Key Investor Information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of this fund. You are advised to read it so you can make an informed decision about whether to invest.

ANIMA Europe Equity (the "Fund"), a sub-fund of ANIMA Funds plc
Prestige Class Shares ISIN: IE0007999117 (the "Shares"). This Fund is managed by ANIMA SGR S.p.A., part of the ANIMA Holding S.p.A. group of companies.

Objectives and Investment Policy

Investment Objective: The objective of the Fund is to seek long-term capital appreciation.

Main categories of financial instruments that are the object of investment: The Fund invests mainly in equities issued by companies listed on European markets and/or companies considered by the Sub-Investment Manager to be European companies listed or traded on other Recognised Exchange. Exposure to exchange rate risks may be medium/high and is actively managed.

The Fund may enter into stock lending arrangements for efficient portfolio management purposes, and/or may use Financial Derivative Instruments for (i) hedging, (ii) risk reduction and/or (iii) investment purposes. The Fund may use financial leverage to increase the amount invested in financial instruments to twice the value of the Fund's net asset value. This means that if there are changes in the prices of the financial instruments the Fund could either gain or lose twice as much as it would gain or lose without using financial leverage.

Redemption of Shares: You can ask the Fund to buy back your Shares on any business day whether full or partial repayment of the Shares held is required. Please refer to the Prospectus for further dealing information.

Benchmark: 100% MSCI Europe. The Fund does not aim to replicate the composition of the Benchmark. The Fund also invests in securities which are not included in the indices or present in different proportions.

Degree of discretion with respect to the benchmark: Potentially significant.

Portfolio Transaction Costs: The Fund's portfolio transaction costs are paid out of the assets of the Fund. These costs are in addition to the charges set out in the Charges section below and may have a material impact on the Fund's performance.

Income: No dividend is payable on the Shares. Income earned by the Fund will be retained by the Fund and will be reflected in the value of your Shares.

Recommendation: This Fund is suitable for investors who are willing to set aside capital for more than 5 years.

Risk reward and Profile

The historical data used to calculate the synthetic risk indicator cannot provide a reliable indication about the future risk profile of the Fund.

Lower Risk **Higher Risk**

Typically lower rewards **Typically higher rewards**

1	2	3	4	5	**6**	7

The Fund has been classified in risk/reward class 6, because the annualized volatility of the weekly returns of the Class over the last five years is equal to or greater than 15% and less than 25%.

The risk/reward category shown is not guaranteed to remain unchanged and the categorization of the Fund may shift over time. Please note, the lowest category on the indicator does not mean risk free.

There are no other risks that are materially relevant to the Fund and which are not adequately captured in the risk-reward indicator.

For further information on the risks related to the Fund please refer to its Fund Information Card and to the section of the Prospectus entitled "Risk Factors".
