie to the redeeming Holder of Investments of the relevant Fund having a value (calculated in accordance with Clause 13.1 above) equal to the Net Asset Value for the shares redeemed as if the redemption proceeds were paid in cash less any redemption charge, any anti-dilution levy and other expenses of the transfer as the Directors may determine. In all cases, the nature and type of Investments to be transferred in specie to each Holder shall be determined by the Directors or their delegate (subject to the approval of the Depositary as to the allocation of Investments) on such basis as the Directors in their discretion shall deem equitable.

14 Limitations on repurchase

- 14.1 The Directors, or their delegate, may limit the number of shares of any Fund redeemed on any Dealing Day to shares representing not more than 10 per cent of the Net Asset Value of that Fund on that Dealing Day. In this event, the limitation will apply pro rata, so that all Holders wishing to redeem their shareholding in that Fund on the relevant Dealing Day will realise the same proportion of their redemption request. Shares not redeemed but that would otherwise have been redeemed, will be carried forward for repurchase on the next Dealing Day and will be treated equally with all other repurchase requests submitted by Holders seeking timely repurchase of their Shares on that Dealing Day. If requests for redemptions are carried forward, the Administrator shall inform the Holders affected.
- 14.2 The Directors, or their delegate, may at their discretion and with the consent of the individual Holders, satisfy any request for repurchase of shares by the transfer to those Holders of assets of the relevant Fund having a value equal to the Repurchase Price for the shares repurchased. A determination to provide repurchase in specie may be solely at the discretion of the Directors, or their delegate, where the redeeming Holder requests repurchase of a number of shares that represents 5 per cent or more of the Net Asset Value of the relevant Fund provided that any such Holder requesting the repurchase shall be entitled to request the sale of any asset or assets proposed to be distributed in kind and the distribution to such Holder of the cash proceeds of such sale less the costs of such sale that shall be borne by the relevant Holder.
- 14.3 The nature and type of assets to be transferred in specie to each Holder shall be determined by the Directors, or their delegate, (subject to the approval of the Depositary as to the allocation of assets) on such basis as the Directors, or their delegate, in their discretion shall deem equitable and not prejudicial to the interests of the remaining Holders in the relevant Fund or Class.
- 14.4 Where there is a transfer of Assets, the Depositary shall transfer to the Applicant his proportionate share of the Assets of the relevant Fund. For the purposes of this article "proportionate share" means such part of each type of Asset in the relevant Fund as is proportionate to or as nearly as practicable proportionate to the Applicant's share or such selection from the Assets of the relevant Fund as the Directors, or their delegate, shall, following consultation with, and subject to the approval of, the Depositary, decide is reasonable having regard to the need to be fair both to the Applicant and continuing Holders of shares in the relevant Fund.
- 14.5 If any request to the Company to repurchase shares of any class shall reduce the number of shares of the relevant class held by the Applicant below the Minimum Shareholding such request may be treated by the Directors, or their delegate, as a request to repurchase the Applicant's entire holding. The foregoing shall not prevent a repurchase of the whole of a holding of shares of any class less than the Minimum Shareholding nor shall this paragraph apply in circumstances where as a result of the Company exercising its rights to scale down

any repurchase requests, in accordance with Clause 14.1 above, a Holder's holding of shares is reduced below the Minimum Shareholding.

- 14.6 If any repurchase requests received by the Directors, or their delegate, would necessitate, in the opinion of the Directors, the breaking of deposits at a penalty or the realisation of Investments at a discount below their value, as calculated in accordance with Appendix III, the Repurchase Price in respect of the relevant shares may be reduced by a proportionate part of such reduction in value or penalty which will be suffered by the relevant Fund in such manner as the Directors, or their delegate, may consider fair and equitable and which is approved by the Depositary. Alternatively, the Directors, or their delegate, may arrange for the Company to borrow funds in accordance with Article 65 subject always to any borrowing restrictions in force in relation to the Company or the relevant Fund, and the costs of such borrowings may be apportioned as aforesaid to such extent as the Directors, or their delegate, may consider fair and equitable.
- 14.7 The Company may compulsorily repurchase all of the shares of any Fund if the Net Asset Value of the relevant Fund is less than the Minimum Fund Size.

