- (f) On repurchase of part only of the shares held by any Member, the Directors shall procure that a revised share certificate or other evidence of ownership shall be issued free of charge for the balance of such shares.
- (g) In the event that a repurchase of part only of a Member's holding of shares leaves the Member holding less than the Minimum Holding the Directors may, if they think fit, require that the Company repurchase the whole of that Member's holding.
- (h) If the Company receives requests for the repurchase of shares in respect of ten per cent. or more of the outstanding shares on any Dealing Day in any fund, the Directors may elect to restrict the total number of shares repurchased to ten per cent. of the outstanding shares in such fund, in which case all the relevant requests will be scaled down pro rata to the number of shares requested to be repurchased. The Company shall treat the deferred repurchase requests as if they were received for each subsequent Dealing Day (in relation to which the Company has the same power of deferral at the then prevailing limit) until all the shares to which the original request related have been repurchased. In such cases, the Company may reduce requests pro rata on the next and following Dealing Days so as to give effect to the above limitation.
- (i) At the discretion of the Directors and with the sanction of an Ordinary Resolution, the Company may satisfy any application for repurchase of shares by the transfer to those Members of assets of the Company in specie, PROVIDED THAT in the case of a repurchase request in respect of shares representing 5 per cent. or less of the share capital of

the Company or a fund or with the consent of a Member making such repurchase request, assets may be transferred without the sanction of an Ordinary Resolution and PROVIDED ALWAYS THAT the nature of the assets and the type of assets to be transferred to each Member shall be determined by the Directors on such basis as the Directors in their sole discretion shall deem equitable and not prejudicial to the interests of the remaining Members. At the request of the Member making such repurchase request such assets may be sold by the Company and the proceeds of sale transmitted to the Member.

- (j) In the event that the Company is required by any applicable laws, regulations, direction or guidance, or by any agreement with any tax or fiscal authority to deduct, withhold or account for tax on shares held by a Member (whether upon a repurchase of shares, a transfer of shares or otherwise) or upon the payment of a distribution to a Member (whether in cash or otherwise), or in any other circumstances in which a tax liability arises in connection with a Member's holding of shares, the Directors shall, acting in good faith and on reasonable grounds, be entitled to arrange for the repurchase and cancellation of such number of the shares of such Member as are sufficient after the deduction of any repurchase charges to discharge any such tax liability and the Directors may decline to register a transferee as a Member until such time as they receive from the transferee such declarations as to residency or status as they may require. The Depositary shall ensure that the repurchase proceeds are held for the purposes of discharging any applicable tax liability as aforesaid.
- (k) Where the Company receives a request for the repurchase of shares from any Member in respect of which the Company is required to account for, deduct or withhold taxation, the Company shall be entitled to deduct from the proceeds of repurchase such amount of taxation as the Company is required to account for, deduct or withhold.
- (l) In the event that the amount payable to a Member on a repurchase is exceeded by the cost of dispatching, transmitting, effecting or otherwise making such payments to the Member, the Company shall be entitled to retain such redemption proceeds for the benefit of all of the remaining Members provided that in no event shall the value of such redemption proceeds exceed USD20 (or its equivalent in Euro) for any Member.

11. TOTAL REPURCHASE

- (a) With the sanction of a Special Resolution of the Members or Members of a fund or class, the Company may, by not less than four nor more than six weeks' notice (expiring on a Dealing Day) to all such Members repurchase all of the shares of the Company, class or fund at the Net Asset Value for such shares and the Members shall be deemed to have requested the repurchase of their shares within sixty days of such notice.

- (b) If so determined by the Directors, provided that not less than twenty one days' written notice has been given to the members of the Company, fund or class, as appropriate, the Company may repurchase all of the Shares of the Company, or the fund or class, as applicable.
- (c) If all of the shares in the Company, class or fund are to be repurchased as aforesaid the Company, with the approval of the Members by Ordinary Resolution, may divide amongst the Members in specie all or part of the assets of the Company, class or fund according to the value of the shares then held by each Member as determined in accordance with Article 12 hereof.
- (d) On the 31st December 2005 or on any fifth anniversary thereof provided that not less than four and no more than six weeks' notice has been given to the holders of the shares the Company, fund or class may repurchase all of the shares of the Company, fund or class (other than any of the Subscriber Shares then in issue) at the Net Asset Value and the Members shall be deemed to have requested the repurchase of their shares.
- (e) If all of the shares in the Company are to be repurchased as aforesaid the Company, with the approval of the Members by Ordinary Resolution, may divide amongst the Members in specie all or part of the assets of the Company according to the value of the shares then held by each Member as determined in accordance with Article 12 hereof.
- (f) If all of the shares are to be repurchased as aforesaid and the whole or any part of the business or property of the Company, fund or class or any of the assets of the Company, fund or class, is proposed to be transferred or sold to another company (hereinafter called "the Transferee") the Company, fund or class may, with the sanction of a Special Resolution conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for the transfer or sale, shares, units, policies or other like interests or property in or of the Transferee for distribution among the Members, or may enter into any other arrangement whereby any Member may in lieu of receiving cash or property, or in addition thereto, participate in the profits of, or receive, any other benefit from the Transferee.
- (g) Where a repurchase of shares pursuant to Article 11 (a), (b), (c) or (d) would result in the number of Members falling below seven or such other minimum number of members as the Act may stipulate as the legal minimum number of members in a public limited company or would result in the issued share capital of the Company falling below such minimum amount as the Company may be obliged to maintain as the Act may stipulate, the Company may defer the repurchase of such shares the repurchase of which would result in such number or amount

not being satisfied until the Company is wound up or until the Company procures the issue of sufficient shares to ensure that the aforesaid number and amount are satisfied. The Company shall be entitled to select the shares for such deferred repurchase in such manner as it may deem to be fair and reasonable and as may be approved by the Depositary.

12. DETERMINATION OF NET ASSET VALUE

- (a) The Company shall determine the Net Asset Value of the Company and each fund as at the close of business on the Dealing Day. Where a fund is made up of more than one class of shares, the Net Asset Value of each class shall be determined by calculating the amount of the Net Asset Value of the fund attributable to each class. The amount of the Net Asset Value of a fund attributable to a class shall be determined by establishing the amount of shares in issue in the class as at the close of business on the Dealing Day immediately preceding the Dealing Day on which the Net Asset Value of the class is being determined or in the case of the first Dealing Day as at the close of the Initial Offer Period and by allocating relevant fee and Class Expenses (as defined below) expenses to the class and making appropriate adjustments to take account of distributions paid out of the fund, if applicable, and apportioning the Net Asset Value of the fund accordingly. The Net Asset Value per share of a class shall be calculated by dividing the Net Asset Value of the fund attributable to the class by the number of shares in issue in that class (adjusted to the nearest whole unit of the Base Currency) as at the most recent net asset value calculation immediately preceding the current calculation of the net asset value per Share. "Class Expenses" means the expenses of registering a Class in any jurisdiction or with any stock exchange, regulated market or settlements system and such other expenses arising from such registration and such further expenses howsoever arising as may be disclosed in the Prospectus. The Net Asset Value shall be expressed in the Base Currency as a per share figure for the issue of shares and for the repurchase of shares respectively as appropriate and shall be determined in accordance with Article 13 hereof.
- (b) Where the Directors determine to do so in the circumstances described more particularly in the Prospectus they may apply a Dilution Adjustment. The charging of a Dilution Adjustment may either reduce the repurchase price or increase the subscription price of the shares in a fund. Where a Dilution Adjustment is made, it will increase the Net Asset Value per share where the fund receives net subscriptions and reduce the Net Asset Value per share where the fund receives net redemptions. The Dilution Adjustment for each fund will be calculated by reference to the estimated costs of dealing in the underlying investments of that fund, including any dealing spreads, commissions and transfer taxes. The price of each class of share in a fund will be calculated separately but any Dilution Adjustment will affect the price of shares of each class in a fund in an identical manner.

