### INVESTMENT UNIVERSE AND INVESTMENT OBJECTIVE

The MainFirst Megatrends Asia is an equity fund which has an investment focus on themes such as digitalisation, consumption, automation, and decarbonisation. Invested exclusively in Asia, the fund's stock selection is carried out via bottom-up analyses, i.e. on the basis of detailed company analyses. In its strategy, the fund follows a growth approach and, as such, favours companies that benefit from long-term structural growth. The fund's objective is to outperform the MSCI AC Asia ex Japan Index over the long term.

5) Model calculation: With an investment of 1,000.00 EUR for a typical investment period of 5 years the result for the investor would be reduced as follows: On the first day of the investment by the subscription fee of 50.00 EUR (5.00%), as well as annually by the incurred deposit and management fees.

6) Past performance cannot be taken as a guarantee of future performance.

7) Sector Allocation GICS.

8) The "Ongoing costs" mentioned in this section do not include transaction costs. Detailed information on the costs and their impact on your investment can be found in the key Information document (PRIIPs-KID), the sales prospectus and the latest annual report.

## DISCLAIMER

This is a marketing communication.

Please read the prospectus and the key information documents (PRIIPs-KIDs) before investing in the fund.

It is for information purposes only and provides the addressee with guidance on our products, concepts and ideas. It is not permitted to forward this information, either in whole or in part and regardless of the form, to third parties. The issued units of the fund may only be offered for sale in those jurisdictions in which such an offer or sale is permitted. Accordingly, the units may not be offered for sale or sold within the US, or either to or on account of US citizens or US persons resident in the United States. The detailed instructions in the current sales prospectus on the purchase of fund units apply and must be unreservedly complied with.

This does not form the basis for any purchase, sale, hedging, transfer or mortgaging of assets. None of the information contained herein constitutes an offer to buy or sell any financial instrument nor is it based on a consideration of the personal circumstances of the addressee. It is also not the result of an objective or independent analysis. No advisory relationship is established either by reading the document or by listening to it during a presentation. All contents are for information purposes only and cannot replace professional and individual investment advice. For detailed information about opportunities and risks, as well as information relating to the investor profile and the investment policy of our products, please refer to the current sales prospectus. The statutory sales documents (sales prospectus and key information documents (PRIIPs-KIDs), supplemented by the semi-annual and annual reports), which provide detailed information on the purchase of units and the associated opportunities and risks, form the sole authoritative and legally binding basis for the purchase of units.