15 No shares repurchased when calculation of Net Asset Value suspended

The Directors, or their delegate, may, in their absolute discretion, determine that no shares will be repurchased and no repurchase proceeds paid during any period when the determination of the Net Asset Value of the relevant Fund is suspended pursuant to Clause 17 below. Holders applying for a repurchase of their shares will be notified of such suspension at the time of application. Any application which is not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day for the relevant Fund after such suspension is lifted and shall be dealt with in priority to subsequently received repurchase requests.

Notwithstanding the above, the Directors reserve the right to continue to calculate the Net Asset Value of a Fund or class of shares irrespective of any such suspension.

Determination of Net Asset Value

16 Determination of Net Asset Value

The Net Asset Value of a Fund shall be determined in accordance with Appendix III.

17 Suspension of determination of Net Asset Value/Postponement of a Dealing Day

- 17.1 The Directors may at any time declare a temporary suspension of the determination of the Net Asset Value of a Fund and the issue, repurchase and exchange of shares and the payment of repurchase proceeds during:-
- (a) any period when any of the Markets on which a substantial portion of the Investments of the relevant Fund, from time to time, are quoted, listed or dealt in is closed, otherwise than for ordinary holidays, or during which dealings therein are restricted or suspended; or
 - (b) any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Directors, disposal or valuation of a substantial portion of the Investments of the relevant Fund is not reasonably practicable without this being detrimental to the interests of Holders of the relevant Fund or if, in the opinion of the Directors, the Net Asset Value of the Fund, cannot be fairly calculated; or

- (c) any breakdown in the means of communication normally employed in determining the price of a substantial portion of the Investments of the relevant Fund, or when, for any other reason the current prices on any Market of any of the Investments of the relevant Fund cannot be promptly and accurately ascertained; or
 - (d) any period during which any transfer of funds involved in the realisation or acquisition of Investments of the relevant Fund cannot, in the opinion of the Directors, be effected at normal prices or rates of exchange; or
 - (e) any period when the Directors are unable to repatriate funds required for the purpose of making payments due on the repurchase of shares in the relevant Fund; or
 - (f) any period when for any reason the prices of any investments of the Company cannot be reasonably, promptly or accurately ascertained; or
 - (g) any period when the Directors consider it to be in the best interests of the Company and/or the relevant Fund; or
 - (h) where necessary to facilitate the winding up of the Company or the closing or termination of any Fund or class of shares or the compulsory repurchase of shares by the Company; or
 - (i) where so instructed by the Central Bank to do so.
- 17.2 Notice of any such suspension shall be published by the Administrator as it may deem appropriate to the persons likely to be affected thereby and notified immediately to the Central Bank, the Irish Stock Exchange (where applicable) and the applicable supervisory authorities.
- 17.3 The Company will, whenever possible, take all reasonable steps to bring any period of suspension to an end as soon as possible.
- 17.4 Any such suspension shall take effect at such time as the Directors shall declare but not later than the close of business on the Business Day next following the declaration and thereafter there shall be no determination of the Net Asset Value of the relevant Fund and no issues, repurchases or exchanges of shares of the relevant Fund effected and no repurchase proceeds paid until the Directors shall declare the suspension at an end.
- 17.5 The Directors may postpone any Dealing Day for a Fund to the next Business Day if in the opinion of the Directors, a substantial portion of the Investments of the relevant Fund cannot be valued on an equitable basis and such difficulty is expected to be overcome within one Business Day.
- 17.6 The determination of the Net Asset Value of a Fund shall also be suspended where such suspension is required by the Central Bank in accordance with the Regulations.
- 17.7 Notwithstanding any other provision hereof, the Directors may declare a temporary suspension of subscriptions, repurchases or exchanges in any Fund during any of the circumstances listed in Clause 17.1 above but may permit the determination of the Net Asset Value to continue provided that such Net Asset Value figures shall be indicative only and shall not be used as the basis for dealing in shares. In such circumstances, a Holder may withdraw his application, repurchase or exchange request in accordance with the provisions set down in these Articles.