The amount of any Dilution Adjustment will be reviewed from time to time by the Company.

- (c) The Company at any time may, but shall not be obliged to, temporarily suspend the determination of the Net Asset Value of the shares in any fund and the sale and repurchase of such shares, in the following instances:-
- (i) any period (other than ordinary holiday or customary weekend closings) when any market is closed which is the main market for a significant part of the fund's investments, or when trading thereon is restricted or suspended;
 - (ii) any period during which disposal of investments which constitute a substantial portion of the assets of the fund is not practically feasible;
 - (iii) any period when for any reason the prices of any investments of the fund cannot be reasonably, promptly or accurately ascertained by the Company;
 - (iv) any period when remittance of monies which will, or may, be involved in the realisation of, or in the payment for, investments of the fund cannot, in the opinion of the Directors, be carried out at normal rates of exchange;
 - (v) any period when proceeds of the sale or repurchase of the Shares cannot be transmitted to or from the fund's account;
 - (vi) any period when the Company is considering the merger in relation to the Company, a fund or share class where in the opinion of the Directors such suspension is justified having regard to the interests of the Members;
 - (vii) upon the occurrence of an event causing it or any fund to enter into liquidation;
 - (viii) any other period where in the opinion of the Directors circumstances require such a suspension and it is justified having regard to the interests of the Members.
- (d) The Company may elect to treat the first Business Day on which the conditions giving rise to the suspension have ceased as a substitute Dealing Day in which case the Net Asset Value calculations and all issues and repurchases of shares shall be effected on the substitute Dealing Day. Alternatively the Company may elect not to treat such Business Day as a substitute Dealing Day in which case it shall notify all applicants for shares and Members requesting repurchase of shares who shall then be entitled to withdraw their applications and repurchase requests by the date stated in the notification.

- (e) Any such suspension shall be published by the Company in such manner as it may deem appropriate to the persons likely to be affected thereby if, in the opinion of the Company, such suspension is likely to continue for a period exceeding fourteen days and any such suspension shall be notified immediately to the Central Bank and in any event within the same Business Day.
- (f) For the avoidance of doubt, a suspension of subscriptions may be made at any time prior to the occurrence of (i) the entry of a Member on the Register and (ii) the receipt from the Member or subscriber of the subscription monies. A repurchase may be suspended at any time prior to (i) the removal of the Member from the Register; and (ii) the payment to the Member of the repurchase proceeds.
- (g) A suspension of repurchases may be made at any time prior to the payment of repurchase proceeds and the removal of the Member's name from the Register. A suspension of subscriptions may be made at any time prior to the entry of a Member's name on the Register.

13. VALUATION OF ASSETS

- (a) The Net Asset Value of the Company shall be calculated in accordance with the provisions of this Article.
- (b) The Net Asset Value per share of each fund shall be valued on each Dealing Day at the time specified in the Prospectus. Any liabilities of the Company which are not attributable to any fund shall be allocated pro rata amongst all of the funds.
 - (i) Assets listed or traded on a Regulated Market or over-the-counter markets (other than those referred to at (v) and (vi) below) for which market quotations are readily available shall be valued at the last quoted trade price, if unavailable or, in the opinion of the Manager unrepresentative of fair market value, the latest middle market quotation (i.e. the mid price between the latest bid and offer prices) on the principal exchange in the market for such investment provided that the value of the investment listed on a Regulated Market but acquired or traded at a premium or at a discount outside or off the relevant stock exchange or on an over-the-counter market may be valued taking into account the level of premium or discount as at the date of valuation of the investment. The Depositary must ensure the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security.

If for specific assets the latest available prices do not, in the opinion of the Manager, reflect their fair value, or if the price is unrepresentative or unavailable, the value shall be estimated

with care and in good faith by a competent person appointed by the Manager or its duly appointed delegate and approved for that purpose by the Depositary on the basis of the probable realisation value for such assets.

- (ii) If the assets are listed or traded on several Regulated Markets, the last quoted trade price or latest middle market quotation on the Regulated Market which, in the opinion of the Company constitutes the main market for such assets, will be used.
- (iii) in the event that any of the investments on the relevant Dealing Day is not listed or traded on any Regulated Market, such security shall be valued at the probable realisation value determined with care and in good faith by a competent person appointed by the Manager or its duly appointed delegate and approved by the Depositary for such purpose. Due to the nature of such unquoted securities and the difficulty in obtaining a valuation from other sources, such competent professional may be related to the Investment Adviser.
- (iv) cash and other liquid assets will be valued at their face value with interest accrued, where applicable.
- (v) units or shares in collective investment schemes will be valued at the latest available net asset value or, if listed or traded on a Regulated Market, at the latest quoted trade price or, a mid-quotation (or, if unavailable, a bid quotation) or, if unavailable or unrepresentative, the latest available net asset value as deemed relevant to the collective investment scheme.
- (vi) exchange traded derivative instruments will be valued at the settlement price for such instruments on such market. Over-the-counter derivative instruments shall be valued daily using either the counterparty valuation or an alternative valuation, such as a valuation calculated by the Manager or by an independent pricing vendor appointed by the Manager or its duly appointed delegate and approved for that purpose by the Depositary. Where the counterparty valuation is used, the valuation must be approved or verified by an independent party who is approved for the purpose by the Depositary at least weekly. Where an alternative valuation is used, such valuation shall be reconciled on a monthly basis to the valuation provided by the counterparty to such instrument. Forward foreign exchange contracts shall be valued by reference to the price at which a new forward contract of the same size and maturity could be undertaken.
- (vii) any value expressed otherwise than in US Dollars (whether of an investment or cash) and any non-US Dollar borrowing shall be converted into US Dollars at the rate (whether official or

otherwise) which the Manager deems appropriate in the circumstances.

