Investment in the products mentioned in this document may not be suitable for all investors. Past performance is not a guide to future performance and should not be the sole factor of consideration when selecting a product. The price of the investments may go up or down and the investor may not get back the amount invested. Your income is not fixed and may fluctuate. The value of investments involving exposure to foreign currencies can be affected by exchange rate movements. IShares ETFs seek to track a benchmark and holdings are not altered during rising or falling markets. Some iShares ETFs are optimised and therefore may not hold all securities within the benchmark index. Performance may differ from the underlying benchmark index. IShares ETFs trade on exchanges intraday at the current market price which may differ from net asset value. Transaction or brokerage fees will apply. Liquidity is not guaranteed. We remind you that the levels and bases of, and reliefs from, taxation can change. BlackRock has not considered the suitability of this investment against your individual needs and risk tolerance. The data displayed provides summary information, investment should be made on the basis of the relevant Prospectus and Key Investor Information Document (KIID) which is available from your Broker, Financial Adviser or BlackRock Advisors (UK) Limited.