18 Notification of suspension to Central Bank, stock exchanges and Holders

Any such suspension of the determination of the Net Asset Value of a Fund shall be notified to the Central Bank without delay and to the competent authorities of the EU Member States in which the shares of the relevant Fund are marketed. If the shares are listed on the official list of the Irish Stock Exchange or any other exchange any such suspension shall be notified to the Irish Stock Exchange and such other exchange within the time frame specified above. Details of any such suspension will also be notified to all Holders.

Compulsory Repurchase or Transfer of Shares

19 Compulsory repurchase or transfer of shares

19.1 The Directors shall have power in their absolute discretion (but shall not be under any duty) to impose such restrictions as they may think necessary for the purpose of ensuring that no shares of any class are acquired or held directly or beneficially by a person who is in the opinion of the Directors any of the following:

- (a) any person who appears to be in breach of any law or requirement of any country or governmental authority or by virtue of which such person is not qualified to hold such shares; or
- (b) any United States Person (unless pursuant to an exemption under U.S. Securities laws); or
- (c) any person who does not clear such money laundering checks as the Directors may determine; or
- (d) any person or persons in circumstances which, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons connected or not, or any other circumstances appearing to the Directors to be relevant) in the opinion of the Directors might result in the Company or the relevant Fund incurring any liability to taxation or suffering other pecuniary legal or material administrative disadvantages or being in breach of any law or regulation which the Company or the relevant Fund might not otherwise have incurred, suffered or breached; or
- (e) any individual under the age of 18 (or such other age as the Directors may think fit) or of unsound mind; or
- (f) any person unless the transferee of such shares would, following such transfer, be the holder of shares equal to or greater than the Minimum Initial Investment Amount (where relevant); or
- (g) any person in circumstances where as a result of such transfer the transferor or transferee would hold less than the Minimum Shareholding; or
- (h) any person where in respect of such transfer any payment of taxation remains outstanding; or
- (i) such other category of investor as may be disclosed in the Prospectus or relevant Supplement from time to time.

References in these Articles to Permitted Investor means any person other than any of the persons specified above.

- 19.2 The Directors shall, unless any Director has reason to believe otherwise, be entitled to assume without enquiry that none of the shares are held in such a way as to entitle the Directors to give a notice in respect thereof pursuant to Clause 19.3 below. The Directors may, however, upon an application for shares or at any other time and from time to time require such evidence and/or undertakings to be furnished to them in connection with the matters stated in paragraph (a) above as they shall in their discretion deem sufficient or as they may require for the purpose of any restriction imposed pursuant thereto or for compliance with any anti-money laundering provisions applicable to the Company. In the event of such evidence and/or undertakings not being so provided within such reasonable period (not being less than 21 days after service of notice requiring the same) as may be specified by the Directors in the said notice, the Directors may, in their absolute discretion, treat any shares held by such a Holder or joint Holder as being held in such a way as to entitle them to serve a notice in respect thereof pursuant to Clause 19.3 below.
- 19.3 If it shall come to the notice of the Directors that any shares are or may be owned or held directly or beneficially by any person who is not a Permitted Investor (the relevant shares), the Directors may give notice to the person in whose name the relevant shares are registered requiring him to transfer (and/or procure the disposal of interests in) the relevant shares to a person who is in the opinion of the Directors a Permitted Investor. If any person upon whom such a notice is served pursuant to this paragraph does not within 21 days after the giving of such notice (or such extended time as the Directors in their absolute discretion shall consider reasonable) transfer the relevant shares to a Permitted Investor, or establish to the satisfaction of the Directors (whose judgement shall be final and binding) that he is not subject to such restrictions, the Directors may in their absolute discretion upon the expiration of such 21 days either arrange the transfer of all the relevant shares to a Permitted Investor in accordance with Clause 19.5 below or arrange for the relevant shares to be repurchased by the Company at the relevant Repurchase Price. The Holder of the relevant shares shall be bound forthwith to deliver his certificate (if any) to the Directors and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the transfer or repurchase, as the case may be, of the relevant shares by the Company. The Holder of the relevant shares shall also indemnify the Company for any loss, costs or expenses incurred by the Company by virtue of that Holder not being a Permitted Investor.
- 19.4 A person who becomes aware that he holds or owns relevant shares shall forthwith unless he has already received a notice pursuant to Clause 19.3 above transfer all his relevant shares to a Permitted Investor or with the approval of the Directors request the repurchase of the shares.
- 19.5 A transfer of relevant shares arranged by the Directors pursuant to Clause 19.3 above, shall be by way of sale at the best price reasonably obtainable and may be of all of or part only of the relevant shares with a balance available for transfer to other Permitted Investors or repurchase by the Company. Any payment received by the Company for the relevant shares so transferred shall be paid to the person whose shares have been so transferred subject to Clause 19.6 below.
- 19.6 Payment of any amount due to such person pursuant to Clauses 19.3, 19.4 and 19.5 above shall be subject to any requisite exchange control consents first having been obtained and the Company not being in breach of any other law or regulation. The amount due to such person will be deposited by the Company in a bank for payment to such person upon such consents being obtained and against surrender of the certificate, if any, representing the relevant shares previously held by such person. Upon deposit of such amount as aforesaid such person shall have no further interest in such relevant shares or any of them or any claim against the Company in respect thereof except the right to receive such amount so deposited (without interest) upon such consents as aforesaid being obtained.