In the event of it being impossible or incorrect to carry out a valuation of a specific investment in accordance with the valuation rules set out in paragraphs (i) to (vii) above, or if such valuation is not representative of a security fair market value, the Manager is entitled to use other generally recognised valuation principles in order to reach a proper valuation of that specific instrument, provided that such method of valuation has been approved by the Depositary.

- (c) The Manager, with the approval of the Depositary, may adjust the Net Asset Value per share when calculating realisation prices for any fund, to reflect the value of such fund's investments assuming they were valued using the highest market bid price on the relevant market at the relevant time. The Managers' intention is only to exercise this discretion to preserve the value of the holdings of continuing Members in the event of substantial or recurring net repurchases of shares in the relevant fund.
- (d) Provided that the intention to do so has been set out in the Prospectus, the assets of a fund may be valued using the amortised cost method of valuation whereby the Investments of a fund are valued at their costs of acquisition and thereafter assuming an amortisation to maturity of any discount or premium provided the valuation is in accordance with the requirements of the Central Bank. In the case of funds which invest solely in short term securities (money market funds), the amortised cost method of valuation shall be applied only in respect of securities which meet the following criteria:
 - have a maturity at issuance of up to and including 397 days;
 - have a residual maturity of up to and including 397 days;
 - undergo regular yield adjustments in line with the money market conditions at least every 397 days; and/or
 - the risk profile, including credit and interest rate risks, corresponds to that of financial instruments which have a maturity of up to and including 397 days or are subject to a yield adjustment at least every 397 days.

The weighted average maturity of the fund must not exceed 60 days. The Administrator will carry out a weekly review of discrepancies between the market value and the amortised cost value of the money market instruments. Escalation procedures should be put in place by the Manager to ensure that:

- material discrepancies between the market value and the amortised cost value of a money market instrument are brought to the attention of the Manager and the Investment Adviser;
- discrepancies in excess of 0.1% between the market value and the amortised cost value of the portfolio will be brought to the attention of the Manager and the Investment Adviser;
- discrepancies in excess of 0.2% between the market value and the amortised cost value of the portfolio will be brought to the attention of the Manager and the Depositary;
- if discrepancies in excess of 0.3% between the market value and the amortised cost value of the portfolio occur a daily review must take place. The Manager will notify the Central Bank with an indication of the action, if any, which will be taken to reduce such dilution; and
- weekly reviews and any engagement of escalation procedures are clearly documented.

The Manager will monitor the use of the amortised cost method of valuation in order to ensure that this method continues to be in the best interests of the Members and to provide a fair valuation of the Investments of the fund. There may be periods during which the stated value of an instrument determined under the amortised cost method of valuation is higher or lower than the price which the fund would receive if the instrument were sold, and the accuracy of the amortised cost method of valuation can be affected by changes in interest rates and the credit standing of issuers of the fund's investments.

In the case of other funds, money market instruments may be valued on amortised basis provided that the money market instruments have a residual maturity not exceeding three months and have no specific sensitivity to market parameters, including credit risk.

- (e) The Manager shall be entitled to adopt an alternative method of valuing any particular asset if they consider that the method of valuation herein set out does not provide a fair valuation of that asset and that such alternative method of valuation shall first have been approved by the Depositary.
- (f) In calculating the Net Asset Value of the assets:-
 - (i) every share allotted by the Company shall be deemed to be in issue and the assets shall be deemed to include not only the relevant cash and property in the hands of the Depositary but also the amount of any cash or other property to be received in respect of shares allotted;

- (ii) where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed such Investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed;
- (iii) where notice of a repurchase of shares has been given to the Depositary but such cancellation has not been completed the Shares to be cancelled shall be deemed not to be in issue and the value of the assets shall be reduced by the amount payable to a Member upon such cancellation;
- (iv) where any amount in one currency is required to be converted into another currency the Manager may effect such conversion using such rates as the Manager shall determine at the relevant time except where otherwise specifically provided herein;
- (v) there shall be deducted from the assets the total amount of any actual or estimated liabilities properly payable including outstanding borrowings (if any) but excluding liabilities taken into account under sub-paragraph (ii) above and any estimated liability for tax on and such amount in respect of contingent or projected expenses as the Administrator considers fair and reasonable having regard to the provisions of the Prospectus and the Articles of Association of the Company;
- (vi) there shall be deducted from the value of any Investment in respect of which a call option has been written the value of such option calculated by reference to the lowest available market dealing offered price quoted on a regulated market or if no such price is available a price certified by a stockbroker or other person approved by the Depositary or such price as the Manager consider in the circumstances to be reasonable and which is approved by the Depositary;
- (vii) there shall be added to the assets a sum representing any interest or dividends accrued but not received and a sum representing unamortised expenses;
- (viii) there shall be added to the assets the amount (if any) available for distribution in respect of the last preceding Accounting Period but in respect of which no distribution has been declared;
- (ix) there shall be deducted from the assets the total amount (whether actual or estimated by the Manager) of any other liabilities properly payable including accrued interest on borrowings (if any);

- (x) the value of assets shall be rounded upwards or downwards as appropriate to the nearest two decimal places;
- (xi) in the event that extraordinary circumstances render such a valuation impracticable or inadequate, the Manager may with the consent of the Depositary, prudently, and in good faith, follow, until the termination of such circumstances, other generally recognised valuation principles approved by the Depositary in relation to specific assets in order to achieve a fair valuation of the assets of the Company;
- (xii) the Net Asset Value per share shall be rounded upwards or downwards as appropriate to the nearest four decimal places or as otherwise provided in the Prospectus;
- (g) Without prejudice to its general powers to delegate its functions herein certified, the Manager may delegate any of its functions in relation to the calculation of Net Asset Value to the Administrator or to any other duly authorised person. In the absence of wilful misconduct or manifest error, every decision taken by the Manager or by the Administrator or any duly authorised person on behalf of the Company in calculating the Net Asset Value shall be final and binding on the Company and on present, past or future Members.

14. **TRANSFER AND TRANSMISSION OF SHARES**

- (a) All transfers of shares shall be effected by a transfer in writing in any usual or common form and every form of transfer shall state the full name and address of the transferor and transferee.
- (b) The instrument of transfer of a share shall be signed by or on behalf of the transferor and need not be signed by the transferee. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof.
- (c) Unless the Directors otherwise agree, a transfer of shares may not be registered if in consequence of such transfer the transferor or the transferee would hold a number of shares less than the Minimum Holding.
- (d) The Directors may decline to register any transfer of shares unless the instrument of transfer is deposited at the registered office of the Company or at such other place as the Directors may reasonably require, with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer.
- (e) If the Directors decline to register a transfer of any share they shall, within one month after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.

