INVESTMENT UNIVERSE AND INVESTMENT OBJECTIVE

The Fund invests worldwide in future-oriented companies with structurally expanding business models. Its thematic investment objective is to outperform the MSCI World Index in euro. Individual companies are analysed using a bottom-up approach with a focus on long-term growth potential. The portfolio is high-conviction and actively managed. It generally holds between 30 and 50 single titles. Positions are bought with a very long investment horizon of more than five years. The Fund's equity allocation may be strategically hedged to protect against market volatility.

DISCLAIMER

This is a marketing communication addressed exclusively to professional and/or eligible counterparties in accordance with the MiFID II Directive (2014/65/EU).

Please read the prospectus and the key information documents (PRIIPs-KIDs) before investing in the fund.

It is for information purposes only and provides the addressee with guidance on our products, concepts and ideas. It is not permitted to forward this information, either in whole or in part and regardless of the form, to third parties. The issued units of the fund may only be offered for sale in those jurisdictions in which such an offer or sale is permitted. Accordingly, the units may not be offered for sale or sold within the US, or either to or on account of US citizens or US persons resident in the United States. The detailed instructions in the current sales prospectus on the purchase of fund units apply and must be unreservedly complied with.

This does not form the basis for any purchase, sale, hedging, transfer or mortgaging of assets. None of the information contained herein constitutes an offer to buy or sell any financial instrument nor is it based on a consideration of the personal circumstances of the addressee. It is also not the result of an objective or independent analysis. No advisory relationship is established either by reading the document or by listening to it during a presentation. All contents are for information purposes only and cannot replace professional and individual investment advice. For detailed information about opportunities and risks, as well as information relating to the investor profile and the investment policy of our products, please refer to the current sales prospectus. The statutory sales documents (sales prospectus and key information documents (PRIIPs-KIDs), supplemented by the semi-annual and annual reports), which provide detailed information on the purchase of units and the associated opportunities and risks, form the sole authoritative and legally binding basis for the purchase of units.

The aforementioned sales documents in German (as well as in unofficial translations in other languages) can be found at www.mainfirst.com and are available free of charge from the investment company Ethenea Independent Investors S.A. and the custodian bank, as well as from the respective national paying or information agents and from the representative in Switzerland.