- 19.7 Where Irish Residents or persons Ordinarily Resident in Ireland acquire and hold shares, the Directors may, where necessary for the collection of Irish tax, repurchase and cancel shares held by a person who is or is deemed to be an Irish Resident or a person Ordinarily Resident in Ireland or is acting on behalf of an Irish Resident or a person Ordinarily Resident in Ireland on the occurrence of a chargeable event for taxation purposes, to pay the proceeds thereof to the Irish Tax Authorities.
- 19.8 The Directors or their delegate (in their sole discretion) shall be entitled to give notice (in such form as the Directors or their delegate deem appropriate) of their intention to compulsorily repurchase some or all of the shares of a Holder on the relevant Dealing Day specified in the notice to the Holder in the following circumstances;
- (a) where it comes to the notice of the Directors or their delegate or if the Directors or their delegate shall have reason to believe that any shares are owned directly or beneficially by a person who is not a Permitted Investor;
 - (b) if a Holder does not provide cleared settlement monies by the relevant Settlement Date. In addition, the Company has the right to sell all or part of the applicant's holding of Shares in the relevant class of shares, any other class of shares or any other Fund (if any) in order to meet any losses, costs expenses or fees incurred by the Company or the relevant Fund arising out of such non-receipt or non-clearance of settlement monies;
 - (c) if a Holder does not supply any information or declarations (including for the avoidance of doubt anti-money laundering documents) requested by the Company or its delegate;
 - (d) if a Holder, other than as a result of depreciation in the value of his holding, holds less than the Minimum Shareholding for a particular Fund or class of shares;
 - (e) where such redemption is required for the purpose of satisfying any performance fee payable by that Holder to the manager or an investment manager;
 - (f) where Irish residents acquire and hold Shares, the Company shall, where necessary for the collection of Irish tax, repurchase and cancel Shares held by a person who is or is deemed to be an Irish resident or is acting on behalf of an Irish resident on the occurrence of a chargeable event for taxation purposes and to pay the proceeds thereof to the Revenue Commissioners;
 - (g) for any other purposes as may be determined by the Directors in accordance with the requirements of the Central Bank and applicable law and disclosed in the Prospectus.
- 19.9 The Directors may, in accordance with the term of the Prospectus or Supplement for the relevant Fund, compulsorily repurchase all of the shares of any Fund or class of shares on any Dealing Day.
- 19.10 The Directors shall not be required to give any reasons for any decision, determination or declaration taken or made in accordance with this Clause 19. The exercise of the powers conferred by this Clause 19 shall not be questioned or invalidated in any case on the grounds that there was insufficient evidence of direct or beneficial ownership of shares by any person or that the true, direct or beneficial owner of any shares was otherwise than appeared to the Directors at the relevant date provided, or otherwise, provided that the powers of the Directors hereunder shall at all times be exercised in good faith.