- (f) The registration of any transfers may be suspended at such times and for such periods as the Directors from time to time may determine, PROVIDED ALWAYS that such registration of transfers shall not be suspended for more than thirty days in any year.
- (g) All instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- (h) In the case of the death of a Member, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or surviving holder, shall be the only person recognised by the Company as having title to his interest in the shares, but nothing in this Article shall release the estate of the deceased holder whether sole or joint from any liability in respect of any share solely or jointly held by him.
- (i) Any guardian of an infant Member and any guardian or other legal representative of a Member under legal disability and any person entitled to a share in consequence of the death, insolvency or bankruptcy of a Member shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the share or to make such transfer thereof as the deceased or bankrupt Member could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the share by the infant or by the deceased, insolvent or bankrupt Member before the death, insolvency or bankruptcy of the Member under legal disability.
- (j) A person so becoming entitled to a share in consequence of the death, insolvency or bankruptcy of a Member shall have the right to receive and may give a discharge for all monies payable or other advantages due on or in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the Company, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the share PROVIDED ALWAYS that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within ninety days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the share until the requirements of the notice have been complied with.

15. INVESTMENT OBJECTIVES

- (a) The Company may invest only in those investments permitted by the Regulations and subject to the limitations set out in the Regulations.

- (b) The investment objectives of the Company shall be set out in the Prospectus.
- (c) Subject to authorisation by the Central Bank and to the conditions and limitations outlined in the Regulations, the Company may invest up to 100 per cent. of the assets of any fund in transferable securities and money market instruments issued by or guaranteed by a member state of the European Union or issued by or guaranteed by the local authorities of any such member state, or issued or guaranteed by non-member States or public international body of which one or more member states are members or issued or guaranteed by the government of the U.S., Switzerland, Norway, Canada, Japan, Australia and New Zealand or issued or guaranteed by any one or more of the following: OECD governments (provided the relevant issues are of investment grade), Government of Brazil (provided the issues are of investment grade), Government of India (provided the issues are of investment grade), Government of Singapore, Government of the People's Republic of China, European Investment Bank, European Bank for Reconstruction and Development, International Finance Corporation, International Monetary Fund, Euratom, The Asian Development Bank, European Central Bank, Council of Europe, Eurofima, African Development Bank, International Bank for Reconstruction and Development (The World Bank), The Inter American Development Bank, European Union, Federal National Mortgage Association (Fannie Mae), Federal Home Loan Mortgage Corporation (Freddie Mac), Government National Mortgage Association (Ginnie Mae), Student Loan Marketing Association (Sallie Mae), Federal Home Loan Bank, Federal Farm Credit Bank, Straight A Funding LLC, the Tennessee Valley Authority and Export-Import Bank.
- (d) With the exception of permitted investments in unlisted securities or in units of open-ended collective investment schemes, the Company and its funds will only invest in those securities and derivative instruments listed or traded on a stock exchange or market (including derivative markets) which meets with the regulatory criteria (regulated, operate regularly, be recognised and open to the public) and which is listed in the Prospectus.
- (e) If the investment limits permitted by the Regulations are exceeded for reasons beyond the control of the Company or as a result of the exercise of subscription rights, the Company shall adopt as a priority objective for its sales transactions the remedying of that situation, taking due account of the interests of the Members.
- (f) The Company or a fund may not:-
 - (i) borrow money (which, for the avoidance of doubt, does not occur where the Company or fund enters into reverse repurchase agreements) except that the Company or a fund may

- (j) The Company or a fund may invest in financial derivative instruments, including equivalent cash-settled instruments, dealt in on a Regulated Market and may invest in over-the-counter derivatives subject to the conditions and limitations outlined in the Regulations and laid down by the Central Bank from time to time.

18. PROCEEDINGS AT GENERAL MEETINGS

- (a) All business shall be deemed special that is transacted at an extraordinary general meeting and also all business that is transacted at an annual general meeting, with the exception of the consideration of the statutory financial statements and report of the Directors and the report of the Auditors on the financial statements and the report of the Directors, the review by the Members of the Company's affairs, the

- (c) If within half an hour from the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine.
- (d) The chairman or, if absent, the deputy chairman of the Company, or failing him, some other Director nominated by the Directors shall preside as chairman at every general meeting of the Company, but if at any meeting neither the chairman nor the deputy chairman nor such other Director be present within fifteen minutes after the time appointed for holding the meeting, or if none of them be willing to act as chairman, the Directors present shall choose some Director present to be chairman, or if no Directors be present, or if all the Directors present decline to take the chair, the Members present shall choose some Member present to be chairman.
- (e) The chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more ten days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
- (f) At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless before or upon the declaration of the result of the show of hands a poll is demanded by the

chairman or by at least five Members present or any Members present representing at least one tenth of the shares in issue having the right to vote at the meeting. Unless a poll is so demanded, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

- (g) If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- (h) The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- (i) In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
- (j) A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- (k) The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- (l) A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.
- (m) If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class or unless otherwise provided herein) may, whether or not the Company is being wound up, be varied with the consent in writing of the holders of the shares of that class, to which the provisions of these articles relating to general meetings shall apply *mutatis mutandis*, save that the quorum at any such general meeting shall be two or more Members of that class present in person or by proxy together holding at least one-third of the shares of the relevant class.
- (n) Subject to Section 193 of the Act, a resolution in writing signed by all of the Members for the time being entitled to attend and vote on such

resolution at a general meeting (or being bodies corporate by their duly authorised representative) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a special resolution shall be deemed to be a special resolution within the meaning of the Act. Any such resolution shall be served on the Company.

19. **VOTES OF MEMBERS**

- (a) On a show of hands every Member who is present shall have one vote.
- (b) On a poll every Member present in person or by proxy shall be entitled to one vote in respect of each share held by him.
- (c) In the case of joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the shares.
- (d) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- (e) On a poll votes may be given either personally or by proxy.
- (f) On a poll, a Member entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.
- (g) The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing, or if the appointor is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. The appointment of a proxy by electronic means shall be effective only in such form as the Directors may approve. An instrument of proxy shall be in any usual form or in such form as the Directors may approve PROVIDED ALWAYS that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- (h) Any person (whether a Member or not) may be appointed to act as a proxy. A Member may appoint more than one proxy to attend on the same occasion.
- (i) The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy

of such power or authority, shall be deposited at the registered office of the Company or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the Company not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and if the aforesaid conditions are not complied with the instrument of proxy shall not be treated as valid. Where the appointment of a proxy and any authority under which it is signed is to be received by the Company in electronic form, it may be so received where an address has been specified by the Company for the purpose of receiving electronic communications:-

- (i) in the notice convening the meeting; or
 - (ii) in any appointment of proxy sent out by the Company in relation to the meeting; or
 - (iii) in any invitation contained in an electronic communication to appoint a proxy issued by the Company in relation to the meeting.
- (j) No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
- (k) The Directors may at the expense of the Company send, by post or otherwise, to the Members instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any class of Members, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the Company, such invitations shall be issued to all (and not to some only) of the Members entitled to be sent a notice of the meeting and to vote thereat by proxy.
- (l) A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the appointment of proxy was made, or the transfer of the shares in respect of which the proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at the registered office of the Company, before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
- (m) Any body corporate which is a Member may authorise by resolution of its Directors or other governing body such person as it thinks fit to act

as its representative at any meeting of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Member and such body corporate shall for the purposes of these presents be deemed to be present in person at any such meeting if a person so authorised is present thereat.

