Objectives and Investment Policy

The Fund's objective is to generate positive returns, while preserving invested capital, through the market cycle by adopting a flexible management approach.

The Fund will be essentially exposed (directly and/or indirectly) to non-Investment Grade corporate bonds denominated in EUR with a maturity date of up to 5 years, including Regulation S securities.

The Fund may also, on an ancillary basis, invest in cash, bank deposits and gain exposure to Money Market Instruments, Investment Grade bonds, non-Investment Grade bonds denominated in hard currencies other than Euro, including from issuers located in Emerging Market countries and/or securities issued pursuant to Rule 144A, debt-related securities (such as eligible debentures, notes and convertible bonds), as well as to bonds with a maturity date higher than 5 years.

The Fund's Net Asset Value can be fully invested in debt and/or debt-related securities having a non-investment grade credit rating.

Indirect exposure may be achieved through the use of financial derivative instruments, including but not limited to, total return swaps, credit default swaps, options and/or via investments in UCITS, UCIs and ETFs.

Investments in:

- asset-backed securities, mortgage-backed securities, non-rated bonds

and in distressed/defaulted securities are not allowed. In case of downgrade, distressed/defaulted securities shall not represent more than 3% of the Fund's Net Asset Value;

- contingent convertible bonds are allowed up to 20% of the Fund's Net Asset Value;

- equity securities are not allowed. However, the Fund can hold equities up to 20% of its Net Asset Value following the conversion of convertible bonds, including contingent convertible bonds.

The Fund may use financial instruments and derivatives for hedging purposes, for efficient portfolio management purposes and for investment purposes.

The Fund is open-ended. You may redeem shares of the Fund on any Luxembourg business day.

The Share Class makes no dividend payment.

The Fund is actively managed and references the Performance Fee Benchmark for performance fee's calculation purposes.

The Performance Fee Benchmark of the Fund is ICE BofAML Euro High-Yield, Non Fin, BB-B, 1-5Y, Constrained Index (custom index).

Risk and Reward Profile

This indicator represents the annual historical volatility of the Fund over a 5-year period. Its aim is to help investors understand the uncertainties attached to gains and losses that may have an impact on their investment.

The Fund's exposure to interest rate risk explains its classification in this category.

Historical data such as that used to calculate the synthetic indicator cannot be considered as a reliable indication of the Fund's future risk profile.

The risk category associated with the Fund is not guaranteed and may change over time. The lowest risk category does not mean "risk free". Your initial investment is not guaranteed.

Significant risk(s) for the Fund not taken into account in this indicator include the following:

Credit Risk: The Fund invests a substantial portion of its assets in bonds. The issuers may become insolvent, whereby the bonds may lose a major part of their value or their value entirely.

Liquidity Risk: Risk related to a limited market activity that could not allow the Fund to sell or buy underlying investments in suitable conditions.

Counterparty Risk: The Fund primarily concludes derivatives trades with various contracting parties. There is a risk that counterparties may no longer be able to honour their payment or settlement obligations.

Operational Risk and Depositary Risk: The Fund may fall victim to fraud or other criminal acts. It may also incur losses due to misunderstandings or errors by employees of the management company, the depositary or external third parties. Finally, its' management or the custody of its' assets can be adversely affected by external events such as fires, natural disasters etc.

For more information about the risks of the Fund, please refer to the risk section of the prospectus.