Appendix III

1 Determination of Net Asset Value

- 1.1 The Net Asset Value of any Fund (i.e. the value of the assets of a Fund having deducted the liabilities (excluding the Holders equity) of that Fund therefrom), any class of shares or any share shall be expressed in the currency in which the Fund or the shares are designated or in such other currency as the Directors may determine, from time to time, and shall be determined, in accordance with the valuation rules set out hereafter. The Net Asset Value attributable to a Fund, class of shares or any share shall be determined as further set down in the Prospectus from time to time.
- 1.2 For the purposes of such valuation, Assets of the Company, shall be determined to include but are not limited to all cash in hand, on deposit, or on call including any interest accrued thereon as at the relevant Valuation Point and (i) all accounts receivable, (ii) all bills, demand notes, certificates of deposit, and promissory notes, (iii) all bonds, shares, stock, securities, obligations, debentures, debenture stock, forward rate agreements, subscription rights, warrants, promissory notes, futures contracts, options, commodities, asset backed securities, mortgage backed securities, swap contracts, contracts for differences, fixed rate securities, variable and floating rate securities, securities in respect of which the return and/or redemption amount is calculated by reference to any index, price or rate, monetary and financial instruments of all kinds, (iv) all stock and cash dividends and cash distributions to be received by the Company and not yet received by it but declared to stockholders of record on a date on or before the relevant Valuation Point as at which the Net Asset Value is determined, (v) all interest accrued on or before the relevant Valuation Point on any interest-bearing securities owned by the Company except to the extent that the same is included or reflected in, the principal value of such security, (vi) all other Investments of the Company, (vii) the preliminary expenses incurred in establishing the Company which are payable by the Company and which may include the cost of issuing, distributing, marketing and promoting shares of the Company insofar as the same have not been written off and (viii) all other Assets of the Company of every kind and nature including prepaid expenses as valued and defined from time to time by the Directors.
- 1.3 The Directors shall be entitled to determine in relation to any preliminary costs, charges, fees and expenses of the Company or of a Fund or a class of shares that the same may be amortised over such period as they think fit.

The assets of a Fund will be valued at the Valuation Point on the relevant Valuation Day in the following manner:-

- (a) Assets listed or traded on a Market (other than those referred to at (e) below) for which market quotations are readily available shall be valued at last traded price or, if consistent with the valuation policy of the relevant Fund, at a mid-market price. Where a security is listed or dealt in on more than one Market, the Market shall be the one which constitutes the main market or the one which the Directors or their delegate determine provides the fairest criteria in determining a value for the relevant investment. Assets listed or traded on a recognised exchange, but acquired or traded at a premium or at a discount outside or off the relevant exchange or market may be valued taking into account the level of premium or discount at the Valuation Point provided that the Depositary shall be satisfied that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security.
- (b) The value of any security which is not quoted, listed or dealt in on a recognised exchange, or which is so quoted, listed or dealt but where the market price is unrepresentative or not available, shall be the probable realisation value as estimated

with care and in good faith by (i) the Directors or the Manager or (ii) a competent person, firm or corporation selected by the Directors or their delegate and approved for the purpose by the Depositary (for the avoidance of doubt, such competent professional may be related to the Manager or Investment Manager) or (iii) any other means provided that the value is approved by the Depositary. Where reliable market quotations are not available for fixed income securities, the value of such securities may be determined using matrix methodology compiled by any party referred to in (i), (ii) or (iii) above whereby such securities are valued by reference to the valuation of other securities which are comparable in rating, yield, due date and other characteristics. Matrix pricing shall not ignore a reliable market quotation.