20. **DIRECTORS**

- (a) Unless otherwise determined by the Company by Ordinary Resolution, the number of the Directors shall not be less than two nor more than twelve. The first Directors shall be appointed by the subscribers herein.
- (b) A Director need not be a Member.
- (c) The Directors shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors. Any Director so appointed shall hold office only until the next following annual general meeting and shall then be eligible for re-election.
- (d) The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings or any meetings in connection with the business of the Company.
- (e) The Directors may in addition to such remuneration as is referred to in Article 20(d) hereof grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the Company.
- (f) A Director is expressly permitted (for the purposes of Section 228(1)(d) of the Act) to use the Company's property subject to such conditions as may be approved by the Board or such conditions as may have been approved pursuant to such authority as may be delegated by the Board in accordance with these Articles.
- (g) The Company at any general meeting at which a Director retires or is removed shall fill the vacated office by electing a Director unless the Company shall determine to reduce the number of Directors.
- (h) The office of a Director shall be vacated by a Director in any of the following events, namely:-
 - (i) if he resigns his office by notice in writing signed by him and left at the registered office of the Company;

- (ii) if he becomes bankrupt or makes any arrangement or composition with his creditors generally;
 - (iii) if he becomes of unsound mind;
 - (iv) if he ceases to be a Director by virtue of, or becomes prohibited from being a Director by reason of, an order made under the provisions of any law or enactment;
 - (v) if he is requested by a majority of the other Directors (not being less than two in number) to vacate office;
 - (vi) if he is removed from office by an Ordinary Resolution; or
 - (vii) if he is absent from four successive meetings without leave expressed by a resolution of the Directors.
- (i) At least ten days' previous notice in writing shall be given to the Company of the intention of any Member or Members to propose any person other than a retiring Director for election to the office of Director and such notice shall be accompanied by notice in writing signed by the person to be proposed confirming his willingness to be appointed PROVIDED ALWAYS that if the Members present at a general meeting unanimously consent, the chairman of such meeting may waive the said notices and submit to the meeting the name of any person so nominated, provided such person confirms in writing his willingness to be appointed and PROVIDED FURTHER that the nomination of any person other than a retiring Director for election as Director may be made only by a Director or by such Member or Members holding in the aggregate shares representing not less than 2.5 per cent. of the Net Asset Value of the Company on the Dealing Day preceding the date of nomination.
- (j) At a general meeting a motion for the appointment of two or more persons as Directors by a single resolution shall not be made unless a resolution that it shall be so made has been first agreed to by the meeting without any vote being given against it.
- (k) Any Director may at any time by instrument in writing (whether in electronic form or otherwise in writing) under his hand and deposited at the registered office, or delivered at a meeting of the Directors, appoint any Director or other person to be his alternate Director and may in like manner at any time terminate such appointment.
- (l) The appointment of an alternate Director shall determine if his appointor ceases to be a Director or on the happening of any such event which if he were a Director would cause him to vacate such office.

- (m) An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions hereof shall apply as if he (instead of his appointor) were a Director. If he himself shall be a Director, or shall attend any such meeting as an alternate for more than one Director, his voting rights shall be cumulative, provided, however, that he shall count as one for the purposes of determining a quorum. If his appointor is for the time being temporarily unable to act, his signature to any resolution in writing of the Directors and for the purposes of affixing the Company seal shall be as effective as the signature of his appointor. To such extent as the Directors may from time to time determine in relation to any committee of the Directors, the foregoing provisions of this paragraph shall also apply mutatis mutandis to any meeting of any such committee of which his appointor is a member. An alternate Director shall not (save as aforesaid or as otherwise herein provided) have power to act as a Director nor shall he be deemed to be a Director.
- (n) An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent mutatis mutandis as if he were a Director but he shall not be entitled to receive from the Company in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the Company from time to time direct.

21. DIRECTORS, OFFICES AND INTERESTS

- (a) The Directors may appoint one or more of their body to the office of managing Director or joint managing Director or to any other executive office under the Company (including, where considered appropriate, the office of chairman) on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may revoke any such appointment at any time.
- (b) A Director holding any such executive office shall receive such remuneration, whether in addition to, or in substitution for, his ordinary remuneration, as a Director and whether by way of salary, commission, participation in profits or otherwise or partly in one way and partly in another, as the Directors may determine.
- (c) The appointment of any Director to the office of chairman or managing or joint managing Director shall determine automatically if he ceases to be a Director but without prejudice to any claim for damages for breach of any contract of service between him and the Company.

- (d) The appointment of any Director to any other executive office shall not determine automatically if he ceases from any cause to be a Director unless the contract or resolution under which he holds office shall expressly state otherwise, in which event such determination shall be without prejudice to any claim for damages for breach of any contract of service between him and the Company.
- (e) A Director may hold any other office or place of profit under the Company (except that of Auditor) in conjunction with his office of Director, and may act in a professional capacity to the Company, on such terms as to remuneration and otherwise as the Directors may arrange.
- (f) Subject to the provisions of the Act, and provided that he has disclosed to the Directors the nature and extent of any material interest of his, a Director notwithstanding his office:-
 - (i) may be a party to, or otherwise interested in, any transaction or arrangement with the Company or in which the Company is interested; and
 - (ii) shall not be accountable, by reason of his office, to the Company for any benefit which he derives from any such office or employment or from any such transaction or arrangement or from any interest in any such body corporate and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.
- (g) No Director or intending Director shall be disqualified by his office from contracting with the Company either as vendor, purchaser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the other company in which any Director shall be in any way interested be avoided nor shall any Director so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established. The nature of a Director's interest must be declared by him at the meeting of the Directors at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement at the next meeting of the Directors held after he became so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made, at the first meeting of the Directors held after he becomes so interested.
- (h) A copy of every declaration made and notice given under this Article shall be entered within three days after the making or giving thereof in a book kept for this purpose. Such book shall be open for inspection

without charge by any Director, Secretary, Auditor or Member at the registered office of the Company and shall be produced at every general meeting of the Company and at any meeting of the Directors if any Director so requests in sufficient time to enable the book to be available at the meeting.

