## Investment risks

For complete information on risks, refer to the legal documents. The value of investments and any income will fluctuate (this may partly be the result of exchange rate fluctuations) and investors may not get back the full amount invested. The fund may invest in certain securities listed in China which can involve significant regulatory constraints that may affect the liquidity and/or the investment performance of the fund. The fund invests in a limited number of holdings and is less diversified. This may result in large fluctuations in the value of the fund.

**Past performance does not predict future returns.** Each period starts at the end of the indicated month. The first indicated month may not represent a full month and may start only on the launch/restructuring date indicated in the headline.

The performance data shown does not take account of the commissions and costs incurred on the issue and redemption of units. Performance is net of fees and expenses, as represented by the Ongoing Charges figure for the specific class and are not GIPS compliant. Returns may increase or decrease as a result of currency fluctuations. The Composite data above represents the unaudited performance of the Invesco Global Focus Equity Composite, which inceptioned on 31 December 2007. Past performance of the composite does not predict future performance of the Fund. The investment concerns the acquisition of units in an actively managed fund and not in a given underlying asset.

### SFDR (Sustainable Finance Disclosure Regulation)

The Fund complies with Article 8 with respect to the EU's Sustainable Finance Disclosure Regulation\*. As such, the fund promotes, among other characteristics, environmental or social characteristics or a combination of those characteristics. In addition, the companies in which the fund invests follow good governance practices. \*Regulation (EU) 2019/2088 on sustainability - related disclosures in the financial services sector.

### Exclusion Framework

The Fund embeds an exclusionary framework to specific activities based on UN Global Compact, severe governmental sanctions, revenue thresholds for certain activities linked to environmental and/or social criteria, as well as ensuring that companies follow good governance practices. The list of activities and their thresholds are listed below. For further details on the exclusion framework and characteristics applied by the fund please refer to the website of the manager <https://www.invescomanagementcompany.lu>:

UN Global Compact	- Non-Compliant
Country sanctions	- Sanctioned investments are prohibited*
Controversial weapons	- 0% of revenue including companies involved in the manufacture of nuclear warheads or whole nuclear missiles outside of the Non-Proliferation Treaty (NPT)
Coal	- Thermal Coal extraction: >=5% of revenue - Thermal Coal Power Generation: >=10% of revenue
Unconventional oil & gas	- >= 5% of revenue on each of the following: Arctic oil & gas exploration; Oil sands extraction; Shale energy extraction;
Tobacco	- Tobacco Products production: >=5% of revenue - Tobacco related products and services: >=5% of revenue
Others	- Recreational cannabis: >=5% of revenue
Good governance	- Ensure that companies follow good governance practices in the areas of sound management structures, employee relations, remuneration and tax compliance

\*At Invesco we continuously monitor any applicable sanctions, including those imposed by the UN/US/EU and UK. These sanctions may preclude investments in the securities of various governments/regimes/entities and as such will be included in our compliance guidelines and workflows (designed to ensure compliance with such sanctions). The wording of international sanctions is something that we pay particular attention to as there are occasions where sanctions can exist in limited form, for example allowing investments in the secondary market. In addition to sanctions targeting entire countries, there are other thematic regimes, which may focus for example on human rights, cyber attacks, terrorist financing and corruption, which may apply to both individuals and/or entities/corporations.

Any investment decision should take into account all the characteristics of the fund as described in the legal documents. For sustainability related aspects, please refer to: <https://www.invescomanagementcompany.lu/lux-manco/literature>.
