

Stewart Investors European Sustainability Fund Class E EUR

a subfund of First Sentier Investors Global Umbrella Fund plc (the Company) — Fund Factsheet

30 November 2023

Investment objective and policy

The Fund aims to grow your investment. Pursuant to the EU Sustainable Finance Disclosure Regulation (EU 2019/2088), this Fund also has sustainable investment as its objective under Article 9. The Fund invests at least 70% of its assets in shares of companies in Europe (including the UK). The Fund may invest up to 100% of its assets in developed and emerging markets, in any industry, or companies of any size. Emerging markets are countries that are progressing toward becoming advanced, usually shown by some development in financial markets, the existence of some form of stock exchange and a regulatory body. The Fund invests at least 90% in shares of high-quality companies which are positioned to contribute to, and benefit from, sustainable development. Investment decisions use a thematic sustainability approach and a quality assessment aiming to identify high quality companies with strong culture, franchise, and resilient financials. All investee companies contribute to improving human development, while many also contribute to positive climate solutions either i) directly or by enabling other companies to contribute to or ii) through their culture, revenue, or expenditure. The Investment Manager will additionally consider whether a company has any harmful or controversial products, services or practices and takes an active approach to engagement and voting. Sustainability decisions are made on information available and may be at risk if underlying information is incorrect or withheld. The Fund may use derivatives to reduce risk or to manage the Fund more efficiently.

Stewart Investors European Sustainability Fund Class E EUR

a subfund of First Sentier Investors Global Umbrella Fund plc (the Company) — Fund Factsheet

30 November 2023

The value of investments and any income from them may go down as well as up and is not guaranteed. Investors may get back significantly less than the original amount invested.

The Fund may experience the following risks:

Currency risk: The Fund invests in assets which are denominated in other currencies; changes in exchange rates will affect the value of the Fund and could create losses. Currency control decisions made by governments could affect the value of the Fund's investments and could cause the Fund to defer or suspend redemptions of its shares.

Single country / specific region risk: investing in a single country or specific region may be riskier than investing in a number of different countries or regions. Investing in a larger number of countries or regions helps spread risk.

Smaller companies risk: investments in smaller companies may be riskier and more difficult to buy and sell than investments in larger companies.

For further information on risks, please refer to the Risk Factors section in the Company prospectus.

Investment should be made on the basis of the Prospectus and Key Information Document. If you are in any doubt as to the suitability of any of our funds for your investment needs, please seek independent financial advice.

Important Information