- (i) For the purposes of this Article:-
 - (i) a general notice given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified; and
 - (ii) an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his.
- (j) Save as otherwise provided by these Articles, a Director shall not vote at a meeting of the Directors or a committee of Directors on any resolution concerning a matter in which he has, directly or indirectly, an interest which is material or a duty which conflicts or may conflict with the interests of the Company. Unless otherwise resolved by the Directors, a Director shall not be counted in the quorum present at a meeting in relation to any such resolution on which he is not entitled to vote.
- (k) A Director shall be entitled (in the absence of some other material interest than is indicated below) to vote (and be counted in the quorum) in respect of any resolution concerning any of the following matters, namely:-
 - (i) the giving of any security, guarantee or indemnity to him in respect of money lent by him to the Company or any of its Subsidiary or Associated companies or obligations incurred by him at the request of or for the benefit of the Company or any of its Subsidiary or Associated companies; or
 - (ii) the giving of any security, guarantee or indemnity to a third party in respect of a debt or obligation of the Company or any of its Subsidiary or Associated companies for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security; or
 - (iii) any proposal concerning any offer of shares or other securities of or by the Company or any of its Subsidiary or Associated companies for subscription, purchase or exchange in which offer he is or is to be interested as a participant in the underwriting or sub-underwriting thereof; or

- (iv) any proposal concerning any other company in which he is interested, directly or indirectly, and whether as an officer or shareholder or otherwise howsoever, provided that he is not the holder of 5 per cent. or more of the issued shares of any class of such company or of the voting rights available to members of such company, any such interest being deemed for the purpose of this Article to be a material interest in all circumstances.
- (l) Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employments with the Company such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not otherwise debarred from voting) shall be entitled to vote (and be counted in the quorum) in respect of each resolution, except that concerning his own appointment.
- (m) Nothing in Section 228(1)(e) of the Act shall restrict a Director from entering into any commitment which has been approved by the Board or has been approved pursuant to such authority as may be delegated by the Board in accordance with these Articles. It shall be the duty of each Director to obtain the prior approval of the Board, before entering into any commitment permitted by Sections 228(1)(e)(ii) and 228(2) of the Act.
- (n) If a question arises at a meeting of Directors or of a committee of Directors as to the materiality of a Director's interest or as to the right of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question may be referred, before the conclusion of the meeting, to the chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive.
- (o) For the purpose of this Article, an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director and, in relation to an alternate Director, an interest of his appointor shall be treated as an interest of the alternate Director.
- (p) The Company by Ordinary Resolution may suspend or relax the provisions of this Article to any extent or ratify any transaction not duly authorised by reason of a contravention of this Article.

22. POWERS OF DIRECTORS

- (a) The business of the Company shall be managed by the Directors, who may exercise all such powers of the Company as are not by the Act, by the Regulations or hereby required to be exercised by the Company in general meeting, subject, nevertheless, to the provisions of the Act, to the Regulations and to the regulations herein contained being not

inconsistent with the aforesaid regulations as may be prescribed by the Company in general meeting, but no regulations made by the Company in general meeting shall invalidate any prior act of the Directors which would have been valid if such regulations had not been made. The general powers given by this Article shall not be limited or restricted by any special authority or power given to the Directors by this or any other Article.

- (b) All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments drawn on the Company, and all other receipts for moneys paid to the Company or a fund shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors from time to time shall by resolution determine.

If there be no Directors or Director able or willing to act, then any two Members may summon a general meeting for the purpose of appointing Directors.
- (d) The Directors may from time to time elect or remove a chairman and, if they think fit, a deputy chairman and determine the period for which they respectively are to hold office.
- (e) The chairman or, failing him, the deputy chairman shall preside at all meetings of the Directors, but if there be no chairman or deputy chairman, or if at any meeting the chairman or deputy chairman not be present within five minutes after the time appointed for holding the same, the Directors present may choose one of their number to be chairman of the meeting.
- (f) A resolution in writing (in electronic form or otherwise) signed (whether by electronic signature, advanced electronic signature or otherwise approved by the Directors) by all the Directors for the time being entitled to receive notice of a meeting of the Directors and to vote thereat shall be as valid and effectual as a resolution passed at a meeting of the Directors duly convened and may consist of several documents in the like form each signed by one or more of the Directors.
- (g) A meeting of the Directors for the time being at which a quorum is present shall be competent to exercise all powers and discretions for the time being exercisable by the Directors.
- (h) The Directors may delegate any of their powers to committees consisting of such of their members as they think fit. The meetings and proceedings of any such committee shall conform to the requirements as to quorum imposed under the provisions of Article 24(b) and shall be governed by the provisions hereof regulating the meetings and proceedings of the Directors so far as the same are applicable and are not superseded by any regulations imposed on them by the Directors.
- (i) The Directors may, whether by standing resolution or otherwise, delegate their powers relating to the issue and repurchase of shares and the calculation of the Net Asset Value of the shares, the declaration of dividends and all management and administrative duties in relation to the Company, to the Manager, the Administrator or to the Transfer Agent (as applicable) or to any duly authorised Officer or other person,

subject to such terms and conditions as the Directors in their absolute discretion may resolve.

- (j) The Directors may delegate their powers relating to the management of the Company's assets to the Manager or the Investment Adviser or to any duly authorised Officer or other person, subject to such terms and conditions as the Directors in their absolute discretion may resolve.
- (k) All acts done by any meeting of Directors, or of a committee of Directors or by any person authorised by the Directors shall, notwithstanding it be afterwards discovered that there was some defect in the appointment or authorisation of any such Directors or person acting as aforesaid, or that they or any of them were disqualified, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed, and was qualified and had continued to be a Director and had been entitled to vote.

- (m) Any such minutes as are referred to in Article 24 (l) hereof, if purporting to be signed by the chairman of the meeting at which the proceedings took place, or by the chairman of the next succeeding meeting, shall, until the contrary be proved, be conclusive evidence of their proceedings.
- (n) Any Director may participate in a meeting of the Directors or any committee of the Directors by means of a conference telephone or other telecommunication equipment by means of which all persons participating in the meeting can hear each other speak and such participation in a meeting shall constitute presence in person at the meeting.

25. **SECRETARY**

The Secretary shall be appointed by the Directors. Anything required or authorised to be done by the Secretary may, if the office is vacant or there is for any other reason no Secretary capable of acting, be done by any assistant or deputy Secretary or if there is no assistant or deputy Secretary capable of acting, by any officer of the Company authorised generally or specially in that behalf by the Directors PROVIDED THAT any provisions hereof requiring or authorising anything to be done by a Director and the Secretary shall not be

satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary.

26. THE COMPANY SEAL

- (a) The Directors shall provide for the safe custody of the seal of the Company. The seal shall be used only with the authority of the Directors or of a committee of Directors authorised by the Directors in that behalf. The Directors may from time to time as they see fit determine the persons and the number of such persons who shall authenticate the affixing of the seal, and until otherwise so determined the affixing of the seal shall be authenticated by two Directors or by one Director and the Secretary, or some other person duly authorised by the Directors, and the Directors may authorise different persons for different purposes.
- (b) The Directors may by resolution determine either generally or in any particular case or cases that the signature of any such person authenticating the affixing of the seal may be affixed by some mechanical means to be specified in such resolution or that such certificate shall bear no signatures.

