

First Trust Indxx Future Economy Metals UCITS ETF

The Fund is a passively managed index-tracking fund that seeks to provide investors with investment results that correspond generally to the price and yield of the Indxx Global Future Economy Metals Index (the "Index"), before fees and expenses. The Index consists of companies that provide metals and elements to industries that will drive the future economy. To be included in the Index companies must have their primary business activities involved in the following sub-themes: Sustainable Energy Metal Providers, Future Tech Metals, and NextGen Mobility Metals. The Index is rebalanced semi-annually.

Fund performance is the performance of the share class since its inception, shown net of fees including re-invested dividends in the base currency of the share class which is in USD. Performance can go up as well as down, and investors may lose some or all of their capital. Returns may increase or decrease as a result of currency and exchange rate fluctuations. Please refer to the 'Risks' section on Page 3 for more details on risks associated with an investment in the fund. The share class was launched less than 5 years ago, therefore performance for some periods is not available.

¹The ongoing charges figure is based on the Fund's annual management fee, whereby the Investment Manager is responsible for the costs involved in running the Fund. In the event that the Fund's running costs exceed the stated figure the Investment Manager shall pay the excess from its own assets. The ongoing charges figure excludes portfolio transaction costs. Details of the transaction costs are available from your broker or financial advisor and at www.ftgportfolios.com. The figure may vary from year to year.

- The Index tracks companies involved in business activities that provide metals and elements to industries which will drive future economy. Such companies are considered as being associated with the following subthemes: Sustainable Energy Metal Providers, Future Tech Metals, and NextGen Mobility Metals
- To be included in the index, in addition to meeting the above classification, as defined by Indxx, a security must derive at least 50% of its revenues from one of the above sub themes
- To be included in the Index, a security must have a minimum market capitalisation of \$500 million, have a six-month average daily turnover greater than or equal to \$2 million and \$1 million for developed and emerging markets respectively, and a minimum free float of 10% of shares outstanding
- The Index will select a total of 50 pure-play securities by market capitalisation, if less than 50 pure-play securities qualify for inclusion, then all pure-play companies will be included in the final index
- Constituents are weighted based on their free-float security-level market capitalisation. A security cap of 10% is applied to the top two securities, and the excess weight is redistributed proportionately over the remaining securities. A security cap of 8% is applied to the remaining securities, and the excess weight is redistributed proportionately amongst the remaining securities.
- The aggregate weight of securities with weight greater than or equal to 5% must not exceed 40%. In case the aggregate weight exceeds 40%, a secondary cap of 4.5% is applied. The excess weight is redistributed proportionately amongst the uncapped securities.
- The Index is rebalanced and reconstituted semi-annually.

Risks

- **The Fund may not achieve its investment objective and the value of shares in the Fund may fall.**
- Neither First Trust Global Portfolios Management Limited ("FTGPM") nor any of its affiliates, guarantees the performance or the future returns of the Fund.
- There is no assurance that the Index will continue to be calculated and published on the basis described in the Prospectus. In addition, the Fund's return may not match the return of the Index.
- See also the description of the risks applicable to the Fund in "Risk Factors" in the Prospectus.

Important Information

This marketing communication is issued by First Trust Global Portfolios Management Limited ("FTGPM") whose place of business is Fitzwilliam Hall, Fitzwilliam Place, Dublin 2, D02 T292. FTGPM is authorised and regulated by the Central Bank of Ireland ("CBI") (C185737). The Fund is also regulated by the CBI.

Nothing contained herein constitutes investment, legal, tax or other advice and it is not to be solely relied on in making an investment or other decision, nor does the document implicitly or explicitly recommend or suggest an investment strategy, reach conclusions in relation to an investment strategy for the reader, or provide any opinions as to the present or future value or price of any fund. It is not an invitation, offer, or solicitation to engage in any investment activity, including making an investment in the Fund, nor does the information, recommendations or opinions expressed herein constitute an offer for sale of the Fund.

The Fund is an open-ended sub-fund of First Trust Global Funds PLC (the "Company"), an umbrella UCITS fund with segregated liability between sub-funds, incorporated with limited liability as an investment company with variable capital under the laws of Ireland with UCITS registered number 514357.

The material in this marketing communication is not comprehensive and must therefore be read in conjunction with the Fund's prospectus and the UCITS key investor information document ("KIID") or the PRIIPS key information document ("KID") which contain material information not contained herein, including the terms of investment and information regarding investment risks and restrictions, fees and expenses and conflicts of interests. Potential investors should pay particular attention to the risk disclosures in the "Risk Factors" section of the Fund's prospectus (available in English) and KIIDs (available for each share class of each of the sub-funds of the Company and in one of the official languages of each of the EU Member States into which each sub-fund has been notified for marketing under the Directive 2009/65/EC (the UCITS Directive)). No assurance can be given that the Fund's investment objective will be achieved or that the Fund will generate a positive return. Please contact FTGPM or visit