- (c) Cash in hand or on deposit will be valued at its nominal/face value plus accrued interest, where applicable.
- (d) Notwithstanding paragraph (a) above, units in collective investment schemes shall be valued at the latest available net asset value per unit or the latest bid price as published by the relevant collective investment scheme or, if listed or traded on a recognised exchange, in accordance with (a) above, or if consistent with the valuation policy of the relevant Fund, at a mid or offer price.
- (e) Exchange-traded derivative instruments will be valued daily at the settlement price for such instruments as determined by the market in question. If such price is not available, such value shall be the probable realisation value estimated with care and in good faith by any party as described in (i), (ii) or (iii) of paragraph (b) above.
- (f) Subject to Article 11 of Regulation (EU) No. 648/2012 on OTC Derivatives, Central Counterparties and Trade Repositories ("EMIR") and the related Commission Delegated Regulation No 149/2013, over-the-counter derivative contracts shall be valued daily on the basis of a quotation provided by the relevant counterparty (on the basis of a means of valuation that provides reasonable accuracy on a reliable basis) and such valuation will be approved or verified at least weekly by a party independent of the counterparty who has been approved for such purpose by the Depositary. Alternatively, an over-the-counter derivative contract may be valued daily on the basis of a quotation from an independent pricing vendor with adequate means to perform the valuation or by any party as described in (i), (ii) or (iii) of paragraph (b) above of this Appendix III. Where this alternative valuation is used, the Directors or their delegate must follow international best practice and adhere to the principles on such valuations established by bodies such as the International Organisation of Securities Commissions and the Alternative Investment Management Association. Any such alternative valuation must be reconciled to the counterparty valuation on a monthly basis. Where significant differences arise, these must be promptly investigated and explained.
- (g) Forward foreign exchange and interest rate swap contracts shall be valued in the same manner as OTC derivative contracts in accordance with (e) above, or by reference to freely available market quotations.
- (h) Notwithstanding the provisions of paragraphs (a) to (f) above:-
 - (i) The Directors or their delegate may, at its discretion in relation to any particular Fund which is a short-term money market fund, value any investment using the amortised cost method of valuation where such collective investment schemes comply with the Central Bank's requirements for short-term money market funds and where a review of the amortised cost

valuation vis-à-vis market valuation will be carried out in accordance with the Central Bank's guidelines.

- (ii) The Directors or their delegate may, at its discretion, in relation to any particular Fund which is a money market fund or which is not a money market fund but which invests in money market instruments, value any investment on the basis of the amortised cost method, provided that each such security being valued using the amortised cost basis of valuation shall be carried out in accordance with the Central Bank's requirements.

- (i) Notwithstanding the generality of the foregoing, the Directors or their delegate may with the approval of the Depositary adjust the value of any investment if, taking into account currency, marketability, dealing costs and/or such other considerations as they may deem relevant, such as applicable rate of interest, anticipated rate of dividend, maturity or liquidity, they consider that such adjustment is required to reflect the fair value thereof.

- (j) If the Directors or their delegate deem it necessary, a specific investment may be valued under an alternative method of valuation approved by the Depositary.

1.4 For the purposes of this Appendix and notwithstanding that monies held in a cash account established in accordance with Clause 8.3 of Appendix II may be treated (at the requirement of the Central Bank or otherwise) as assets of, and attributable to a Fund:-

- (a) monies payable to the Company in respect of the allotment of shares in a Fund shall not be taken into account when calculating the Net Asset Value of a Fund until shares are deemed to be in issue in accordance with Appendix II;
- (b) monies payable by the Company as a result of the cancellation of allotments or on the compulsory repurchase or transfer of shares or on repurchase of shares shall be deemed to be a liability of the Company from the time at which such shares are deemed to cease to be in issue in accordance with Appendix II;
- (c) monies due to be transferred as a result of an exchange of shares to another pursuant to an exchange notice shall be deemed to be a liability of the first class and an Asset of the new class immediately after the Valuation Point for the Dealing Day on which the Exchange Notice is received or deemed to be received in accordance with Clause 9 of Appendix II;
- (d) any dividend amount payable to a Holder and held in a cash account shall not be taken into account when determining the Net Asset Value of that Fund.