- (b) Unless otherwise provided for in the Prospectus, the amount available for distribution in any Accounting Period shall be a sum equal to the aggregate of the Company's net realised and net unrealised capital gains and the net income received by the Company or relevant fund (whether in the form of dividends, interest, capital gains or otherwise) during the Accounting Period, subject to such adjustments in respect of the shares as may be appropriate under the following headings:-

- (d) Shares shall qualify for dividend in such manner as may be determined by the Directors.
- (e) Any declaration of a dividend by the Directors may specify that the same shall be payable to the persons registered as the Members at the close of business on a particular date, and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend, of transferors and transferees of shares.
- (f) The Company may transmit any dividend or other amount payable in respect of any share by wire transfer (to a bank account nominated by the holder or where there are joint holders, to a bank account nominated by that one of the joint holders who is first named on the Register) or by cheque or warrant sent by ordinary post to the registered address of the Member, or, in the case of joint holders, to the person whose name and address appears first on the Register and shall not be responsible for any loss arising in respect of such transmission.
- (g) No dividend or other amount payable to any holder of shares shall bear interest against the Company. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the Company until claimed. Payment by the Company of any unclaimed dividend or other amount payable in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof. Any dividend unclaimed after six years from the date when it first became payable shall be forfeited automatically, without the necessity for any declaration or other action by the Company.
- (h) At the option of any Member, the Directors may apply all dividends declared on the shares held by such Member in the issue of additional shares in the Company to that Member at the Net Asset Value obtaining when such dividends are declared and on such terms as the Directors from time to time may resolve, provided, however, that any Member shall be entitled to elect to receive a cash dividend in respect of the shares held by that Member.
- (i) The Directors may provide that Members will be entitled to elect to receive in lieu of any dividend (or part thereof) an issue of additional shares in the relevant fund credited as fully paid. In any such case the following provisions shall apply:-

- (i) the number of additional shares (including any fractional entitlement) to be issued in lieu of any amount of dividend shall be equal in value to the amount of such dividend at the date the dividend was declared;
- (ii) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect of which the share election has been duly exercised (the “Elected Shares”), and in lieu thereof additional shares shall be issued to the holders of the Elected Shares on the basis determined as aforesaid and for such purpose the Directors shall capitalise a sum equal to the aggregate value of the dividends in respect of which elections have been made and apply the same in paying up in full the appropriate amount of unissued shares;
- (iii) the additional shares so issued shall rank *pari passu* in all respects with the fully-paid shares then in issue save only as regards participation in the relevant dividend (or share election in lieu);
- (iv) the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation, with full power to the Directors to make such provision as they think fit in the case of shares becoming distributable in fractions so that, fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the Company or the Company issues Fractional Shares;
- (v) The Directors may on any occasion determine that rights of election shall not be made available to any Member with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of rights of election would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.
- (j) The Directors may, with the sanction of an Ordinary Resolution, distribute in kind among Members by way of dividend or otherwise any of the assets of the Company (other than any assets which have a contingent liability).
- (k) Where the Company proposes to pay a distribution to a Member, it shall be entitled to deduct from the distribution such amount as may be necessary to discharge the Company’s liability to tax in respect of such distribution and shall arrange to discharge the amount of tax due.

- (c) The appointment and removal of Auditors and the determination of eligibility for appointment as Auditors to the Company shall be governed by the provisions of the Act.
- (d) A person, other than a retiring Auditor, shall not be capable of being appointed Auditor at an annual general meeting unless notice of an intention to nominate that person to the office of Auditor has been given by a Member to the Company not less than twenty eight days before the annual general meeting and the Directors shall send a copy

31. **NOTICES**

 - (i) personally;

- (iii) by sending it by courier to or leaving it at the Member's address appearing on the Register;
 - (iv) subject to such Member's consent to electronic communications, by the Company sending it by email or other electronic means, in each case to an address or number supplied by such Member; or
 - (v) subject to such Member's consent to the use of the website, by publication of an electronic record of it on a website and notification of such publication (which shall include the address of the website and the place on the website where the document may be found).
- (b) Any notice or other document shall be deemed to have been given to, delivered, served upon or sent to any Member by the Company:-

and in proving such service or delivery, it shall be sufficient to prove that the notice or document was properly addressed and stamped and put in the post or sent by courier, email or by electronic means, or published on a website, as the case may be, in accordance with these Articles.

- (c) Any requirement in these Articles for the consent of a Member with regard to electronic communications and the use of a website shall be deemed to have been satisfied where the Member subscribes for or holds shares in the Company as the Member is bound by these Articles as if they had been signed by such Member. The Member may at any time revoke such consent by requesting the Company to communicate with that Member in documented form; provided however, that this requirement to communicate in documented form shall not take effect until 30 days after written notice of the requirement is received by the Company.
- (d) In the case of joint holders of a share, service or delivery of any notice or other document on or to one of the joint holders shall for all purposes be deemed sufficient service on delivery to all joint holders.
- (e) Any notice or document sent by post to or left at the registered address

of a Member or, with the consent of a Member, sent in electronic form by electronic means or by the use of a website shall, notwithstanding that such Member be then dead or bankrupt and whether or not the Company or the Administrator or the Transfer Agent (as applicable) has notice of his death or bankruptcy, be deemed to have been duly served or sent and such service shall be deemed a sufficient service on receipt by all persons interested (whether jointly with or as claiming through or under him) in the shares concerned and such notice shall be deemed to have been received by the Members twenty four hours after the time of posting or sending by electronic means.

Any Electronic Proxy Scheme shall require a Member appointing a proxy to complete a specified electronic form of proxy which shall be either signed by the Member using an electronic signature or completed using another form of electronic authentication or password in accordance with the requirements of the Electronic Commerce Act, 2000 or any other applicable law or regulation.

32. WINDING UP

- (a) If the Company shall be wound up or dissolved the liquidator shall apply the assets of the Company in satisfaction of creditors’ claims in such manner and order as he thinks fit.
- (b) Subject to Article 4(g) the assets of the Company available for distribution (after satisfaction of creditors’ claims) amongst the Members shall be distributed pro rata to the number of shares held by them.
- (c) The assets available for distribution among the Members shall then be applied in the following priority:
 - (i) firstly, in the payment to the Members of each class of each Fund of a sum in the Base Currency in which that class is denominated or in any other currency selected by the liquidator as nearly as possible equal (at a rate of exchange reasonably determined by the liquidator) to the Net Asset Value of the class held by such holders respectively as at the date of commencement of the winding up provided that there are sufficient assets available in the relevant Fund to enable such payment to be made. In the event that, as regards any class of Shares, there are insufficient assets available in the relevant Fund to enable such payment to be made, recourse shall be had to the assets of the Company not comprised within any of the Funds;

- (ii) secondly, in the payment to the holders of the Subscriber Shares of sums up to the amount paid thereon (plus any interest accrued) out of the assets of the Company not comprised within any Funds remaining after any recourse thereto under paragraph (i) above. In the event that there are insufficient assets as aforesaid to enable such payment in full to be made, no recourse shall be had to the assets comprised within any of the Funds;
 - (iii) thirdly, in the payment to the Members of any balance then remaining in the relevant Fund, such payment being made in proportion to the number of Shares held; and
 - (iv) fourthly, in the payment to the Members of any balance then remaining and not comprised within any of the Funds, such payment being made in proportion to the value of each Fund and within each Fund to the value of each class and in proportion to the Net Asset Value per share.
- (d) If the Company shall be wound up or dissolved (whether the liquidation is voluntary or by the Court) the liquidator may with the authority of a Special Resolution of the Company, divide among the Members pro rata to the value of their shareholdings in the Company (as determined in accordance with Article 12 herein, but subject to the rights on the part of the holders of the Subscriber Shares provided for in Article 4(g)) in specie the whole or any part of the assets of the Company, and whether or not the assets shall consist of property of a single kind and may for such purposes value any class or classes of property in accordance with the valuation provisions in Article 13. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Members as the liquidator shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but not so that any Member shall be compelled to accept any asset in respect of which there is a liability. If a Member so requests the Company shall arrange to dispose of the investments on behalf of the Member. The price obtained by the Company may be different from the price at which the investment was valued when originally purchased. The Company shall not be liable for any loss arising from such event. The transaction costs incurred in the disposal of such investments shall be borne by the relevant Member.
- (e) If all of the shares are to be repurchased and it is proposed to transfer all or part of the assets of the Company to another company, the Company, with the sanction of a Special Resolution of Members may exchange the assets of the Company for shares of similar interests in the transfer company for distribution among Members.

33. INDEMNITY

- (a) Subject to the provisions of, and so far as may be permitted by, the Act, the Company shall indemnify its Directors, Officers, employees and any person who serves at the request of the Company as a director, officer, employee of another company, partnership, joint venture, trust or other enterprise as follows:-
- (i) Every person who is or has been a Director, Officer, or employee of the Company and every person who serves at the Company's request as Director, Officer or employee of another company, partnership, joint venture, trust or other enterprise shall be indemnified by the Company to the fullest extent permitted by law against liability and against all expenses reasonably incurred or paid by him in connection with any debt, claim, action, demand, suit, proceeding, judgment, decree, liability or obligation of any kind in which he becomes involved as a party or otherwise by virtue of his being or having been a Director, Officer or employee of the Company or of another company, partnership, joint venture, trust or other enterprise at the request of the Company and against amounts paid or incurred by him in the settlement thereof except where any of the foregoing is attributable to any negligence or wilful default on the part of such Director, Officer or employee;
 - (ii) The words "claim," "action," "suit" or "proceedings" shall apply to all claims, actions, suits or proceedings (civil, criminal, administrative, legislative, investigative or other, including appeals) and shall include, without limitation, legal fees, costs, judgments, amounts paid in settlement, fines, penalties and other liabilities;
 - (iii) The rights of indemnification herein provided may be insured against by policies maintained by the Company, shall be severable, shall not affect any other rights to which any Director, Officer, employee or agent may now or hereafter be entitled, shall continue as to a person who has ceased to be such a Director, Officer, employee or agent and shall enure to the benefit of the heirs, executors and administrators of such a person;
 - (iv) No indemnification shall be provided hereunder unless an independent legal adviser to the Company has confirmed in a written opinion that the person to be indemnified is entitled to an indemnity under applicable law;
 - (v) The Company may make advances of expenses incurred in the defence of any claim, action, suit or proceedings against any person whom the Company is obliged to indemnify pursuant to Article 33(a) hereof; and

- (vi) The Company may indemnify the Manager, any Investment Adviser, the Administrator, the Transfer Agent, the Distributor and any agent of the Company to the extent permitted by law and subject to the provisions in relation to indemnification set out in Article 33(a) hereof.
- (b) The Depositary shall be entitled to such indemnity from the Company upon such terms and subject to the Regulations and such conditions and exceptions and with such entitlement to have recourse to the assets of the Company with a view to meeting and discharging the costs thereof as shall be provided under its agreement with the Company.
- (c) The Company, the Manager, the Administrator, the Transfer Agent and the Depositary (in the absence of any unjustifiable failure to perform its obligations and its improper performance of them in the case of the Depositary) shall each be entitled to rely absolutely on any declaration received from a Member or his agent as to the residence or otherwise of such Member and shall not incur liability in respect of any action taken or thing suffered by any of them in good faith in reliance upon any paper or document believed to be genuine and to have been sealed or signed by the proper parties nor be in any way liable for any forged or unauthorised signature on or any common seal affixed to any such document or for acting on or giving effect to any such forged or unauthorised signature or common seal but shall be entitled, though not bound, to require the signature of any person to be verified by a banker, broker or other responsible person or otherwise authenticated to its or their satisfaction.
- (d) The Company, the Manager, the Administrator, the Transfer Agent and the Depositary shall each incur no liability to the Members for complying with any present or future law or regulation made pursuant thereto, or any decree, order or judgment of any court, or any request, announcement or similar action (whether of binding legal effect or not) which may be taken or made by any person or body acting with or purporting to exercise the authority of any government (whether legally or otherwise). If for any reason it becomes impossible or impracticable to carry out any of the provisions hereof neither the Company, the Manager, the Administrator, the Transfer Agent nor the Depositary shall be under any liability therefor or thereby. This Article shall not, however, exempt the Company, the Manager, the Administrator, the Transfer Agent or the Depositary from any liability any of them may incur as a result of a failure to adhere to their obligations as set out in the Regulations or in the case of the Company, the Manager, the Administrator and the Transfer Agent, any liability incurred as a result of any fraud on the part of the Company, the Administrator or the Transfer Agent.
- (e) For the avoidance of doubt no Director shall be liable for the acts or omissions of any other Director.

34. **DESTRUCTION OF DOCUMENTS**

(a) The Company may destroy:-

- (i) any dividend mandate or share allotment request form or any variation or cancellation thereof or any notification of change of name or address at any time after the expiry of two years from the date such mandate, request variation, cancellation or notification was recorded by the Company;
- (ii) any instrument of transfer of shares which has been registered at any time after the expiry of six years from the date of registration thereof; and
- (iii) any other document on the basis of which an entry in the Register is made at any time after the expiry of ten years from the date an entry in the Register was first made in respect of it;

and it shall conclusively be presumed in favour of the Company that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company PROVIDED ALWAYS that:-

- (i) the foregoing provisions of this Article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim;
- (ii) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (i) above are not fulfilled; and
- (iii) references in this Article to the destruction of any document includes references to its disposal in any manner.

35. **SEVERABILITY**

If any term, provision, covenant or restriction of these Articles is held by a court of competent jurisdiction or other authority to be invalid, void, unenforceable or against its regulatory policy, the remainder of the terms, provisions, covenants and restrictions of these Articles shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

36. **AMENDMENT TO ARTICLES OF ASSOCIATION**

The Members shall be precluded from passing any resolution to amend the Memorandum and Articles of Association of the Company without obtaining the prior approval of the Central Bank.
